Introducing New Staff for 2022

We would like to introduce three of the new staff for 2022.

Mr Bill McClure (Assistant Principal)

Kia ora! Ko Bill McClure tōku ingoa. I was born and raised in Ontario Canada, and moved to Edgecumbe in 1997. My wife Kim and I spent the next 25 years in the Eastern Bay of Plenty, raising Ben (21) and Emily (18) while I taught History and English at Edgecumbe College.

In 2022 I am thrilled and honored to be Tokomairiro High School's Assistant Principal, and I am really looking forward to teaching some Social Studies and History as well.

I am really loving Milton so far, and I can't wait to explore its surroundings, get to know its community and become an active part of it as the year rolls on, and capitalise on all of the opportunities the region has to offer. I believe that the whakataukī "Whāia te mātauranga hei oranga mō koutou" (Seek after learning for the sake of your wellbeing) has a lot to tell us all (not just students!) about the role that education has in taking care of ourselves, and I look forward to learning heaps in my new home, and supporting others to do so as well!

Mrs Josie Abbott

Hi, My name is Josie Abbott and I live in Waldronville, Dunedin. I have previously taught at Queen's High School, but this year I am the Head of Department (Physical Education and Outdoor Education). I am looking forward to getting to know the students and being involved in some awesome trips and house activities.

Mrs Susan Mickey

I was born and grew up in Zimbabwe and have lived in Australia and UK before moving to NZ.

This year I am teaching Chemistry and science at Tokomairiro High School. I am looking forward to meeting and getting to know everyone

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa,

Welcome to the first week of a new term and a new year. We are excited to be receiving students in our classes. This will hopefully be an uninterrupted year and we can maintain a constant focus on what is important which is teaching and learning.

Why is time in school so precious?

For our seniors (Year 11-13) this is obvious, what they will do during these three years will determine what they do in the following fifty years. They will develop a range of skills and experiences that will give them a raft of opportunities in which to apply them. The Juniors (Year 7-10) will be developing the skills and knowledge in order to access the curriculum when they reach the senior school and this is a very important stage for them.

Why do school stress about attendance?

If a student attends school every day and is punctual to every lesson we get to see them for 11% of the year. Which leaves 89% for other activities. This is not a lot in the big picture and is why we stress about attendance and why everyday and every period is precious.

Ministry of Education Mandate

A distraction from this focus is the new ministry mandate regarding masks in schools, there are lots of views and opinions upon this and some parents have taken the opportunity to contact me regarding their concerns.

We will be managing any risk as best we can to keep students, staff and our community safe. Particularly any of these who are vulnerable.

The Ministry of Education are keeping us well informed and we will keep you apprised of any changes.

Rest assured we will continue our focus on Teaching and learning for students as this fluid situation changes.

Bill Clinton once said "The more you learn, the more you earn"

Nga mihi,
Declan Sheridan
Principal

The Human Papillomavirus (HPV) vaccination programme will be offered to all Year 8 students at school this year.

During early-mid February, the Public Health Nurses associated with each school will be doing education around the vaccinations to the Year 8 students. The students will be given a consent form to take home to their parents/caregivers.

If you do not wish for your child to partake in the education please contact the school.

Please read the consent form carefully, fill it out in pen and return it to school ASAP, even if you do not consent for your child to be vaccinated at school.

No student will be vaccinated without their parent/caregiver's consent.

The HPV vaccination is also available free of charge through your practice nurse or doctor up to their 26th birthday. Delaying the vaccine may mean your child needs more injections to be protected, as people aged 15 years and older need three injections.

For any further information please phone the Public Health Nurse for your school, or look up www.health.govt.nz/hpv

We carry out swabbing and will support patients at home who are a positive case.

Peer Support

On last Friday the 28th, twelve of our fantastic Year 13 students came into school to start their Year 13 leadership journey.

After some quick admin the group was left alone to work together on what they thought being a leader meant. They quickly came up with wanting to create a positive environment for all, to be a positive influence, to be able to speak up and spread ideas with no judgment and the list went on.

After this we all headed outside to do some peer support training. Peer support is all about our Year 13's leading and mentoring our new Year 7 students. After some energizing activities and reflection the group headed to the food tech room. Now the group split off into their house group and made some kai. Pizza's and ice-cream sundaes are always a hit.

It was awesome to see this group at school early and ready to make a difference in 2022. Keep an eye out for all of these students' progress over the year.

