Project Bruce News

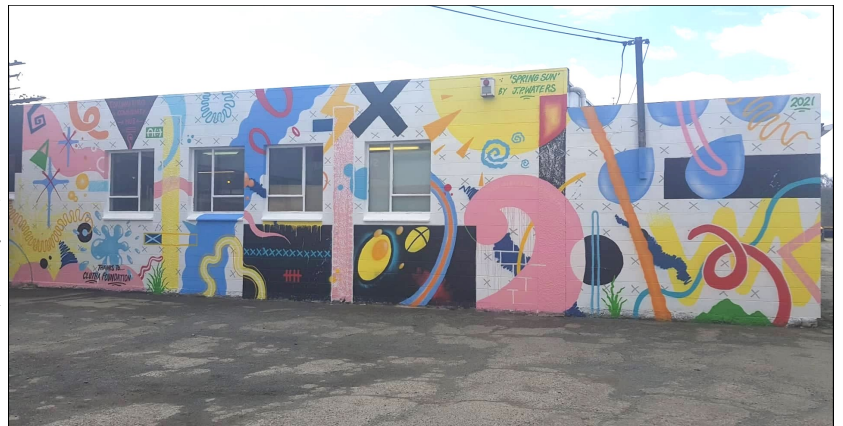

Community Gardens

In 2019 when local character John Goldsworthy passed away, he left behind some big vegetable-growing shoes to fill. The South Otago Heritage Society very kindly gave Project Bruce the opportunity to develop an area at the back of the showgrounds in Milton where John had previously been cultivating veges for the community. Since then with the help of awesome volunteers, we have built up a number of raised beds, planted a small orchard and have grown several tonnes of potatoes. This year we would like to ramp it up by developing the garden further and growing the number of people involved. We have some exciting plans to make the garden a space where our community can gather, get our hands dirty and feast on the bounty we grow! If you are keen to get involved, please pop in to see us at the Hub, or give us a call on 027 252 9058.

Taieri Mouth also has a fabulous garden and a lovely bunch of people working to grow beautiful produce! The Moturata Organic Community Garden has a working bee at 2pm on the second Saturday of the month. Come along and meet other gardeners. There are always stops for a cuppa and chat. The garden is next to Taieri Beach School. Next working bee is on Saturday 9th October. Contact Lucy 020 481 1224.

New Mural

Some of you may have already noticed the big bright mural which has popped up over the last week.

A huge thank you to the Clutha Foundation for making this project possible and of course a big thank you to Jonny Waters Art for coming back sharing your talent around Milton!

We asked Jonny to paint something big, fun and bright to reflect the awesome people who live in this town hopefully it will put smiles on some

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

Term Three-Four Break We wish all the students a safe and happy break over the next two weeks. I encourage senior students to make the most of the time off school to complete any outstanding assessments, as they strive towards reaching the targets for their NCEA qualifications this year. For those students sitting external examinations, I encourage you all to get right up to date and plan your study timetable for the last month of the school year.

Board of Trustees Student Representative Congratulations to Stevie Gunion who is the new student rep for the 2021-2022 year. We look forward to having Stevie's voice, on behalf of the students, at the table. A special thank you to Holly Griffin for her commitment to the role over the past year.

Junior Curriculum Review Staff have been busy working on this and it will go ahead for next year. The Year 9/10 curriculum for 2022 will look quite different with students having a wide range of courses to select from. All courses will be half year courses and a mixture of Year 9 and 10 students (as their options are currently). Whanau meetings will be held early next term for students and parents to find out more details. This is an exciting initiative and we are sure we will be able to better meet the needs of the range of students we have in our school. Last week I shared some of the programmes with you. Here is a taste of a few more:

French - La Vie est Belle!;

Mathematics - 2 ∞ & Beyond;
Social Studies - Human Rights : Fights and Fighters, Like a Boss, Myth Busters,
Science: Sports Science, Medicine and Warfare.

NCEA Examinations The Ministry of Education has made the decision to move the NCEA Examination period two weeks later. It will now go from 22 November to 14 December. As well as that, the dates for the arts portfolios have also been delayed by two weeks.

