

Kaikorai Valley College

PĀNUI #11 – 01 August 2025

500 Kaikorai Valley Road, Bradford, Dunedin 9011 * Phone 03 453 6035 * Email office@kvc.school.nz * Web www.kvcollege.co.nz

PRINCIPAL'S COMMENT

Kia ora koutou

It has been a pleasure to host students and staff from our Sister school in Japan, Sakuragaoka High School. Kaikorai Valley College's relationship with this school spans 37 years, and we value and treasure this connection. Our students and staff have enjoyed interacting with our visitors, and we look forward to travelling to Japan next year for the reciprocal visit.

Thanks again to all those who have responded to our Strategic Plan consultation Google Forms. The final form requests feedback on how KVC prepares students for life beyond school. Here is the [link](#). Your feedback is greatly appreciated and will help inform the school's future direction.

As you know, we have implemented school-wide homework at KVC, with every student receiving homework each week. I wanted to reiterate the purpose of this and some small steps you, as a parent/caregiver, can take to help your child with homework.

Why Homework Matters

Homework offers a multitude of benefits that contribute significantly to a student's academic and personal growth:

- **Reinforces Learning:** Homework provides a crucial chance for students to practise and solidify what they've learned in class. Repetition helps concepts stick, ensuring a deeper understanding of the material.
- **Develops Responsibility and Time Management:** Completing assignments on time teaches students valuable life skills such as responsibility, organisation, and effective time management. These are skills they will carry with them throughout their academic careers and beyond.
- **Fosters Independent Learning:** When students tackle homework independently, they develop the skills to problem-solve, think critically, and take ownership of their learning. This self-reliance is essential for becoming lifelong learners.
- **Bridges School and Home Learning:** Homework establishes a direct link between the school and home environments, enabling parents and caregivers to see what their children are studying and engage in their academic progress. It can spark conversations and shared learning experiences.
- **Prepares for Future Academic Challenges:** As students progress through their education, the demands for independent study and self-discipline increase. Regular homework helps build the stamina and habits necessary for success in higher grades and future endeavours.

Your Role in Supporting Homework

While homework is your child's responsibility, your support at home makes a significant difference. You can help by:

- Providing a quiet, dedicated space for homework.
- Establishing a consistent homework routine.
- Encourage your child to try their best before offering help.
- Communicating with teachers if your child is consistently struggling or spending an excessive amount of time on homework.

We understand that balancing school, extracurriculars, and family life can be challenging, and we appreciate your partnership in supporting your child's education. We believe that a collaborative approach between home and school is key to fostering successful, well-rounded learners.

Ngā mihi nui

Jatin Bali
Principal

MESSAGE FROM OUR BOARD PRESIDING MEMBER

GET ON BOARD! BOARD ELECTIONS

Kia ora koutou

In our discussions with the community regarding our candidacy for the board, we frequently encounter the following comments:

- "I lack the necessary qualifications, such as accounting or law."
- "I am only ..."

School boards need representatives from diverse backgrounds to accurately reflect the thoughts and aspirations

of the entire community regarding the achievements of students at Kaikorai Valley College. To support the skill development and transition of a new board, we typically have a mix of new and experienced members. If a completely new board is elected, there are options for this board to access the expertise of departing experienced members.

Another valuable resource for board members is the New Zealand School Boards Association. Their primary role is to support and assist school boards through various means, including 0800 helplines for personalised advice, training sessions, and guidance provided via monthly newsletters. Kaikorai Valley College is also a member of SchoolDocs. This organisation hosts our policies and procedures online and collaborates with the board to ensure they remain current and compliant with legislation. Both organisations have access to legal advice if needed.

The crucial message is that you are not alone, and assistance is readily available.

If you have any questions, please don't hesitate to contact us through the school office (03 4536035 or office@kvc.school.nz). A board member will be happy to speak with you.

Remember that nominations close at noon on **Wednesday, 6 August 2025**, and can be submitted online at <http://www.myschoolelection.nz/mynomination> or by contacting the school office to request a paper copy of the nomination form.

We held an information evening on Wednesday, and it was a great pleasure to share thoughts and discussions on the board processes with whānau who were interested.

