A Celebration of Community, Fitness and Championships

The South Otago Athletics Club is set to host an exciting Cross Recreation Centre Balclutha Half Marathon, 10km, 5km, and Family Fun Run event that promises to cater to runners of all levels. The event is scheduled to take place on Saturday, October 14th, and is expected to draw participants from both the local community and beyond.

This year's event holds even greater significance as it also serves as the Otago Half Marathon Championships. Athletes from across the region will gather to compete in this prestigious championship, adding an extra layer of excitement and competition to an already thrilling event.

This event is not only an opportunity for fitness enthusiasts to challenge themselves, but also a celebration of community spirit and togetherness. With a range of distances, from the demanding Half Marathon to the accessible family fun run, there's an option for everyone, regardless of age or fitness level.

The Half Marathon follows the Clutha River on a fast, slightly downhill course that displays the natural beauty of the region. Meanwhile, the 10km and 5km routes offer equally picturesque experiences, around the Clutha River in the Balclutha township.

Families are also encouraged to participate in the event, with a dedicated Family Fun Run that promises a delightful experience for children and parents alike. This is a wonderful opportunity for families to bond over fitness and outdoor activity.

"We're thrilled to host the Cross Recreation Centre Balclutha Half Marathon, 10km, 5km and family fun run event, especially as it's the Otago Half Marathon Championships this year," said Veronica Paulin, South Otago Athletics Club president. "It offers a wonderful chance for individuals and families to experience and enjoy being active. We're endlessly grateful for the incredible support from our community and local businesses. Thank you!"

In addition, refreshments, music, and local vendors will be on hand to create a vibrant and festive atmosphere.

Online registrations have closed, and entries are available on the day from 8:00am. Interested participants can visit www.crossrecreationcentre.co.nz for more information.

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora

Term 4 is here, and we hope everyone had a good rest over the school break. Students are starting to undertake their final preparations for exam season in less than four weeks. Staff have put on some extra classes for students at lunchtimes so they can devote some extra time so that they can finish off those extra pieces of work.

Monday	Music - Choir	
Tuesday	Digital – Valorant Club	
Wednesday	Digital – Valorant Club	Hard Materials - Workshop
Thursday	Digital – Valorant Club	Hard Materials - Workshop

The Gym will also be open most lunchtimes for PE students to focus on their Practical and Theory work.

I encourage students to make the most of these opportunities to supplement their classroom practices.

A big thank you to those teachers willing to give up their time to provide these extra chances for students to succeed.

A couple of dates for your diaries include a teacher-only day on 13th November which is an opportunity for staff to prepare for all the curriculum changes that are in progress. Teachers will be spread across Dunedin involved in subject area discussions. Our final date for the year will be 7th December and all are invited to our prizegiving at 7pm.

Holiday Vandalism Caught on Camera

We were disappointed to see that areas of town were vandalised over the holiday and our school was not exempt.

Monday 25th September at about 8.30pm two youths tipped over and proceeded to smash up the picnic table outside the gym.

Tuesday 26th September at about 8.30pm, three youths set fire to a large rubbish bin on the tennis courts. The local fire brigade attended to put the fire out.

Friday 6th October at about 1.30am a youth entered the school property from the main road and proceeded to break four windows in the administration building.. The same youth then continued down the main road to the 4 Square and broke a window there.

All incidents were captured on the school CCTV and referred to the police. The police were able to identify all the youths involved and are dealing with them on an individual basis. These incidents have cost the school a large amount of time and money to repair the damage and take away funds from other projects and activities.

Bible Reading for the Week

'This is what the Lord Almighty said: 'Administer true justice; show mercy and compassion to one another.'
- Zechariah 7:9

RSA News from the Trenches

Here we go again for another week of many highlights and upcoming events at the recognised leader of entertainment venues in South Otago..

Don't forget to vote this weekend to have your voice heard. Icky Carruthers has formed the "Icky Party" and is looking to introduce his numerous policies that he shares while at the RSA, so look for his name on the voting sheet, I expect he will go close .

Speaking of going close, our World Cup Tipping Comp is building to a fantastic conclusion with numerous candidates in line to scoop the prizes, with only three weeks left. Points per game is going up so even more pressure being heaped upon those that think they are leading, and there is a few. We're having our World Cup Prizegiving on Saturday 11th November so all will be revealed on that night. Mark it in your calendar.

Also running alongside is the Pick the Score for All Black games. The total jackpot stands at almost \$350, so getting a tidy figure, surely with all the so called experts. Someone knows the score of Ireland vs All Black match which kicks off at 8am next Sunday morning, there will be a Brunch being served, so along with our four massive high definition surround sound TV's which makes you feel like you're there. So get along on Sunday. -**Private Pike**

The Rebus Club of Milton

Mathew French, the National Party candidate for the Taieri electorate was the guest speaker at the September meeting. He spoke of his early days in North Canterbury, learning the value of a hard day's work from his parents. He is married with three children and lives around the electorate. He started work as a chef but decided he preferred front of house as he enjoyed, and understood the importance of relating to people. He is currently working in the State Service environment and is the Club Captain at Zingari Richmond. He is willing to learn, wants to do a good job in the Taieri electorate for a wide range of people.

Questions from the floor covered the topics of the Dunedin Hospital, dental health for over 65s, pine planting, views on parliamentary behaviour, media bias, carbon credits, crime and firearms registration. He emphasised: one person, one vote and services for everyone. Matthew was thanked by Jeanne Barclay and presented with a gift of fruit.

The next meeting is on Tuesday October 17 at 10 am in the RSA hall. The speaker is Carlee McCaw, the local apiarist producing Otago Gold honey. Committee members please meet at 9.30 am.
