

Kepler Track

Left to right: Holly Griffin, Atiya Fraser, Rose Gibson, Isaac Herbert, Alex Cox-Herring, Conner Phillips, Ben Lister, Ryan Maaka, Sheydon Brown Reynolds
 Kneeling: Angus Lloyd

From the 29 February to 3 March ten year 11 and 12 students went down to Te Anau with Miss Cowie to walk the Kepler track. The 60km tramp wasn't just physically challenging but mentally challenging and it pushed each and every one to their limits. We got to see some amazing views and scenery from being up in the mountains, to seeing the Fiordland bush life. One highlight for all of us was the last night at the last hut. We'd walked about 16km that day and were very hot and tired luckily, we had Lake Manapouri right in front of us and we all took the opportunity for a swim and a cool down. At the end of the tramp I'm very sure we were all very proud of ourselves and our effort of accomplishing the 60km. Big thanks to Miss Cowie for organising and Mark Burns for coming along and helping us.

SCHOOL MISSION: Working together to inspire excellence in education, in character and in life.

Tena koutou katoa

We are now into week 8 of the term. It has been a very busy term with plenty more still to come. Senior students have now completed a number of assessments and started their journey towards their NCEA qualification.

Attendance

Attendance continues to be monitored carefully and we are following up with parents when we have a concern about the attendance of your young one. Our average attendance is currently over 90%, which is our target for the year. That is a great start to the year.

Foundation for the Blind Puppy Street Appeal

Thank you to those students who gave their time to raising money for the appeal on Friday – community service is something to encourage and be proud of. Thank you to the members of the public for their generosity.

Coronavirus

Latest advice: <https://www.who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public>

As you know, the government has set restrictions regarding travel for people coming into New Zealand, including for New Zealanders. I am sure this has had a huge effect on the travel plans of many people in the community, and will have caused financial hardship for many. Two of our teachers were supposed to be at a training course in Melbourne this week – that programme has been postponed. I was planning on heading

overseas for 6 weeks from mid-April for my sabbatical – that has now been postponed. Of course, our school senior netball team, and six of our boys with SOHS rugby, were supposed to be heading to the Gold Coast during the term break. These trips are at risk of not going ahead.

It is important we all work together to keep New Zealand as safe as we can, including making sure our own personal hygiene is up to scratch. Thoroughly washing our hands regularly is an important part of that. Please look out for your friends and neighbours and make sure they are well.

Weekly Monitoring

There have been some excellent grades coming through over the past few weeks. At the end of week 7 a total of eighty students had an average of 3.9 or 4 (out of 4) for their effort level across their subjects – this is an increase on the previous week. Reid led the way this week with 27 students, followed by Ross with 21 and Malcolm with 16. Ayson moved up to 14 students – good to see this increase.

PTA

Our Parent Teacher Association is meeting on Wednesday 18 March and we would love to have some more parents along to support this group. Meetings are held twice a term (they only last about an hour) where we discuss plans for upcoming activities, funding applications and our major fundraiser for the year (the Trail bike Ride). At present we are looking into projects we can take on to further develop the school environment. We would love to hear your views and have you join us on the committee - 7pm in the school staffroom.

Maori Whanau Wananga

Thursday 19 March 6 – 7pm in the school whare. We would love to have as many parents of Maori students as possible come along.

World Challenge - Opportunity for Students

Here is the link to the Toko Borneo webpage: www.ourworldchallenge.com/9AAER2DK.

Join the Journey! All Year 9-12s this year are invited to Borneo in September-October 2021 holidays. Ten days with your mates and the Orangutans in tropical rainforest, get hands on at the Turtle Hatchery collecting eggs and doing beach conservation drives, try local street food, explore the markets and make new friends on this amazing experience.

Enrolments and deposits need to be completed by **Friday 20 March**.

Strategic Plan

We are currently rewriting the school strategic plan and are looking for parent and community input. The draft version will be available to parent and whanau this week. We would like to hear your thoughts – anything missing, anything to be removed.

Please email me at: thspincipal@tokohigh.school.nz.

Let's make this an awesome year. Let's look out for each other, support each other, make the most of opportunities and involve ourselves in the life of the school through whatever opportunities come our way.

Remember, our doors are always open.

Nga mihi

Glenis Sim

Principal

Milton Area Promotions Sunday Funday

Another successful Sunday Funday, run by Milton Area Promotions, was held on March 1st, at Moore Park. A great crowd of all ages, basked in the sunshine while enjoying all that was on offer.

With free games, activities and rides, there was plenty to keep the younger age groups entertained.

Food and drinks were available at very reasonable prices, and there were free ice blocks for the children.

The Milton Lions Club assisted again with the barbecue, and the chocolate wheel was a big attraction.

