Toko Training - Forestry Pathways Course

We have had eleven students on the Course for the first term. All students completed drug tests in the first two weeks (all negative).

Over the last three months we have completed four unit standards:

17769 – D.K.O General Health, safety and environmental requirements in forestry

22994 – D.K.O Factors that affect the performance of forestry workers

6916 – D.K.O The rules relating to chainsaw use.

6917 – Demonstrate Basic Chainsaw use.

We have visited Wenita, City Forests, and Earnslaw One, the forestry companies from The Southern Wood Council who support our course.

The chainsaw use component of the course was carried out cross cutting logs donated by Wenita into firewood rings over four days. All the student's confidence and practical skills improved immensely during this time. We also felled a large blue gum tree at the Taieri Lakes Golf Club and cleared the branches as well as ringing up the stem.

In April we began pruning in a first lift operational which will continue in the second term. Tree selection and pruning quality has been the main focus on the first few days. Improving the students physical skills and output will follow.

The Youth Future Foresters Day in Winton on the 18th March was excellent and the students all got value from the visit.

Next term we will concentrating on pruning and planting when it begins in late May or early June. There will be visits to a nursery and processing plants at various stages during the term.

From Left to Right: Steve Johnson, Varseti McFelin, Michael Bennett, Harvey Tuckey, Connor Brown, Anthony Smart, Tanie Parker, Joel Park, Harvey Pringle, Ranah Herewhini, Luke Hewison, Heath Brevenbeck, Alistair McKenzie

Term One at Tokoiti School

We have had such a great first term at Tokoiti! We have welcomed our new teacher, Tammy, to our junior class. If you are looking for a school for your new entrant be sure to come up and meet her!

The term was full of a variety of sports. We had visits from Casey our Sports Activator, we enjoyed athletics day at Milton Primary, had swimming lessons and the Year 3-6's attended a Football Tournament. Five of our Trekkers went to the South Otago Athletics to represent the Milton schools and from there Marshall qualified to represent South Otago at the Southland Champs, well done!

We had children's writer/performer Kath Bee visit us as our Duffy Role Model. She read one of her books, sang for us and presented all of our Trekkers with their two Duffy books. We also attended the visiting Duffy Theatre "Bubble Trouble". We love being a Duffy School, thank you to Westpac Balclutha for sponsoring us!

In Week 5 our school lunch programme started. The Trekkers really enjoyed their Subway lunches and are looking forward to trying some new lunches this term.

We can't wait to see what Term 2 is going to bring at Tokoiti, the great little school up the road!

Inside this week....

**SCHOOL MISSION: Inspiring Excellence
in Education, in Character and in Life.**

Tena koutou katoa

We have had a great start to the term; it has been lovely to see all of our students settling back into their classes and engaging with their learning. We have now completed our first week of school lunches. I have been impressed with the variety of the menu and have loved hearing some really positive feedback from our students. The changes we have made in the canteen have made it easier for students to eat their lunch there and I am really pleased to see more and more students taking advantage of being able to sit and enjoy their lunch with their friends in this space.

Cromwell Careers Day Last Wednesday, 20 of our Year 12 and 13 students joined a group of students from South Otago High School for a careers day in Cromwell. They started their day with go-kart racing and lunch at Highland Park raceway. After lunch they visited the Central Campus of Otago Polytechnic to investigate what courses they offer. Students were introduced to a wide range of courses such as Turf Management, Stone Masonry, Brewing, Carpentry, Horticulture and Automotive. A great day was had by all.

World Vision Leadership Conference Last Thursday our two head students, Alena and Morganne-Lee, attended the The World Vision Leadership conference with Mr Gilling. The students were made aware of a huge upcoming humanitarian disaster, with a lack of food causing a famine in sub-Saharan Africa.

It is estimated that 800 million people will be affected. Morganne-Lee and Alena will be running the 40 hour famine at school to help raise money for this huge problem. The 40 hour famine will take place on 27th June.

