## Cooking up a Storm!

Whilst our lovely summer continues, Juniors have enjoyed making a basic vanilla ice cream and then using this as a base for designing their own. We have some lovely budding master chefs out there! Seniors have been using food thermometers and working with high-risk foods, testing cooking temperatures to check they are cooked thoroughly, and that food is handled and stored correctly. Shortages of eggs and salad ingredients are a continuing challenge this term. Units of work have been altered as much as possible to accommodate this. The food department would really like any unwanted ice cream containers please!

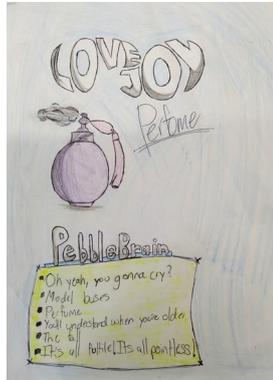

## Year 9 and 10 Music - Passion Project

The Year 9 and 10 Music Passion Project class have completed their first project for the year: a visual response to a song that means something special to them.

Mahalia - Fleetwood Mac  
'Seven Wonders'

Shannyn - Lovejoy  
'Perfume'

Sarah-Jane - Taylor Swift  
'Midnight Rain'

Emily - Billie Eilish  
'Male Fantasy' and 'Everybody Dies'

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

*Kia ora,*

Unfortunately, last week we were forced to make a decision to roster home our senior students on Thursday to conduct private study. The reason for this was that the teaching union the Post Primary Teachers Association (PPTA) have instructed their members to carry out a relief ban. This is to highlight to the Government and Ministry the extra work teachers do above and beyond their contractual agreements. Therefore, no members of staff in the union are able to relieve for their colleagues should they be away on professional development or sick. The solution to this is to employ relievers to cover these lessons. On Thursday unfortunately we were unable to acquire any relievers to cover classes, as I am sure you can imagine all schools in our area are also trying to staff their schools also. We therefore had to make the decision to ask seniors to stay home.

In terms of loss of learning this was unfortunate, but we must be aware that we were one of the few schools in the country who did not roster our student's home during Covid 19 last

year which was as a result of teachers willing to go above and beyond to ensure students needs were met in very trying and difficult circumstances. Teachers were considered by the Government and Ministry to be essential workers during this time.

Further action is also being considered with a 1-day strike arranged for Thursday 16th March. Should this proceed, we will only be open for Years 7 and 8. There are five members of staff who will not be striking this day as they are members of different unions, and they will be available to supervise students.

Rest assured that we will endeavor to remain open for all students throughout this period and ensure they get the best possible education and chances to succeed.

**Nga mihi,**  
**Declan Sheridan, Principal**  
**Principal**

## Sports Round Up

### RESULTS

#### TOUCH RUGBY:

28/2 Toko Taika vs. Columba Snr A | 4-1 LOSS

### Administration Assistant

Tokomairiro High School seeks an administration assistant to work for 12 hours per week in our Gateway and Careers department.

The ideal candidate will be computer literate and able to communicate with providers, including by letter writing, and establish positive relationships with them to ensure the best possible experience for our students. You will be well organised and able to get on with teenagers. You will be working in a welcoming and supportive department with a strong focus on student success.

The role starts at the beginning of Term 2, Monday 24th April 2023

Please address expressions of interest to the Principal,  
[dsheridan@tokohigh.school.nz](mailto:dsheridan@tokohigh.school.nz).

A job description is available on request.

## Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door.

**Genesis Deadlines:** Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at [genesis@tokohigh.school.nz](mailto:genesis@tokohigh.school.nz). Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

Any payments or donations can be made to Tokomairiro High School, account number 03 1736 0009803 000. Please use GENESIS and your name as reference. - Carolyn Shanks, Genesis Editor

## Obituary - John McKenzie

John McKenzie (or Johnny Mac as he was known by many) passed peacefully at Dunedin hospital after a short illness on Saturday 4th March 2023 at the age of 86.

John taught at Tokomairiro for nearly a quarter of a century and many families would have experienced his talents within their generations. John started out in the then new Form 1 - 7 high school in the late 1960's as the Physical Education teacher. Having graduated from Carnegie University in UK he brought with him a wealth of knowledge in many sports. His passion for coaching and young people never waned over his lifetime. He was one of the instigators of the present school gymnasium

After an overseas teaching assignment in Tonga in the mid 80's he returned to Toko as Head of English, and this was to be the start of his passion for reading recovery and adult literacy.

