Outdoor Education with Branch Dwellers

Recently our Year 12/13 Outdoor Education class has been lucky enough to take part in some organised tree climbing with Branch Dwellers. This is linked to our Level 2 Risk Management standard.

The teachers from Branch Dwellers set up two activities for the students. One was tree climbing and one was a rope swing. Both activities involved analysis around the safety management strategies of these activities and how risks can be managed in this environment. We were very fortunate to have great instructors and our Year 11's will be joining in this coming Friday.

'I AM HOPE' Presentation Shares Skills

Last week the school was very privileged to attend a presentation by Tai Tupou from the I AM HOPE campaign. He and his colleagues travel around to NZ schools to discuss mental health with an aim to reduce and normalise conversations about mental health.

Tai used his own personal story as a pathway to engage the students around the challenges he faced in addressing his mental health and what worked and didn't work on his journey. He was "matter of fact" in his approach and often highlighted and normalised the feelings that we all have at certain times that make us feel isolated, lonely and sad. This included normalising the "inner critic" that we all have. He spoke about not talking to others about what was going on for him, the expectations that he had of himself and the loneliness and sadness that overwhelmed him at the time and prevented him from getting help because he feared the judgement of others. This was a valuable insight because he was able to highlight why people become so desperate and sad in life without others noticing and why people cannot continue the path they are on.

Tai spoke of the support of a friend reaching out to him as the starting point to getting the help he needed. He was a vital lifeline in supporting him to go on to get professional support.

While in counselling he spoke of learning new skills to conquer the challenges in his life and most importantly became proactive in his self-care, believing in himself and subsequently supporting others.

The students were provided with I AM HOPE wristbands as a gift and he explained the purpose and responsibility to those who took them at the end.

He said "Teens know that anyone wearing one of the bands will listen and help that person without judging them, without running off and telling others." He also highlighted that "they don't have to fix the person but help them to get professional help!"

The I AM HOPE trust are advocates and fundraisers who use all the funds generated to assist young people to access a counsellor and not have to wait on a waiting list for services when they are ready to talk. He provided the details and encouragement for anyone to use the service or refer others in need on to it. Written information was also provided on signs of depression, starting the conversation and some self-care strategies.

- Kimberley McClure- Guidance Counsellor

No Genesis 20th April

Due to schools taking the Tuesday after Easter as a holiday, there will be no Genesis published on 20th April.

Please make sure you have any advertising or articles in next Monday for 13th April publication, or by Monday 25th April for inclusion on 27th April.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,
 We are nearly at the end of my first term as Principal and I knew it would be a tough time coming to grips with a new school and different systems, a new town and students and staff I did not know at all.
 I arrived at school before the beginning of the term and attempted to settle in. However, a few days later the traffic light system was introduced and what was supposed to be a difficult but expected start in a new school became immensely more difficult. I was fortunate enough to have inherited a school that was in a good place with an incredibly supportive and experienced staff who were willing to put in the hard work preparing for the possibility of Covid entering our school. The hard work at this time really paid off and we have been very fortunate to have got off so lightly so far.
 The biggest surprise was the number of emails that arrive on a daily basis. I have had nearly 3000 emails to deal with on a daily basis, all this on top of the daily job of trying to run a school. It was pretty obvious early on that it would be easy to become overwhelmed by all of this, but fortunately, I have taken steps to deal with it.
 However, our students are under equal amount of pressure that they are not as well equipped to deal with.
 Social pressure, the threat of Covid, maintaining their work

effort, looming exams, climate changes and wars around the world are creating a situation where student can also become overwhelmed.

So what can we do about this?

The school is looking very closely at well-being and started a programme to deal with this. The first steps were experienced last week with a "I am Hope" presentation around mental health. Some students will have come home wearing an "I am hope" wristband last week. There is also a very useful video that parents and caregivers can watch that will help with these pressure at home. I certainly recommend you give it a look and take some of the advice on board when dealing with the pressure and behaviours that you see.

https://schooltv.me/wellbeing_news/special-report-managing-overwhelm

Not long now before we have a well deserved rest and hopefully we can get a reset on the year.

Nga mihi, Regards,
Declan Sheridan,
Principal.

