Milton Matariki Market a Great Success!

On Thursday 23rd June the Union Street Collective and Project Bruce teamed up to run the first Milton Matariki Market in the Coronation Hall.

Opening at 4pm, the hall was adorned with lights – inside and out and ready for visitors to enjoy the festivities. Guests entered through the beautiful Marae entrance which paid tribute to James Smail and Jack Tawhai. There were more than twenty stalls laden with knitting, craft, soaps, candles, jewellery, natural products, honey and much more. The kitchen was pumping out delicious homemade soup and fry bread boats while Mama's Donuts, Churro Ole and the Lions barbeque were doing a roaring trade outside.

Fantastic entertainment was provided by the kapahaka group from Milton Primary School and Tokomairiro Early Learning Centre, who also created beautiful lanterns. Josh Smith from the Aotearoa Community Wellbeing Trust danced with fire and then gave onlookers a chance to have a try for themselves. Tokoiti Primary School displayed amazing artwork and guests were invited to bring along a photo of a loved one who has passed in remembrance of those who have gone before.

A massive thank you to all the contributors to the Market on this historic weekend. We fully intend to make this an annual event – a chance to come together in joy, peace and remembrance as a community and celebrate new beginnings with the rising of the Matariki.

Celebrating Matariki

Tokomairiro High School celebrated Matariki with a range of activities last week. Dechey Keefe White won a Bluetooth speaker with a lantern by naming all the whetū (stars) in the Matariki cluster. Ka mau te wehi e tama!

First XV Caps

Congratulations to Teimana Rewita (top photo) and Jimmy Flannery (bottom) for both receiving their First XV Caps this weekend playing for South Otago.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

The end of Term Two is approaching fast and we have just passed the shortest day, which means for our senior students there are more school days behind us this academic year and fewer days left before the exams. We are currently about to in week 20 of the year and the exams start on November 7th which is week 35. We are well over halfway and students need to be looking at planning out the rest of their school year and make the best use of the remaining 15+ weeks. We will be addressing this issue with them during mentoring sessions which are timetable into our programme.

Assembly

On Wednesday 6th we will be holding a celebration assembly to recognise those students who have remained resilient during the interruptions this year and managed to remain successful throughout their studies. This will be held in our school hall and all members of the community are welcome to attend. Parents of the successful students who will be receiving an award will get an individual invitation to attend.

School Ball

Our school ball committee have crunched the numbers and feel that it can cover costs so will be focusing on all the details now to make sure this is a success. The students will be doing most of the work under the guidance of the very experienced Mr Stevens. This will be later than usual and will occur at the end of term 3.

celebrate the Māori new year. Anyone who was up early enough may have been fortunate to see the cluster of stars in the morning sky. Although the weather was hazy on Friday 24th I believe I saw them on Thursday 23rd which was a real treat. The Matariki star cluster is also known as the Pleiades (its ancient Greek name) or the Seven Sisters. The Hawaiian name is Makali'i, or 'eyes of royalty', and in Japan it is Subaru, meaning 'gathered together'. The gathering together is the closest to the way we celebrated on Friday with our families. It was great to see so many people at the Matariki market in the centre of Milton and also at the light show in Dunedin over the weekend.

I must admit to being a little shocked to find myself walking to work with temperatures of -5 recently and realise that I was not as hardy as I thought I was. Stay warm and enjoy the approaching lighter and brighter days.

Ngā mihi,

Declan Sheridan, Principal

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door.

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

Any payments or donations can be made to Tokomairiro High School, account number 03 1736 0009803 000. Please use GENESIS and your name as reference. - Carolyn Shanks, Genesis Editor

Annual Hockey Tournament

On Tuesday 21st June we had 11 students attend the Sport Clutha Annual Year 7 and 8 Hockey Tournament. The team played seven games over the day against other South Otago schools and won four, drew two and lost one.

The day started out really cold and the team had to play in dense fog and finally about lunchtime the sun came out and the last two games were a little bit warmer. A big thank you to Sport Clutha for organising and making these events happen and to the parents who came and watched over the day.

Bible Reading for the Week

'But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. '

Isaiah 40:31

Year 7 and 8 Maths

Last week 78TH went to the science lab to do some practical measurement!

The students had fun working out how many mls of each colour they need in order to make new ones. They also got a chance to create fake urine using a mix of water and iodine. Here are some photos of the groups hard at work!

Museum / Information Centre Report

Winter is upon us, the heating is on and visitors continue to check out the available places to visit and activities in the district. Volunteers have been sorting books ready for the Annual Book Sale which will be held on Sunday 3rd July from 9.30am at the Coronation Hall. Refreshments will also be available from the Lovells Flat Women's Institute to satisfy your appetite or a hot drink too. Raffles will be on sale. Funds raised from the day assist us to keep the Centre running each year and your support is appreciated.

