Prestigious Induction for Steve McLay

Almost exactly 40 years ago, Steve McLay started what was then a little engineering company in one of New Zealand's smallest towns. Four decades later, he is one of the country's most respected aluminium boat manufacturers, with a huge range of high-quality models and a dealership network that stretches all the way to Sweden.

After leaving school at just 15 to work as a fitter and welder, Steve and business partner (Alvin Stephen, now owner of Toko Trailers), founded Toko Engineering in 1981 in Milton. Seven years later he built his first boat, in steel. Shortly after, at a customer's request, he designed and built his first aluminium boat.

Toko Engineering became Toko Engineering & Marine then McLay Boats. Today McLay Boats employs 28 full and part time staff and produces a range of aluminium boats that starts at just 4.2 metres and goes all the way up to 11 metres.

A keen supporter of the apprenticeship system, Steve started taking on young apprentices 15 years ago and, for the last seven or eight years, has taken on two more each year, including the first female boat builder apprentice in New Zealand!

An innovator who is constantly improving his designs, he started building amphibious boats three years ago, using the Tectrax system. Determined that the amphibious wheels would not affect his boats' performance, Steve designed a retractable door to enclose the front wheel and cavities at the stern for the rear wheels to disappear into. The result is that absolutely no part of the wheels are exposed while the boat is underway.

A constant exhibitor at the Hutchwilco New Zealand Boat Show for over 30 years, Steve is also a very staunch supporter of his local community. He has been involved in the Milton Rotary for 15 years, twice as president; has helped the Rotary Tramping Club raise thousands of dollars for the community and youth; is a strong supporter and sponsor of the Milton Boat Club; has been a volunteer for 13 years at the local prison and is now a voluntary Chaplain one day a week.

A significant and incredibly well-respected contributor to the New Zealand marine industry and to his beloved Milton community, Steve McLay is a very worthy inductee into the New Zealand Boat Show Hall of Fame.

Tokomairiro High School Gears up for Pink Shirt Week

Pink Shirt Day began in Canada back in 2007, after two students took a stand against bullying when they witnessed someone being made fun of for wearing a pink shirt. Since then, it has become a globally celebrated day to take a stand against all forms of bullying.

In Aotearoa, 32% of students report being bullied a few times a month. With the increased use of social media and all the other ways our young people are communicating. It has become increasingly important to teach and role model what respectful and kind communication looks like. The fact that we have such high rates of bullying within New Zealand is something that is not okay and here at Tokomairiro High School we want everyone to feel that they are valued, respected and belong.

Continuing on from our last Pink Shirt Day we will be celebrating again but this time with a difference! We will be celebrating our Pink Shirt Week from 24-28th May. A variety of activities are planned to keep inclusion, kindness and a sense of belonging as the focus for the week. The week ends on Friday 28th of May with a mufti day where students are encouraged to wear their brightest pink outfit and go in the running to win a prize for best dressed student!

Lunch time activities:

- ◇ Monday 24th May - Chalk Art - *Come and show your creative flair and add to our kindness mural on the ground outside C block.*
- ◇ Wednesday 26th May - Affirmation Day - *Students are encouraged to make a card to compliment other students. The Student Wellbeing Committee will be offering these throughout lunchtime.*

House Group Competition: *All week you are encouraged to be working on creating a video or poster on kindness, belonging and inclusion. These must be submitted by 3pm on Thursday 27th May.*

Mufti Day - Friday 28th May - Gold coin donation and wear your pinkest outfit! Money will be donated to the Mental Health Foundation. *Prize for Best Dressed Student.*

**SCHOOL MISSION: Inspiring Excellence
in Education, in Character and in Life.**

Tena koutou katoa

We have had another great week at school. Students have been busy with their academic endeavours as well as their extra-curricular activities. The senior students should be starting to see their NCEA credits beginning to add up and with the end of Semester One quickly approaching it is vital that they are keeping a close track of where they are at with their qualifications. Winter sports are in full swing with a number of games happening over the weekend. On Thursday, this week, it is the sports exchange with East Otago High School. I wish all of our competitors the best of luck and I hope they have a great day.