Not to rest on his laurels he embarked on Guidance Counsellor training and obtained his degree from Massey University in 1993. He then undertook the role of Guidance Counsellor at Toko for some seven years. During this time he showed his empathetic qualities and he cared and treated all those that crossed his door with respect and value.

John retired from teaching in 2001 and was still residing in Milton at the time of his death. In his later years he undertook qualifications in SPELD and Adult literacy and with his infinite patience he helped many obtain their dreams of reading and writing competencies.

John was always one to get involved and volunteered where he was needed. He undertook meals on wheels and hospital taxi driving and was a keen advocate of the Hub.

John loved to play and watch sport and it is only in later years that he had to give up his beloved Golf and Squash. John will be missed from the community by his many friends and acquaintances. John is survived by his brother Malcolm (UK) and his daughter Jennifer (Cambridge).

## Toko Womens' Golf Tournament

Played on Thursday 2nd March in Milton; 38 players representing six clubs, took on the heat and the dry, fast running course of the Toko Golf Club to compete for the Woodhead trophy. It was a beautiful day and there was some very good golf played. We are very appreciative of the sponsorship we received from Berriedale Farms, the Vollweiler Family, who are our major sponsor.

Winner of the Toko LGU Jubilee Cup 2005, sponsored by Marion Woodhead, was Lynne Lister from our own Toko club, with a best nett over the field of 62. This was on countback from Carolyn Kennedy, also with a nett 62, from Balclutha. Lynne was also the only player to have a two and

won closest to the pin for the day for her division. Pam Keddell (Toko) score a nett albatross, another highlight of the day.

Winner of Woodhead Cup: Lynne Lister nett 62, with Helen Vollweiler from Berriedale Farm

## Bible Reading for the Week

'Do to others as you would have them do to you'.  
Luke 6:31

## Waihola/Clarendon Women's Institute Report

We commenced 2023 by meeting at the Waihola Bowling Clubrooms on the 20th February. A good attendance was welcomed back after the Xmas break.

The motto was " Nobody has measured not even poets how much the human heart can hold"

The roll call was "My hopes for the year" . We all would like to see world peace, health and happiness, after 2022 and Covid. Most would like a little of the rain that the North Island is getting without the disasterous effects being caused by Cyclone Gabrielle. Much sympathy is felt for the residents and businesses over much of the North Island.

Our group's next meeting falls on Otago Anniversary Day and members agreed to meet on this day. It is our AGM and a new president is needed.

We were told of a Ladies Night to be held at the Waihola Tavern, 8th March at 7pm. We were thanked for our attendance at our December meeting which also marked the 90th birthday of one of our loyal members. We went to Hawthorne Gardens and then to Nellies for lunch. Members of the Lovells Flat institute, plus 3 members representing MOF joined us for this special occasion.

After the meeting we went to Waihola Lakeside for a picnic lunch with a birthday cake as February marks our 71st birthday.

## RSA News from the Trenches

Phew, we've finally settled down after another hugely successful Fishing Comp, but our next big event is just around the corner. This is for our Annual Spud Dig and is always looked forward to with a lot of fun throughout the day.

The big day is on Saturday 18th March, so there are plenty of "Green Fingered Wizards" concocting their various potions to ensure they will be amongst the front runners and see if they can usurp the Gillies as reigning champs. If on the odd chance, your spud hasn't enlarged sufficiently, kindly let the RSA know, and we won't send around a crew to dig it up and save embarrassment.

Just a reminder to those that have failed to pay their 2023 subs, that the cost will now be \$45, so make sure they are paid. This will ensure you are eligible to partake in all the exciting events taking part weekly, including Joker Draw which is now getting up to a large amount dying to be won. Also the membership draw is at \$200, last 2 winners of Josh Day and Lisa Rutherford missed out on claiming their winnings, clearly young love stymied their ability to get there. Don't let that happen to you!!!

Also for the month of April, the RSA Welfare section, will be receiving funds for April from the Milton Op Shop, so have a look throughout your house and drop down any quality household wares, that you no longer need.

Finally after one week, it would appear Hoot Papuni and Dean Hancock have hit the ground running in our Super Sports Tipping Comp, and have stretched out to an almost early unassailable. Can they maintain it?

