### PRINCIPAL'S COMMENT

Kia ora koutou

Last week, we held our Senior Prize Giving. We gathered to celebrate the culmination of years of hard work, dedication, and perseverance. Senior Prize Giving is a time to honour the outstanding achievements of our students. We also acknowledged the support and dedication of whānau and teachers who all contribute to the success of our young people. A special congratulations to our Proxime Accessit, Drew Dasler, and the 2025 Dux of Kaikorai Valley College, Memphis Muir.

Though this is the end of the school year for our senior students, it is not the end of the academic year. Any senior student wishing to achieve their potential in the external examinations will need to dedicate themselves, putting in the hours required not just to pass, but to obtain personal excellence. I encourage all students to aim for personal excellence, striving that little bit higher, and be able to hold their heads up high when they leave the examination, knowing they prepared as well as they could.

To our year 13 students, I would like to acknowledge the incredible journey you've taken during your time at Kaikorai Valley College. Your dedication and unique contributions have enriched our school. As you embark on the next chapter of your lives, I encourage you to carry with you the values you've learned here: respect, hard work, perseverance, and integrity.

For our Year 7-10 students, there are still five weeks of learning to go, and many exciting opportunities, such as 'Have-a-Go Week' and 'Adventure Week,' coming up in the next few weeks. It is great to see the students making use of the improving weather at break times, being actively involved in sports and games.

Ngā mihi nui

Jatin Bali  
Principal

## MESSAGE FROM THE PRESIDING MEMBER

### Kaikorai Valley College Policy Management Update: SchoolDocs Launch

Ngā mihi nui ki a koutou

We are delighted to confirm that we have successfully transitioned all of our college Policies and Procedures to our new online management system, **SchoolDocs**.

This is a significant step forward for Kaikorai Valley College. SchoolDocs offers easy access to up-to-date documentation for everyone and greatly simplifies **our mandatory triennial review process**. This system ensures clarity, transparency, and efficient governance across the college community.

#### Community Involvement in Policy Review

A core component of maintaining robust, relevant policies is gathering comprehensive feedback from all stakeholders. A selection of policies is reviewed each term, at which time they are open for review and input from Board members, staff, and the wider college community, including parents, caregivers, and whānau. Your perspective is highly valued in shaping our college's foundational documents.

#### Term 4 Policies Now Open for Review

The following policies have been scheduled for their triennial review this term and are now open for community and staff feedback within the **SchoolDocs** system:

- Bullying and Harassment
- Behaviour Management
- Searches, Surrender, and Retention of Property
- Minimising Physical Restraint
- Stand-down, Suspension, and Exclusion
- Staff Wellbeing and Safety

#### How to Review and Provide Feedback

The process for accessing these documents and submitting your feedback is simple. Please note the deadline for submissions is **23 November 2025**.

##### 1. Access SchoolDocs

- **SchoolDocs Link:** <https://www.schooldocs.co.nz/>
- **Select School:** Kaikorai Valley College
- **Username:** kvc
- **Password:** pride

##### 2. Follow the Steps

1. Click the **SchoolDocs** link and log in using the credentials provided above.
2. Navigate to the **'Current Review'** tab.
3. Read the policies listed in the review cycle.
4. Submit your comments or suggestions using the **Feedback Form** linked within each policy document on the SchoolDocs platform.

All feedback received will be collated by SchoolDocs and provided to the Board for careful consideration.

We greatly appreciate your participation.

**Mark Rogers**, Board Presiding Member

---

## MEASLES CASES IN AOTEAROA

Recent measles cases linked to overseas travel have been reported in Te Tai Tokerau and Queenstown, and more recently in Wellington.

Cases were active in the community while infectious, and there is a risk of measles circulating there, as well as more widely in Aotearoa.

Measles is highly contagious and can cause severe illness in people of any age.

- Watch for measles symptoms – fever, cough, runny nose, sore eyes, and a blotchy rash.

