Ex-Students Complete Basic Training

Congratulations to ex-students from 2020 Regan Roxburgh and Patrick Norman who have both completed 16 weeks of Basic Training with the New Zealand Army at their Waiouru base.

Regan will be based at Burnham Army Camp near Christchurch and will be training as a Supply Technician, while Patrick is at Linton Army Camp in Palmerston North where he is undergoing a further four weeks of Core Training to earn his Black Diamond to become part of the 16th Field Regiment.

Proudly showing off their well-deserved army uniforms are Patrick Norman, (left) and Regan Roxburgh (right).

Girls Participate in Self-Defence Course

Tokomairiro High School were fortunate enough to have the Women's Self Defence Network Wāhine Toa offer their fully funded courses to our Year 7 and 8 and Years 10-13 wāhine taura at the end of Term 2.

These courses aimed to empower our young wāhine taura through learning and practicing how to speak and think confidently as well as self defence skills. It was really great to see our wāhine take up this opportunity. We would like to thank Casey, from the Women's Self Defence Network Wāhine Toa, for her ongoing enthusiasm and teaching of this fantastic course. If you would like to learn more about this organisation please visit www.wsdn.org.nz.

Inter-House Competition Fun

On Friday, we finished Term 2 off with an inter-house competition. Each House Group participated in a variety of fun activities, organised by the student council, to win points for their respective houses.

This term's activities included scattogories, pictionary, bead shakers, an obstacle course and so much more. Last period we finished off the term with a year level competition of four-corner dodgeball.

Overall, Reid went home with the most points but this competition proved that it will be a close competition until the end of the year.

Articles and Reports

The Genesis relies on articles and reports supplied by the community to fill our pages. Please email these to genesis@tokohigh.school.nz so we can share what is happening in our area.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa,

We have come to the end of a very busy term and I hope that staff and students are enjoying the first days of the term break. Mrs Sim will be back from her sabbatical next term and we are all looking forward to welcoming her back to school. I have really enjoyed my term as Acting Principal and am very grateful for the support of the staff and students throughout this period.

PCT Challenge

Last week two teams entered the Physical Competency Challenge (PCT) organised by the Police. In total there were 41 teams entered from around the region. The students in our two teams were Caitlyn Scott, Maddie Brookland, Jackson

Savage, Dechey Keefe-White, Dion Nichol, Nevaeh Hayward, Saffron Healey, Pippa Greene and Marcus Wills. While neither of our teams won, Maddie and Nevaeh told me that they had had a great day and really enjoyed the challenges. They particularly liked having to climb over the walls. A big thank

you to Mrs Bungard for organising this day for the students.

Elwing Discoveries

One of our students, Lachie MacDonald, was fortunate enough to secure a place on the recent Elwing Discoveries Youth Voyages. I caught up with Lachie when he returned to school last week to ask him about his experience. He said that he had a fabulous time and enjoyed every minute of it. During his week away he learnt about the history and the flora and fauna of Fiordland, went on some bush walks and collected some paua. His favorite thing however, was fishing and catching blue cod. Lachie would highly recommend trips with Elwing Discoveries.

Tokomairiro Tokens Lunch

Earlier in the term we launched Tokomairiro Tokens which are awarded to students for following the Tokomairiro Way. Over 120 tokens have been handed out by staff and the prefects during the last five weeks. Each week there has been a draw in student-led assembly and the winners this term were Shane Taylor, Irie De Seymour, Issac Herbert, Kyra Stephen and Taylin Francis. As a reward the students were

given lunch in the Boardroom last Thursday, unfortunately a couple of students were absent so they will be included next term.

Student Efforts

Each week students are awarded up to four points for their effort in each class. These are averaged over the term and count towards their diploma. This term I have been very impressed with the large number of students who have attained a very high effort score. There have also been nine students who have maintained a perfect score of four this term. They are; Marcus Wills, Makayla Wills, Kunaal Pratap, Hayden Thompson, Lilly Tiffany, Taylin Francis, Izzy Leyden, Bethany Bransgrove and Elizabeth Walker. This is a fabulous achievement and I am looking forward to seeing if an even larger group of students can maintain a perfect four next term.