Mark Rogers
Presiding Member
Kaikorai Valley College Board

2026 JAPAN TRIP YEAR 11-13

A couple spaces are available for students wishing to join the school trip to Japan in the September Holidays next year.

You must be a student in years 11 - 13 next year to travel.

Application forms are available from Mrs Potter.

japotter@kvc.school.nz

ACTIVITIES

Year 12 Activities: Skimming stones at Outram Glenn.

FUNDRAISING BAKE SALE

Matai House leader Taylor Dennison teamed up with other Year 13 students last week to organise a bake sale, raising money for Starship Hospital. They put on a delicious range of baking, raising \$248. Ka pai, Taylor!

SHANGHAI INTERNATIONAL SISTER CITY YOUTH CAMP – JOSH HOPPING

Over the past two weeks, Josh Hopping had the privilege of attending the 2025 Shanghai International Sister Cities Youth camp. He was selected by the Dunedin City Council along with four other students from Columba College, Trinity Catholic College, and Queen's High School.

The two-week programme was themed “Communication, Cooperation, Friendship, Understanding.” Students had an incredible opportunity to experience courses on traditional Chinese culture, visit universities and attractions in Shanghai, participate in a Sister Cities Youth Forum, and immerse themselves in local life by spending a day with a Shanghai family. Equally important was the chance to connect with others from 18 different countries around the world.

Besides working with international students and teachers, our New Zealand group included a Chinese English teacher and three Chinese students. Over the two weeks, we formed friendships through shared experiences and enjoyed conversations while learning about each other’s cultures. Their kindness and hospitality made our trip truly memorable. We all returned to New Zealand with many wonderful memories.

Highlights for Josh included the friendships he made, the night riverboat cruise, visiting a range of attractions, and connecting with people from different cultures. He took advantage of every opportunity and was an excellent ambassador for his country.

HOKONUI FASHION DESIGN AWARDS AND KAIKORAI VALLEY COLLEGE'S STAR ENTRIES

Congratulations to the following students for their efforts in having their entries accepted onto the catwalk at the Hokonui Fashion Design Awards this weekend:

Alyssa Bayne
Miyah Hampton
Amy Hitchcox
Zara Kleinlangevelsloo
Grace Shemely
Layla Maynard
Virtuous Tabe

They did exceptionally well to have their entries accepted for the catwalk. On top of that, in the 'Preppy' category, which five of these students entered, Alyssa Bayne was Runner Up and Miyah Hampton was Highly Commended!

The photo shows Alyssa's entry at the front, and Miyah's entry to the right.

WINNING CHEFS!

Towards the end of last term, Year 12 Hospitality students Azariah Hughes and Harmony Baker-Wihongi entered a National Secondary School Culinary competition.

The dish had to include Silver Fern Farms Lamb as the principal component of the dish. It must also include New Zealand-grown Kumara as well as green vegetables. Other vegetables could also be included, provided they were fresh and New Zealand-grown. It also needed to include at least one Anchor Brand product as well as a Recued Kitchen Product.

The students competed against 64 other teams from across the country and successfully won a gold medal with a score of 94/100!

Their dish was a Middle Eastern fusion featuring a spice-crusted lamb fillet pan-fried in butter, served on a salad of risoni, broccolini, and kumara crisps. It was finished with a labne quenelle and pomegranate syrup.

BRATHWAITE CENTRE NEWS ART CELEBRATION

By Ashlee Walters (Year 14)

Studio 2 is a place for people to do art. I go with Lukas on Tuesday afternoons. Pam (Brathwaite Centre Teacher Aide) takes us. I see some people I know from 10-Pin Bowling. I see my friends and Cody (a former student from KVC) there.

We do all kinds of art. I mostly enjoy drawing because I like drawing pictures of people. I have got better at lines and am learning to do shading. I drew a pink angel Squishmallow on fabric. Pink is my favourite colour.

My Squishmallow is in the 2025 IHC Art Awards. I am so excited because my picture (no. 318) has sold. Lukas' picture (no. 331) is also in the IHC Art Awards. See our work and other artists' work in the online gallery.

Click the link: <https://www.ihc.org.nz/get-involved/art-awards/art-awards-gallery-2025>.

EXTRAORDINARY GIFT TO THE SCIENCE DEPARTMENT!

Recently, the school received three superbly mounted skeletons for our Science Department.

