## Milton Primary Junior School Read and Feed

This term the junior students at Milton Primary School have set themselves a challenge to read 100 books in each classroom. The children are encouraged to bring along books they love from home and choose interesting books from the school library. Their teachers then read these out loud to the class. The aim is to continue to grow their love for reading and enable them to be exposed to a wide range of genres and stories.

Recently, Room 2 and 4 both reached 50 books read as a class. To celebrate this achievement, they hosted a Read and Feed. Friends and whānau members were invited to a healthy morning tea and were encouraged to bring one of their favourite books to read. This was a very special time and was enjoyed by all.

## Bruce Community Vision

When Project Bruce was established in 2017, we conducted a community consultation to find out how the people of the District felt about the area and how we could build on our strengths. This resulted in a bunch of great projects – some of which have been completed and some which are ongoing.

This year in April, we sent out another survey to see if we are still on the right track! We had an awesome response with the summary being essentially as follows:

*The Bruce District is working towards a growing community with upgraded amenities and aesthetics which provides opportunities for youth, assistance for the elderly and support for the vulnerable. Our vision is to continue to create a connected and inclusive place which is safe, vibrant and encourages pro-social behaviours.*

We had lots of great ideas for projects to realise this vision and we are here to support those ideas – watch this space! Thanks so much to everyone who participated and also a massive thanks to Helensbrook Cattery who have kindly donated a freezer for storing frozen community food!

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

## Tena koutou katoa,

We are now into week nine of the term so the school holidays are just around the corner. I know that many of our students do have plans for the holidays but for those who don't we have shared some holiday programmes on our Facebook page and will share others as we are advised of them.

**Start of Semester Two** Last week was the start of Semester Two. This means that all of our NCEA students start their second half year courses. Many of the courses that the senior students will be taking during this semester will be focused on the External Exams in November. If you do have any questions about your student's course selection, or NCEA, please do not hesitate to contact us. Our Year 9 and 10 students also started their second half year options subjects last week and it has been great to see that they have settled into their new course well.

**Open Evening** We had our Open Evening last Monday which was an opportunity for prospective students and parents to look around our school, meet current students and teachers and to find out about the transition process, and also ask any questions. It was great to see a large number of parents and students taking advantage of this opportunity. I know our staff really enjoyed the evening.

**Women's Self Defence Network - Wahine Toa** This week we have the Women's Self Defence Network Wahine Toa here at Tokomairiro High School. This organisation aims to empower young women by teaching them to think confidently, speak strongly and use self-defence skills if necessary. They will be working with our Year 7 and 8 students as well as our students in Year 10 to 13. More information about this organisation can be found at <https://wsdn.org.nz>

**World Vision** For over 45 years, young people of Aotearoa have stood together and shown the world what our small nation is capable of through the World Vision 40 Hour Famine. Right now, the fall-out from the COVID-19

pandemic is pushing millions of kids in sub-Saharan Africa to the brink of starvation, and many may not survive.

Our Head Students, Alena and Morganne-Lee have been busy planning for this year's 40 Hour Famine. They are hoping to raise at least \$1000; this will provide four community gardens for families in sub-Saharan Africa. Many of our students are taking part this year and are planning on giving up either food or sleep. There will also be an Orange themed Mufti Day on Friday 2nd July and all proceeds will be donated to 40 Hour Famine.

**School Ball** Planning is well underway for the School Ball on Friday 30th July. The theme this year is very exciting, but a secret. Tickets are \$70, students need to have their full payment and their permission slip returned by the end of term. Also, if there are any parents willing to help out on the night, can you please let the school know.

**Student Positive Behaviour For Learning Committee (PB4L)** We have a motivated team of students who form the Student PB4L committee. Their goal is to implement positive ways for students to tackle anything that they see as an issue in our school. As a group they decided that the first thing they wanted to do something about was rubbish. In the student-led assembly last Thursday they gave a presentation to the school. This was about why it is important that we don't litter and they also shared the results of a recent survey they sent out about how tidy our school environment is. They then launched a House group competition to keep our school tidy.

