# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

*Kia ora,*

Well, we have come to the end of another academic year and we are well underway with our preparation for 2023.

One of the highlights this year was our final Prize Giving where we celebrated the awesome achievements of our students. It was great to see a packed hall and to see our students walk across the stage to get their prizes. We also had a guest speaker Andrew Tiffany who engaged us with his thoughts on what next after school, which I hope students found aspirational. There was a lot of interest in his time spent working for Disney.

A request has been made to summarise my closing comments which were based on the thoughts of a retired US Admiral. He had seven main themes on how each of us are able to change the world.

The first of which was to make your bed each morning. This gives you the first opportunity to accomplish a task for the day which can lead onto other tasks. This will reinforce that the little things matter and if you are unable to do the little things then the big things will be so much harder.

Secondly you cant change the world alone you will need some help to get to where you want to be. This will be friends' colleagues and the good will of strangers maybe even your teachers.

Thirdly, don't make judgement about other people as they just might surprise you. Measure people by the size of their hearts not just by what you can see.

Fourth on the list was that you will fail often, and it will be painful, but you need to accept this and move on. Accept the challenges and learn from them if you want to change the world. Fifth was about the fact that there are sharks in the world

human and animal, and you need to face up to them and don't back down if you know what you are doing is right.

Sixth, was all about resilience and how we should overcome this, when you are at your darkest moment you must persevere and be at your very best in order to overcome. Be calm, composed and use all of your physical power and inner strength to continue.

Finally in Seal training the US navy has a bell in the centre of the compound to quit. All that is required is to ring the bell. If you want to change the world, then you must *never* ring that bell.

I would like to congratulate all of our students whether they were awarded a prize at the ceremony and hope that they and the rest of us can learn form this advice and make a positive difference in the world.

I wish you all a merry Christmas and a happy new year. I hope you get to spend time with your families and recharge your batteries for 2023.

**Nga mihi,  
Declan Sheridan,  
Principal**

## TOKOMAIRO HIGH SCHOOL TEACHER AIDE POSITION

We are looking for a teacher aide with the skills to make a positive difference for our students. Working in our special needs department you will provide support for students to achieve their dreams, goals and ambitions. They will become more independent as a result of the work you will do.

*Ideally we are looking for someone with:*

- A "can-do attitude"
- Resilience and perseverance
- A desire and willingness to learn

Ideally some experience in this area would be an advantage, although full training and orientation will be provided. If this sounds like you then we would love to hear from you. Please contact the Principal for more details.

## Colour Run Ends the Year

Last Thursday students participated in the Colour Run, the second last event of the school year. While they completed an obstacle course they were bombed by colour. It was great to have Tokoitī School along to join in the fun. Afterwards there was a bbq and an iceblock to finish off the day.

## Beach day 'cool' fun

As part of the End of Year programme, the Year 7's and 8's had a Beach Day trip to Taieri Beach. Unfortunately the weather didn't really play the game, resulting in an earlier than planned trip back to school. Despite this, the students had a great time exploring the rock pools and exploring the area on foot. The Year 9's and 10's had much better weather on their trip the following day.

# RSA News From the Trenches

This is the final column for 2022 as the year rapidly draws to a conclusion. By the end of it, I may need security as my safety may be in jeopardy and Paddy has already departed for fear he will be plucked.

On behalf of Evan Jenkins (President), we'd like to say what an awesome and busy year 2022 has been, and also like to acknowledge the work that some individuals have done this year, especially Donna Williams and Bert Pringle for the endless hours they do to keep the Club running. Thank you to the members who also have assisted with the club and also to the patrons who have brought much laughter and fun times at the best social venue in Otago.

The 2023 cards have arrived and subs for next year are now due, so come in over the holiday period to pay up for next year. Our membership list is growing rapidly. Our handle club is also flourishing constantly. Keep an eye out early next year for details of our Super Sports Comp which will be launched.

Congratulations to Nick McKay who got 5th place in Milton's Got Talent on Saturday with his rendition of Johnny Cash song "Ring of Fire".

Just a word of warning, to make sure you go home with the correct clothing - we had an awkward moment where two members mixed up their clothing, awkward as it was male and female members.

On Saturday I walked into the RSA and noticed both Norm McLeod and Icky Carruthers frustrated as they were doing a jigsaw featuring a rooster on the front of the box. On closer inspection, they had a box of cornflakes! Also Greg Manson asked wife Tanya to get a bottle of milk and if they had avocados, get six. Well Tania arrived home with six bottles of milk. "Why??" said Greg. Tanya replied "They had avocados!!!!"

Finally.... will Sgt Lacey pop out of a Xmas Cake??

Merry Christmas and a happy festive season.

- Private Pike