[Measles: Locations of interest in Aotearoa New Zealand – Health New Zealand](#)

- If anyone in your whānau has measles symptoms, keep them home and contact a doctor or Healthline urgently on 0800 611 116.
- Vaccination is the best protection from measles. Check that all whānau are immunised.

[Measles immunity – Health New Zealand](#)

[Measles, mumps, and rubella \(MMR\) vaccine – Health New Zealand](#)

- Anyone who has been closely exposed to measles and has not received two MMR vaccinations cannot attend their school | kura for at least eight days.

## ACTIVITIES

### SCIENCE SUPERSTARS SAIL THE HARBOUR!

Our brightest Year 10 scientists traded their uniforms for life jackets this week as they took part in an exclusive two-day **Marine Science Extension Programme** at the **New Zealand Marine Studies Centre (NZMSC)** in Portobello!

This wasn't your typical field trip - our students worked as genuine research scientists, helping the local council investigate the impact of human activity on the Otago Harbour habitats.

#### Onboard the *Polaris II*

Day one was spent entirely on the water aboard the research vessel, the *Polaris II*! Our students handled professional scientific gear, deploying **baited underwater video** cameras to see what creatures lurked below, and conducting **plankton tows** to sample the ocean's invisible building blocks. They were up close with real-time data collection, putting complex science skills into direct practice.

#### Lab Detectives

On day two, the mission shifted from the sea to the lab. Students worked collaboratively in teams, meticulously **analysing the mountains of data** they had collected. They processed samples, interpreted environmental readings, and then compiled their findings into a detailed **summary report**, demonstrating their analytical prowess and ability to communicate complex science. It was an intense but hugely rewarding experience that extended their learning far beyond the classroom. The students were fantastic ambassadors for KVC and gained invaluable insight into careers in marine biology and conservation. A huge well done to all our participants - you made waves with your scientific talent!

## CAREER MOVES

### CELEBRATING SUCCESS AT THE OSTC END OF YEAR PRIZE GIVING

Last Friday, we were proud to celebrate the achievements of our students who have been attending Otago Polytechnic each Friday as part of the Otago Secondary Tertiary College (OSTC) programme.

Throughout the year, these students have taken part in a variety of vocational courses, including Automotive, Beauty Therapy, Construction, Cookery and Police Pathways. Each programme has given them valuable practical experience and workplace skills that will serve them well as they take their next steps beyond school. It was fantastic to see our students' hard work recognised and to share the celebration with their families and tutors. Their hard work and positive approach have been a credit to them.

**Congratulations to the following award recipients:**

**New Zealand Certificate in Building, Construction and Allied Trades (Level 2)**

**Attendance Award** – Janelle Martin 97% attendance.

**Tutor's Award** – Kayden Robinson, for improving consistently over the year and developing a great construction skillset.

**New Zealand Certificate in Cookery**

**Attendance Award** – Virtuous Tabe 98%.

**Beauty Therapy**

**Tutor's Award** - Miyah Hampton – for the fantastic development of her beauty skills and always willing to learn with a smile on her face.

**Automotive Engineering**

**Attendance Award** - Cody Te Ngahue - Forbes 100% attendance.

**Police Pathways**

**Attendance Award** – Ashley Redding 100% attendance.

## No-sugar Fizzy Drinks

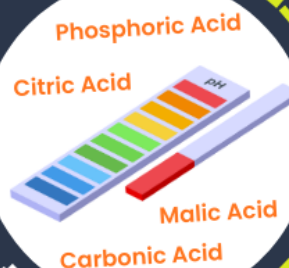

These diet drinks...

may be SUGAR-FREE...

but they're **NOT ACID-FREE!**

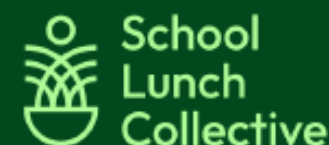

### Did you know?

Sugar-free fizzy drinks still have acids in them. These acids can wear away our tooth enamel. The more often we have acid on our teeth, the higher our risk is for tooth decay. Choose plain water or plain milk for your everyday drinks!