- Private Pike

## Toko Rugby Report

**BOOM!!!!** The 2023 season has finally arrived and the boys are ready to be let off their leash and get stuck in for their first pre-season game of footy vs Green Island for a trophy named in honour of Kingston Beer-Williams, so the boys are sure fizzing to rip in and claim first a very significant trophy to be won.

We also have visitors from Toko Club from Taranaki, to have a match on Saturday against our Toko Senior squad, we will welcome them with good old fashioned southern hospitality and we anticipate a big crowd to welcome the new season.

To top the night off on Saturday we are holding an auction with some impressive items waiting to be bid on, so come along from 6pm for a BBQ and a drink with a couple of dollars in your back pocket to make sure you don't miss out on superb items. There will be the courtesy van running, so make sure you are there on Saturday. This auction is to raise funds for Club Refurbishment Project.

Also keep in mind the Toko Rugby Club will be receiving funds from the Milton Op Shop for the month of March So get along either to donate or purchase some quality goods. Finally we have on our Facebook page a shop to purchase some Toko Club merchandise, so be in quick. We may also have some news in the near future about some further merchandise that could be purchased locally.

Keep an eye on our Facebook page, for new features this year comprising local legends each week.

2023 is going to be huge for Toko Rugby. - *The Judge*

## Summer Indoor Bowls

Doug Grant, Alwyn Read and Greta Jenkins made it 3 out of 3 last Wednesday night when they had three good wins to come out the winners for the evening.

**Round 1:** Alex Benington and Scott Keenan 6, Russell Copland and Korey Manson 2, D. Grant 11, Raymond Perry, Eunice Benington, Barbara Read 2.

**Round 2:** R. Copland 10, R. Perry 4, D. Grant 8, A. Benington 4.

**Round 3:** D. Grant 14, R. Copland 2, A. Benington 10, R. Perry 2.

Don't be shy, if you would like to take up a new sport come along and give it a go. You'll be more than welcome.

**Articles and Reports** The Genesis relies on articles and reports supplied by the community to fill our pages. To share what is happening with your group, club or organisation, please email these to [genesis@tokohigh.school.nz](mailto:genesis@tokohigh.school.nz)

# Clutha District Council Water Advisory

March 2023 | [www.cluthadc.govt.nz](http://www.cluthadc.govt.nz) | 0800 801 350 | [help.desk@cluthadc.govt.nz](mailto:help.desk@cluthadc.govt.nz) | [f CluthaDistrictCouncil](https://www.facebook.com/CluthaDistrictCouncil)

## Water advisory issued for some rural water schemes

An advisory has been issued for people on the North Bruce, South Richardson and Moa Flat water schemes (including Waihola, Heriot and Kaka Point), after samples of drinking water in recent weeks found aluminium levels exceeding the new drinking water standard of 1mg/L.

A single high-level sample was found in Kaitangata, subsequent testing has not exceeded water standards. At Waitahuna there was one exceedance recently when the filter was bypassed for a few days. Once the filter was restored, aluminium levels returned to accepted levels.

Clutha District Council engaged the national water regulator Taumata Arowai, and Te Whatu Ora Health New Zealand to ensure the right technical, public health, and toxicology advice was received.

The health advice is that the risk of consuming water from the affected supplies is negligible; no health effects would be expected at these levels of aluminium exposure, even if water was consumed over a period of weeks to months. This includes effects for people with kidney disease, infants, and children.

Clutha District Mayor Bryan Cadogan says, "I know some people will be feeling anxious about this and that's understandable - I apologise for any concern this may cause. We've been told that with the acute levels of aluminium exposure for the period of

time we're talking about, there is negligible risk to people's health. Residents in these areas can keep drinking their water if they want to. For those who choose not to use their tap water, there will be water tankers at Waihola, Heriot and Kaka Point."

"Council staff have been engaging with Te Whatu Ora and Taumata Arowai to ensure we have expert advice and take the right actions to address this issue as quickly as possible."

The first lab samples showing exceedances were received by council in February 2023 and water regulator, Taumata Arowai was informed at this time.

While the cause is yet to be determined, work is underway to identify and resolve this issue, and testing is being undertaken daily.

Initial snapshot sampling at consumers' properties in the affected areas found aluminium levels were below water standard requirements and surveillance sampling is being increased to help get a better understanding.

More information, including questions and answers, and water sampling results can be found on the council's website:

[www.cluthadc.govt.nz/water-advisory](http://www.cluthadc.govt.nz/water-advisory)
