Milton Primary School Hosts Athletics Day

On Tuesday 23rd of February, Milton Primary School hosted the local primary school students to participate in their annual Athletics Day. It was great seeing all the YO-6 Milton Primary, St Marys and Tokoiti students rising to the challenges of the day - showing respect, having a go, displaying great effort and achieving some of their personal best results. The running, throwing and jumping events catered for a variety of strengths and abilities. We were very grateful for the whānau support, including some Tokomairiro High School students. Thank you to everyone who contributed to the smooth running of this event. Milton Primary School students share their Athletics Day writing.

I was tired when I did the big run. I was tired at the end, I was puffed.
Sophie Bichan

"Bang! The clappers set off. I started sprinting as hard as I possibly could. I was going so fast it felt like I was flying. I looked up and I was almost at the finish. I powered on and I leapt over the line. I had won! Then I realised I had to do it all over again for the semi final".
Natalie Dobson

When it finally came to High Jump, my heart was pounding. I was so nervous. We started at 75cm. I thought I would never make it. I ran as fast as I could and sprung over the bar. Then we went to 80cm, and 85cm. It was getting harder and harder. My best friend and I ended up getting over the exact same heights so we had a jump off.
Olivia Bradley

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Week Five, Term One

Tena koutou katoa,

Greetings to you all. The news on Saturday afternoon that we were going into Alert Level 2 for seven days will affect us in some ways – let us all be thankful we are not in Alert level 3 as in Auckland. This is a timely reminder that you need to be very careful with good hygiene including washing your hands, coughing or sneezing into your elbow and cleaning surfaces. At Alert Level 2, you can go to work and school, but should follow public health measures and consider others around you. Remember:

- If you're sick, stay home. Do not go to work or school. Do not socialise.

- If you have cold, flu or COVID-19 symptoms, call your doctor or Healthline and get advice about being tested.

- If you have been told to self-isolate you legally must do so immediately.

Check out this website if you want more information as to what Alert Level 2 means: <https://covid19.govt.nz/alert-system/alert-level-2/>

Assembly

Our focus on developing leadership skills and making the most of opportunities continues. This week we heard from Morganne-Lee Greene and Holly Griffin as they reported on their experience at Outward Bound in January.

Their message reinforced our theme of making the most of opportunities and developing leadership and team work skills. Both girls said it was one of the most amazing experiences they have ever had.

Peer Support Leaders

Our Peer Support leaders were presented with their badges in assembly today. We are very grateful to this group of senior students who gave up their own time to be trained and who work with Mr McKinnon each week to plan the programme they run with the Year 7 students every Wednesday morning. They are an important part of our school culture.

Physical Activity Leaders

The concept of these was introduced last year and is an initiative of Sport Otago. These young people will work with the prefect team and with the Sport

Clutha Regional Coordinator, Craig Gordon. An important aspect of their role is to encourage full participation of all students and demonstrate leadership skills in physical activity and sport. Congratulations to Pippa Greene, Kaitlyn Scott and Awen Wallace who were presented with their badges today. There is still room for more. Any students interested in applying should see Ms Cowie or Mr Reddington.

Athletics Day

We have been very lucky that we have been able to take part in most of our planned activities. This, of course, included the Athletics Sports last Thursday. The weather held and an enjoyable day was held – it was great to see the young people having fun and taking part with enthusiasm. We have some great athletes among our students. The house competition was close all day and, as of Monday, the house points were as follows: Ayson 738, Malcolm 737, Reid 832, Ross 646. There are two events to go – the 3000m and the Triple Jump – these will be held this week (weather permitting). Students are encouraged to enter and to earn more points for their house. Thanks to our sports coordinator, Leanne Burgess, along with the PE team of Tom Sinclair, Gemma Cowie, and Zoey Flockton, for their organisation. A special thank you also to our property manager, Alan Robinson, for his work preparing the grounds and putting out equipment.

Whanau Ora Kamahi

We are thrilled to announce that, through support from a Ministry of Education Urgent Response Fund, we have appointed Ra-ana Gardner to a fixed-term position as a whanau support worker for our school community, until the end of term two. Ra-ana will work with whanau to support our young people to engage in education. If you would like Ra-ana to work with your whanau please make contact with her via email (ra-ana@tokohigh.school.nz) or ring the school office to leave a message for her (03-417 8620)

Healthy School Lunches

We are currently looking into the options for suppliers for this programme. All students in Milton schools will be provided with a free lunch every school day. This will begin at the start of term two if not sooner. We will keep you informed.

Opportunity for Fathers and Sons

We have been sent information about a Pathways to Manhood course. *Pathways to Manhood offers a 4 day programme for 13 –15 year old boys accompanied by their father or mentor. Navigating the transition from boyhood to manhood can become a powerful one for your son when learning from his father or mentor and other good men in an intentional environment. If you wish to attend and have financial obstacles, please contact Pathways to Manhood to see if you are eligible for a subsidy. Also, if you would like to help fund someone in your school community to attend, please contact us to donate, and we will tag the funds for a student from your school.*

For more information check out www.pathwaystomanhood.net

Our focus this year is on Community – building a strong community within our school and strengthening our connections to our wider community. We are looking forward to a great year.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

Tuesday Touch

It was a great first week of touch for both Tokomairiro teams as the Senior and Junior teams displayed their skill. Both teams not only played well but showed great integrity towards the game and their opposition.

