SUCCESS PROFILES

THS students who earned exceptional results in 2022

EZEKIEL SCURR

National Certificate of Educational Achievement Level 1 Endorsed with Merit
Level 1 English Endorsed with Merit

1 WHO OR WHAT MOTIVATES YOU TO SUCCEED?

My family is my biggest motivation to succeed in school but having supportive people around me helps me to push further and to not give up.

2 WHAT ARE YOUR FUTURE PLANS / CAREER GOALS?

To pursue Agricultural Studies at the Southern Institute of Technology's Telford Campus. That will give me a head start on my career goal of farming.

3 WHAT TIPS WOULD YOU GIVE TO A STUDENT WHO WANTS TO SUCCEED LIKE YOU HAVE?

Surround yourself with supportive and motivating people. Believe in your success and don't quit. Keep a plan of work that needs finishing and stay ahead of your deadlines!

4 WHAT DO YOU WANT TO ACCOMPLISH ACADEMICALLY IN 2023?

NCEA Level 2 Endorsed with Excellence.

5 WHAT HAS BEEN THE GREATEST CHALLENGE YOU'VE HAD TO OVERCOME TO EARN YOUR SUCCESS?

Procrastination. I thought that I had enough time to leave everything to last minute but when it came to handing in work, I would be stressed and overwhelmed because I haven't finished on time. I've learned to manage my time better now.

Whakaute, Haepapa, Hiranga | Respect, Responsibility, Excellence

Donation Makes Trips Easier

Milton Elder Care Trust would like to thank Milton Rotary Club for financing an electric step for our van. This van is used for transporting our clients twice a week to our rooms and on trips out of town. This step makes it much safer and easier for the clients to get in and out of the van. Again, 'Thank You Rotary!'. Anyone that would like to join our group as a client or volunteer please call 021 0866 6054.

Milton Elder CARE Trust Chairperson Colleen Mackie, shows Rotary President Ross Pringle how easy the step is to use.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Short Writing

Rain at last.

Dark and gloomy. Wind.
Oh how the weather has turned.
Drip... Drip... Drip...

One Morning

"Stop it!"
Ollie tore off down the hallway, Stan in pursuit. It wasn't always that way around. Probably, they would sort themselves out soon.
Quiet.
Jem walked down the hallway to investigate.
They were lying next to each other. Stan held Ollie's head in his paws and was licking it vigorously.
Ollie wasn't resisting; he was enjoying it.

RSA News from the Trenches

Firstly, on a sad note, I'd like to acknowledge the passing of Bill Forde who sadly passed away late last week. Bill was one of the well known characters of the Milton RSA and his cheeky nature will be sadly missed. Thoughts and condolences to family and friends of Bill.

Coming up rapidly is ANZAC Day next Tuesday with preparations in full speed, in order to be ready. There will be ceremonies at Fairfax Cemetery at 7:30am, Lovells Flat at 9am along with the main service commencing at the Milton Cenotaph at 11am. The crosses were put out last Saturday to commemorate those who gave the ultimate sacrifice for their country. Here's hoping for some fine weather, as the community has shown great support in previous years. If your community group is planning on marching, or laying a wreath, can you contact the RSA to ensure your group is included. "Lest we Forget". Our clay bird club will again be collecting old batteries in August, so start stockpiling, and also later this year during the Rugby World Cup, we're planning on having a cooked breakfast during some All Blacks games which may kick off approx 7am, so if you would like to see that, let the RSA know to gauge interest.

Its been announced that our Bacon and Egg pie comp will be making a welcome return to the social calender, later on in the year too, so you have time to perfect those winning recipes. Speaking of winning, our Joker draw has not been struck yet, and the amount to be won is getting to an eye watering amount. So make sure, you are there on Thursday night and entered before its drawn at 7pm.

Toko Rugby Report

On Saturday at Milton, Toko Premiers looked to get their campaign back on track when they took on Valley Toko produced a sublime 40 mins of complete team rugby with a combination of brute forward power and slick backline moves to go out to an incredible 40-5 halftime lead. The second half was a complete turnaround with Valley showing plenty of resolution to slow down the Toko juggernaut. Toko were unable to play with any consistency and fluidity in the second half. The final score was 47-31 to Toko. This was in front of the largest crowd, seen at Milton for a considerable time. For Toko, standouts were the bruise brothers in the front row with both Kieran's prominent, Calteaux especially turned back time with a blockbusting 40m run to score a try. Jacky Scott ran strongly and kicked beautifully some sideline conversions. Also on Saturday the Toko Seniors took on West Taieri. Unfortunately not through lack of effort, they couldn't quite get over the victory and unfortunately went down 42-12. This team had good numbers this week, so signs are looking hopeful, this team can continue to front up and become an important cog in Toko Rugby.

Also kicking off this week, are the Toko junior teams with lots of keen superstars chomping at the bit to get stuck in. Come up to Toko grounds every Saturday morning to watch the next generation strut their skills.

For those who want to become a social member, \$20 (single) and \$30 (Double), join up and play an important part in the ongoing success of the club. The bank account number is 06-0936-0068061-00. Jump on board!

Next Saturday is a massive game, we travel to Kaitangata to play Crescent for the highly sought after Eddie Scott Trophy. So lets get a huge crowd of supporters there to cheer the boys on. - *The Judge*