Project Bruce InterGroup Network

Our first InterGroup Network meeting for 2022 was held last Thursday with ten people gathering to kick off the year. We were joined by representatives from the Clutha District Council, the leadership team from Tokomairiro High School, Clutha Budget Advice, our pro-active Genesis Editor and MP for Taieri, Ingrid Leary. We discussed the year ahead and which projects we could collaborate on. It was another excellent meeting with good connections formed and visions shared. The InterGroup Network gathering takes place on the last Thursday of the month, 5.30pm at the Hub complete with drinks and nibbles. Any group, club or organisation is welcome to send along members, and it's okay if it's not always the same person – keeps time commitments to a minimum for our busy locals!

RSA News From the Trenches

With the warmer weather a visit to the Milton Bruce RSA for a thirst quenching cold brew and witty banter is a must.

Last week both the Members Only Draw and the Joker Draw jackpotted. This Thirsty Thursday could be your turn troops so come on down to headquarters.

Masks are essential in the courtesy coach as is presentation of your My Vaccine Pass upon entry to the RSA and signing in via the NZ Covid Tracer app or write your name where indicated.

The Rugby Pics competition begins on 18th February so add your name to the list and join in the comradarie.

The RSA Fishing Competition is being held on 26th February with adults and kids both being able to compete for a variety of prizes, entry forms are available from the bar staff.

The much anticipated annual Spud Dig Day is being held on 19th March so keep your plant watered and well fed until then troops, may the best green fingered member win.

Larger size RSA polo shirts are now available to purchase for \$35 in black, maroon, navy or green - these make great gifts and Valentine's Day is coming up.

Sorry troops my wireless has been on the fritz however it's fixed now so I'll try again to listen out for a date of the next Claybird Shot and report back.

Ok troops, enjoy a week of tactical discussions and laughter with family and friends. Stay safe and remember to make sensible decisions,

Milton Senior Citizens Report

The Senior Citizens meeting on 28th January, was opened at 1:30pm by our President Olive, and everyone was welcomed.

Birthdays were celebrated with congratulations and a blessing, then of course, we sang Happy Birthday too! This was followed by Maureen calling the raffle numbers, and Moira Hastie won a tray of fruit.

An enjoyable game of Housie was played by all, then afternoon tea was served with lots of chatter and a lovely cuppa and bisuits.

Next meeting is 11th February at 2:30pm for a *pea, pie and pud* lunch with a game of beetles to follow.

Everyone welcome.

Toko Gym Report

Make 2022 a year of good health and wellbeing!! Because we are a community gym, our prices are affordable.

Exercise is good for you both mentally and physically. Call in and see us to inquire about joining up at Toko Gym. We are located at the back of the High School gymnasium and during the week you can join up between 8 am and 4.15 pm, or email tokogym@gmail.com. The gym is great as we have a good range of both cardio and strength equipment.

Would you like to lose weight? Boost your energy? Sleep better? Manage a chronic condition?

For most healthy adults, the Department of Health and Human Services recommends at least 150 minutes of moderate aerobic activity or 75 minutes of vigorous aerobic activity a week, or a combination of moderate and vigorous activity. Greater amounts of exercise will provide even greater benefit. Aim to incorporate strength training exercises of all the major muscle groups into your fitness routine at least two times a week.

If it's hard to find time for exercise, make a plan - schedule workouts as you would any other important activity. Exercise with a friend and keep each other motivated. 24 hour access at the gym makes it easier to fit into your daily routine.

Keep Moving continues to run on a Tuesday and Thursday at 2.30 pm. The exercises are for people in the 65+ age group and involve simple strength and balance exercises which are very beneficial. The cost is \$3 and the class is fully supervised by gym staff.

See you at the gym.

Milton Sub Association Summer Indoor Bowls

It may have been a cooler evening but it didn't deter attendance at the summer indoor bowls. There was a good crowd and loads of noise.

No team had three wins, two teams had two wins and after counting back on aggregate scores Shona Preddy, Vicky Galbraith and Donna Pettit were the winners with 19 and the runners up were Russell Copland, Alwyn Read, Eunice Benington and Greta Jenkins with 17 points.

Alex Benington and Stephen Souness both had one win each but again on a close count back Alex, Pam Wells and Barbara Read were third with 16 and Stephen, Melva Heads, Patrick Moody and Raymond Perry had 15.

Come along on Wednesday at 7.30 to the Milton Country Club and you can be sure you will be welcomed with open arms. See you there.