Senior Prizegiving Due to the delay of the NCEA examination period, the senior school prizegiving will now be held before the students begin study leave. We have decided on the evening of Thursday 18th November, when we will celebrate the achievements of

Year 11 to 13 students and farewell our school leavers. A junior prizegiving will be held during the day in December.

Wellbeing The wellbeing of our young people is paramount at this time. If you have any concerns about the wellbeing of any of our young people, please make contact with us. Ross MacKinnon, our Guidance Counsellor is available to meet with young people, either online or by phone, and he will help them if they need further support. ross@tokohigh.school.nz

Year 10 Camp Our Year 10 students had a great time away at camp at Tautuku last week. A special thank you to Ms Cowie for her organisation, and to all the teachers who gave of their time to attend. I know many of them were tired when they got back and, by the number of Year 10 students absent on Friday, I guess there were a lot of tired students too.

Covid Vaccinations On Tuesday, last week, I attended a meeting with Southern District Health Board members, along with Clutha District Council, local industry, medical and school representatives. Our focus was on how we could assist to increase the vaccination rate in our district. Our key message is that this is about protecting whanau within our wider community- if we can get our vaccination rate over 90% for eligible members of our community, we will make our community much safer for all. For Milton, we need to do better in supporting members of the 12 to 35 year age group especially, to gain access to vaccination opportunities. Here is a link to the Google Form to register young people for the Wednesday afternoon clinics being run by the Milton Medical Centre: <http://bit.ly/CovicVaccinationsMilton>. Just enter the name and contact details and the Medical Centre staff will make contact to book a time.

Parent Teacher Association This wonderful group of parents are an essential part of the support structure of our school. I will always be grateful to the PTA for the support they give, both financial and physically, to the young people of our school. As well as supporting all the students in the school on camps and trips, they have also provided funding for resources around our school. We are very keen to have more parents join this group - if you would like to find out more please feel free to contact me, our Associate Principal Vicki Wish, or email pta@tokohigh.school.nz. We would love to hear from you. The next meeting of the PTA is on Wednesday 20 October at 7.00pm in the school staff room - all parents are welcome.

Remember our doors are always open. Please come and talk to us if you have any concerns.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

Celebrating Success

If your Tokomairiro High School student has achieved success in any sports, hobbies or interests outside school this year, please let us know! We would like to celebrate these students in this year's school magazine. Please email genesis@tokohigh.school.nz with details and I will be in touch.

TELC on Spencer Graduates

Recently we have had three children graduate from our Spenser Street centre and move on to the next stage of their learning journey at school - Juliette Davies on August 16th, Swade Baker on September 10th and Henry Duthie on October 1st. We wish them all the best and look forward to reading about their future accomplishments in school newsletters and in the Genesis.

New Roof For Hall

The Taieri Mouth Amenities Society has been granted money from the Lotteries Community Operations Fund to cover the cost of a new roof for Leitch Memorial Hall. We appreciate the involvement of the Department of Internal Affairs in granting this money. This is wonderful news for our community as the hall provides a great venue to hire for weddings, birthdays, meetings or other social occasions. We are hoping to have the new roof in place by Christmas this year. We are also holding our annual Big Book and Boot Sale on Sunday the 24th of October at Leitch Memorial Hall in Taieri Mouth from 9am to 2pm. This will be held in either Covid Level 1 or 2. We have a large supply of quality books, DVDs and jigsaw puzzles. The proceeds from the book sale will go toward Hall maintenance costs. If you are interested in being part of the Boot Sale, or have any other questions, please phone Jeannine on 03 481-1919. Come and help support our community fundraiser.

Traditional Celtic Music Coming to Milton

Multi-instrumentalist Rennie Pearson, is bringing his show of Celtic music to Milton's Coronation Hall on Saturday the 23rd of October at 7:30.

Grounded in the Celtic musical traditions, Rennie Pearson takes the listener on a journey through history, weaving together tunes and songs and the tales that accompany them to create an intricate and varied show. His engaging stage presence and story telling opens the door for audiences to connect with the music, which he plays

on the wooden flute, Irish tin whistles, guitar, bodhran and voice.

