New Programme at Milton Primary School

Tūhura at Milton Primary School is our hands-on learning programme that involves discovering, exploring, and investigating through the Technology, Health and Physical Education, and Science Curriculum strands.

This term saw the introduction of Tūhura into the senior school, following the success of this programme in our junior school. These sessions are an opportunity for our students to spend time exploring, investigating, creating and pursuing their passions. On a Tuesday and Thursday the Year 3-6 children opt into one of three options that they are interested in, spending time developing their skills and knowledge. It's a great chance for them to take ownership of their own learning and to work alongside other senior students from across the school.

In Terms 3 and 4, the focus is on visual art, physical education (with an Olympics theme) and digital technology. It's been exciting to see our students work alongside each other and explore their strengths and we're looking forward to offering more opportunities like this in 2022.

Milton Op Shop + Progress

The new Milton Op Shop+ team has been working during the covid levels (online) to ensure the shop will open. The goal is to have a November opening. Last Sunday, an in-house working bee was held with board members doing more hands-on hard work in order to get the shop space ready for retail displays. The board welcomes public participation in the next Working Bee to be held Sunday October the 3rd from 9.30 am till 4pm at the shop (72 and 74 Union Street).

Contact Sue if you wish to join in, are wanting to bring donations to us or just are keen to find out more: 022 0373899

The Milton Opportunities Charitable Trust is very grateful to the donations that already have been received from Milton and Dunedin. Staff from Age Concern Otago have been very generous in offering donations for this cause. Locals have equally been in touch to ask for pick ups and where to donate items. A heartfelt thanks is made to everyone for their incredible support.

Milton Film Club

The Milton Film Club is gearing up for its third screening this Saturday, **September 25th** in the Tokomairiro High School Library. The last two screenings were well attended and so far we have shown the documentary "Mountain" and Luc Beeson's science fiction classic "The Fifth Element"

Before the second session two films are put up for registered participants to vote on.

This time the two movies are:

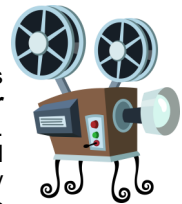

The Ground We Won - DVD - Madman Entertainment

The Turning - Tim Winton (Blu Ray) - Blu-ray - Madman Entertainment

Further information about both films can be found on distributor's website www.madman.co.nz

Ticket price is \$15. All our films are sourced legally through a distributor and the ticket price goes to cover the rental of the films. Snacks and Drinks are also available for sale and all funds go to cover screening costs. Opening time is 7.00 pm

Looking forward to seeing you there!

Genesis Appeal

For those who are wanting to make a donation to the Genesis Appeal, envelopes can be left in the Genesis door slot, Tokomairiro High School office, or payments can be made online. Account details are:

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

Week Nine of Term Three

This is the second last week of term. The majority of students have settled well back into school and are enjoying working with their peers and their teachers.

It is so important that all our students get back into the routine of school – good sleep patterns, concentration in class, engaging in learning. Teachers are there to support them in whatever way they can. For our senior students, give it your best shot as you work towards gaining your NCEA this year.

For those students not yet able to return to school, it is important they keep in touch with their teachers and keep up to date. While we are still in Level 2, lessons will be provided through Google Classroom.

Te Wiki o Te Reo Māori – 13–19 September It has been great to see the different activities that occurred during Māori Language Week. Thank you to Whaea Clare and the Pā Kākano student team for their organisation.

House Group Changes Restructure of House Groups began last week with groups now being Year 7-8, Year 9-10 and Year 11-13. This is allowing us to focus on the particular needs of the students at different year levels. Please feel free to reach out to your child's House Group teacher if you are needing support.

NCEA Examinations The Ministry of Education have made the decision to move the NCEA Examination period two weeks later.

It will now go from 22 November to 14 December. As well as that, the dates for the arts portfolios have also been delayed by two weeks.

Lake to Sea Trail Bike Ride Fundraiser Sadly, the PTA has had to cancel the trail bike ride for 2021. A special thankyou to Griff and Lynne Johnson for the preliminary work they have done.

Parent Teacher Association This wonderful group of parents are an essential part of the support structure of our school. I will always be grateful to the PTA for the support they give, both financial and physically, to the young people of our school. As well as supporting all the students in the school on camps and trips, they have also provided funding for resources around our school. We are very keen to have more parents join this group – if you would like to find out more please feel free to contact me, our Associate Principal Vicki Wish, or email pta@tokohigh.school.nz. We would love to have you join us.

