## AgriKids and TeenAg Competitions

Fencing, fire safety, fertiliser and all things farming! Last Saturday, Ms Nelson and students from Tokomairiro High School travelled to Middlemarch where they competed in the Regionals for this years AgriKids/ Teen Ag competition. The students competed in a round-robin of modules which covered different aspects of farming practices and theory. Ryan Clark and Lachie MacDonald came 7th overall—a great effort!

Thanks to Ms Nelson and parents for travelling to support their students, and well done to those who participated in a great day's competition.

Ex-Tokomairiro High School students Zoe and Millar McElrea placed first and will travel to Timaru in July for the Grand Final of the FMG Junior Young Farmer of the Year.

## Tokomairiro High School PTA

The PTA Annual General Meeting was held on Tuesday the 21st of March 2023.

*Our office bearers for 2023 are:*

President – Tracy Coulter re-elected

Secretary – Tania Jacobs re-elected

Treasurer – Leeanne Turora

We would like to thank Brian Griffin (Griff) for coming along to our meeting and giving us a fantastic talk on the last 20 years of the Lake to Sea Trail Ride. This was an awesome talk, and we all enjoyed the stories as well as learning how much is involved in organising this event and why we need volunteers to help.

The money raised from the Lake to Sea Trail Ride goes purely towards our children and their education at school. Last year the PTA were able to give funds towards the students for their school camps a total of \$11,450, which was \$50 for each student that attended camp as well as assisting in a purchase for an online learning program for the school at \$3,500. There was also \$500 towards two individuals representing the school in events and \$2,000 towards books for prize giving. A total of \$17,450.00, which is just awesome for a school our size and all that wouldn't be possible without the Lake to Sea Trail Ride. This year the Lake to Sea will be on the 28th October and we would love if all parents with children at the High School could mark this down in their calendar and lend us a hand on that day, as without the support we can't make this day happen. It is a fantastic day out for everyone involved not just the riders. If you would like any more information regarding the Trail Ride please feel free to come along to one of our PTA meetings which will be advertised in the Genesis and help us support this awesome event and fundraiser.

Tracy Coulter  
President

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

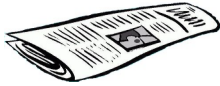

*Kia ora,*

Many hands make light work. It was great to see so many people (Student Staff and Parents) give up their time on Sunday morning to attend our working bee. The 2 hours made a great deal of difference to particularly the front of the school where several hedges and bushes were pruned back. There is still a way to go but we have made a strong start. If you did not make this one look out for the next one and come along to meet our board or trustees and senior leadership team amongst others.

Once again, we must highlight attendance as a major factor in a student's education and career prospects. The regular bi-weekly summaries show attendance rates for students, and it is heartening to see so many students with perfect or near perfect attendance score. However, there are some who we would categorise as "could do better". Any student with a score of below 80 – 85% is putting their educational achievement in jeopardy. A student with 80% attendance would in fact be missing a day per week. Over a forty-week year this would be 40 days or 8 weeks of schooling missed. This student would be in a position where they had missed so much work they would find it difficult to catch up and struggle to understand what was happening in each lesson. Their exam results will suffer and their employment opportunities will decrease also. The simple solution to this is to attend school and do well. Students would find it very difficult to locate an employer who would be willing to accept attendance rates of 80% or less. It is important they develop these positive attendance habits now so the real world is not so much of a shock to them.

***Nga mihi,***

## RSA News from the Trenches

This week there is a lot going on, as we're getting everything organised for Anzac Day. 25th April is rapidly approaching and there is a lot of work being done behind the scenes to ensure everything is going smoothly.

If you are planning on laying a wreath on Anzac Day, can you let the RSA know so we can announce your arrival at the ceremony. Also Poppy Day is on Friday 21st April, so we need to have some volunteers, so if you are able to assist, even for a short time, can you let Donna know - that would be very much appreciated.

This week our Joker has hit a figure where you must be there on the night and it will be drawn every Thursday, so you better not miss out along with our normal meat raffles which have been going gang busters recently.

## Toko Rugby Report

On Saturday the Toko Premiers traveled to Mosgiel to take on Taieri for the Ken Bloxham Trophy. Taieri unfortunately didn't have enough front rowers so the game was reduced to Golden Oldie scrums from the onset which negated a major weapon for Toko.

Toko also started off with a lot of experienced players on the bench to give newer squad members a chance to stake a claim in the squad of 23 for next week. Taieri started off the better and quickly ran away to an early 21-0 lead before Toko responded just before halftime with a try to Shawn Aitken

After halftime Toko brought a few heavy hitters and the tide slowly turned towards Toko advantage. Toko managed to gain some ascendancy in both possession and territory and managed to score some good tries to Lockie Finch (2) and Jared Hayes (2). The last try occurred right on fulltime with Toko sneaking in a fortunate 25-24 victory.

For Toko, Kieran Calteaux and Kieran O'Sullivan provided hard strong running along with Ethan Harrex dominant in the lineout. In the backs Jacky Scott showed strength and deception to set his outsidies away.

Next Saturday Toko take on Owaka at home at 3pm, so would be great to get a lot of supporters along to watch.

## Waihola/ Clarendon Women's Institute

Our March meeting was held on the 20th with a good attendance of 12 members despite the wintery weather. Apologies were accepted from four members. There was no speaker as the AGM followed. The Motto given was "Kind words are jewels that live in the heart and soul and remain as blessed memories years later after they have been spoken". Dorothy Clark has been awarded a Gold Honours Award for 62 years of membership of Women's Institute, initially at Lovells Flat and now of Waihola/Clarendon WI. A posy of yellow flowers was presented to her and some members will travel to Timaru in May to see her being presented with the award. and to support her nomination. Arrangements were finalised for the Mid Otago Federation AGM on Wednesday 22 March. Members were thanked for their support of Ladies Night and for their help, donations and support of the inaugural Waihola Boot sale. Both these events were a great success. Our AGM followed. We have a new president, Rosemary Kardos, and Judy Menzies will remain as Treasurer and Isobel Michelle as Secretary. The committee will meet soon and organize the 2023 programme. Luncheon supplied by members concluded our meeting.

The gun is cold and heavy in his hands.  
 Breathe in. Breathe out.  
 The morning is silent and unforgiving but I have to eat .  
 Breathe in. Breathe out.  
 Bang! Gun fires! He shouts.  
 The gun shoots back with the anger of mother nature  
 frowning because one of her creatures has fallen so another  
 can prosper.