These fascinating models were donated to the school by Mike Wakelin. We are very grateful to Mike for offering these to us. He will have taken many, many hours to put them together.

The skeletons will soon be encased in Perspex cases and will be used for such things as comparative anatomy, scientific drawings, and vertebrate evolution. I

have seldom seen such superb examples, and our students are very lucky to have access to them.

Dr Simon McMillan

ESOL and Urban Farm Teacher (an oyster catcher, a cat, and a possum)

CAREER MOVES

Several career events are coming up in the next few weeks that students should be aware of, especially those planning to begin tertiary study in 2026.

University of Otago Course Planning Tutorial – Greg Heller will be at school on **Tuesday, 5 August at 1pm** to assist students planning to study at the University of Otago in 2026 with their enrolment. This is a great opportunity to get expert advice on paper selection and course planning.

Otago Polytechnic Liaison Advisor Planning Visit – Carly Nisbet will be at KVC on **Thursday, 7 August** to support students planning to enrol at Otago Polytechnic next year. Carly will walk you through the enrolment process and answer any questions. Email Mrs Beagley to be part of this group.

Scholarship Reminders

Reminder for students planning to attend University or Polytech next year:

Be sure to check the closing dates for scholarship applications. With the Fees Free scheme no longer available, it's more important than ever to apply for scholarships to help support your tertiary education.

University of Otago: Applications close **15 August**.

Otago Polytechnic: Deadlines vary by scholarship - check the specific closing date for the one you're applying for. Take the time to apply - it's worth the effort!

MoneyHub has compiled a **comprehensive guide to scholarships** for students planning to start university in 2026. Available at [MoneyHub Scholarship Guide](#), this resource lists scholarships from all universities, along with exclusive opportunities for Māori, Pacific, and International students. The guide, updated regularly, includes application tips and deadlines, helping students easily navigate the scholarship process.

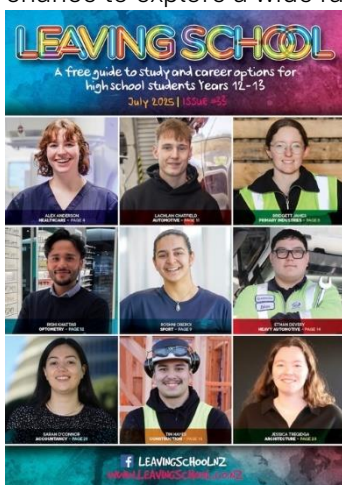

Hands-on at Otago - this is a unique opportunity for Year 12 students to experience a week of Otago student life. Students stay on campus in a residential college and choose a subject to study for the week. Sunday 11 to Friday 16 January 2026. Applications close **7 August**. If you are interested in learning more, email Mrs Beagley.

ShadowTech25 - Inspiring girls into Tech Careers. An opportunity for Year 11 girls to discover the world of tech and explore career pathways. Visit a local tech company, go on a workplace tour, and participate in workshops. If you are interested in learning more, email Mrs Beagley.

Year 11 Pathways Speedmeet – Monday 11 August

Our Year 11 students have been invited to attend the **Pathways Speedmeet** at the **Dunedin Town Hall**. Think of it as *speed dating for careers* - a unique chance to explore a wide range of career pathways. Students will rotate in groups, meeting employers, apprentices, and professionals from various industries. It's an excellent opportunity to ask questions and learn about different jobs firsthand.

Leaving School Magazine

The magazine is packed full of information that will be helpful to students in Years 12–13 as they plan for their futures after finishing high school.

Included in this issue are profiles on 18 young people making successful careers for themselves, including: Architect, Builder, Collision Repair Technician, Electrician, Forester, Heavy Automotive Technician, Optometrist, Radiation Therapist, Sport and Recreation Graduate, and Systems Accountant.

Also included in the magazine are tips on **applying for a Student Loan** in 2026, preparing a great CV, Interview Tips, details on Accommodation and **Scholarships** available at the University of Otago in 2026. Senior students will receive this magazine during Whānau time or can access it online at www.oliverlee.co.nz/leavingschool-issue33.

SPORTS NEWS

This week, we are celebrating some of our students who have performed at a high level in their chosen sport.

