'Have a Go' Week

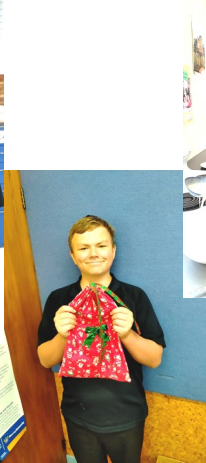

Last week, junior students from Tokomairiro High School participated in 'Have a Go' week, competing in a variety of different sports and activities against students from many other schools across Otago.

Included in the tournament was pentanque, dodgeball, basketball, eSport, foosball, ultimate frisbee, renegade hockey, rugby sevens, pool and handball, giving students the opportunity to try something new. The games were played in different venues around Dunedin - the Edgar Centre, the University of Otago, Otago Girls' High School and the Poolhouse to name a few. Our teams were quite successful with some getting themselves in top placings on the leaderboard.

Passion Projects Popular

Last week, students were able to immerse themselves in a variety of Passion Projects, enjoying different activities from creating French cuisine, to drama, skin care and sewing. Some photos from the week are shown below, watch out for more in next week's Genesis...

Inside This Week...

- Principal's Report
- Sports Round Up
- Summer Reading
- Astronaut Inspires
- French Café
- Group and Club Reports and Results

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

The end of the term is drawing near very fast, and we are busy getting ready for all the events still to complete.

We hope you can join us on the 8th of December for our final celebration of the year the combined junior and senior Prize Giving.

Our juniors have been very busy working on passion projects and also experiencing sporting opportunities.

Still to come in this field we have our athletics sports and also swim sports. An abbreviated format this year due to the original dates occurring when we were unable to gather in large groups. Therefore we will be juniors only for these events I am sure our students will take the opportunity to give their best in all activities.

We have managed to hold an orientation day for our Year 6s who had the opportunity to visit the high school and meet teachers and experience what the next few years are going to be like. Several different teachers with regular changes of topic and moving around from class to class. It must be very confusing and creates a lot of anxiety for these students. The first day back will be for Year 7 and Year 13's only and they attempt to become familiar with the school and our routines. Our current Year 12 and future Year 13 students have attended leadership camp where they have been learning to support our new students as they settle into our family.

On a personal note, I am looking forward to the 1st December which will mean that we have reached the end of *Movember* and I can at last shave off my annoying and very itchy facial hair. Myself and five other staff members had set a target of raising \$500 dollars for this worthy charity and I am pleased to say that with a few days to go we have almost made it. Feel free to head over to our official charity webpage and checking out the latest photos and feel free to make a donation while you are there.

Summer Reading Programme 2022 - 2023

Just in time for the holidays! The Tokomairiro High School Library has prepared a pile of new books for its customers! Now is the time to sign up to the Summer Reading Programme and borrow some books for those long summer days.

There is no limit to the number of books you can borrow, but keep in mind that its best to choose just enough for the holidays. The only condition is that all books should be returned at the beginning of Term One, 2023. Chocolate Rewards will be given for prompt returns

Sign up at the library and you can collect your books. It can be your choice or you can ask Mr Daniels to help choose some good books. Book Bags will be available for pick up on the 8th and 9th of December

The Tokomairiro High School Library would like to thank the following businesses for their support of 2022's Summer Reading Programme: Tokomairiro Four Square and the University Bookshop, Dunedin. Their help is greatly appreciated in keeping our students reading.

- Greig Daniels, Librarian

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door.

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

Any payments or donations can be made to Tokomairiro High School, account number 03 1736 0009803 000. Please use GENESIS and your name as reference. - Carolyn Shanks, Genesis Editor

NCEA Exams at Tokomairiro High School

We take this opportunity to acknowledge and congratulate our taura and their caregivers for making it through the NCEA Exam period. We are extremely proud of students who put time into their revision, turned up and gave the exams their best effort. Even though this time can be challenging and stressful, we are confident that our learners will make us proud when results are released mid-January. Tokomairiro High School staff LOVE giving learners the opportunity to show their stuff!

Exams remain an important component in learning, since they give the opportunity for students not only to demonstrate what they've learned throughout the year, but to develop organisational skills, by budgeting enough time to study and develop understandings, skills and confidence. Exams are also a brilliant opportunity for young people to learn to take a chunk of a day or a whole day off during study break sometimes to give themselves some time to soak in what's been learned and turn the brain off a bit. If it's a beautiful day and a student wants to be outside and not at a desk, then they can take their notes to the park and enjoy a picnic while they study. All of these are valuable lessons that students can carry with them for the rest of their lives. Students are encouraged to take exams seriously, but that should motivate them to study and prepare for them in advance which will help to keep them from feeling sick and worried. Exam prep time is also an opportunity to get in the habit of taking a bit of time out for yourself before the exam too, and if possible find a quiet place to sit and mentally prepare even just for five minutes. Hopefully, the exam period just gone has provided opportunities for learners to put these ideas into practice. . .if more practice is required, for our Year 10's, 11's and 12's and for our year 13's moving on to further study, there's always next year! Above all, the message from all of the experts is that although we place value on exams - turning up, preparing well, doing your best - it's important to remember that these results will not define the rest of anyone's life. If the young person in your life is feeling stressed about waiting to see how they performed on exams in 2022, encourage them to develop some perspective. In a year's time, it is very likely that these results will have vanished from memory, and a new set of stresses will have replaced the ones being experienced at present!

