## Long Serving Teachers to Retire

David Gilling joined the staff at Tokomairiro High School as a beginning teacher at the start of 1989. David, his wife Jocelyn and their young son Nathan moved from Christchurch to Milton to begin his teaching career. Jocelyn and David made Milton their home, living in the school house on Keinan Ave.

David's passion for working with young people, and for the outdoors, soon had him heavily involved in the camps, kayaking and rock climbing trips. He then extended the outdoor education programme

and that involved numerous tramping trips. Two particular highlights were taking students into the remote Rockburn Valley and tenting in the snow, and kayaking down the Pomahaka river with a group of senior students. David led Outdoor Education in the school for twenty years - an outstanding effort!

David and Jocelyn's family extended to four children over the next few years. As the children grew and went through Tokomairiro High School, David was very involved with the PTA, being chairperson for a number of years. It was under his watch that the Lake to Sea Trail Ride fundraiser began. Science has been David's specialist curriculum area over his years at Tokomairiro High School with a particular interest in Biology; he was the teacher in charge of biology from early in his career. Many students for many years have fond memories of their science classes and the grounding David gave them for their future studies.

As a Dean, David was supportive, firm and fair. He took on this role in 1997 and worked with both junior and senior students, supporting them on their journey through school. David took on the role of HOD Science in 2014 and led the science department for the next couple of years, before the opportunity arose for him to move into senior leadership when one of the Deputy Principals went on leave in 2016. Milton has been a big part of the life of David, Jocelyn and children, all of whom are now married with children. They loved living here, enjoying a small semi-rural town.

Following Jocelyn's illness and passing in 2019, David is now moving to Christchurch to work with his son, following his other passion - working with wood.

We thank David for his outstanding contribution to Tokomairiro High School and the wider community and wish him all the very best for the years ahead.

This year Tokomairiro High School farewells one of its longest serving teachers, Allison Butler. This was Allison's seventh school to teach in and she arrived here in 1985. Of note, is her continuous service with only a couple of short breaks for extended holidays.

Originally trained for primary school teaching, Allison went on to further her studies shortly after an initial stint at Wairoa Intermediate. From there, she ended up in secondary teaching. At Tokomairiro, she was first employed as an English teacher, but it wasn't long before she took on the HOD Social Studies role. During her time here, as well as these two subjects, she has taught classics and history and even dabbled in media studies. She also recalls taking girls for physical education when she first arrived; and a softball team. Other roles have included deaning at all levels and being a relieving Guidance Counsellor. In her early years she also taught Māori at lunchtimes and after school.

Asked what her standout positive memories are, she mentions the joy of students succeeding, and overcoming challenges, and then going on to do amazing things after leaving school. Another highlight was her trip to the Northland Ruapekapeka pa site in 2007, when Lindsay Laing was Principal. She found it incredible to be able to connect with the history associated with the place, and was grateful for the opportunity.

Asked what she will do in retirement, she says, "Breathe. Sleep in. Paint the house. Have a life." When ready, she can imagine helping out in schools with reading; being involved in some sort of grandparenting programmes.

As a colleague, Allison will definitely be missed for her acerbic wit, and insightful intelligence.

Allison, we wish you well in your retirement, and give you thanks for all the years you have put into your teaching.

### Term Four Week Seven

This is the last week of classes for our junior students. It is hard to believe the school year is nearing its end.

### Activities Days

Activity days for year 7 to 10 students are planned for Monday 6 to Wednesday 8 December. Some exciting activities are planned and there will be a cost of \$5 per student for these activities.

### Year 8 Camp

Our Year 8 students had a great time at Berwick camp last week. There were lots of very tired looking students who arrived back at school on Thursday afternoon. Thank you to Miss Cowie for all her organisation, and to the staff and parents who gave their time to support the camp.