Rennie grew up in Wellington with Celtic music in his blood. He picked up the flute at age 8, learning by ear in Irish sessions under the guidance of Galway born flute player Pat Higgins. With Irish music as the cornerstone of his knowledge, he then went on to delve deep into the traditional music of Scotland and maritime Canada, on the way gaining proficiency in a wide range of different instruments.

Rennie has made a name for himself in the Irish music scene of New Zealand and Australia. He has performed with great traditional musicians such as John Carty, Catherine MacEvoy, James Kelly and more. Most recently he taught wooden flute at Ceol Aneas (New Zealand's Irish Music School), accompaniment at ScotStrings Camp (New Zealand Scottish Music School) and traditional music workshops at Auckland and Whare Flat Folk Festivals.

In 2021 he toured with Irish dance sensation, Celitica, as their flute and bodhran player. He also released an album with fiddler and small-piper, Oscar West as the kiwi folk duo, 'Polytropos', in 2020.

Due to Level 2 restrictions, pre-purchased tickets are recommended.

Tickets are \$20, available at renniepearsonmusic.com

Milton Elder CARE Trust

My apologies for the delay in our report of activities over the last three months, but we are open and have been at the rooms since going into Covid Level 2.

Trips and eating out have been with drawn for now, but entertainment has been well received.

Housie is always popular, as has 'It's in the Bag' and 'This is Your Life' books that the clients put together. Some have been doing this for a few years now, so should be very interesting.

Now into October, we should be going to Balclutha to join in the Master's Games. As I do this, I'm not sure if it's still on. Our team always enjoy participating so fingers crossed!

The trust have started to get a Market Day organised to raise some money for care activities. This will be held on Saturday 30th October in the CARE rooms and grounds. If you have anything that is not required, and would like to give it away, we would be happy to accept it. We look forward to seeing everyone at our rooms on 30th October from 10am-2pm.

Maui and the Sun

One day Maui wanted to slow the sun down because he wanted long days to do and finish more stuff. Maui's brothers were not happy but they all made a net out of flax and set off the slow the sun.

They finally got to the big huge pit where the sun lives. They hid and threw the net the sun and Maui hit the sun with his grandfather's magic jaw-bone to slow the sun down. They let the net go slowly to slow the sun. The sun drifted it to the sky. And that's why we have longer days and if you look close enough you might see the magic rope.

RSA News From the Trenches

The Milton Bruce RSA is the place to be any day of the week with a cold brew, witty banter and friendly faces ever present. Thirsty Thursday is the night for the ever popular meat raffles and the members

only draw which is jackpotting nicely, so come on down to headquarters troops and try your luck. The Joker draw is also waiting to be won so this week could be your chance to lead in tactical discussions while pondering where the Joker card is. I've already purchased my spud for next year's Spud Dig Day being held on 20th March so if you think you can out garden me then this is your chance to prove it. Good luck as I reckon 2022 will be my turn to get my name on the trophy board.

We would like to encourage troops to get their Covid vaccines as your fellow fallen comrades would have not hesitated, after all its for you, your whanau and your mates - do your bit to protect those you care about.

Friday nights Handle Club is still going strong and there is plenty of space for anyone to join this elite group, only \$10 to purchase your own handle that can be personalized by our very own President - how can you resist that. The Rugby pics are going well although I can admit to making some wrong choices lately however all is not lost yet and there is still time to challenge the leaders. Troops please ensure you either scan in via the NZ Covid Tracer app or write your details on the paperwork provided upon entering headquarters. I'll listen a bit closer to my wireless this week to hear a date for the Clay Bird Shoot and report back next week. See you all during the week at the RSA, have a good one, stay safe and make sensible decisions troops

Lifeguards/ Swimming Pool Assistant Milton

We are the Clutha District Council and we're looking for outstanding talent to join our swimming pool team in Milton.

Are you a competent swimmer? Do you hold a recognised lifeguard qualification? Are you committed to providing excellent customer service to your community? Are you over 16 years old? If so, we would love to hear from you. We have seasonal, part-time jobs available at the Milton Pool for its 2021/22 season. If you don't hold a lifeguard qualification and a first aid qualification, we will provide paid training for you to get them. While you're being trained, you'll be designated as a Swimming Pool Assistant.

There are several part-time positions at the Milton pool with a variety of hours available, starting late October for initial training.