**PTA** Our PTA is a valued part of our school. The funds that they raise help every student in our school. The next PTA meeting is Wednesday 30th June at 7pm in our staffroom. New members are always welcome. So, if you can spare a couple of evenings a month to help out the students in our school then we would love to see you on Wednesday.

**Policy Review- Reporting to Parents** We want to hear from you, we need your opinion and ideas to help us be the best school we can be. As part of our self-review plan our 'Reporting to Parents on Student Progress and Achievement' policy is now needing to be reviewed. We are asking parents to review this policy by visiting the SchoolDocs website, <https://tokohigh.schooldocs.co.nz/1893.htm>, the login is tokohigh and the password is genesis. Once you are logged onto the website follow the link to the policy and once you have read it click the 'Review Policy' button on the top right-hand corner of the page. You can then leave ratings and any comments you wish to make.

## Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

**Genesis Deadlines:** Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at [genesis@tokohigh.school.nz](mailto:genesis@tokohigh.school.nz). Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

## Machinery In Physics

The Year 7 & 8's have been looking at the physics involved in machines. The classes have been building Rube Goldberg machines which are complicated machines designed to complete a very simple purpose. The students have used a variety of levers, spirals and pulleys to complete their machines.

## New Skills In Horticulture

With the change to Semester Two last week, the Year 9 and 10 Hort Class got out into the garden to learn new skills and make the most of the lovely sunny day, preparing the garden for spring planting - weeding, composting and fertilizing. Inside, they are preparing seed trays to grow in the greenhouse until temperatures warm up.

The Hort department is always on the lookout for unwanted gumboots, so if you have any lying around that you don't need, (especially larger sizes), please drop them off at the high school.

Remember, the Hort Shop is open on Wednesdays from 12 - 4pm.

## Fundraiser for International Football Tournament

Do you love a good sausage in bread? Come along on Saturday 3rd July and help support these awesome five boys fundraise their way to the Christchurch International Football tournament.

Awen Wallace (Year 8, Tokomairiro High School) and teammates Matt, Ash Hayden and Balin Wood all play football for Balclutha Football Club, in the 13th Grade. Their dedication to football over the last few years has seen them be selected to play for the Southern Stars Football Academy and travel to Christchurch in July to play in the Christchurch International Cup, playing against some of the top teams from New Zealand.

To help get themselves there, the boys are holding a sausage sizzle at New World in Balclutha on Saturday 3rd July from 10 - 3pm. They would love it if you could come down, support them, buy a sausage and a raffle, and help get them to Christchurch where they can play, representing the Clutha District.

Awen Wallace (back left) with his teammates Balin Wood, Matt Simmonds, Ashley Simmonds and Hayden Wendelgelst.

## Milton Garden Club

On Monday 10th May, 16 members of the Garden Club met at the Senior Citizens Rooms for a short meeting and to listen to our speaker, Simon McCallum who told us about research into what keeps us healthy and leads to a long life. Sleeping for at least 7-9 hours a night, socializing with others every day and gardening are the three most important activities to have a long and healthy life.

We had our Mid-Winter dinner on 14th June at The Kink-in-the Road Restaurant where 22 of us had a lovely meal and a great catch-up.

Our next meeting is at 1.30pm on 12th July at the Senior Citizens Rooms and our speaker will be Bronwyn Alexander. For further information please ring or text Annette Gillies on 021 0786366 or 4174173.

## RSA News From the Trenches

Well troops it's been a quiet week with not a lot of tactical manoeuvres occurring, however a couple of members have had birthdays that required celebrating with a thirst quenching cold one or two. Well done troops.

According to my wireless we're still looking for volunteers to escort troops to and from headquarters on Thirsty Thursday's. One keen young chap has volunteered, well done, however it would be good if a few more troops volunteer to share the load - besides we can't be letting younger members have all the fun.

If any troops have valuable information to pass on to me just give your scroll to the RSA Secretary who has access to my wireless.

