South Otago Cross Country

On Wednesday 17th August, seven Tokomairiro High School students competed in the South Otago Cross Country in Clinton. There was much anticipation prior to their race and they got to watch siblings and students from other Milton schools in the lead up to their own 2400m race where they navigated some scrub, hills and wet conditions.

We saw Toko do really well with three students qualifying in the top 12 to enter the Otago Cross Country in September. Well done to Shilah Milligan (4th), Sophie Greer (6th) and Kayden Wills (6th).

Giving students an equal voice: 2022 Student Representative Elections

Prime Minister Jacinda Ardern's foray into politics began with a belief that girls should be able to wear pants. "I ran for the school Board of Trustees because I thought girls should be able to wear pants as their school uniform", she said in a recently-rediscovered video clip from 2010.

And now, students across New Zealand have the opportunity to follow in her footsteps by standing for election and voting in the September Student Representative elections.

Standing for election or voting for their student representative is often the first real experience young people have of participating in a democratic process.

"Student representatives have equal standing, voice, accountabilities and voting rights on the board. We find real value in being able to share their knowledge around the board table and they bring different points of view and experiences, which influences better outcomes for the whole school community," said Tokomairiro High School Principal, Mr Sheridan.

The idea of being a young person on a school board might seem daunting, but student representatives get plenty of help and support to learn about and fulfil their role. The New Zealand School Trustees Association (NZSTA) provides training and learning opportunities, guidance and resources. Many principals and board chairs also take an active interest in supporting students to succeed.

As well as having a voice on how their school is governed, being a student representative provides valuable, real-world knowledge and experience for students. Just look at what it's done for Jacinda!

Do you want to make a difference in your school?

Then why not stand for election as the Student Representative on your School Board?

As a Board Member, you'll learn new skills, be able to have your say on important issues and make a positive contribution to your school and community.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,
Once again, the government has recognised the impact of absences by both students and staff from school due to Covid-19 and also winter illness. The effect these have had on our ability to maintain a consistent level of teaching, learning and assessment has been enormous. This has been offset by a number of features listed as follows:

The allocation of "Learning Recognition Credits" (LRC) for students. For every 5 credits that a student earns another credit will be also awarded to that student. Students studying at level 1 (Year 11) will be able to attain up to 10 LRC and Year 12 student studying Level 2 and Year 13 studying Level 3 will be able to earn an extra 8 LRC.

There has also been a drop in the level of credits required to achieve a course endorsement from 50 to 46.

Courses who have a portfolio component have now been given an extra week for completion so that this does not cause too much of an overlap with exams.

This is the third year in a row that the conditions our students are working through are significant and our current Year 13s have been doing it tough for three years in a row. They and their teachers should be commended for their continued resilience in these trying times.

These government decisions are based on one of the regular files we upload to the Ministry along with all schools in New Zealand with information regarding attendance and

examination completion etc. The surprising fact about this is the file they have used was determined by the 1st of July file. In the following few weeks, they have managed to crunch the numbers and get NZQA, the Universities and various committees to recommend to cabinet that these measures were needed and a decision approved. For a government to move and act this quickly indicates how serious this situation must be.

However, this is not a time for students to relax and they must step up and ensure the credits they achieve are of a high standard as they work towards their potential and overcome the post covid fog mentioned last week and prove to employers and further training providers that they are worthy of their place.

Have a good week

Nga mihi.
Declan Sheridan
Principal

Semester Two 2022 Parent Teacher Interviews

On **Wednesday 31st August** we will be holding our second Parent Teachers Interview evening for 2022. The interviews will take place in the school hall between **3.20 and 7.30pm**.

The interviews will be with subject teachers. The purpose of the interviews are to discuss the progress students have made in their classes and also to discuss what students need to work on during the second half of the semester. Each interview will last 10 minutes.

Progress reports will be emailed out on Tuesday 30th August but paper copies will be available on the night.

To book your interview times you can either follow this link <http://www.schoolinterviews.co.nz/code/966gh> or scan the QR code.

If you need to find out who your child's teachers are you can do this by either looking up their timetable on the parent portal or contacting the school.

Congratulations

Congratulations to Year 13 students Alex Cox-Herring and Kaydence Noye on the completion of their Workplace First Aid course in Balclutha last week.

Year 7 and Year 8 Food for Thought

Last Wednesday - Friday, the Year 7 and Year 8s had a special guest speaker visit from Foodstuffs.

We learnt about the different food groups, eating and drinking choices, and how to read different food information on the back of food products.

Learning about the sugar levels of different soft drinks and energy drinks was an eye opener for us all.

We would like to thank Ms Flockton for organising everything and Karli from Foodstuffs for coming in and teaching us.

Left: Kalel, Troy, Izzy, Billy, Kyle and Hayden celebrating with Homeroom's 4 Square Gift Cards received from Karli.

Right: 78Tp learning about the sugar levels in different drinks.

Bible Reading for the Week

Hands-On at Otago

The University of Otago is asking for interested Year 12 and Year 13 students to check out the opportunity to experience university life at the Dunedin Campus from 15th to 20th January 2023. This is for students considering pursuing Sciences, Humanities, Business, or Health Sciences.

Applications close Thursday 8 September 2022. Any student interested should be looking at getting their registration in by the end of August if possible. Register online at otago.ac.nz/hands-on-at-otago. For more information or to discuss, see Mrs Ferguson, Careers Teacher.