As we put the "QUIET EXAMS" signs away for another year, we express our appreciation for all of the effort that students and their caregivers have put into making the three week NCEA exam period in 2022 a success at Tokomairiro High School, and we look forward to even bigger and better things in 2023!

Bible Reading for the Week

"Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name".
- Psalm 100:4

NASA Astronaut Inspires

On Thursday 3rd November, ten of our Year 7-10 students were fortunate enough to attend a special opportunity to listen to NASA Astronaut, Dr Shannon Walker, speak about her experience with Space Travel.

Dr. Walker's first space flight was in 2010, a long-duration mission on the International Space Station (ISS). She served as the pilot on the Soyuz spacecraft that took her and her crew to the ISS and served as a Flight Engineer on the Station for Expeditions 24 and 25. That mission lasted 163 days, with 161 of them on the ISS. Her second mission was also a long-duration flight on the ISS. This time she was a Mission Specialist on the Crew-1 SpaceX Crew Dragon vehicle named Resilience, which launched in November of 2020. She was a Flight Engineer on the ISS during Expedition 64 and was the ISS Commander for Expedition 65 until her crew returned to Earth in May of 2021. This mission totalled 167 days.

She spoke about her three year journey of training and preparation prior to her first flight in 2010, and what life was like living and working on the Space Station. She had an amazing slideshow of images of what she could see daily from her window on the Space Station looking back towards earth. It was interesting to hear how she still could maintain up to date communication with friends and family on Earth. She has had an exciting career and was keen to get back up

Year 7 and 8 French Café

The Year 7 and 8 French class celebrated the end of the semester with a French Café where they enjoyed some delicious French food including croissants, pain au chocolat and baguettes.

Year 9 and 10 Textiles

The Year 9's and 10's finished off their textiles class this semester by making 'Softies'.

There was a lot of creativity involved as students were able to create their own colours and design.

Clockwise from left:

George Stark (green), Georgia Jenkins (black), Hope Graves (blue) and Daiha Coulter-Butler (pink).

RSA News From the Trenches

Greetings from the nerve centre of the world, bringing you all the news from RSA. This Friday at 6pm our world famous Handle Club is holding a function as the first warm up for Xmas festive season. This Club has grown hugely this year, but still room for new members with their personalized drinking vessels and secret handshakes. So if you're a member, a nod is as good as a wink to a blind man, so make sure you are there on Friday night.

Our weekly membership draw was nailed again on Thursday by Casey Irvine. Congratulations to him. Not surprised its starting to go regularly due to the large numbers of members wanting to join the winners. Not too many weeks to go before Paddy gets a break for Xmas.

Speaking of Paddy, he spotted a married couple who appeared to be sneaking in some magic formula, which he thinks may be related to the Spud Dig early next year. This couple is obviously gunning to topple the reigning Gillies Clan as Spuds Champions. Luckily Paddy was flying above and wasn't spotted, but it looked very secretive.

Not so secret, we now have a new service to assist those members who like a flutter at the TAB. We have George "The Horse Whisperer" Henderson, who can offer free advice as to which horse to invest on. Paddy hopped on his shoulder and George quietly advised him - wasn't quite a 100% success rate.

Finally Donna told me to stop singing "I'm a Believer" or she would kill me. I thought she was kidding. And then I saw her face.....

Toko Rugby Report

I know we're heading into summer activities but just giving you an update as to what's happening at the Toko Rugby Club.

We have our AGM on Tuesday with hopefully a good turnout, for the club is looking to progress both on and off the field. I think we will be entering a really exciting phase coming up over the next few seasons.

We are holding a Quiz night at White Horse Inn on Thursday 8th December at 7pm. \$5 per person, max 6 per team. Funds will go to our redevelopment project of our clubrooms in anticipation of our 125th celebrations in 2025. This promises to be an excellent night, so lets cram the pub and see which team is the cleverest.

The Toko Premiers are hooking into the pre-season with Wednesday night touch and fitness, they are looking pretty sharp so early. If you feel like playing in 2023 come along on Friday 2nd December at 6.30pm sharp as the team is having a meeting to discuss the upcoming season with coaching team outlining objectives. Rumours going around of new exciting players jumping onboard to build on the outstanding season in 2022. Stay tuned for further developments

Options being assessed for Clutha District's rural water schemes

An assessment of Clutha District's rural water supplies is underway, looking at how the schemes could operate in the future.

Council and the rural water schemes working party are working with the Department of Internal Affairs (DIA) and an independent assessment, funded by the DIA, is being undertaken by Morrison Low. The assessment will look at the benefits, costs and risks of customer-ownership versus water services entity ownership and operation.

Under the Government's Three Waters Reform Programme all council-owned and operated drinking water, wastewater and stormwater services will be transferred to four new water services entities on 1 July 2024. After this date, councils will no longer have direct roles in managing and operating three water services.

Clutha District has 11 rural water schemes that provide water for farm use and domestic consumption.

A number of townships in the district are connected to these schemes, including Kaka Point, Waiholo, Clinton, Tokoiti, Tuapeka Mouth, Waitahuna, Heriot, Pukerau and Waikaka.

Over the next few months, work will include discussions between Council, DIA, farmers, scheme chairs and contractors to ensure the work is factual and practical.

Results of the work will be made publicly available and will help to determine whether an owner operated scheme is a viable option. The assessment will also inform three waters legislation to be fully enacted in mid-2023.

Make sure you get future updates about this important work by signing up to get them delivered straight to your inbox.
