Supporting Pink Shirt Day

Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting kindness and inclusiveness.

It's about creating a community where all people feel safe, valued and respected, regardless of gender identity, sexual orientation, age, ability, religion or cultural background.

On Friday 20 May 2022, we ask Aotearoa to Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora – Speak Up, Stand Together, Stop Bullying!

Celebrated annually around the globe, Pink Shirt Day began in Canada in 2007 when two students took a stand against homophobic bullying after a new student was harassed for wearing pink. We've been celebrating Pink Shirt Day in Aotearoa since 2009 and the campaign grows stronger and larger every year.

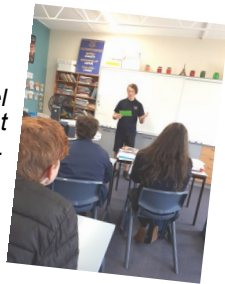

Pink Shirt Day is funded by donations. By donating to Pink Shirt Day, you're supporting the Mental Health Foundation to reduce bullying; through raising awareness about bullying prevention, funding education workshops and supplying thousands of free resources that promote inclusive workplaces, schools and communities.

Mrs Kim McClure, Tokomairiro High School Guidance Counsellor, has approached Year 11 and 12 students, asking for their support in running fundraising activities this Friday. If you are interested in being a part of these activities, please see Mrs McClure.

Year 11 Assessment Speeches

Left: Hayley Clark and
Right: Ezekiel Scurr present their speeches.

Some very nervous Year 11 students presented their speeches for assessment yesterday, as part of NCEA English (Level 1).

There was a range of topics, including:

- Why the gun buy back shouldn't have happened,
- How to solve a Rubics Cube,
- What can we do about Cyber Bullying?'
- Why should you be allowed to listen to music while you are studying?

The students have been researching and working on their speeches, and learning about how public speaking is a valuable life skill.

Results for assessment ranged from *Achieved* to *Excellent*.

Genesis Articles

We are very grateful for articles received about any news that is happening in the community. If you would like help to write up an article, please ring 417 4483 on Mondays or Tuesdays, or email genesis@tokohigh.school.nz

Tokomairiro Timberwolves Start With Super Win!

It was a great night at the Edgar Centre for the Tokomairiro Timberwolves. They started the season with a great win over the Brockville Bulls with a score of 47-6.

There was an awesome display of team work as the ball was moved around well.

All players had an outstanding game and showed great sportsmanship towards the opposing team.

The Timberwolves player of the day was Kalel Beer-Williams who had an great all-round game.

Let's go Timberwolves!

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

Friday 13th May was a teacher only day and the majority of staff attended some specific professional development with regard to the changes that are happening to the National Certificate of Educational Achievement (NCEA). There are seven big changes, listed below and we need to be familiar with these and adapt our planning and delivery of the curriculum as a result. Math's, science and music had subject specific professional development in Dunedin. The rest of the staff attended South Otago High School where we also met up with Catlins area school and in subject areas looked at the new standards and collaborated and shared ideas as to how we would teach these standards. It was a great opportunity for our new staff particularly to make contact with their colleagues and also for our experienced teachers to reestablish the professional working relations with other colleagues. Lots of questions were asked and many were answered. The Ministry has made provision for three more days for this training and we will make sure students and parents are aware of these dates. Currently our next date will fall between the following dates 15th and 26th August and the final two days for this year will fall between 21st November and 2nd December. We need to liaise with other schools and work around each other's calendars so I can't be more specific at this time.

We have been working on these changes for almost two years now and looking at the list below we are currently working through numbers 4 and 5 on this list. I am sure some of this might be confusing for parents and we hope to have an explanation evening for parents and students once these become part of our curriculum. The date for implementation had been pushed back as a result of Covid interruptions. Its important to note that some of our senior students have had their education and examinations interrupted twice so another big change for them was deemed unfair. So it is planned that these changes will largely come into effect in 2024 for level 1 students (Year 11, our current year 9 cohort) Level 2 in 2025 after and finally Level 3 in 2026, although there are pilots in certain subject and with limited schools in place at the moment. This does not currently affect us. Our current year 9's will have a very interesting and challenging time ahead of them and we are working hard to give them the skills they need to succeed.

Make NCEA more accessible – zero fees, fewer barriers for learners with disabilities and learning support needs.

Equal status for mātauranga Māori in NCEA – develop new ways to recognise mātauranga Māori, build teacher capability, and improve resourcing and support for Māori learners and te ao Māori pathways.

