

Athletics Day Records Broken

Millar McElrea broke 3 records at our school athletics day held 26 February 2020.

Millar was competing in the intermediate boys group and ran 400m in 56.42 sec breaking the previous record of 57.01 sec set in 1987 by David Sullivan

Millar broke the high jump record with a height of 1.7m the previous record was held by Macy Deans at 1.69m in 1998.

Millar also broke the Long jump record, with a distance of 5.92m the previous record was held by Cory Innes at 5.81m in 2000.

Ethan Walker National Athletics Championships 6 & 7 March

Congratulations to Ethan Walker on a successful trip to the National Athletics Championships held in Christchurch over the weekend.

In the under 20 Javelin competition on Friday, Ethan threw a personal best with a 800 gm javelin of 59.74 meter's. A gold medal and an impressive 12 meter's ahead of the silver medal winner and 16 meter's ahead of the bronze medal winner.

On Saturday Ethan competed in the senior men's event. He didn't throw quite as good as Friday, but he still managed 54.96 meter's, earning a bronze medal. The winner threw 68.71 meter's.

Ethan is now ranked No. 1 in New Zealand for under 20 javelin and No. 3 for the senior men.

We wish you best of luck for the rest of the season.

Centre: Ethan Walker

Tokomairiro High School Newsletter

SCHOOL MISSION: Working together to inspire excellence in education, in character and in life.

Tena koutou katoa

Week 7 - It is hard to believe we are now past the halfway mark of the term.

Interim Reports

You should have received, by email, a copy of your child's interim report on Friday. For those without email, a copy was given to the student on Monday. Hopefully you took the opportunity to meet with your child's house group teacher on Tuesday afternoon / evening. If you have any concerns about the reports please get in touch with the house group teachers or the dean. Contact details are on our school website. Last week you should have also received an email with the password for the school parent portal on our website. If you haven't received this please contact the school office.

Kepler Tramp

Last week we had a group of ten year 11 to 13 students away on the Kepler Track tramp. A group of year 12 students presented a report in assembly this week and shared some of their experiences. They had a wonderful trip. Thank you to Ms Cowie and parent Mark Byrnes for leading this tramp in a beautiful part of our country.

Year 7 Vision Screening

The Vision Hearing Technicians from Public Health South will be visiting our school on **Wednesday 18th March** to screen all year seven students for distance vision. Distance vision (Amblyopia & Hyperopia) determines how well your child is able to see at a distance. It involves reading an eye chart (not required if your child wears glasses). If you **do not wish your**

child to be screened, please fill out an opt-out slip, which is available at the school office, before the visit.

Weekly Monitoring

There have been some excellent grades coming through over the past few weeks. At the end of week 5 a total of sixty-two students had an average of 3.9 or 4 (out of 4) for their effort level across their subjects. This is a slight drop on last week so we need to keep focusing on striving to reach those highest levels. Ross led the way again, with 22 students, followed by Reid with 18. Malcolm was close behind with 16 - come on Ayson - let's see your numbers increasing this week.

PTA

Our Parent Teacher Association is meeting on Wednesday 18 March and we would love to have some more parents along to support this group. Meetings are held twice a term (they only last about an hour) where we discuss plans for upcoming activities, funding

applications and our major fundraiser for the year (the Trail Bike Ride). At present we are looking into projects we can take on to further develop the school environment. We would love to hear your views and have you join us on the committee - 7pm in the school staffroom.

World Challenge - Opportunity For Students

Here is the link to the Toko Borneo webpage! www.ourworldchallenge.com/9AAER2DK

Join the Journey! All Year 9-12s this year are invited to Borneo in September-October 2021 holidays. Ten days with your mates and the Orangutans in tropical rainforest, get hands on at the Turtle Hatchery collecting eggs and doing beach conservation drives, try local street food, explore the markets and make new friends on this amazing experience.

Parent Information Night is next Wednesday 11th March at 6pm in the Tokomairiro High School Library.

Strategic Plan

We are currently rewriting the school strategic plan and are looking for parent and community input. If you would like to be part of a group of parents / community members who would like to review the work we have done so far and pass on your thoughts, we would like to hear from you.

Please email me at thspincipal@tokohigh.school.nz

Let's make this an awesome year. Let's look out for each other, support each other, make the most of opportunities and involve ourselves in the life of the school through whatever opportunities come our way. Remember, our doors are always open.