Children queued for rides in the fire engine, the police car, and jeep, and the ambulance was open for people to view.

The croquet game was a new addition this year, and the ever popular lolly scramble meant the children went home with pockets full.

This year, to celebrate International Children's Day, Alice Muir joined us, hosting a stand with some great activities and giveaways for the young.

The Funday is held to bring the community together for a fun-filled, low cost family event, and any profit made this year goes toward the Toll House Restoration Project.

Milton Area Promotions members would like to sincerely thank all those who assisted with making this day such a success.

Tender closes 4 pm Tuesday 31st March, 2020
(prior offers considered)

Open Home Sunday at 1.30 pm

Milton Elder Care

This report is overdue from December 2019. In December we had our Christmas break up with Santa and a visit from Corrections staff, with some lovely home baking for all our clients and volunteers. Thank you to the Corrections staff, it was a big surprise to everyone present that day.

In January we had a barbeque at Heather and Ena's home. They have a lovely backyard with a magnificent tree to sit under in the shade, when it's too hot. With good food and company it was a great day, enjoyed by all.

Entertainers visited and housie was played in February. It was a busy month with two trips, one to the beach and afternoon tea at Waihola and our second trip, lunch out at Balclutha and shopping at the Warehouse.

March started with a train trip, an early start and a big day for many of us. The day was hot and the ocean was calm and sparkling as we rolled up the coast on the train. Back at the station after a 2 hour trip, we had lunch at Cobb & Co, thank you to Grant and the staff at Cobb & Co, they were great and very efficient. This week we had a garden party at Colin's home and again all enjoyed the afternoon. We were very lucky with the weather after such an overcast morning. Thank you Colin and all that helped for such a wonderful afternoon.

News From the Trenches

Plenty of action going on this week - it all kicked off with Paddy the Pigeon undertaking night time surveillance in stealth mode to assist Police last Saturday night. Nominations are almost closing off for vacancies on all positions of the Executive Committee which will take place at the 2020 AGM which will be taking place on Tuesday 31st March 7pm.

Unfortunately, due to the Coronavirus, Super Rugby tipping has taken a temporary hiatus for a couple of weeks, hopefully things go back to normal in the near future and we can continue this exciting competition which is looking like being one of the closest competitions in years. I've heard of some underhand skulduggery going on during last week's Spud Dig - allegedly there was a well-developed spud that was residing under 3 tyres, that may have been interfered with and spuds removed by a felon. Once the official diggers arrived, they only discovered 3 tiny spuds... Further investigation is taking place. The weekly Friday Handle/Wine Club is bursting forward with new members and just progressing well each week - so come along between 6pm and 8pm on a Friday to take part.

Rugby

And away we go again for another season of highs and lows as Toko rugby kicks off the 2020 season with a pre-season hit out vs Eastern on Friday night.

According to my spies, this was a typical first up pre-season effort, with lots of helter skelter rugby, plenty of endeavour while Toko Premiers look to build on combinations and patterns of play before their first competition run in 2 weeks. Toko enjoyed the hit out and it was just what the coaches demanded as the boys finally got off the training paddock and finally hit the field in anger.

Toko managed to come away with a 43-36 victory with try scorers, Scott Anderson, Semi Lacabuka, Liam Kingma, Dylan Greer, Jacob Jenkins, Nick Shaw, Kieran Calteaux with Jacky Scott kicking 4 goals.

Unfortunately a rather ugly blot on the game was the injury suffered by Dion Shaw, who was spear tackled and had to leave the field with a severe shoulder injury - at this time we hope Dion is not out for long - why the referee failed to show a red card defies belief - pre-season game or not, strong action was needed.

Next week is for the much sought-after Ken Bloxham Trophy with Toko battling Taieri at Mosgiel so get along to watch the final pre-season game before competition begins on the 28th March!

Also, in full training are all the junior Toko teams who are looking forward to getting stuck in - I think the first hit out is the Lawrence 7s competition in early April. I have enquired with my Toko Junior correspondent, Grandad who is keen to provide reports on all Junior teams this year - so keep an eye out for young talent coming through.

Summer Indoor Bowls

With only 2 weeks left of summer indoor bowls it has become quite close in the points department. Russell is sitting on 14 points while both Alex and Dave are close behind on 13. What will be the difference after 2 more weeks?

Last week there was no team with three wins, Dave Findlay, Eunice Benington and Rachel Fegan came out the winners with 2 wins. On a countback on aggregate score Russell Copland, Alex Benington and Sharlene Renton were runners-up with a win and a draw and 18 while in third place were Alastair Allison, Melva Heads and Chantelle Fegan also with a win and a draw and 16. Stephen Souness and Raymond Perry finished the night with only one win. Don't forget Wednesdays at 7.30 for Indoor Bowls, we'd love to see you.