Family Learning Conferences We will be hosting a parent teachers conference evening on Tuesday 18th May in the school hall. This evening will be with subject teachers and is always a busy evening. Bookings are open on the skool-loop app and we have posted a video on Facebook to explain how to make the bookings. We really value meeting caregivers and hope to see as many of you there as possible. If you can't make the evening please contact us so we can work out an alternative time.

Science Fair This Thursday we will be holding our annual Science Fair in the school hall. All students from Years 7 to 10 should have an entry. Judging will be taking place during the

day on Thursday and the hall will be open until 6pm so that caregivers can come and view the boards. As a science teacher I am super excited to see the amazing investigations undertaken by our students this year.

Junior Curriculum Review We are reviewing our curriculum at Years 9 and 10, to ensure it is as engaging and as relevant as possible for our students. It is really important to us that we hear from parents and caregivers about what they feel is important. So, we are going to be hosting an evening on Wednesday 26th in the Whare at 6pm. Please come along and share your ideas with us.

Vaping On 11 November 2020, changes took effect under the Smokefree Environments and Regulated Products Act that saw the existing prohibition on smoking at schools, kura, early learning services and kōhanga reo extended to include vaping. We are currently updating all of the signage to reflect the changes. This means that our school must be smoke free and vape free, both indoors and outdoors, 24 hours a day, 7 days a week.

PTA Annual General Meeting This will be held in the school staffroom at 7pm on Wednesday 19th May. The PTA does a magnificent job in supporting all of our students. Without their support we would not be able to offer our students as many opportunities to enrich their time at school. It would be awesome to see you at the AGM.

BOT Nominations

There is currently a vacancy on our Board of Trustees. We will be holding a bi-election and nominations are welcome now; the final date for nominations will be noon 13th May 2021. If you would like to contribute please visit this website to find out more about what is required.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

Careers Trip to Cromwell

On Wednesday the 5th May, Tokomairiro High School combined with South Otago High School and took students from Years 12 and 13 on a careers trip to Cromwell. The purpose of this field trip was to open students minds to the opportunities that exist in the Central Otago area. Hopefully this will inspire some wider thinking about future careers, and the realisation that there are amazing choices on their doorstep.

This was a fully funded trip as the ministry opened a contestable fund 18 months ago and the two careers teachers put in a joint application. This was to further careers information and extend student knowledge about training and options in the wider Otago region.

Two places of interest were visited:

Otago Polytechnic, Cromwell Campus

The whole group visited parts of this campus. All students gained more knowledge about the courses on offer and hopefully this will spark interest in future continued education at tertiary level and lead to career choices.

The areas covered were;

Brewing – both beer and wines

Building – this years' students are building a new admin block

Automotive

Horticulture – saw the new huge green house and potting shed

Parks and gardens – a practical demonstration

Stonemasonry – practical skills shown and tried

Visit to the orchard and vineyard

Apiculture

High country farming

This was a highly informative session and students were actively engaged.

Highlands Motorsport Park

Students from both schools were excited to go the motorsport park. The range of careers was much larger than the students had envisaged. They were informed and saw in action, careers in; hospitality motor mechanics, tourism and event management.

Two major highlights from this part of the day were; as we had a careers talk, we were driven around the main race track in our bus. Then we all had a turn in groups driving a go-cart. Some of us weren't very fast in our go-cart, it was however, just as exciting.

The field trip has proven to be valuable as several students have already asked for more in-depth information about courses and accommodation options.

Bible Reading for Today

For the word of the Lord is right and true; he is faithful in all he does. *Psalm 33:4*

Blue Light Flight

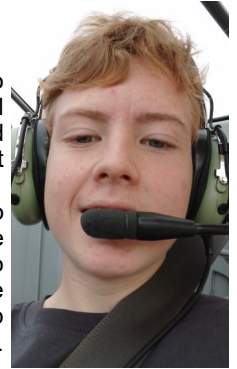

On Sunday the 18th of April I went to Balclutha Aerodrome, along with several other high school students from around the district, as part of a Blue Light event organised by the Police.