Bible Reading for the Week

'I will put my hope in God, and once again I will praise him,
my saviour and my God' *Psalms 43:5*

Good Friday Cross Walk

We are starting from the car park opposite the Milton Information Centre at 8.45am on Good Friday 15th April. A group of us plan to walk a cross around some of the streets of Milton. All are welcome to walk with us (or walk a part of it).

Small coloured crosses will indicate the path of the walk we will take. It will take us about 30 minutes to complete the walk finishing with a walk down Ossian Street to the doors of the Heritage Church.

A map of the walk is to be posted on the Milton Online Garage Sale facebook page.

Any queries contact Raewyn on 027 481 6146.

Toko Rugby Report

On Saturday Toko Premiers travelled to Waikouaiti to play Eastern in the first pre season game of 2022. Unfortunately due to Covid and other commitments, there were 9 players missing and Toko only had 15 players take the field.

The game was played in 4 quarters in hot conditions which suited both teams. First quarter was a vigorous affair with both sides cancelling each other out. Eastern brought on fresh legs and then scored 17 unanswered points which threatened to put the game out of reach of Toko. Toko fought back and finished the game strongly by keeping Eastern scoreless in second half while scoring 12 through tries to Michael Aitken and Dylan Greer making full time score 17-14 Eastern.

For a first up effort with limited resources, this bodes well for the upcoming season as the boys played with plenty of ticker and stuck to the task in difficult circumstances. Next up is Owaka at home in another pre season game. Lets get a good crowd up there for support.

RSA News From the Trenches

Another week has flown by quickly as Anzac Day rapidly approaches in a few weeks. Due to Govt regulations, and guidelines from RSA National, we have had to scale back Anzac Day commemorations this year. Sadly we're not having the traditional march from RSA to Cenotaph, instead we will be holding a small ceremony at 11am to mark the occasion with everyone invited back to the RSA afterwards. Just a reminder of the Police song "Don't Stand So Close To Me" as a helpful reminder if you are planning on attending on 25th April at the Cenotaph. Lets not turn this day into a "Super Spreader" for all the wrong reasons.

Also upcoming is our AGM which will be held on Tuesday 10th May. So mark down that date on your calendar.

There was a team having a Working Bee on Sunday morning which had cleaned out the back room which now looks great.

Also the Joker draw was struck again this week - but the membership draw hasn't been struck for a number of weeks and is almost at \$200 so well worth winning. Make sure you are there on Thursday night at 6pm to be eligible. Thursday night meat raffles have been going gang busters with massive crowds snapping up superb meat packages from the world's best butchery. Also excellent attendance at Friday night Handle Club.

Plenty going on constantly at the greatest social establishment in Otago.

Clutha Community Hub Funding

Council is seeking feedback on options for additional funding for Balclutha's Clutha Community Hub.

This will help inform budgets for the 2022/23 Annual Plan. Up to a further \$2.5M Council funding has been identified as our share to support the completion of this cornerstone community-led project. This would increase our overall contribution from \$7.5M to \$10M.

The options identified are:

- Do not provide up to an additional \$2.5M (a no additional rates impact option)
- Provide up to an additional \$2.5M, paid via rates (a rates impact option from 2023/24). This option would primarily affect ratepayers in the Lower Clutha community facilities rating area, but also all ratepayers via the Uniform Annual General Charge
- Provide up to an additional \$2.5M from Council's reserve funds (a no additional rates impact option). This is Council's preferred option.

More information is available at www.cluthadc.govt.nz/consultation, or your nearest Council office.

Feedback closes on 21 April 2022.

Clutha District Community Service Award Nominations Are Open

Clutha District Council

Do you know of a group, individual or young person working hard in your community?

Nominations are open for the Clutha District Council 2022 Community Service Awards.

The awards will be in three categories:

- Individual awards – in which people can nominate an unsung hero in the Clutha Community.
- Youth Spirit Award – for a year 13 student who has greatly contributed to their school and community during their time as a student.
- Community Group Awards – for groups which have carried out projects in the past 12 months.

(Youth Spirit and Community Groups can self-nominate.)

For details of prizes and categories and a nomination/application form, please go to

<https://www.cluthadc.govt.nz/community/community-service-awards> or contact Lilly Paterson Clutha District Council, phone 03 419 0251 or lilly.paterson@cluthadc.govt.nz. Forms are also available at your local service centre.

Applications/Nominations close Friday 29 April 2022.
