

## Office of the Mayor

15 October 2015

### **Your invitation to an exclusive UNICEF NZ Event**

We would like to invite you to a short films evening on Wednesday 28 October 2015 at 6.00 pm at the Glenroy Auditorium on Harrop Street for a very special cause:

Children affected by the crisis in Syria

UNICEF NZ has asked us to join them in an event that will give an intimate insight into the plight of millions of children through a series of short films, and a presentation by the UNICEF New Zealand Executive Director, Vivien Maidaborn.

Vivien will share with us a special UNICEF programme aimed to assist young people to reclaim their lives and give them the opportunity to build a better future for themselves.

Please join us and UNICEF NZ and give these young people hope.