### Technology Expo

A presentation of students' work will be held in the Library from Monday 29 November – Thursday 2 December. There will be examples of projects from digital technology - robotics and games, Maori carving, visual art and hard material. Parents and friends are welcome to come along to the projects. Please wear a mask.

### Chromebook Collection

All senior students, except those doing NCEA examinations, need to return their chromebook, along with their charger, to the school office this week. Junior students are to return their

chromebooks and chargers by **Thursday 2 December.**

### Summer Reading Challenge

Registrations are now open for the Clutha District Libraries Summer Reading Challenge, which is open to all ages, beginning on 1 December and ending on 31 January. The challenge incorporates various activities to complete along the way with prizes for completing challenges. Everyone who completes the challenge goes in the draw for a gift basket valued at \$250. So, get along to the Milton Library and sign up. Summer holidays are a great time to catch up on some reading or to just get lost in a good book.

### Click Happy

Ten scholarships are available for our students to attend an online programme aimed at developing your creative and leadership skills. If you are interested in photography and would like to take part in these online challenges over the holiday period, come to the office to register. This is a great opportunity to further develop your skills and connect to a wide range of other young people across the country. Registrations must be in by 6 December. Online programme begins 20 December. See Mrs Sim if you would like more information.

### New Staff for 2022

We are thrilled to announce the following appointments for the start of the 2022 school year:

Declan Sheridan – Principal; Ingrid Berry – drama, dance, social studies and English; Susan Mickey – science; Tom Sinclair – Assistant Principal; Bill McClure – Assistant Principal, history, social studies; Josie Abbott – Physical Education and Outdoor Education; Kim McClure – Guidance Counsellor. We look forward to welcoming these people into the school at the beginning of the school year.

### Teacher-Only Day

A reminder that school will not be open for instruction on **Friday 3 December.** The teacher only day is to continue developing familiarity with the NCEA changes and new curriculum.

### Student Covid Vaccination Record

Just a reminder that the school is required, under the Education and Training Act 2020 Schedule 25, Clause 3, to maintain a register of the COVID-19 vaccination status of all students over the age of 12 years. Thank you to those parents who have sent in evidence of their child's vaccination status. We encourage others to do so as soon as possible. Please remember to update the school if the status changes. Send evidence of the student's vaccination status to [vicki@tokohigh.school.nz](mailto:vicki@tokohigh.school.nz). Remember, our doors are always open. Please feel free to pop in if you have any concerns you would like to discuss.

## Milton Op Shop+ Celebrates Opening

There was much celebration as the Milton Op Shop+ held its opening on Monday morning. A small crowd gathered outside and following a welcome and *karakia* by Jamie Addison, founding committee member Cath Gorinski spoke about the Op Shop+ being the result of a dream by two locals. The shop aims to sell donated goods to fund programmes for the community, and any money left will be directed back into the community as well. She thanked the community for their support and many donations, as well as the tireless work by the board and committee to get the building set up. She also expressed her gratitude to the Otago Community trust and the Lotteries Commission for grants to enable the shop to be set up.

Board members Sue and Luciana cut the ribbon and Clutha Mayor Bryan Cadogan cut the cake, congratulating the committee on their achievement and acknowledging that this is a great example of the 'community looking after the community'.

The shop was a hive of activity afterwards as people took the time to have a look around and purchase a few items.

### Bible Reading for Today

## Otago Mixed Touch Tournament

The Senior A Touch team took part in the Otago Mixed Touch Tournament which was held in Dunedin over the weekend. It was a great day with fierce competition as teams from Kings High School, Queens High School, OBHS, St Hildas, KVC, Taieri College, Roxburgh Area School and Cromwell College all took part.

Although the weather was wet, it didn't dampen the play throughout the day as the team went through pool play with four draws. We were able to make the Grand Final on points differential and faced a very good OBHS/ St Hildas Mixed team.

The team battled well throughout the entire game with the score being 5-5 with a few minutes to go. Unfortunately the opposition scored in the dying minutes and the game ended with the score finishing 6-5 to OBHS/St Hildas.