The Joker draw is building up momentum, with just a few more weeks until it will be a 'must go' night, so come along on Thursday nights for your chance to win big. The Friday night Handle Club is a good social night with troops rallying over a beer or the dart board, come along and start your weekend at the RSA. This Saturday night is the Rugby pics leer up with it being a very close competition. I'm still hopeful for a prize and look forward to discussions of the glory days when celebrating this weekend. Good luck to all competitors. Names are being taken for the upcoming NPC pics competition so here's a chance for someone else to get bragging rights, sign up troops.

The next Clay Bird shoot isn't until August so plenty of time for tactical discussions and perfecting your aim and if you haven't done this before come along and join the mayhem.

I've received an SOS signal saying that later in July troops from the Gore RSA are coming up to sample our local wit and hospitality, so come along members and lets impress them with our tactical knowledge - more on this in a few weeks. There have been a few new members join the RSA recently, it's great to add to troop numbers and luckily we still have room for more.

Well troops, stay healthy and to any members with birthdays in the next week or two remember I'm partial to a cold brew and keep it civil when celebrating. Have a good week everyone and make sensible decisions. - *Sergeant Smith.*

Congratulations to **Murphy Lister**, who was a finalist for Night'n'Day Milton Official in the Clutha Licensing Trust Sports Awards. Murphy has been a referee for touch rugby and ORFU for the past few years.

Four students, **Kendra Clark, Lucy Clark, Tane Nichol and Baylee Thomas** competed in the Kyokushin Karate Full Contact South Island Championships in May. **Lucy Clark** and **Tane Nichol** each won their grade level fights. Congratulations to **Vinnie Tawhiti** for achieving his yellow belt, and to **Lucy Clark** for going up two levels from white to blue for the Milton Kyokushin Karate Club.

A big congratulations to **Alena Johnston** who placed second overall in her Beachlands Speedway Club Championships for the season, and third in the Memorial Championships.

Hockey, netball and rugby are all well under way for the season. We would like to thank all the coaches and managers for their commitment to sports. **Morganne-Lee Greene, Holly Smith** and **McKenzie Wyber** have all chosen to upskill and coach our junior hockey and netball teams and are doing an amazing job.

Im May, we came together with East Otago High School for a sports exchange. We all gathered at the Edgar Centre for the day to play touch rugby, basketball, netball and futsal. Both schools played extremely well, with East Otago High School taking home the trophy.

## Milton Sub Assn Indoor Bowls

A most enjoyable Snowball Tournament was held at the Milton Bowling Club last week.

Graeme Hill, Alex Benington and Patrick Moody were the only team with three wins and were first. There were two teams with two wins and on a count back on points David Gorton, Maree Hill and Raymond Ogilvie had 53 points and were runners up. In third place was Gary Foster, Eunice Benington and Max Taylor with 43 points.

## St Mary's Indoor Bowling Club

St Mary's Indoor Bowling Club held their 21st Annual Tournament on Sunday 27th June in Milton. We welcome 16 teams and from the laughter and chatter in the hall, they were all having a great time!

At the end of section play, there were five qualifiers who then played a very cut throat post section of three ends. They were:

- Kevin Proudfoots team (Taieri)
- Judy Sell's team (Taieri).
- Jennifer McKenzie's team (South Otago)
- David Roxburgh's team (South Otago)
- Peter Grant's team (Milton)

The team of Russell and Lyn Copland, Melva Heads and Moira Hastie had a couple of close losses, but in the end, no wins. Bad luck Russell and his three gals!

The eventual winners were Judy Sell, Gwen McCammon, Vere Chalmers and Clarrie Thompson after defeating Peter Grant, Max Craig, Peter Mathieson and Raymond Perry 3point to 1 point in the final.

Our members this year donated just over 130 prizes for our multi-draw raffle which was very well supported and is always a highlight of our tournament. Afternoon tea was well catered for by our Members as usual, and much enjoyed.

St Mary's Club Members thank all indoor bowlers who took part in our tournament, helped behind the scenes and generally made the day a success. We hope to see you all on the bowling mats somewhere in 2022.