We arrived at 9:30 for a briefing and to find out who we'd be flying with. There were nine other aircraft assembled so we waited for our turn to take off. Once we left the ground we made our climb out, headed to the Taieri Aerodrome. We flew past my house in Tokoitī,

following state highway one then made radio contact with the Dunedin air traffic control tower and five minutes later we landed at Taieri (where the Rescue Helicopter Base is).

We toured the rescue helicopter base for about an hour. They have six helicopters (four rescue, one agricultural spray and one in reserve.) We had some refreshments and a group photo taken to remember the day by. On the way back we flew along the coast down past Brighton and Taieri Mouth over the ocean. Also on the way back Murray Bichan let me take control of the plane for a few minutes which was the highlight of my trip. We turned back in at Kai and flew in a large circle before coming into Clutha to land. We were the last plane in.

- Cameron Willis

First Aid Course

Seventeen senior students attended a Red Cross First Aid Course on Tuesday, despite it being a Teacher Only Day at school.

The course covered how to provide basic first aid, and provide basic life support in an emergency situation, and included a lot of practical work using life-like mannequins.

Students gained NCEA credits for doing this course, and as well as being a great skill to have, is an entry requirement for some polytechnic courses, and good to have on their CV.

Right: Red Cross instructor Andrew Cunningham, demonstrates how to open the patient's airway by tilting the chin back.

End of Term House Group Points

After a day of intense house group competition at the end of last term (which included activities like weetbix eating and charades!), we can now reveal the totals for Term One.

Milton Pink Ribbon Fundraiser

Did you know that 3,300 kiwis (including men) are diagnosed with breast cancer every year in New Zealand? This disease touches everyone in the community at some stage in their lives.

A group of local Milton women supported by local and some Dunedin community groups, businesses and volunteers have organised a Pink Ribbon Event on Friday 21st May from 5.30pm at the Elder Care rooms in Milton.

Tickets cost \$25.00 for three drinks and nibbles and are available by contacting Suzanne on 021 393 057, space and tickets are limited.

There will a guest speaker from 'Touched by Pink', plus there will be raffle sales.

Remember to wear your best pink glam, for this fundraising event to help create awareness of breast cancer.

RSA News From the Trenches

Last week we held our AGM with Evan Jenkins taking over as President. With new committee members coming on board, this promises to carry on the good work of the previous committee and it continues to be an exciting time to be involved with the RSA. Thanks to Gavin Good and his team for leaving RSA in a sound position..

The Joker Draw is now sitting at over \$2,000 so you need to be there if your name is drawn out to be eligible for the cash. Absolutely its a prize you need to win. The membership draw was won by Julie Henderson as the winning continues. Raffle night on Thursday goes from strength to strength.

Don't forget our Wild Food night on 12th June where you can bring along or sample a varied and interesting array of assorted food that you have never experienced. One member is searching for Moa Casserole recipes. Paddy flew into a blind panic when it was suggested Pigeon Kebabs were highly sought after.

The sporting competition is humming along and this week the scoreboard will be covered to add an extra element of intrigue - do the combatants play safe, take a risk and when to play the joker??? More stress for those entrants.

-Private Pike

Toko Rugby Report

Toko travelled to Heriot hopeful of securing another win. Unfortunately late team defections meant Toko had limited options off the bench.

Toko started off strongly with the forwards getting a good roll on. They turned down the opportunity of kickable penalty and Heriot then got a sniff and proceeded to score three unconverted tries to look dominant as they controlled possession and territory. Toko started to struggle at set pieces with both lineouts and scrums coming under pressure to deliver.

In the second half Heriot imposed their dominance as they scored another three tries. Toko got angry and lifted their intensity at the breakdown and scored two tries but Heriot scored right on full time to make the fulltime score 39-19.

Wasn't the worse performance and the score flattered Heriot, Toko did a lot of defending and by the end of the game, the sideline looked like a casualty ward with plenty of injuries.

Next up for Toko its Club day with all teams at home kicking off with Under 7s to Premiers. If there are any players wanting a game of rugby, come and play for Toko seniors, this team will disband if more players are not found.

Come along Thursday 6pm and help out.

