PRINCIPAL'S COMMENT

Kia ora koutou

The Ministry of Education is proposing significant changes to the National Certificate of Educational Achievement (NCEA). Below, I have summarised the rationale for the various changes and what is being proposed to replace the current system.

Why is NCEA Changing

Inconsistency and Credibility Issues: NCEA's current flexibility can lead to students gaining qualifications without mastering essential skills, and there is significant variability in how subjects are taught from school to school. This makes it difficult for employers and tertiary educators to understand what an NCEA qualification truly represents and, more importantly, how much learning a student is exposed to in each subject varies from school to school.

"Credit Counting": Some students disengage once they have accumulated enough credits, and there are no clear guidelines on which standards must be met for a subject or qualification. This means many students opt out of end-of-year examinations.

Curriculum Alignment: The current system often sees NCEA standards driving teaching rather than being driven by a strong national curriculum.

Key Proposed Changes:

Working with Industry on Vocational Education and Training (VET) Subjects:

- **Change:** Integrate clear, consistent VET subjects into senior secondary qualifications, developed in partnership with industry experts (e.g., Industry Skills Boards). These subjects will consist of coherent sets of skill standards.
- **Reason:** To strengthen the value and credibility of vocational learning, providing clearer pathways for students into industry qualifications or employment. This aims to ensure VET learning is relevant to real post-school opportunities.

Introducing a New Foundational Award and National Senior Secondary Qualifications:

- **Change:** A new Foundational Award for literacy and numeracy (or te reo matatini and pāngarau) will be introduced in Year 11 (replacing the current co-requisite from 2028). NCEA Level 1 will be removed after 2027. New qualifications, the New Zealand Certificate of Education (for Year 12, effective from 2029) and the New Zealand Advanced Certificate of Education (for Year 13, effective from 2030), will be introduced.
- **Reason:** To allow Year 11 students to focus on foundational skills before high-stakes assessments in Years 12 and 13. The Foundational Award will provide employers with a clear understanding of a school-leaver's fundamental skills. This also aligns with international practices.

Shifting to a Structured and Subject-Based Approach with Required Subjects:

- **Change:** Achievement will focus on mastery across whole subjects, with external and internal assessments aggregated to an overall grade (e.g., scored out of 100). Year 11, 12 and 13 students will generally be required to take five subjects.
- **Reason:** To ensure coherent and consistent learning programmes, making it easier for employers and tertiary providers to understand students' knowledge and skills. This also aims to prevent students from unintentionally limiting their post-school options too early as well as ensuring each student across the country gets the same learning programme.

Strengthening Achievement Requirements:

- **Change:** To achieve the new qualifications, students must earn a passing grade in at least four subjects. Terms like 'Excellence' and 'Achieved' will be replaced with more detailed subject marking. High-achieving students can still receive an overall qualification endorsement (e.g. 'with distinction').
- **Reason:** To increase consistency in assessment, incentivise students to study throughout the year, and provide a clearer understanding of students' skills and knowledge for educators and employers.

Below is an example of what a student's Record of Achievement may look like:

RECORD OF ACHIEVEMENT

NAME: Sam

Foundational Award

Awarded

New Zealand Certificate of Education

| SUBJECT | MARKS | SUBJECT GRADE |
|----------------------------|-----------|---------------|
| English | 85 / 100 | A |
| External | 44 / 50 | |
| Internal 1 | 20 / 25 | |
| Internal 2 | 21 / 25 | |
| Physics | 57 / 100 | C |
| Mathematics | 64 / 100 | C |
| Geography | 46 / 100 | D |
| History | 50 / 100 | C |
| Automotive and Engineering | 74 / 100 | B |
| Overall qualification | 330 / 500 | |

Awarded

New Zealand Advanced Certificate of Education

| SUBJECT | MARKS | SUBJECT GRADE |
|---------------------------|-----------|---------------|
| English | 90 / 100 | A |
| External | 48 / 50 | |
| Internal 1 | 22 / 25 | |
| Internal 2 | 20 / 25 | |
| Physics | 77 / 100 | B |
| Mathematics | 85 / 100 | A |
| Building and Construction | 87 / 100 | A |
| Automotive | 94 / 100 | A |
| Overall qualification | 433 / 500 | |

Awarded with distinction

Timeline for Implementation (Subject to Cabinet Agreement):

- **2028:** NCEA Level 1 removed; Foundational Award introduced.
- **2029:** New Zealand Certificate of Education (Year 12) introduced, replacing NCEA Level 2.
- **2030:** New Zealand Advanced Certificate of Education (Year 13) introduced, replacing NCEA Level 3.
- **Students** who are currently in Year 9 (in 2025) will continue under the existing NCEA system.
- **Students** who are currently in Year 8 (in 2025) will begin learning under the new curriculum from 2026 and will be assessed under the new award and qualifications starting in 2028

SENIOR ASSESSMENT WEEK 8 - 12 SEPTEMBER

Year 11 - 13 students will be:

- * Sitting practice NCEA exams to prepare for the final exams next term.
- * Sitting their literacy and numeracy co-requisite exams (CAA) — these are real NCEA exams, not practice exams.
- * Working on completing internal assessments for practical subjects.

Each student will have a unique schedule based on their subjects and the exams they are sitting. Students are only required to be at school for the times listed in the timetable below that are relevant to their subjects. They may wear warm and appropriate clothing.

Please ensure students bring their own stationery and a calculator for their exams. If your child has a digital exam, they should arrive at school with a fully charged device, as our supply of loan devices is limited.

Students have already received a booklet containing this timetable, a study template, and helpful study hints. To ensure they perform to the best of their ability, it is important that they begin studying for these exams now.

ACTIVITIES

KVC BIOLOGISTS HAVE AN EXCITING DAY AT THE COAST!

Our Year 12 Biology students recently swapped the classroom for the coast during an unforgettable trip to the Portobello Marine Studies Centre. The day was filled with hands-on learning, exciting discoveries, and fascinating wildlife encounters!

Students explored the rocky shore, actively applying the knowledge they had learned in the classroom. They enthusiastically collected and identified marine creatures, from tiny crabs to slimy seaweed, while also measuring water temperature and salinity. Their teamwork and curiosity shone through as they collaborated to collect data, showing that learning becomes much more engaging when you're immersed in rock pools!

The trip's highlight was visiting the Otago Peninsula Eco Restoration Alliance (OPERA). We were fortunate to see a rare, yellow-eyed penguin up close—a magical experience that highlighted conservation efforts happening right in our region.

The students' positive attitude and teamwork made KVC proud. They returned with memorable experiences, valuable data for their internal assessments, and a deeper appreciation for marine life and conservation. It was a fantastic day of exploration, and we look forward to seeing how they will use the data they gathered in their future work!

CAREER MOVES

Interactive Careers Website - Tahatū

Tahatū is New Zealand's new career website. It has been designed to provide your rangatahi with an easier way to explore careers, receive advice, and access information. All schools across the motu will be using Tahatū to help students confidently find their way from school to the workplace. By taking some time to explore Tahatū, you can help them as they navigate their way toward an exciting future.

Tahatu.govt.nz

Over the past two weeks, students from

Years 10–12 have been learning about Tahatū and discovering some of its features to help them with their subject selections. They have used the “Interest quiz” to help find their interests and explore future careers that align with them.

A helpful section is [Choosing NCEA subjects](#)

Students Explore Tech Careers with ShadowTech

Two weeks ago, a group of students took part in the **ShadowTech** programme at **Deloitte in Otago House**. The event provided students with the opportunity to explore careers in technology and acquire new skills. During the morning, students participated in a hands-on workshop where they learned about web programming with HTML and CSS, gaining insight into how websites are created and how creative technology can be applied.

They also heard from several women working in IT, who spoke about their career paths, the nature of their jobs, and what a typical day looks like in the tech industry.

It was an excellent opportunity for students to learn more about the world

of tech and consider new career possibilities.

CareerWise Website

Several informative events are coming up that students and parents need to be aware of, such as Telford Taster Camps. This is an opportunity for students who are interested in agriculture, veterinary tech, or equine. Discover what it is like to live and learn at Telford. Dates 2 – 6 December.

OTAGO POLYTECHNIC WEBINAR

An online information session for the **Bachelor of Applied Science 2026** will be held on Wednesday, 3 September, from 7pm to 8pm, with

Gary Barclay and Kathryn van der Vliet

If you have a passion for sports, exercise, or health, this webinar is the perfect chance to explore how turn that passion into a

we can help you rewarding career.

SPORTS NEWS

It was finals week last week, and our KVC teams did very well.

In the Miniball, the KVC Lakers won the Year 7 and 8 Mixed Grade Trophy for the first time in over 13 years. They went through the season unbeaten. Well done, Lakers!

Congratulations to the KVC Year 8 Red Team and the KVC Year 7 and 8 Green Team.

Both of our Year 7 and 8 Netball teams also won their respective grades.

The Senior Boys A Basketball team has travelled to Invercargill this week to compete in the Basketball NZ Southern Regional Cup.

Many thanks to our generous sponsors for their

support of our boy:

KAIKORAI VALLEY COLLEGE PTA GROUP

The Kaikorai Valley College Parent Group is a small group that supports the College by:

- ✓ running the Second-Hand Uniform Shop. **The second-hand uniform shop contact is Karen Crawford. Please TEXT 021 212 8473 to make an appointment to view and purchase uniform items.**
- ✓ providing funds to buy resources and equipment
- ✓ organising afternoon teas and suppers for school events
- ✓ Raffles

It isn't a huge commitment, and the group would welcome new members.

If you are interested and would like to help, don't hesitate to get in touch with Mr Stewart Tagg, our Assistant Principal for Year 9 and 10 students, at

sttagg@kvc.school.nz

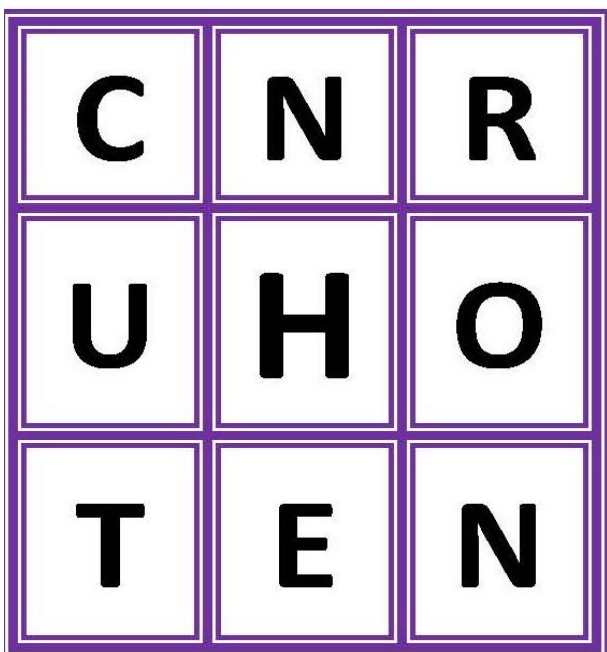

or call the school on 03 453 6035.

CURIOUS NOTIONS

- * Bottlenose dolphins are the only other species to have names for themselves.
- * Every step you take uses 200 different muscles in the body.
- * The printing press, which revolutionised the sharing of information, was invented by Gutenberg in about 1440.
- * Apricity - warmth of the winter sun.
- * If you cut down a saguaro cactus in Arizona, you can be charged with a class-4 felony and penalised with jail time.
- * A group of boars is called a sounder.
- * Thomas Edison invented an electric pen in 1876 that was later adapted to become the first tattoo machine in 1891.
- * The smallest thing ever photographed is the shadow of an atom.
- * Over 50% of pilots have admitted to falling asleep mid-flight. Of these pilots, 29% reported that when they woke up, their co-pilot was also asleep.
- * Everyone you meet knows something that you don't.
- * The atoms that make up everything here on Earth are the same atoms that have been used over and over again to make everything for the last 4.6 billion years.
- * Bees cannot fly at night.
- * In 1900, the world population was less than 1 billion. In 1950, the world population was just over 3 billion. In 2010, the world population was just under 7 billion. Today it is over 8.2 billion.
- * Lachanophobia is the fear of vegetables (*true for many children*).

PUZZLEGRAM

Words must be **four** letters or more and must contain the letter

H

Your list must have one 9-letter word. Proper names and non-English words are not allowed.

Answers will be in next week's newsletter.

11 words = good; 25 words = great; 37 words = excellent; 46 words; 53 = outstanding!

Puzzlegram answers: cere, cero, cete, core, cote, cure, cute, ecru, eger, ergo, euro, goer, gore, gree, grue, ogee, ogre, rete, rote, roue, tore, tote, tree, tret, true, urge, cruet, curet, cuter, egret, erect, ergot, eruct, erugo, greet, octet, otter, outer, outre, recto, recut, rogue, rotte, rouge, route, terce, togue, torte, toter, truce, tutee, utter, cotter, couter, croute, cutter, getter, gutter, tercet, touter, cortege, curette

MANA RANGATAHI ACTIVATOR PROGRAMME

Southern Youth Development is an organisation dedicated to empowering young people in Ōtepoti, Dunedin, to become the next generation of leaders.

Southern Youth Development offers several programmes that help young people develop new skills and try new experiences. Mana Rangatahi Activator is a programme designed for students aged 16-18 who want to build their leadership and entrepreneurial skills. It's a great opportunity for them to meet new people and turn their ideas into reality.

Southern Youth Development has rolling applications for this programme. Here is a registration link for interested students:

<https://innov8hq.typeform.com/to/ZoheHU5Y>.

NEW BEE CARD FARE FROM 29 SEPTEMBER

The free fare for children aged 5-12 years will end from 29 September, and they will now pay \$1.50. The fare for youth aged 13-18 years in Dunedin will increase from \$1.20 to \$1.50, and the adult fare will increase from \$2 to \$2.50.

All these fares need a **registered Bee Card** to take advantage of discounts.

Cash fares remain unchanged at \$3.

5-12 years

- Free fare for children aged 5–12 will end
- New fare with a Bee Card will be \$1.50
- New cash fare will be \$3.

13-18 years

- New fare with a Bee Card will be \$1.50
- Cash fare will remain \$3

Adults (19+)

- New fare will be \$2.50 with a Bee Card
- Cash fare will remain \$3.

ORC is updating fares to meet new central government funding rules.

We invite you to pop into an ORC office or a Bee Card retailer to pick up a Bee Card before **29 September**, or ask your bus driver for one – and remember to register it at www.beecard.co.nz.

More information on fare changes at www.orc.govt.nz/fares.

Bus fares are changing

29 September

Dunedin bus fares from 29 September

| Age group | Registered Bee Card | Cash |
|---------------------|-----------------------------|------|
| Child under 5 years | Free (no Bee Card required) | Free |
| Child 5–12 years | \$1.50 | \$3 |
| Youth 13–18 years | \$1.50 | \$3 |
| Adult 19+ years | \$2.50 | \$3 |
| Community Connect | \$1.25 | \$3 |
| SuperGold 65+ years | Peak: \$2.50 | \$3 |
| | Off-Peak: Free | |

Remember to Brush...

Morning & Night

Every Day

Why Brush?

Plaque is a sticky white layer full of germs (bacteria) that coats our teeth. Brushing twice a day gets rid of plaque. If we don't brush our teeth, these germs aren't removed and plaque quickly builds up. Over time, the plaque can cause holes in our teeth and also harm our gums

2+2

is best to do!

2 minutes to brush all surfaces

2 x daily with fluoride toothpaste
