

Mark Cowden -Alternate Angles

Each work is a signed, limited edition print of 20 (with the exception of *Geo Space I* which is an edition of 10).

We have selected one print from each design to hang in this exhibition, but additional prints are available in either small , medium or large - depending on how many are left in each edition.

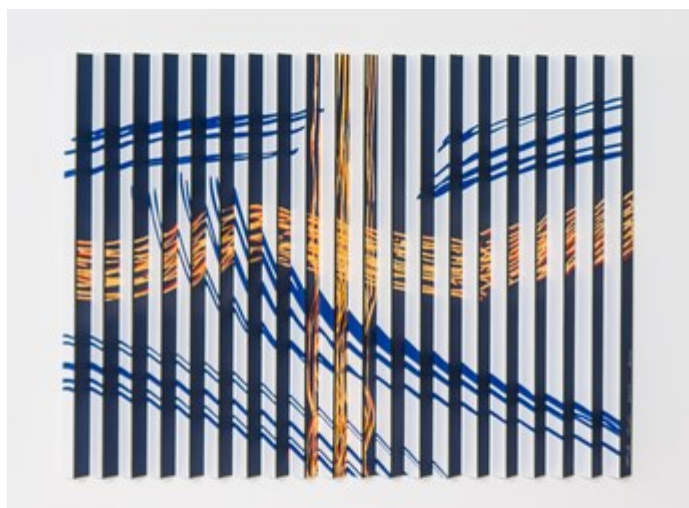

Please enquire about the availability of further editions in other sizes.

All works are floated on conservation white mount board and framed in either white or black box frames, with Plain Glass.