Rebus Club of Milton

At the April meeting Stu Michelle welcomed members in the absence of both President and Vice President. Members were informed and entertained with the speaker John Cosgrove, a visual journalist from the Clutha Leader. His still photos often show what the eye misses and he makes it his job to use them to capture attention so that the report will be read. An argument with his Mum and consequent gift of a photography book started his passion which has led to a very interesting life, travelling to many different countries. He has worked on magazines and newspapers, enjoying most of all the ability to connect with and inform about the local community.

A stint as still photographer for the Singapore Adventure Race and later the Amazing Race required not only every known skill in still photography but the ability to conform to the very strict rules of the race (as well as the contestants!). After nine years in Singapore with a growing family, he and his wife returned to New Zealand for the children to have a Kiwi education. Some years later he arrived in Balclutha and is happily settled with his job there.

His photos were beautiful – graphic, action packed and simply a delight to see.

John was thanked by Stu Michelle and given a gift of fruit. The next meeting is on Tuesday 18th May at 10am at the RSA hall. The speaker is Ruth Gorton who is charge of Elder Care in Milton. Committee please meet at 9.30 am.

Genesis Articles

We are very grateful for articles received about any news that is happening in the community. We try our best to publish articles on the week provided but due to space restraints we are not always able to. If your article is not printed in the week submitted, our goal is to publish it in the next Genesis issue.

Milton Sub Assn Indoor Bowls

The first representative game of 2021 was played at the Milton Country Club between Milton and Balclutha on Wednesday night. The only team to come out with three wins was Robert Wilson, Paul McNab, Jane Wintringham and Lily Paterson from Balclutha, while Andrew Begg, Kaye Moore, Richard Ray and Evelyn King had two. From Milton there were three teams with two wins each, they were: Tiff, Dennis Hayes, David Gorton and Ryan Bloxham; Gary Foster, Alex Benington, Brent Harrex Mollie Tiffany and Alastair Allison, Barbara Read, Russell Copland and Alwyn Read. Overall winners were Milton with 16 points and Balclutha had 14.

Milton Senior Citizen's Club

On the 7th May, there were 16 members present at our meeting. Olive, our president, opened the meeting, and read the last minutes. Apologies were moved by Moira and seconded by Margaret. The treasurers report was read by Pam.

Our lucky raffle number was called and was won by Eunice. A discussion was held about a Milton Op Shop proposing to open in September, followed by a general knowledge quiz read out by Pam.

The meeting closed at 3:30pm, followed by a lovely cuppa.

Milton Lions ANZAC Day Golf Tournament

Thanks to everyone who came to the Milton Lions ANZAC Day Golf Tournament. The rain threatened to put the day on hold, but with the help of some umbrellas and hoods, most carried on and everyone was rewarded with a hearty meal and raffles galore at the end of the day.

Congratulations to the winners, Brendon Bearman and Jenny Good. Outstanding effort considering the conditions!

Also, a massive thank you to the following sponsors, your support is very much appreciated:

Clutha Foundation, One Agency Balclutha, Caltex Milton, Clutha Licensing Trust, Clutha Vets, Ron Cowie Contracting, Craig Pine, Daza's Garage, Forum Café, Farmlands, Fairview Aluminium, Fonterra, Guthrie Bowron, Herbert Contracting, Howat Auto Services, Hammer Hardware, Kelly's Kitchen, M R Clark, Milburn Limeworks, Monarch Cruises, Milton Motors, Midway Dairy, Milton Pharmacy, Milton Wool and Skin, NPD Waiholo, O'Malley's, Otago Golf Club, Milton District Nurses, Night'n'Day, PGG, Stihl Shop, Sumpter Moore, St Clair Golf Club, Supervalu, Tiff's Engineering, Tiny's Butchery, Toko Timber, Toko Recreation Centre, R W Stevenson Contracting.

A special thanks to the Lions members who donated their time, and to Tiny and his crew at the Toko Golf Club for their support to make it a successful day.

The funds raised will go towards the Tokomairiro Early Learning Centre Inc on Spenser Street's outdoor learning space and some new toys at the Toko Toy Library. This means there will be lots of excited children in the community very soon.
