Students living in Mosgiel

Taieri Network is excited to be launching our Youth Advisory Panel (YAP), a new initiative designed to ensure rangatahi in Mosgiel/Taieri have a genuine voice in shaping their community. The kaupapa of YAP is simple: moving beyond consultation to real involvement. We want young people to share their perspectives, influence decisions, and lead projects that matter to them and their peers..

This could be a great opportunity for students who are interested in leadership, community projects, youth voice, service, local issues, or making positive change for young people in their community.

Applications have been extended to **April 29th** to give more young people the opportunity to get involved.

Young people aged **13–18** who live, work, or go to school on the Taieri can apply by:
