OUR PROGRAMME

Year 13 Outdoor Pursuits Class

In this class, students learn about communication, leadership, risk management, team building, First Aid, and environmental awareness.

Each week, students go on an adventure, such as kayaking, mountain biking, abseiling, rock climbing, or tramping.

Year 12 Activities

All Year 12 students participate in an activities rotation, which includes outdoor education opportunities around the local area.

Camps

Year 8 and 10 students attend a week-long school camp.
