John Santucci has been a popular Gallery De Novo artist for over seven years, and this show follows his sell out 2020 exhibition - *The Green Room*. This year he is joined by his wife, and fellow artist Rosetta Santucci. These are the first works of Rosetta's to be exhibited in Dunedin.

Both John and Rosetta are full time artists based in Byron Bay. Not only do they share a talent and love for painting, but both are inspired by nature in their works. For John, the garden and plants that grow so fast in Byron Bay help to form a composition of nature's incredible beauty. Rosetta uses her background in textiles to look at the landscape with primarily tribal and ethnic designs.

All works in this show are original paintings, framed in a lime-wash reverse frame