Summer Indoor Bowls

It seemed as if it was the night of draws as half the points gained were from having a draw!
The teams must have been pretty even if this was the case. In fact, round two saw all teams having the same result and the exact same aggregate score – 5. Alistair Allison and Jeanne Davidson come out the winners with two and a half wins and an aggregate score of 23. Stephen Souness, Alwyn Read and Rachel Fegan were runners up with one and a half wins and 21 aggregate score 3rd and 4th places both had 2 draws and their aggregate scores were also close being 19 and 17. Russell Copland, Melva Heads and Judy Fletcher were the lucky ones who squeaked in at 3rd while Dave Findlay, Raymond Perry and Sharlene Renton were 4th. After 7 weeks Russell is in the lead with 13 points, Alex and Greta have 12 points and Jeanne 11 points.
Three are sitting on 10, come on see if you can change this in the next few weeks.

'Wellbeing - Diversity'

New Zealand is fast becoming a place of diverse cultures. But diversity is not just about cultures it is about uniqueness of character, lifestyles, and understanding of individual's good values which contribute to overall wellbeing in our communities.

Respect is an important word, and action, with regard to diversity. What is right for one person or group may not be right for another. This needs to be respected and acknowledged.

It is necessary to gain more appreciation of diversity and get 'outside our comfort zones'. When we do this, it can enhance our own wellbeing and connects us with a wider variety of people. Diversity can be a great thing to enlighten our lives. We are all diverse and need to be welcomed into an inclusive society.

Diversity in sport and recreation is also great. Finding the best enjoyable sport that suits your age and stage of life is important. Like anything we may need to change and adapt. This is part of diversification.

In a fair and caring community, diversity should bring us more togetherness by creating interesting and special situations.

Wendy Joy Baker

News From the Trenches

On Saturday in hot conditions, approximately 30 competitors battled it out, to see who would come out victorious in the annual Spud Dig competition. The winner with a hefty total of 9.1 kgs was Cliff Henderson, 2nd Gavin Good, 3rd Julie Henderson. Heaviest individual spud went to George Henderson. George mentioned it was the first time Henderson's had beaten Irvine's at spud dig. Fantastic day was held with lots of laughs, I'm sure everyone will be reviewing their techniques to increase performance for next year. The only incident of the day related to Bert Pringle who was caught by surprise by the weight of George Henderson's massive spud, causing him to lose balance and flattening George's corn patch. Bert has suggested he use a forklift next year.

Don't forget nominations are open for all positions on the Executive Committee, so jump on board, roll your sleeves up and help run the most successful club in Otago. The AGM is at the end of March.

The Handle and Wine Club is another huge success on Friday - so if you haven't been there, come along for drink specials between 6pm-8pm and see what the fuss is all about. This weeks Super Rugby game is Chiefs vs Hurricanes.

Private Pike

The Rebus Club of Milton

At the February meeting, Katrina Newdick, from the Mosgiel ANZ Bank, spoke about the many and varied scams which are so prevalent in our lives. They can be a phone call, text message or email and are now so believable that anyone can get caught. The scams come in waves and continue until they are not profitable, when a new one will appear. Advice Katrina offered was:

1. Never download anything to your computer unless you are absolutely sure of its source. (It could include a virus!)
2. **Never** give out your password or pin number or other personal information. (Banks are getting tougher now and if you have released your password or pin number to anyone, they won't cover your loss).
3. Don't click on a link if you are not sure.
4. To check if it is a scam, ring 0800CERTNZ or look up NETSAFE.org.nz.
5. If it looks or sounds too good to be true, IT IS!
6. Don't send money to anyone without checking with them. Your computer may have been hacked.

If you think you have been scammed, ring the bank to get your account blocked immediately. Voice ID is now available with ANZ. Do use any extra security your bank offers. A debit card is safer than a credit card to use for online shopping. The last piece of advice was to get the message out about scams. The more we know, the less we will get caught.

The next meeting is on Tuesday 17 March at the RSA hall at 10 am and will be followed by the AGM. If members are in agreement, the current committee are happy to continue with the President being replaced by the current Vice President. Committee please meet at 9.30 am.

The speaker is Laura Gourley, the Waste Minimisation Manager from the Clutha District Council. Her information is relevant to us all.
