Life Memberships Awarded

The recently held Tokomairi Historical Society Annual Meeting was a very special one this year as Life Membership was awarded to two very worthy recipients.

Mrs Ngaire McGrouther

Chairman of the Bruce Museum Trust, Kevin Wightman had much pleasure in presenting Mrs Nancie Allison with a certificate and flowers on behalf of the Society, and Mrs Ngaire McGrouther, who was unable to attend the evening was accorded the same recognition receiving her certificate and flowers at her home the following day.

On looking back through the early minute books it was discovered these dedicated ladies joined in the year 1977 and have continued through the years holding positions of responsibility. Nancie was elected Treasurer at her first meeting attendance. Ngaire was to later take on this position only retiring from this in 2021. Nancie has been the President for many years and is also on the Bruce Museum Trust looking after all that needs attending to, ensuring the smooth running of the Museum, preserving the history and collections for us all. Congratulations ladies on behalf of us all.

Another addition to our history was given by Alan Duthie who has written a book outlining the early years of Alexander Duthie and Jane Martin. Alan has been working on this for many years and was very pleased to present the Museum with a copy. The family have a reunion planned for next year.

Mrs Nancie Allison

Junior 'Have a Go' Week

This week, Year 9 and 10 students from across Otago have the opportunity to try out a variety of different sports. On Monday, our students played Dodgeball at the old Inflatable World, and Pentanque at the Dunedin Pentanque Club.

Petanque:

We had nine students go to Dunedin Petanque Club and compete against schools across Otago. This was an amazing day out which started with a bit of training then a game of naughts and crosses to improve accuracy skills.

After this they went into a six game melee. A melee is a competition in which players enter as individuals and are put together into teams of two or three by means of a random draw for each game. This got everyone mixing and mingling and several new friendships were struck up.

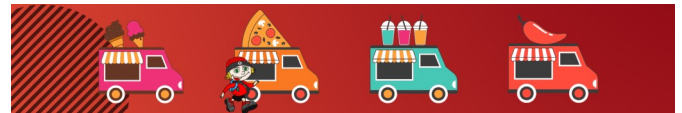

Scores were recorded over the games and the players were ranked from highest to lowest. Toko had an outstanding result with George Stark (1st) and Prada Hughes (2nd).

Family Fun at Food Truck Night

This Friday 25th November, Tokoiti School are hosting a variety of food trucks for a night of family fun!

We have *Mama's Donuts*, loaded baked potatoes from *One Potato, Two Potato*, Ray's fry bread, candy floss, sausages, steak sandwiches and hot chips from the Lions Club, *2 Birds Baking*, smoothies and coffee from *The Shot* and the school will be selling nachos, drinks and ice blocks. There will also be raffles, music, face painting and entertainment for the kids. Entry is a gold coin donation, see you there!

2022 School Magazine

Orders and payments are now being taken for the 2022 Magazine. The magazine will be available for collection in the last week of the school year and will cost \$20.

Payments are due when ordering and can be made to Tokomairi High School, account number 03 1736 0009803 000 - please remember to use MAGAZINE as your reference. (Payments may be made in instalments).

*There are copies of the 2021 Magazine still available for \$15.

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

The end of the term approaches and we have kicked into the final programme for our junior students. They have been undergoing lots of testing last week to determine our baseline in maths along with their reading and writing skills. We are using a Ministry programme called e-asTTle which stands for Assessment Tools for Teaching and Learning. This is a national test and unfortunately, we hit a busy time when conducting some of our maths tests. Demand across the country meant that the system overloaded and shut down. Consequently, students and staff had to revert to good old-fashioned pencil and paper creating extra work for both staff and students as their work was lost online. So, a big impressive thank you to those affected, you displayed great resilience and coped with this very well. An example of our staff and students living up to our school values of respect responsibility and excellence, well done.