End of Term Fun

Term Two finished last Friday with a house competition. Housegroups competed against each other in a variety of small challenges - there were some very close battles amongst the housegroups but ultimately Reid won this part of the competition. After lunch the whole school met in the gym and each of the four houses competed against each other in a fourway Dodgeball contest. Reid won the Year 7 and 8 match as well as the Year 9 and 10 match. The senior match was won by Ayson.

Staff Changes

We said goodbye to two members of staff at the end of Term Two. Deb Warren had only been with us for a term and taught part time in Homeroom and Year 7 and 8 Maths. Deb has accepted a full time position starting next term. Debbie Howie who has been employed in the canteen for almost 10 years will also not be returning next term. We wish them all the best in their new endeavours. We are also pleased to announce that we will have a new teacher, Mr Regan Thomas, starting in Term Three. He will be teaching in Year 7 and 8 Maths and Homeroom.

Nga mihi

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

Life Matters Suicide Prevention Trust

Our annual street appeal is on Friday 30 July and we are looking for some volunteers who would like to shake buckets for us outside SuperValue in Milton. If you are keen to help us please let us know as these funds can save lives. \$100 pays for one counselling/ therapy session with our counsellors/ therapists and we provide up to 10 free sessions which is much more than people get from usual services.

We believe that people need support when they ask for it and currently services cannot keep up with the demand. At the Hope Centre we also provide free peer support services to people bereaved by suicide or those that are finding life challenging and help them navigate services so they know they do not have to do this alone and unsupported.

If you can spare a couple of hours of your time on Friday 30th July then that could make a big difference in other people's lives.

If you are able to offer your time please text/phone Nicky Gregory on 0274348143 or email gregorynicky@icloud.com (Street Collection Co-ordinator for Milton)

Bible Reading for Today
Love must be sincere. Hate what is evil; cling to what is good. Romans 12:9

Tokomairiro Forestry Pathways End of Term Report

All eleven students are progressing well on this course, with positive feedback from the schools that they are enrolled in. One student from East Otago High is now ready and wanting to go into full time work. He has a position available to him with Steve Johnson Forestry Services

Various industry site visits, along with a visit to the Dunedin Botanical gardens to look at tree identification have happened this term.

Practical pruning and tree selection has also been a major focus this term, with all students having now completed Unit Standard 22998 (Demonstrate Knowledge of pruning plantation trees and prune plantation trees under supervision.) Students have now completed both practical and theory pruning exercises They are presently working on practical plotting and planting along with the completion of Unit Standard 23000 (Demonstrate Knowledge of plantation forest establishment operations and perform an established task under supervision). This module is at Level 2 and worth 10 credits.

Three students are taking the opportunity to do work experience planting trees with Johnson Forestry over the school holidays. This may lead to full time permanent employment for them. Good on these students for taking the chances and giving it a go !!!!

It was lovely to have eight Year 11 students to visit Toko Training last week for our open Luncheon. The boys were very attentive. Alistair (forestry tutor) gave the boys an insight into what is happening on the programme and what Toko Training is able to offer students who may wish to stay enrolled at school. At the same time, skills and knowledge can be gained for employment in the primary sector in particular forestry. The students can also obtain up to 70 credits at both Levels 2 & 3 on the NZQA framework.

Loves Me Not Programme for Year 12s

In New Zealand police respond to a family harm incident every four minutes, we also have one of the highest rates of domestic violence in the developed world.

Last Wednesday, our Year 12 students learned more about this and took part in the Loves Me Not programme. They learned about Sophie Elliot and her story and took away skills that they can use in their relationships now and in the future. Students learned about power and control in relationships and what these might look like and the importance of sticking up for your mates.

In the afternoon we learned about bystanders and consent, it was great to hear students from our school able to talk about the importance of being an "upstander". This has been an important message at our school for the past year, so it is great to see this sinking in for our students.

If you or someone you know is experiencing family harm, you can contact the Shine Helpline on: 0508 744 633 for advice or use the shielded icon on a number of common websites such as The Warehouse, Countdown and Trade Me. If you are wanting to get advice or ideas speaking to your young person you can also check out www.thelightproject.co.nz

Milton Sub Assn Indoor Bowls

Another successful Indoor Bowls Snowball was held at the Milton Bowling Club last week.

With the teams being fairly evenly matched play was very intense. There were no teams with three wins but three teams had two wins. To find a winner a count back on points resulted in first place being Graeme Hill, Eunice Benington and Sandy Powell with 54 points, runners up were Gary Foster, Pam Wells and Maree Hill with 53 points and closely behind on 52 points were Dennis Hayes, Moira Hastie and Raymond Ogilvy.