Tokomairiro Info Centre and Museum

Where have all our visitors gone – away to warmer climes perhaps. The quieter times have allowed work to progress on some new features at the Museum. A huge thanks goes to the Local Electrical team for installing the new LED lights which have made a big difference. The Grant we received through the Combined Museums Group allowed this to happen.

Painting of some indoor areas is due to begin which will make a fresh look. Several of the pictures in our collections have been hung on the new boards installed by the Community Shed helpers and Keith has been working away on some displays.

The Historical Society hosted the Combined Museums AGM earlier in the month. They enjoyed checking out the work we have been doing. Some members attended a Pest Workshop day at the Lawrence Museum run by Otago Museum.

Several items of the Littlejohn collection have been returned from Toi Tu Museum in Dunedin. Mr Littlejohn was a prominent person in the community in earlier years and we hold a fine set of drawing instruments in our collection that he used – no computers back in his day to design and draw houses and buildings.

Thanks goes to everyone who supported the Book Sale we held in early July. The Lions Club chaps, the Lovell's Flat Institute ladies for the catering and the helpers who worked away on the day. Raffles were won by Francis Grant, Jackie Adam and Audrey Hunter. We hope you found some good reads. There is always a selection of books available on the stand by the door if you are looking for something else and several popular CD's at a bargain price.

Milton Sub-Assn Indoor Bowls

The Alex Philip fours were played at the Milton Bowling Club last night. Each club fielded a team and play was on a two life system. Glenledi's Murray Scott, Russell Copland, Shaun Scott and Paul Emery beat Milton Country Club's Dave Findlay, Jimmy Phillips, Raymond Perry and Donna Richards 8-3, and St Mary's Gary Foster, Maureen Little, Pam Wells and Erin Griffin beat Moneymore's Alistair Allison, Patrick Moody, Bronwyn Woodhead and Rachel Fegan 12-6. In the second game Glenledi beat St Mary's 7-2 and Moneymore beat Milton Country Club 7-5. The next game Glenledi had the bye and Moneymore beat St Mary's 5-3. In what was to be the final Glenledi beat Moneymore 10-5. The closing was held on Friday night with all trophies given out. A full list in next weeks edition.

RSA News From the Trenches

Well Paddy is in big trouble this week - I was away for a couple of days last week and he was meant to keep me updated on any relevant news. He forgot to tell me that Charlene Forde struck the jackpot with the membership draw last week, so finally it has been struck. If he carries on like that, he's liable to feature on the menu for next week.

Speaking of this coming Saturday, we have our 2nd Annual Wild Food Extravaganza where all sorts of delicacies will be on offer - there are rumours of Moa Kebabs and Puffin Fritters, but I'm highly sceptical. There will be a wide range for you to sample, so come along. Also featuring on Saturday night on our 4 massive TV's is the All Blacks vs Puma rumble (I wonder if Puma will be on the menu!!!) so a perfect way to end the night. The Pick the Score jackpot is harder to pick than current NPC results with the amount reaching over \$250 to be won. Easy money to be won, if you know what you are doing - clearly so far 250 guesses have been incorrect.

Don't forget on sale we still have some RSA Polo Shirts to be purchased which will be the height of fashion this Summer - so plenty happening at the most popular social entertainment venue in South Otago.

Thought for the day - What do you call a nervous javelin thrower??? Shakespeare!!!

Ashlea Grove News....

A few things have changed recently here at Ashlea Grove Rest Home!

We have created a new activities programme for both McElrea and Isobella Wings and the participation and feedback from our residents and their families/whanau has been great!

McElrea now has weekly housie going on and Isobella has a weekly craft workshop happening.

We have re-introduced monthly entertainment with Colleen and Sharon performing on the guitar and ukulele.

It's also been great to have Luisa and Malu back for our Church Service held here at Ashlea Grove Rest Home.

Our staff and residents have also loved having Sue and her handsome little pooch, Ollie, from the St John Outreach Programme visit on a weekly basis.

Sadly things have come to an abrupt stop as we are hit by a second wave of COVID but things are still happening around the home!

Our walls are filling up with colourful pictures coloured by our Isobella Wing residents, and McElrea residents are enjoying the many paper activities our Diversional Therapist in-training, Kim, has been giving them!

Milton Garden Club Report

Our AGM was held on 8th August, and our new office bearers were elected - Helen Nixon (President), Lynn Smart (Vice President), Karen Taylor (Secretary), and Barbara Earl (Treasurer). The committee is made up of Jenny Ford, Alexia Black, Sue Ballantyne, Judy Lloyd and June Hight.

After this was completed, Donna Williams spoke on her passion for snowdrops, and had several plants on display. She has many varieties including Yellow Gold Lace and Jack in the Green and imports the seeds from France. She also exports seed to Frances including trilliums, primula, dricullas and snowdrops. She very kindly bought some seeds for us to grow, and reminded us that they can take a long time to show signs of growing so to be patient!

After our meeting, we enjoyed a cuppa and yummy cake.

On Tuesday 16th August we held our first meeting with our new president, to decided our programme for spring and summer trips. Our first visit will be to Mercervale Daffodils on 13th September, and Clifton Hellbores, so feel welcome to come and join us on these visits. We take cars, so letting someone know that you are keen to come would be great!