We now move into more enjoyable aspect toward the end of the term as students have select passion projects and get the opportunity to enjoy some new activities that they may never have tried before or old favourites they want to do again. We also have several students heading to Dunedin to try some new sports. Swimming is a regular item on the curriculum and students are learning valuable survival skills during these activities. We also have a leadership camp happening for our senior students in order to prepare them for their roles as sen-

ior student leaders in the school.

There is still more happening, we welcome our prospective year 7 students on Monday 21st as they experience an orientation day. This involves them visiting our school and experience what it is like to be a high school student. The biggest change they will notice is having regular changes of subject along with different teachers and possibly being in a different room. A lot to take in during their short visit. We are also preparing for our combined prize giving assembly at the end of the year. Teachers are collating results from a years work to decide who the top student in each subject or class will be so prizes can be awarded. We hope you can join us on December 8th at 7pm for this celebration of all the hard work that has happened in this difficult year.

Nga mihi.

Year 10 Students to Visit Otago Polytechnic

Tokomairiro High School Year 10 students will attend Otago Polytechnic for one day on **Monday 28th November**, leaving school at **8am**. If any students have problems getting to school at that time, please contact Careers Teacher, Gill Ferguson. All Year 10 students should have an orange letter of explanation, to be signed by parent/caregiver. If your student has not given you one, please ask, or enquire at school.

This visit is part of the school curriculum but also an interesting day, entitled 'Camp Inspire.' The students will engage in hands-on learning using Otago Polytechnic resources and facilities – and be provided with lunch. This is an excellent way for students to inspire their future. Well done to those students who have already completed and returned their signed permission slips.

Lake to Sea Trail Bike Ride

Bible Reading for the Week

'I will give thanks to the Lord because of his righteousness; I will sing the praises of the name of the Lord Most High.' - Psalm 7:17

The 19th Lake to Sea Trail Bike Ride was held on 31st October - a fundraiser for the Tokomairiro High School PTA. 667 riders of all ages and abilities from all over the South Island poured into the base car park with a lot being new to the ride, and the regulars who return year after year. Thank you to all the riders that supported our event.

There were some changes to the trail this year and as always, our expert course designer Brian Griffin had mapped out an exciting ride through the forest, farmland and along the coast. The Tokomairiro High School PTA is indebted to Griff for all the weekends he has given up to work on the course along with his helpers Owen Frew and Luke and Ben Griffin. And also Laureen, Kerry and Mel for understanding the commitment that your men put into this ride every year and letting them spend every spare minute they have on it. This Trail Bike Ride would definitely not happen without them, and we are extremely grateful for each and everyone of them.

The Trail Ride raises a lot of funds and we make sure it all goes back to the students at Tokomairiro High School. Every year the committee has a huge amount of thanks and gratitude to the volunteers, some of whom have been with Griff right from the very start and still continue to support and contribute towards it which is what makes this fundraiser such a successful event. We would like to personally thank:

McIver and Veitch - Our major sponsors and support us each year

Calder Stewart Industries - For the use of the forestry and land where the base is

City Forests - For the use of their forestry

Wenita Forest Products - again for the use of their forestry

CRS Communications - for enabling all our marshals to have radios

Landowners - their cooperation and goodwill was outstanding again - Errol and Cameron Clark, Peter and Kathy Grant, Allan Shaw, Beatrice Lasserre, Tony and Sue McDonnell, Alice Lee, Chris and Wanda Maybee, Ken and Nicky Smith, Pat and Paula Scanlan, Mike and Pip Jones, Lynn and Keith Mitchell, Scott Keenan and Peter O'Connell

Course Leaders - for leading, helping riders, encouraging riders and sweeping the track - Luke Griffin, Ben Griffin, Shane McDonald, Geoff Finch, Owen Frew, Ross Flett, Chris Maybee

Scrutineers - Gil Campbell, John Taal, Geoff Finch

Fuel carriers - Pat Scanlan, Laurie Ferguson, Alister Lister, Shaun Scott and Hugh Howat

