Date : _____

Te Tiriti o Waitangi

GHL recognises the special relationship between Maori and the Crown and has an understanding of the articles/principles of the Te Tiriti o Waitangi. As an employee you will be required to develop an understanding of the cultural concepts, values and tikanga that might affect the well being of Maori patients.

Health and Safety

GHL is committed to achieving the highest level of health and safety for its staff. All employees are expected to take initiative and identify, report and resolve issues that may cause harm to themselves or others in the organisation. As an employee of GHL, the health and safety of clients, patients and colleagues, as well as your own, are your responsibility. You are expected to work safely at all times, and to actively participate in the health and safety programs. It is expected that you will report all accidents or potential hazards to your CEO.

To participate in, and comply with, the requirements of the Health & Safety in Employment Act 1992 plus amendments and associated GHL procedures.

- Work practices ensure safety for self and others
- Advice or assistance is sought before commencing an unfamiliar work practice
- Hazards are identified, control plans documented, hazards eliminated, minimised or isolated.
- Comply with GHL incident reporting and Health & Safety policy
- Emergency management procedures and compulsory/compliance education and training completed.

Quality and Risk

GHL is committed to continuous quality improvement and service excellence. Our focus is to improve our practice and the quality of care received by patients. Our goal is to embed continuous improvement in our daily activities, by focusing on improving systems and processes, enhancing our communication with other health providers and increasing consumer involvement.

General Responsibilities

1. PROFESSIONAL RESPONSIBILITIES

As an employee of Gore Health you are required to:

- Gain CPR Certification within one month of commencing employment with Gore Health.
- Maintain competency on work-related knowledge, best practices and legislation.
- Make a personal contribution towards effective and efficient working relationships within Gore Hospital
- Implementation of practice is customer-focused and meets professional standards.
- In conjunction with the Administrator Clinic Information Systems, identify your own training needs and plan to meet these needs.
- Manage your own time and prioritise your work effectively.

2. LEGISLATION, REGULATIONS AND COMPANY POLICIES

You are required to:

- Be familiar with and adhere to the provisions of:
 - all relevant acts and regulations,
 - all company, hospital and department policies,
 - relevant procedure manuals

3. RISK MANAGEMENT

You are required to:

- Support and promote actions and initiatives in your work area which enable risks to be identified and eliminated or reduced.
- Be especially aware of those risks that have high cost or safety implications.
- Complete a HAIR report form for any accident, incident or near miss that has taken place at work.
- Respond to complaints according to appropriate policies.

4. OCCUPATIONAL HEALTH AND SAFETY

You are required to:

- Carry out your work in a healthy and safe manner.
- Encourage and assist others to work in the same way.
- Report and rectify any unsafe workplace conditions/practices.
- Complete HAIR report form for any accident or injury which has taken place at work, ensuring, in the case of injury, that your supervisor or manager is notified within 24 hours.
- Co-operate with, support and promote occupational health and safety actions and initiatives in the workplace.
- Read and understand the health and safety manual, any relevant chemical information, and the emergency plan.
- Keep your knowledge of identified hazards up to date.

5. SECURITY

You are required to:

- Wear your identification badge at all times when on site or when carrying out official duties.
- Notify Personnel of any changes required for your ID badge.
- Report any suspicious or unusual occurrence to the security officer, orderly or telephone operator.
- Complete a HAIR report form for any incident which has or might have compromised the safety of staff, patients and visitors.

6. CONFIDENTIALITY

- Adhere to the Privacy Act 1993 and the Health Information Privacy Code 1994 and subsequent amendments in regard to the non-disclosure of information. Maintain strict confidentiality of knowledge gained in the course of your work concerning patient, colleague and Gore Health Business at all times while working for Gore Health and upon termination of employment.