Over the coming months some exciting changes are to take place with a fresh coat of paint indoors to brighten the visitor experience and enhance the displays. Several volunteers are working through a Level 4 Certificate in Museum Practice enjoying learning all aspects of the organization including caring for collections and policies of operation etc. A planned pest workshop in Balclutha will be also intended.

Family history enquiries continue to come in and we endeavor to assist with these.

Toko Rugby Report

Toko travelled to take on Clutha in the semi finals of the Southern Region, which is the first time since 2015 that Toko has made an appearance.

Toko started off strongly through their forward dominance and was rewarded with three early penalties which was countered by a Clutha try, followed by a second Clutha try meant Clutha had a narrow 12-9 halftime lead. Second half was just as intense physically with both sides refusing to yield and Toko was encouraged when Jacob Jenkins barged over from close range to make the score 17 all with 15 mins left. Continual Clutha pressure wore down a gallant Toko defence and scored two late tries which flattered Clutha in the end by winning 29-17.

This has now concluded the shortened season for Toko Premiers, but the large numbers who travelled to Clutha reflects the excellent support received from the local community who has taken this team to heart. The boys were shattered by not making the final this year but are positive the Club is heading into the right direction for 2023 onwards.

On behalf of the Club, thank you to our fantastic sponsors and messages of support - the boys thrive on the good luck messages - *The Judge*

RSA News From the Trenches

The dust has finally settled and the results have now been confirmed. Announcing the winner of the Greatest Sports Tipping Comp 2022 - Snow Cowie, who managed to hang on to claim the prize as King of Knowledge for Sports Tipping.

Breathing down his neck in second place by only one point was Lenny Graham. There were only two points covering the first three positions and there was another pack of entries just missing out on getting hands on the large prize pool.

There was barely enough room for the crowd that jam packed on Thursday night to witness the winners, with a fantastic supper provided along with excellent music ensuring this was a top night entertainment - is there any other kind at the RSA?

With barely time to take a breath, we have our next NPC Tipping Comp about to kick off in about three weeks, already we have a large number of entries keen to knock Snow Cowie off his perch - Paddy says there's not enough room for both him and Snow!!!! Thanks to Nick McKay for scoring the comp (no easy task as it got tight towards the end), special mention to Donna Williams and Evan Jenkins for the smooth running of the night.

All Black season kicks off this Saturday, so come down and view from the best viewing in town with four crystal clear TV's - bigger is not always best!!!!. We will be having a Pick the Score jackpot each week an All Black test is on.

As you can see, Paddy is a pooped pigeon this week with everything going on. See you there. *Private Pike*

Operations Assistant

Get paid while you study?

If you think this sounds too good to be true, you are wrong! We're looking for outstanding talent to join our Service Delivery Team following internal promotion of the previous Operations Assistant

This is a real opportunity to study toward an engineering qualification while getting paid for a wide variety of work in water services related operations and maintenance activities. Some of it is practical, great if you like to work outdoors, but be prepared for some office time too.

The essential ingredients are:-

- Enthusiasm
- Practicality
- Willingness to learn.

We will add support from experienced staff, a few laughs, study support and leave. A minimum of Level 2 achievement in NCEA (particularly Maths and English) is required for acceptance into the study programme.

It's the best of both worlds – the opportunity for Tertiary study while you earn and learn practical skills. At the end of a few years you will end up with great, proven future career options in a growing industry that needs more people.

If this role sounds like you, we would love to hear from you.

Please visit our Recruitment Hub for further information and to apply for this awesome opportunity.

Milton Primary School School Board Elections Parent Election Notice

Nominations are open for the election of **five** parent representatives to the school board.

All eligible voters will receive a nomination form. Use this form to nominate yourself or someone in your community. You will also receive a nomination cover letter calling for nominations. **NOTE:** Information on who is not eligible to be a board member is provided with the nomination form. If you need more nomination forms, contact the school office.

Nominations close at **noon on Wednesday, August 3rd.** You may provide a signed candidate statement and photograph with your nomination.

The electoral roll is held at the school and can be viewed during normal school hours.

As nominations are received, there will be a list of candidates' names kept at the school up until election day, which you can view.

Voting closes at **4pm on Wednesday, September 7th.**

Signed
Jo Milburn
Returning Officer

Clutha District Council

Bruce Community Facility Consultation

Council is seeking feedback on options for Milton's Bruce Community Facility.

We have two options and are asking which is your preferred one:

- A community library and pool facility that includes a 6 lane swimming pool (\$13-14M), **OR**
- A community library and pool facility that includes an 8 lane swimming pool (\$18-20M).

A combination of Council and community funding is being considered. These options would impact all ratepayers in the Clutha District, and in particular those in the Bruce Community Facilities rating area.

More information is available at www.cluthadc.govt.nz/ consultation, your nearest Council office or at information meetings on 20 June at the Milton Country Club, 51 Union Street, Milton at 12.00pm to 1.30pm or 6.30pm to 8.00pm.

Feedback closes at 5pm on 7 July 2022.