Marshals - for a fantastic job keeping everyone on the right track - Misty George, Jaden Carr, David Allison, Jason Greer, Tess Smaill, Doug Giles, Robert Hand, Kevin Giles, Craig Maaka, Marty Clarke, Doug Osbourne, Lynn Mitchell, Jo Milburn, Dennis Hayes, Bruce Volweiller, Laureen Buchanan, Hayden Foster, Cody Brady, Karen Mathieson, Les Kirby, Roger Weatherall, Jeremy George, Paul and Andrea Masteron, Ross Pringle, Tina Cameron, David Smith, Megan O'Donnell and Marua Kutu

Teachers - for their help at Registrations and Marshalling - Kris Simpson, Clare Healey, Justine Pierre, Gill Ferguson, Anthony Sewell, David Yilma, Vicki Wish, Josie Abbott, Carol Bungard, Declan Sheridan, Mary Hart, Trish Eames, Carol Bungard, Lynda Sheridan, Bill McClure, John Nicolson

St John Ambulance - Julie Atiken and her volunteer team for your time and helping with any accidents, as well as the St John team from Dunedin

Milton Lions Club for car parking and traffic control and base BBQ

Alvin Stephen - for collecting all the dead bikes and returning them to base

Mike Moeahu - for the use of the tents at base

The Lunch and Tea Helpers - a feature of our trail bike ride is the wonderful food, it is a huge task of providing lunch and tea for all the participants - Kim MacDonald, Darrien Murray, Kerri Clarke, Dee Foster, Carolyn Shanks, Jenna Griffin, Kaydence Nove, Nadine Lister, Rebecca Mallon, Lyn Clark, Erica Milligan

Craig Maaka and his team from Calder Stewart - for putting up the tents and organising the radios

Clean Up Crew/ Sweepers - Robert Hand, Alister Lister, Hugh Howat, Ross Flett (Fence Wrecker), Chris Maybee, Luke Griffin, Owen Frew, Ben Griffin and Griff

Ross and Kim MacDonald - for supplying and transporting the BBQ to our lunch spot

Clare Howat - for driving our School van to pick up riders whose bikes died

Mel Coulter, Liana Kerr and Nadia Lloyd - for lending us time out of your busy new mums schedule to help us out at registrations

Alan Roberston - for helping load the trailer and getting all our signs and equipment sorted.

Ian Bungard - for delivering all the equipment, BBQ and signs to our sites.

And all the Businesses that supported the event - **Milton Supervalu, Tiny's Butchery, Tokomairiro Four Square, JD Souness, Manawa Energy, Toko Trailers, Stihl Shop Milton, Clutha Licensing Trust, Fulton Hogan, Gravity Events, Dakins Portaloo's & Waste Solutions, Sumpter Moore**

I would also like to personally thank Tracy Greer, my treasurer on the PTA for all the hours of work that she has put into this as well, as I would not have been able to do any of this without her help and support.

- Tracy Coulter, President PTA

* **One last note from Griff - He is not finished yet so bring on 2023!**

Year 6 Students Visit

On Monday, students from St Mary's School, Milton Primary School, Tokoit School visited Tokomairiro High School as part of their transition to high school.

They had the opportunity to meet students from the other schools and experience a few activities around the school including science, food tech, homeroom and art.

They enjoyed meeting up with current Year 7 students who were showing them around.

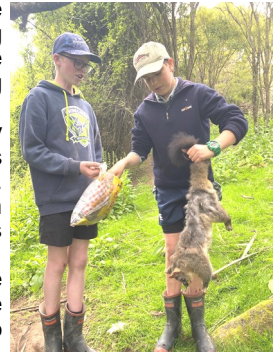

Just Off Hunting and Fishing...

Last week, ten students from the Year 9 and 10 Hunting and Fishing class put their theory into practice on a day-long hunting and fishing trip.

First stop was Waihola where they humanely dealt with five possums caught in traps then plucked them. Then they honed their skills with some target shooting which was very competitive!

From there, they went to Lake Waihola to fish. Unfortunately there were no fish to be caught there, so after lunch they headed over the hill to Taieri Mouth. They fished under the bridge there but again the fish were elusive and they came home empty handed.