Azariah Hughes was selected for the Under 16 Otago Rugby League Girls' Team, which travelled to Oamaru in the last school holidays for a NZ Warriors U16s and U18s South Island Tournament. Azariah's team was awarded the "Good Person, Good Player Team" for the whole tournament.

Well done on your Otago representation, Azariah!

Also during the last holidays, KVC had two players who were part of an Aoraki (lower South Island) Group that travelled to Masterton to attend the NZDC Junior and Youth Darts Nationals.

Ioabarahi Dean-Harris is ranked 11th in New Zealand in the Youth Boys' Rankings.

Over the tournament, Ioaba was Runner-

up in the Consolation Junior and National Youth Boys Singles. Top 16 in the Main Round for the National Youth Pairs with his partner, Daniel Palu. 3rd equal in the Main Round for national Youth Mixed Pairs with partner Jade Maber.

Isaiah Siggileko played well and gained awesome experience as the only Junior in the team selected to attend the Nationals. Isaiah came Runner-up in the Consolation Junior Mixed Pairs with his partner. Isaiah's confidence has grown since returning from the Tournament, and he hit his very first 180 at Club Night recently.

Well done, Ioaba and Isaiah, on representing the Southern Region!

In other exciting news, we have two teams competing at tournaments during Tournament Week from 25-29 August.

Our Snr A Netball team will attend the South Island Secondary Schools' Netball Tournament here in Dunedin.

Our KVC Snr A Boys Basketball Team will travel to Invercargill to participate in the NZ Basketball Southern Regional Cup. They are training hard and have been equipped with t-shirts, gear bags, and hoodies thanks to the sponsorship of some local companies.

A huge thanks to the following companies:

PROCIVIL – Excellence in Infrastructure, who have sponsored the warm-up t-shirts.

Keep It – Farm Brands Ltd, who have sponsored the gear bags

Bluff Proteins Ltd, which has sponsored the hoodies.

We are once again very fortunate to have received generous funding from **Apollo Projects**. Their continued support has provided significant financial assistance to our school, enabling many students to participate in sports. Without this funding, many students would not have the opportunity to play school sports or attend tournaments. We are incredibly grateful to Apollo Projects for making these opportunities possible.

BOOK CHARACTER DRESS UP DAY FREQUENTLY ASKED QUESTIONS

Q: Do I have to dress up as a book character?

A: No. Participation is voluntary. If you don't want to wear a book character costume, then you just come to school in your uniform as usual.

Q: Do we have to pay anything?

A: No. We have decided that we will not require a gold coin donation this year.

Q: Can I dress up as a TV show or video game character?

A: If the character was in a book before it was adapted to the screen, then yes, you can.

Q: Can I come as a real person?

A: No. The event is celebrating fictional book characters. Even if there are biographical books written about them, they aren't a "character".

Q: Can I copy the character exactly?

A: You will need to make sensible adjustments to your costume to ensure its ...

Respectable enough to wear at school
Warm enough so that you don't freeze
Doesn't include anything that could be mistaken for a weapon

Doesn't use body paint or body glitter

Q: Will there be prizes?

A: Yes. There will be spot prizes all day, and special awards at the lunchtime costume parade.

Book Character Costume Prize Categories

Best group costume

Best picture book-inspired costume

Most impressive DIY costume

Most flamboyant parade performance

Q: Will there be a photo booth again?

A: Yes. You will have the opportunity to get your photo taken at the lunchtime costume parade.

Q: Can I wear my costume all day?

A: It Depends. You will still need to wear your sports uniform if you have a P.E. class on Friday, and teachers may require you to remove any parts of your costume that are interfering with your ability to complete classwork, such as bulky gloves or papier-mâché heads that block vision.

KAIKORAI VALLEY COLLEGE 2025 YEAR DATES

TERM DATES

TERM	START DATE	END DATE
Term 1 (10 weeks)	31 January	11 April
Term 2 (9 weeks)	28 April	27 June

KAIKORAI VALLEY COLLEGE PARENT GROUP

The Kaikorai Valley College Parent Group is a small group that supports the College by:

- ✓ running the Second-Hand Uniform Shop. **The second-hand uniform shop contact is Karen Crawford. Please TEXT 021 212 8473 to make an appointment to view and purchase uniform items.**
- ✓ providing funds to buy resources and equipment
- ✓ organising afternoon teas and suppers for school events
- ✓ Raffles

It isn't a huge commitment, and the group would welcome new members.