FIXTURES

No games for Senior Netball for the next 3 weeks and all levels of Hockey over the next 2 weeks due to the school holidays. Last games 23rd-28th Aug for Hockey and Senior netball. Please keep an eye out for team practices over the holiday period. Your coaches/Manager will be in touch. The season for the Junior netball teams have now come to an end.

News From the Trenches

This Thursday night the place to be is the Milton Bruce RSA with the Joker Draw having to be won. Come on members, get along to discuss tactics and try your luck at picking the right card - there are more than 25 chances remaining so names will keep being drawn until a winner is found. Best of luck troops. Also on Thursdays is the members only draw at 6pm and the meat raffles so come along and maybe you'll be lucky enough to win yourself something tasty.

Names are being taken for the NPC Rugby Pics so sign up for your try at bragging rights - the more people that enter, the better the competition so don't think about it just add your John Hancock to the list.

My wireless has reminded me that on Friday, 23rd July the Gore RSA troops are coming north for an evening of tactical discussion and comraderie at our headquarters. Darts, pool and quots will be played that night and we ask members to please bring a plate of something delicious to share. Visitors are expected to arrive at 5.30pm and it would be great to have a decent contingent from the home side there to welcome them while enjoying a cold brew.

Drivers are still required for the courtesy coach on Thursday nights so please consider giving back for all the times you have gotten a ride, cheers troops.

The next monthly meeting is scheduled for the 20th, if members have anything they would like mentioned just pass your message on to a committee member whose names are up on the board.

The RSA welcomes new members so if you are curious, come along spend an hour or two in witty company then fill in the membership form - note subs are to be paid when applying for membership. Well troops, it's been a quieter week than usual which we all need from time to time.

Stay healthy, have a good week everyone and keep making sensible decisions. - *Sergeant Smith.*

Winter Feed Competition Results

The annual winter feed crop competition was judged on farm on the 6th July by Advanced Agriculture.

Thank you to all sponsors, farmers and those involved for their support of this event and for supporting our bale collection for Canterbury farmers affected by the flood.

Results are as follows:

Fodderbeet Crop

1st S Keinan	36.75T/ha
2nd S Davies	32.76T/ha
3rd L Allan	29.64T/ha

Swede Crop

1st T McDonnell	26.30T/ha
2nd B Clark	23.20T/ha
3rd P Scanlan	19.10T/ha

Kale Crop

1st J Denbaars	21.14T/ha
2nd S Davies	16.66T/ha
3rd G Love	13.86T/ha

Three Swedes

1st P Scanlan
2nd N Woodhead
3rd C Maybee

Five Bales Conventional Hay

1st A Allison
2nd C Maybee
3rd C Clark

Three Beet

1st J Denbaars
2nd Bonacord Farms
3rd R Flett

Large Bale of Hay

1st B Clark
2nd R McElrea
3rd G Love

The Rebus Club of Milton

The President welcomed a good turnout of members to the June meeting before Stu Michelle introduced the speaker.

Gregg Caldwell, of Milton, explained what his new business – Southern Recycling – is all about. He and his business partner have set up a plant in Stirling with new equipment which has just arrived from China. The object is to recycle e-waste; that is anything that uses a plug (except for old heavy TVs!). These include computers, mobile phones, laptops, tablets, photocopyers, printers, washing machines, dryers – the list goes on!

The material will be reduced to a reusable state saving so much space in landfill. Ultimately it is hoped that tyres, farmers' bale wrap, glass and other plastics will also be recycled for reuse, even clothing with plastic content.

As well as providing a much needed business in South Otago, to keep the plant running, there will be employment opportunities. Councils are keen to support Gregg as are other businesses.

Gregg is a true Eco Warrior and it is great to have someone with the passion and drive to set up such a beneficial business in our local district.

Gregg was thanked by Stu Michelle and presented with a gift.

The July meeting coincides with the Winter Dinner which will be held at the Kink in the Road on Tuesday July 20. Please be there by 11 am. There will not be a committee meeting. The speaker is Ingrid Leary, the MP for the Taieri electorate. All members have been contacted and if anyone is unable to go at the last minute please let the Secretary know.
