

7th August 2020

The Lebanese Honorary Consulate and all the Lebanese community organisations in New Zealand are jointly responding in a coordinated effort to organise relief aid for Lebanon in response to the disastrous explosion that destroyed the main vital lifeline of Lebanon, namely the sea port of Beirut, and that caused many casualties and displacement of families.

In a humanitarian response, we are jointly appealing for help for the Lebanese people who have been affected physically or have lost their homes due to the horrific event of 4th August 2020.

This is a call to our fellow Kiwis to donate into the bank account that we have set up for this purpose. Your kind contribution will help individuals and families who desperately need assistance.