Overall, it was a great final tournament for 2021 and an awesome way to send off Morganne-Lee Greene as this was her final game for the team.

A huge thank you to Julie-Anne for transporting the team and to all the parents who braved the cold to support us too.

## Year 8 Camp - Berwick

This year our annual Year 8 camp took place at Berwick Lodge. Our students enjoyed activities such as kart racing, kayaking, raft building and a flying fox at the Lodge on the first day. Day 2 consisted of zip lining, high ropes, rock climbing and a stream scramble (which was a highlight for many of our students) at the Western Hills Adventure Park. At this park, it was wonderful to see our students rise to the challenges set before them, work together and participate in activities outside of their comfort zones.

A special thank you to Evan Jamieson (our instructor at the Adventure Park) and to Phill Savage, John Keoghan, Carol Bungard, Paul Tupai, Leanne Burgess and Kris Simpson for their assistance on this camp.

## RSA News From the Trenches

Last Friday night the Milton Bruce RSA held its latest Rugby Pics Competition prize giving and celebrations. It's safe to say that the winning trooper was just a tad flummoxed when his name was announced and he's not usually a man silenced easily - well done. There was only two points between 1st and 2nd and another two points to 3rd so it was a tightly fought battle to the end. Thank you to the organizers, your efforts are very much appreciated.

Thirsty Thursday continues to see the usual suspects turning up at headquarters to partake of witty banter while enjoying a thirst quenching cold brew. Perhaps if you haven't been down for a while it's time to put your social skills to good use and come join the organised mayhem. The Members Only Draw jackpotted last week as did the Joker Draw so if you think you have what it takes to win these then ensure you are at headquarters by 6pm this Thursday, the Courtesy coach is available to ensure safe traveling for troops. RSA raffles are waiting to be won and I heard on my wireless that the Fire Brigades Pig in a Barrow raffle will also be there so come armed with plenty of coins troops.

This Friday is the Handle Clubs Xmas gathering so I'll see members then to throw a few darts, maybe have a game of pool but most of all to enjoy the comradarie, tactical discussions and a cold beer. Best wishes to any members celebrating their birthday this week. As always have a good week, stay safe and make sensible decisions troops.

- Sergeant Smith

## Milton Country Club News

So another year has nearly gone and tis now the season to be jolly, and that's our theme for December. First up we have the children's Christmas Party on Sunday 5th December starting at 1pm. Following on from that on Friday the 10th December we are having a members Christmas Party from 6.30 pm through to 8.30pm where we will have Happy Hour, raffles and much more including your chance to win vouchers to spend at our local businesses. Register your membership number on arrival and be in the draw. Then we have break up night on Thursday 23rd where we will have the band Seabeast playing in house. We will be open on Christmas Eve and New Year's and our courtesy coach will be available on both nights and also on Friday and Saturday nights every week. So come on down connect with friends or even make some new ones.

Wishing you all a merry ole festive season and may the New Year be kind to us all. See you at the Club!

## Milton Sub Assn Summer Indoor Bowls

After five weeks Patrick Moody leads the competition with 14 points with Barbara Read right on his tail with 13 points. In third place Raymond Perry has 11 points. Although numbers were down the noise generated was still pretty loud.

**Round 1:** Alex Benington and Raymond Perry (7), Russell Copland and Alwyn Read (6). Melva Heads and Patrick Moody (5), Barbara Read and Eunice Benington (4).

**Round 2:** R. Copland (4), M. Heads (4), B. Read (7), A. Benington (5).

**Round 3:** R. Copland (8), B. Read (7), M. Heads (5), A. Benington (5).

The winners were Melva and Patrick with one win and two draws, and runners up with a win and draw and an aggregate score of 18 were Russell and Alwyn. Very closely behind in third place were Alex and Raymond. Don't forget a warm welcome awaits you 7.30 every Wednesday night at the Milton Country Club.
