

Seniors Ride Clutha Gold Trail

On Monday 19 June the Year 13 Outdoor Ed class spent the day biking from Lawrence to Milton on the new cycle Gold Trail. After the first climb out of Lawrence and needing to remove layers there were plenty of stops and time to re-gather.

The weather was perfect in not being too frosty or too hot and everyone gave it their all and determination to reach Milton. The tunnels were scary but fun and the scenery was great.

Timberwolves Win Gold!

This season the boys took on the Clutha Country Comp for Basketball. After a great display in their opening match we were immediately placed in the age group above. At first the boys were nervous but after a great first performance they were able to gain confidence in the new competition. Throughout the regular season the team dominated, winning the final game of the season by 7 points after a big 31 points from our point guard Tukahia Morton. Going into the playoffs the team was full of excitement though the semi-finals proved hard work as we played SOHS twice before coming to a decision. During the finals the team knew they were going to have to bring their all after an injury scare earlier in the week from their captain Dion Nicole. Despite the odds being stacked against them Dion was able to play the final game and the boys narrowly won 44 - 40. The boys overcame the odds of being the youngest team in the competition and trained hard all season to get their result.

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

A very full term two has now concluded and as students and staff start a well earned holiday we have a huge amount to reflect on and be proud of.

Our senior students have made fabulous progress towards their NCEA goals with hundreds of credits earned and the vast majority of our Level One students having attained the literacy and numeracy requirements for their qualification. Our junior students have also made excellent progress and taken full advantage of a wide range of academic and also extracurricular opportunities that have had.

We have seen some wonderful sporting achievements with many of our students stepping up and coaching and refereeing and also a number of our students being chosen to represent Otago.

A truly fabulous term and I would like to take the opportunity to say thank you to all the staff and students who have made the last term so enjoyable.

French Cafe

Last Thursday I was transported to the Champs-Élysées when I was invited to join 7/8 Goodwin in their French Cafe. Madame Hart had transformed her classroom to become a typical bistro that you could find in any town or village in France. It was such a delight to hear the students using the French that they had learned throughout the term to order traditional French food and drinks. I was also so impressed to hear how the students were helping each other out and encouraging each other with their vocabulary and their confidence in speaking French.

Dodgeball

On Friday afternoon our senior prefect team ran an inter-house Dodgeball competition. The matches were hard fought and the results were as follows. In the Year 7 and 8 competition Ayson won, Malcolm second and then Reid and Ross third

equal. In the Year 9 to 13 competition Reid won, Ross came second and Malcolm and Ayson were joint third.

Uniform

The new uniform jacket will be available for sale in time for next term but is not available on their website yet. I also received a phone call from NZ Uniforms at the end of last week to advise us that they were needing to increase the prices of our uniform items as the cost prices had been increased. They were unsure at this stage of what the increases would be and exactly when they would be implemented.

Semester change over and reports

Senior reports were sent out on Friday afternoon via email, printed copies for students with no email addresses will be handed out when we return to school. Reports for students in years 7 to 10 will be emailed out next term.

Staffing Update

Last week we welcomed Rose Samson to our staff. Rose has been appointed as a Teacher Aide. Also Erica Milligan has been appointed to the position of Head of Homeroom.

Coming Up in Term Three

Term three is shaping up to be very busy indeed and there is a lot to look forward to. We have our annual sports exchanges with East Otago High School and Blue Mountain College. There is our ski trip for senior students and we have hockey and netball teams preparing to go to tournament week. We are also planning on taking a number of students to the FIFA world cup. There is also our Open Evening for prospective students and their caregivers. We are so looking forward to meeting the students who will join us in 2024.

Careers Expo 2023

This years Careers Expo in the Dunedin Town Hall. Lots of questions about careers and further educational opportunities were buzzing around. We had people looking at positions from Hospitality, Defence Forces, University of terra CAT and careers at Port Otago. It was great to see so many students taking this opportunity and using it to their advantage.

RSA News from the Trenches

Brrrrrrr absolutely freezing cold here today, Paddy is looking for his ski goggles and mask to try to conquer the blizzard as he delivers the report this week.

On Saturday we had our Super Sports Tipping Prizegiving and after 18 weeks we had a tie for first place with Bruce Graham and

Woody being joint winners with Jock Irvine making a late charge for 3rd place. Overall it was a very close competition with numerous other entrants, not far away from getting amongst the prizes. Thanks to Nick McKay who was Chief Judge and scored all cards, it was a high pressure position as it was that close.

We now have opened up entries for our next Sports Tipping Comp which will kick off on 4 August and will be our biggest comp yet, featuring NPC and World Cup games. I've already had three confirmations from members that missed out on our latest comp - so don't miss out registering as its been acknowledged by World Rugby as a tremendous comp.

As it was a fantastic night on Saturday, there were a couple of incidents that need to be discussed. Our courtesy coach driver Ray Houliston who was doing an awesome job, unfortunately got the van stuck in the snow for approx. 2 hrs taking a member home. A tractor was involved to extract the van. There was also a member called Mrs Boom Boom, who was seen around the community exhibiting her dancing skills.

Next up on 15th July is our Bacon & Egg Pie Comp, so all you Jamie Oliver & Nigella Lawson chefs, bring along your best creation. On the same night we will be showing All Blacks vs South Africa Test Match on our 4 huge TV's, so that is another great night to mark on your calendar.

Our membership draw was struck last Thursday by Ashley Manson who also cleaned up the meat raffles on the same night. So get along on Thursday and see what everyone is talking about. Stay warm.

Toko Rugby Report

On Saturday Toko travelled to Outram to take on West Taieri in a block buster semi final battle. Toko came out the blocks firing and were unlucky not to score the first try. West Taieri soaked up the pressure and responded with four quick tries over a 15 minute spell in the first half to go out to a commanding 26-3 lead after 30 mins before Toko bounced back with a try to Camrin Brown which left halftime score 26-10.

Toko were determined to turn their fortunes around in the second half, and were rewarded when Kieran Calteaux burrowed over halfway through the second half. Toko threw everything at West Taieri and were unlucky on several times to have tries disallowed. Both teams showed some amazing resilience on defence with Toko players constantly putting tired bodies on the line in defiance. Sadly West Taieri's defence couldn't be breached and were victorious 26-15 over a gallant Toko side.

That now brings to the end of the 2023 season, with Toko successful in holding the South Otago Banner along with numerous trophies which is proper reward for an enjoyable and highly entertaining season. The whole squad should be proud of their efforts this year.

On behalf of the Toko Club, we'd like to sincerely thank our amazing sponsors for their superb support and hope for continuing support next year. Also thanks to our amazing supporters who made our home ground a fortress with huge crowds. Lets do it all again in 2024.