If you are interested and would like to help, don't hesitate to get in touch with Mr Stewart Tagg, our assistant principal for Year 9 and 10 students, at

sttagg@kvc.school.nz

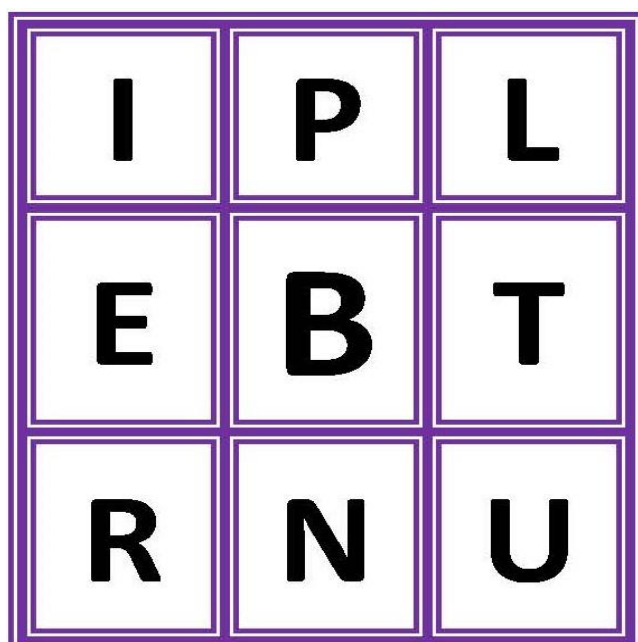

or call the school on 03 453 6035.

CURIOUS NOTIONS

- * In Indonesian, there is a word, "Jayus," that means "A joke told so poorly, and so unfunny that one cannot help but laugh."
- * Between North and South Korea lies 250kms of no-man's land, where hundreds of rare animal species thrive.
- * Geomelophagia is a term for someone who has the urge to eat raw potatoes.
- * Non-violent attempts to escape Mexican prisons are not punished because "it's human nature to want freedom."
- * In Ancient Bafia culture, one could purchase a wife for the price of thirty potato mashers.
- * Small as they may be, ladybugs have a unique smell that humans are incredibly sensitive to.
- * During WWII, a U.S. naval destroyer won a battle against a Japanese submarine by throwing potatoes at it. The Japanese thought they were grenades.
- * If you lift a kangaroo's tail off the ground, it can't hop.
- * In 1866, the United States purchased Alaska from Russia by writing a check for \$7.2 million USD. (\$156 million today)
- * The smallest thing ever photographed is the shadow of an atom.
- * It is illegal to play a musical instrument for the purpose of annoying other people in the Northern Territory, Australia.
- * Mosquitoes can smell which blood type you are. They're twice as likely to bite someone who is Type O as opposed to Type A.
- * Cherophobia is the irrational fear of fun or happiness.
- * Penguins have knees.

PUZZLEGRAM

Words must be **four** letters or more and must contain the letter

B

Your list must have one 9-letter word. Proper names and non-English words are not allowed.

Answers will be in next week's newsletter.

10 words = good; 18 words = great; 27 words = excellent; 34 words; 41 = outstanding!

Puzzlegram answers:

aced, acid, cade, cadi, caid, cate, cave, cede, cedi, cete, cite, dace, dice, etic, iced, tace, vice, acted, cadet, caved, cavie, cited, civet, deice, dicta, edict, eject, evict, vatic, viced, active, advect, advice, dacite, deceit, deject, device, ejecta, dejecta, evicted,

sugar and our Teeth

Did you know...

The **TYPE** of sugar really does matter when it comes to looking after our teeth

Free or Added Sugar
Any sugars **added to food and drinks**, and the **unbound sugars** naturally found in honey, fruit juice, and syrups. These sugars are **easy for bacteria to use** to cause tooth decay

HOW OFTEN we eat and drink sugar each day is more important than **HOW MUCH**

Intrinsic or Natural sugar
Naturally found sugar that is **tightly bound in the cell structure** of whole foods - fresh fruit, vegetables, wholegrains, and milk. Unlike 'free' sugar, this form is **much harder for bacteria to use** to cause tooth decay