Young Farmers Competitions

On Friday we had nine students competing in the regional finals of NZ Young Farmers competitions. Three teams competed in the TeenAg competition and one team in the Agrikids competition. The competitions were held online; students had to complete a series of tasks that were set for them. They all enjoyed the experience and it was great to see so many students taking part.

Outward Bound

Outward Bound is a life changing opportunity for many people throughout Aotearoa. We are very lucky to have been able to offer this opportunity to so many of our students over the years. We have just welcomed back Alena Johnston and Kyerah Smith who completed the 21 day course in March. Both girls described their experience as amazing. Ben Lister and Brooklyn Milligan are enrolled on the July course and we are thrilled that Nic Clark and Alex Cox-Herring have just secured funding through the Bruce Stewart Leadership Programme so are also able to attend Outward Bound later this year.

Teacher Only Day

Last Tuesday we had the first of three mandated Teacher Only Days. I appreciate that the timing of these days is not always convenient but they are vitally important to the teaching profession. There has been a review of NCEA and there are a number of changes that will be implemented by 2023 with the aim of strengthening NCEA. The Teacher Only Day last week allowed staff an opportunity to discuss Mana Ōrite mo te Mātauranga Māori and explore the changes that will be happening to strengthen Literacy & Numeracy. The next Teacher Only Day will be

Thursday 5th August.

First Aid Course

While staff were busy learning about the upcoming changes to NCEA, 17 of our senior students came to school for a day long First Aid course. It is great to see so many of our students giving up their time to learn such a valuable lifelong skill.

Junior Curriculum Review

Last Friday Justine Pierre and David Yilma visited two innovative state schools in Christchurch, Rolleston College and Ao Tawhiti. The purpose was to gain inspiration for our junior curriculum review. Both schools had aspects of project-based learning centred around the students' passion and interests. Hauora and wellbeing of students was also an integral part of the curriculum. Both schools fostered strong relationships between students and their mentor teacher; a learning advisor similar to our house group teachers. We are looking to implement some of these ideas into future Tokomairiro curriculum and we are inviting you to participate in the development. To find out more about Rolleston College and Ao Tawhiti, and to discuss what's important to you, please come to our hui on 26th May in the Whare.

Vaping

Changes have taken effect under the Smokefree Environments and Regulated Products Act which means that our school must be smoke free and vape free, both indoors and outdoors, 24 hours a day, 7 days a week. It is our expectation that students do not have any vaping products on their person during the school day.

PTA Annual General Meeting

This will be held in the staffroom at school at 7pm on Wednesday 19th May. The PTA does a magnificent job in supporting all of our students. Without their support we would not be able to offer our students as many opportunities to enrich their time at school. It would be awesome to see you at the AGM.

BOT Nominations

There was one nomination for the Parent Representative position on the Board of Trustees. Joe Herbert was duly elected. I would like to welcome Joe to the board and thank him for the time he will be investing in helping make our school the best it can be.

Year 11 Geography Trip

On Wednesday and Thursday of last week the Year 11 Geography class hit the road to investigate the sustainability of Dunedin Tourism.

Our adventure began with the I-site visitor centre under the clocktower in Octagon. We heard a great presentation about the new innovations in local tourism after Covid. The lack of cruise ships created positives and negatives for the local tourism industry.

The next stop was to Taiaroa Heads to hear about the operation of the Royal Albatross colony and the Disappearing Gun. We were lucky to see seven chicks sitting on the hillside waiting patiently for Uber Eats, (their parents) to deliver their next feed. These babies were around 5 kg and were practicing their wing strengthening moves.

Next was Larnach Castle and our accommodation was the Stables. It is much flashier now than when the four legged hairy inhabitants were there.

The gardens were amazing. We had a great look around, went through the castle searching for sustainability and signs of the supernatural, settled into our rooms and started a three hour game of Monopoly - Camrin is the one to ask for a loan!!!