The Senior A's played Bayfield High School in a game which was highly competitive in the first half. However, the Tokomairiro Seniors were able to come away with some great tries in the second half. The end result was 6 - 3 win to us.

The Juniors had a friendly match against St Hilda's Blue. The Juniors showcased their speed and skill as they ran away with a 4 - 0 win against their opposition. All players played well and displayed fair play towards their opponents which was great to see.

Right: Murphy Lister gets ready to receive the ball from Sarah Edwards in the Junior game against St Hilda's Blue.

Left: The Toko Junior team supports Nic Healey (no12) in their game against St Hilda's Blue.

Toko Sports Report

Last week saw all our Touch teams win their games which was a great start to the term and helps to give our teams a bit of confidence from the outset.

This week is Walk'n'Wheel Week, so keep your eyes open for students on the move - biking, scooting or walking to and from school. This is a great promotion to encourage our students to get themselves moving and a reminder that exercise is fun!

Coming up in March is the SSIS Touch Tournament in Christchurch and we have a team gearing themselves up for some great competition while they are away!

Bible Reading for Today
But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. - Galatians 5:22-23

Year 9 PE

The Year 9 PE class is looking at skills for sports. This week they were focusing on Handball, looking at throwing and goal techniques.

Left: Sophie Lyon prepares to throw to the goal, defended by Bethany Bransgrove.

Above: Cambell Savage defends his goal from Callum Attwell.

Senior Product Design

Mr Steven's Senior Product Design class, are currently looking at drawing graphics - and how to incorporate the human hand into their images. Using a worksheet, they create different hand positions, then use these on the images of the products they have drawn.

Ben Lister and Ryan Clark (left), and Lachie MacDonald (below), perfecting their hand drawings ready to add into their product images.

RSA News From the Trenches

We have just had an absolutely magnificent day on Saturday with our fishing competition where we raised \$3,500 to be shared between local Search & Rescue and a camera to be set up to monitor sea conditions over the Taieri Mouth bar.

Winners of the different categories are as follows:

Blue Cod	J Keach
Jock Stewart	E Jenkins
Groper	M McKay
Tarakihi	G Good
Perch	R McDonald

Junior

Trout	Moss Cookson
Perch	Cooper Rhodes
Eel	Moss Cookson

Chris Rhodes won the coveted "Keith Bain Trophy" for best trout. Craig Irvine won the Bruce McLean trophy for RSA Member of Blue Cod. Geoff Thomas was the winner of the ticket draw - so plenty of winners all around.

Unfortunately, there were a couple of mishaps, with a succession of boats running aground with Bruce Good, Mick McKay and Jimmy Murdoch all claiming they need channel markers. Gavin Good in his exuberance to get fishing, unfortunately forgot to put his bung in the boat, which could have proven disastrous. Jimmy Murdoch was also in a hurry to get fishing and realised wearing his life jacket backwards wasn't worthwhile - he soon corrected that. George Henderson even had time to rescue another boat, so well done.

Everyone seemed to enjoy themselves as it was deemed another hugely successful event.

However to finish on a sad note, we'd like to acknowledge the passing of "Cookie" over the last few days. RIP.

Private Pike

Milton Senior Citizens Club

Senior Citizens held their meeting on 26th February with fifteen members attending. We sang Happy Birthday to those who shared birthdays in February, accompanied by the piano. Our guest played many favourite tunes which we really enjoyed singing along to, and a fruit hamper was given in appreciation. Next Senior Citizen's meeting will be held on Friday 12th March at 1:30pm - everyone welcome.

Toko Gym Report

Exercise is good for you both mentally and physically. Call in and see us to inquire about joining up at the Toko Gym. The gym is great as we have a good range of both cardio and strength equipment. Would you like to lose weight? Boost your energy? Sleep better? Manage a chronic condition? For most healthy adults, it is recommended at least 150 minutes of moderate aerobic activity or 75 minutes of vigorous aerobic activity a week, or a combination of moderate and vigorous activity. Greater amounts of exercise will provide even greater benefit. Aim to incorporate strength training exercises of all the major muscle groups into your fitness routine at least two times a week. If it's hard to find time for exercise, make a plan - schedule workouts as you would any other important activity. Exercise with a friend and keep each other motivated. 24 hour access at the gym makes it easier to fit into your daily routine. Keep Moving continues to run on a Tuesday and Thursday at 2.30 pm. The exercises are for people in the 65+ age group and involve simple strength and balance exercises which are very beneficial. The cost is \$3 and the class is fully supervised by gym staff. See you at the gym.

Ashlea Grove Rest Home

During the last couple of months, the residents have enjoyed going on different van outings and visiting Milton Elder Care. They have also enjoyed playing housie, floor games, doing crafts, cooking, gardening, feeding the birds, listening to the newspaper being read, singalongs with entertainers, watching DVDs and a skit that two carers put on, not to forget Happy Hour! We have also had a few residents that have passed away, so our condolences to their families.