Strengthen literacy and numeracy requirements and assessments – ensure students with an NCEA have functional literacy and numeracy skills that will ready them to transition into tertiary education or the workplace.

Fewer, larger standards – new achievement standards and resources will be developed to replace existing standards and ensure the qualification achieved credentials the most significant learning in a learning area or subject.

Simplify NCEA's structure – credits can no longer be carried over to the next level and resubmissions will only be allowed where they take students from a 'Not Achieved' grade to an 'Achieved' grade. Sixty credits are required to pass each NCEA level.

Clearer pathways to further education or work – develop a Vocational Entrance Award to clearly signal when a student is ready to transition into higher level vocational education and strengthen vocational pathways through NCEA.

Keep NCEA Level 1 optional – ensure Level 1 provides students with the broad, foundational knowledge needed to support specialization at Levels 2 and 3.

Year 7 Vision Screening

The Vision Hearing Technicians from Population Health, Southern District Health will be visiting Tokomairiro High School to screen all Year 7 students for distance vision on 18th May.

Distance Vision (Amblyopia & Hyperopia)
This determines how well your child is able to see at a distance. It involves reading an eye chart. (Not required if child wears glasses/ or is currently under care for their vision)

If you do not wish your child to be screened please fill out an opt-out slip, which are available at the school office before our visit.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waihola, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door.

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

Any payments or donations can be made to Tokomairiro High School, account number 03 1736 0009803 000. Please use GENESIS and your name as reference.

Milton Country Club News

So April saw our annual Spud Dig which this year was taken out by Malcolm Adam who had both the most potatoes and the biggest spud as well. It was a great day out and a very entertaining evening followed. Our sports picks finals night will be held on Saturday 16th of July. This was such a well run event last year so we are all looking forward to it being a great success yet again, best to mark it in the calendar now. If you are thinking about holding a function then give the club team a call to enquire about our lounge bar. This is a wonderful room for weddings, birthdays, conferences, and many funerals have also been held here. Contact us on 03-4178456 or e-mail admin@miltonclub.co.nz. As we move into winter you may be looking for something to do on the cold evenings so come on down and join in with the snooker club Wednesday at 6.30. We have two full sized snooker tables and a pool table as well. Remember Friday nights, Raffles, Lucky Joker and membership draw, not to mention lots of socialising with a great group of people. Until next time, See you at the club!

Toko Rugby Report

Last Thursday after a request from Valley, due to a bereavement, Toko travelled to play under lights at Clutha vs reigning champions Valley in a match that would be keenly followed by other teams.

Toko started off brightly with an early penalty, which Valley responded with two penalties of their own before Lucas Tuuaga crashed over for Toko's first try. Valley scored a try in the first half to make halftime 13-8 Valley. Toko looked to dominate through their forwards and rewarded with tries to both Kieran O'Sullivan and Brad Frost and held a slim 22-21 lead with 15 minutes to go. Unfortunately for Toko, Jared Edwards hit the go button and Valley opened up and didn't want to take Toko on up front. This proved successful and they scored four late tries to run out comfortable winners 47-22.

For Toko, all forwards went well with Liam Kings showing unbelievable ticker, alongside Kieran O'Sullivan and Kaleb Hayes. The backs ran hard and tried all day. Some first up missed tackles proved costly in the long run.

Next up is a home game vs Clinton where Toko looks to get back to their winning ways, so look forward to having a big crowd to support

RSA News From the Trenches

Another week has flown by with plenty going on down at the RSA. On Tuesday last week we held our AGM with Evan Jenkins carrying on as President, with the same Executive Committee reconfirmed for another 12 months. The Club has had a very successful last financial year which put us in a strong position to move forward on a number of upcoming projects. A bit disappointing that there weren't more members at the AGM, but clearly all members must be satisfied to maintain the status quo.

Not many weeks to go in our Super Sport Tipping Comp, will be intriguing to discover in a few weeks if Snow Cowie has maintained a healthy early season advantage. I imagine the pack will be attempting to chase him down - will he keep his nerve?? Only the scorers know the true state of play, so all will be revealed in a bit over a month. Keep an eye out for details on the prize giving date.

If you're not in to win that competition, the weekly membership draw is over \$250 to be won. There have been many tales of unlucky members not able to be there to claim their prize, so make sure you're there by 6pm Thursday to be eligible. Also going well are the weekly meat raffles, which had some technical difficulties at the end of last week, but all confusion was soon cleared up.

Keep warm as temperatures starting to dip - come down to RSA where everything down there is hot!!!