After an amazing breakfast and a talk from the Marketing manager about the Castle's operations and sustainability, it was over the hill to the Orokanui Ecosanctuary. It was the first time any of us had been and a really great experience. Takahe, Kaka, Tuis, Kaka, Fantails and Robins, so much bird life plus seeing a Jewelled Gecko in its natural habitat. Their amazing predator fencing, 9 km of it. Our guide was a Botany Student who had a non stop supply of information and passion for his job.

Did the trip meet our purpose? Definitely. These Geography students now have the information to gain excellence in their Sustainability Achievement Standard.

TeenAg/ AgriKids Finals

The Otago/Southland Regional TeenAg and AgriKids Final was held on Friday of last week. We had three TeenAg teams competing and one AgriKid team.

The format was changed to an on-line version in February when Covid had us moved to Level 2 for a weekend. This meant instead of going to Invercargill to slog it out with other teams it was done in front of a screen. Unfortunately there were a number of issues around the online format and lack of information from organisers.

Our team of Ryan Clark and Lachie MacDonald placed fourth in the final, a great effort.

Toko Rugby Report

Toko held their Club Day on Saturday under fine but cool conditions. Three teams of Under 7's kicked off proceedings with their unique brand of entertaining rugby. These were followed by teams of Under 9's, Under 11s and Under 13's with all teams performing brilliantly in front of an enthusiastic crowd.

The afternoon rugby kicked off with the Seniors competing for the Stacey Carruthers trophy vs Crescent which means a great deal to both teams. The Seniors had been struggling for numbers, but on Saturday had a full squad which augers well for the rest of the season. Unfortunately the Seniors lost, but the game was played in excellent spirits and was a excellent curtain raiser.

The Premiers also had a huge trophy to secure with the coveted Eddie Scott Memorial up for grabs. Despite playing well for long periods, Crescent hung on for a close 25-22 victory with both teams on the point of exhaustion.

Next up is Owaka away with Toko heading into that match with confidence up after improving performances.

A packed clubrooms afterwards was testament to the state of healthy club rugby.

As a footnote, did anyone see the referees water boy in the Highlanders vs Reds match last Friday? It was a local lad.

News From the Trenches

Plenty going on at the RSA with excellent patronage turning up. Thursday night raffles are a particular highlight with the joker draw at over \$2,000 to be won - you must be present when your name gets drawn out to be eligible for the cash.

Plenty of rumours going on with the Wild Food night on 12th June causing a lot of anticipation. Also getting attention is the Sporting Competition with the scores now under lock and key, so nobody knows if they are first or last - such is the closeness of the competition.

Late piece of mail surrounding Private Pike last week when he was on solo mission in the West Otago area, getting lost. Unfortunately GPS wasn't working - GPS now stands for Giant Pigeon Stuffed!!!! He also was under attack on Sunday as he was ambushed by an ex sea faring man. Also in the wounded list is President Evan Jenkins, who took a bit of a tumble while on patrol - get well soon.

Now this is the last Private Pike column as I've been recalled back to base to undertake a training opportunity. Paddy has also flown the coop, in fear of retribution. I've thoroughly enjoyed these last few years and hopefully you have enjoyed reading them. So far I've managed to avoid legal proceedings for slander and character assassination. From what I hear, there is a good chance there may be a new correspondent, in the process of finding a pencil. At ease,

FUNDRAISING WALK

1:30PM

THIS SUNDAY, 23RD MAY

Join the Finch Family on the Lend Us Muscle Fundraising walk on the Rail Trail, just north of Milton. We leave the old Toll House at 1:30pm. Funky LUSM tattoos are available for those who come along and enjoy the walk.

Lend us some of your muscle and enjoy the walk with us. Dean and Glen live with the challenges of Friedrich Ataxia (FA) every day. Friedrich Ataxia is a debilitating degenerative neuro-muscular disease. Our goal is to show support to people living with FA around the world, and all money raised will go to research to help find a cure for FA.

You can donate by visiting the FARA NZ website: nz.lendusomemuscle.co./2021/ or leave your donation with us when you come along for the walk.

This will go ahead regardless of weather conditions.