Nonetheless a great day out with a great crew!

The Transition to High School

During their years of schooling students make a number of transitions within and between schools. The transition from early childhood to primary school involves noticeable changes in curriculum content as well as a shift towards more structured learning practices. The transition from primary school to secondary school involves further changes in curriculum and the structure of learning.

This transition from primary school to secondary school is made more complex because students undergo significant cognitive, social and emotional changes at this stage of their development. It is a time of significant growth and change for young people: their personalities and characters develop along with more formal operational thinking skills, which allows them to engage in social environments in new ways.

The strongest finding across multiple studies is the importance of parents' educational aspirations for their children. Parents' high academic aspirations are strongly associated with academic achievement for primary and secondary education.

You can help your child by:

- Being open and clear with students about the fact that their social relationships and friendship groups may change.
- Communicating to students about how to access the forms of support available at secondary school
- Encouraging students to take advantage of the new opportunities, friends, cultural activities and learning they will encounter
- Actively fostering their students' sense of resilience, their ability to cope with challenges, their independence and their interpersonal skills such as active listening and co-operation.

RSA News From the Trenches

Well, last weekend brought a conclusion to the 2022 All Black season with a disappointing draw to England. I thought that score of 25-all would have put a cat amongst Paddy (so to speak) to determine the winner of the of our biggest ever All Black Pick the Scores sweepstake. However there was one magic winner who actually told me the exact score on Thursday night and was that confident, this was his only entry - well done Marty Glassford who picked the score. Spare a thought for Ashley Manson who had a score of 25-24 and was already spending his supposed large winning pot, thinking no one would have been that lucky. Alas there was!!!!

Also struck last Thursday was membership draw by Donna Williams who also scooped the bar tab the same night as well so a double winner. I've lost count of the number of winners who have benefitted from being a member of RSA - as a note if you join up from now until Xmas, the sub will cover all of 2023 as well.

Keep an eye out for later on, as we confirm the date for our Fishing Comp for 2023 which will hopefully be in late February. Stay tuned for further details. Also letting you know we have for sale some Polar Fleece Shirts (\$85 each). These have been selling like hot cakes, although I'm a bit concerned at the number of red and black varieties. We also have some sexy Polo Shirts for \$35 each that are very popular as well. We have some potatoes left for our Spud Dig, so you better be quick as other magicians have a month head start on you, if you haven't entered.

Finally as a caring community service we have a reminder in regard to a couple of health issues to be wary of. Last Thursday we had a very unpopular member of our club having a medical event choking on a chip. It became touch and go for a period of time and CPR was almost administered, there was an extensive queue lining up to offer various forms of assistance. Thankfully the member made a full recovery. Also Sgt Lacey has now been made aware of a possible new Covid vaccine, that still has to undertake trial testing before being made public. At this stage the vaccine remains in its uniquely shaped container. Stay tuned, and see you at the RSA.

Milton Country Club News

We are the champions! Yes - our snooker playing men and women are the holders of not only the Bob Thompson Trophy for 2022 but also the overall points trophy. This South Otago event is held over several months where seven teams from around our district compete for the title. Our team was outstanding this year so well done to you all. If you want to become part of what is a great game then come on down to the club on Wednesday at 6.30pm, are most welcome to join us.

There are still spuds available for the Spud Dig so get yours now. Digging day April 1st.

Our Christmas party will be held this year on Friday 16th December. We will again be having our 12 days of Christmas giveaways where you can win vouchers from local businesses and lots of other goodies, so mark it on the calendar. We had a great night last year so we look forward to seeing you all again for this year's fun.

Don't forget our lounge bar is available for the whole community to use so please ring the club for details or check out the website if you or your group are interested in using this great facility.

We will once again be running the sports pics early next year. If you are interested in entering then we will be taking names from the start of December so get your names in for this one. Looking forward to seeing what tricky picks the team can come up with this season.

Until next time,

See you at the Club....
