

YOU'RE INVITED TO BE PART OF **VALLEY FEST 2026!** **'Discover, Participate, Belong'**

We're excited to announce the return of Valley Fest – a vibrant month long celebration throughout September celebrating everything that makes our Valley special.

From hands-on workshops, whānau fun days, and community gatherings to open studios and local showcases, you can:

Discover what makes North East Valley such a special place to live, work and play.
Participate in building community, resilience and caring for our local environment.
Belong connect, celebrate and be part of our thriving Valley community.

Get involved!

We're inviting local groups, creatives, businesses, Valley Project room users and residents to host an event, run an activity, or showcase what you do in the Valley.

Whether you're a local artist, community organisation, kapa haka group, or youth club – there's a place for you in Valley Fest!

The Valley Project will support you by:

- Including your event or activity on the Valley Fest programme and promoting it
- Helping to recruit volunteers if needed
- Providing advice with event planning.