Junior Curriculum Review Over the past few weeks our planning for making changes to the Year 9/10 curriculum has gained momentum. Our current model of five core classes and two option lines has been the status quo for decades. As a school we feel that this model no longer inspires or engages our learners to be the best they can be or prepares them fully for the future of changing workplaces. Our vision is that we have a curriculum that allows each and every student to have a unique learning experience that reflects their unique personality, learning style and aspirations. We are currently working on some of the finer details of how we could offer a more individualised curriculum for our students and are planning to have a new look Year 9/10 curriculum in place at the start of 2022. There will be an information evening in Term Four for caregivers to understand the changes we are making and to ask any questions.

Wellbeing The wellbeing of our young people is paramount at this time. If you have any concerns about the wellbeing of any of our young people, please make contact with us. Ross MacKinnon, our Guidance Counsellor is available to meet with young people, either online or by phone, and he will help them if they need further support. ross@tokohigh.school.nz

Year 10 Camp Organisation for the Year 10 camp is well underway. The students will leave school on Tuesday morning and return on Thursday afternoon. These camps are a great opportunity for the young people to develop team work, leadership and outdoor skills as they take part in outdoor activities. The camp is being held at the Otago Youth Adventure camp at Tautuku, a great place to explore with native forest, coastal beach and a river on the doorstep.

Policy Review The policy review website is open for another couple of weeks. We really value the input of the members of our school community. Thank you to the small number of parents who have given some feedback on the policies under review this term. We are keen to hear from more, we need your opinion and ideas to help us be the best school we can be. As part of our self-review plan our Concerns and Complaints, and Behaviour Management policies are now needing to be reviewed. We are asking parents to review these policies on SchoolDocs - <https://tokohigh.schoolsdocs.co.nz/1893.htm>. The login is *tokohigh* and the password is *genesis*. Once you are logged onto the website follow the link to the policy and once you have read it click the 'Review Policy' button on the top right-hand corner of the page. You can then leave ratings and any comments you wish to make.

Year 6 Students and Parents If you do not yet have an enrolment form, please email office@tokohigh.school.nz with your phone number and address, and we will get one delivered to you. If you have enrolled, interview times for the students and caregiver(s) will be organised over the next couple of weeks.

Remember our doors are always open. Please come and talk to us if you have any concerns.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

RSA News From the Trenches

The days are getting longer as daylight savings approaches and this RSA member has been making the most of the extra daylight by preparing my spud patch. I heard on my wireless that it will only be a few weeks until the next award winning spud will be for sale at headquarters - be in quick and choose carefully.

Rugby pics started back this week which generated a bit of healthy competition between the troops, best of luck. Thirsty Thursday is back in full swing with the members only draw, meat raffles and the joker draw all occurring it's a great night for members to socialise and discuss tactics over a cold brew. Both the members only draw and the joker draw jackpotted last week so come on troops time to show yourself at the Milton Bruce RSA and win these. Discussing tactics and sharing witty dialogue are common place at headquarters, I'm already keen for my next visit there to see whose story is the most amusing. Friday nights Handle Club is still occurring with either darts or tactical discussions enjoyed by troops. The dialogue seems to grow wittier the more fluids are ingested which certainly makes the evening more enjoyable. See you all at headquarters this week and troops remember upon entering headquarters ensure you either scan in via the NZ Covid Tracer app or write your details on the paperwork provided, thank you. As always take care, stay safe and make sensible decisions troops.
- Sergeant Smith.

Public Notices

Bruce Intergroup Network

Thursday 30th September, 5:30pm @ The Hub

Congratulations on behalf of the Cancer Society for the generosity from Milton and Waihola businesses and communities for the Daffodil Day Raffle which had to be cancelled because of lockdown. This also meant plenty of businesses couldn't deliver their donations because lockdown was so sudden. We had 22 prizes in the draw and the winners have been notified.

We thank you all.

The Cancer Society will receive \$1069.80. Special thanks to Annette, Bob, Christine and John, and to Stihl Shop Milton for the use of their shop front.

- Peter Mallon, Co-Ordinator.
