New Teaching Staff for 2024

We would like to introduce four of our new teachers and welcome them to Tokomairiro High School.

Miss Emily Currell (HOD Science) *This year I am teaching biology, agriculture and horticulture, and general science. I'm originally from Auckland but have lived down south for 10 years now. My partner and I have a house in Lawrence and my parents live there too. I just spent 6 years working at The Catlins Area School in a variety of different roles. I am looking forward to coming back to the place where I did my teacher training and doing lots of practical science.*

Mr Elijah Smiler *I am teaching science, maths and PE.*

I am the eldest of six kids, I'm from Hamilton and currently living in Dunedin I have just finished my masters degree at the University of Otago and I am looking forward to getting to know the students and helping them to achieve the goals they have set out for themselves.

Mr DelaRey Myburgh *I am teaching English, Literacy, and Art. I live in Dunedin, but my parents live up in Palmerston North. The majority of my family lives in South Africa. I studied at the University of Otago, and I have been placed at King's High School and South Otago during my study. I am looking forward to getting to know everyone and becoming part of the local community.*

Ms Natasha Freeman *I am teaching Homeroom this year. I was born and bred in Dunedin and have studied at Otago University before teaching for a term at Clutha Valley School. I have also been 2IC in a café! I am looking forward to getting to know my students and being part of the Tokomairiro High School community.*

We also welcome Miss Olivia Leonard and look forward to introducing her to our community in the near future.

We welcome back Mrs Carol Bungard as Food Technology teacher.

Please make these teachers welcome in our community—we look forward to having them as part of our school.

Prefect Team for 2024

The 2024 Prefect Team was announced at PrizeGiving last year. Our Head Prefects are Makayla Wills and Wyatt Mallon and the rest of the Prefect team are Tāne Nichol, Elsie Clarke (currently on Spirit of Adventure), Jacob Murray and Murphy Lister. This team has already made a great start to the school year by helping the staff to welcome and settle our new Year 7s into our kura. They are brimming with ideas of how to lead our school and I am very excited to see them put their ideas into action.

Welcome Year 7's

Yesterday staff and our Year 13's welcome our new year 7's to Tokomairiro High School. They had a great first day finding their way around and getting to know each other.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

It was lovely to meet all of our Year Seven students on Monday and it was also great to see our hall full of our students on Tuesday morning to start the new school year. The year seven students that I spoke to on Monday all said that they had a great day and were looking forward to their first year at Tokomairiro High School. I am very optimistic that we are going to continue as we have started and have a fabulous school year this year.

House Captains for 2024

At the end of 2023 students voted for their 2024 House Captains and they were announced on Tuesday morning in assembly. This year our House Captains will be:-

Ayson - Millanian Potae, Daiha Coulter-Lawler, Shannon Tamaiparea and Shilah Milligan.

Malcolm - Marcus Wills, Brendon Greer, George Stark and Tyrese Gemmel

Reid - Tane Nichol, Sophie Clark, Nic Healey and Saffron Healey

Ross- Maddie Clarke, Pippa Greene, Matt Hutton and Sophie Greer

In 2023 Ayson won the house shield and with our Athletics Day being the first big house event of 2024 on the 20th February I am keen to see who will take an early lead in this years' house competition.

Cellphones in School

As I am sure many of you will be aware that the government announced that as of term two student cellphones will be banned in schools. The School Board is currently working through how this will look at our school and we will keep you informed. In the meantime, however, we will continue to students must not have their cellphones out during class time.

First Aid Training

During our Teacher Only Days last week eight members of our staff took advantage of the opportunity to either renew or gain their first aid certificates. They all thoroughly enjoyed their course and this now means that the vast majority of our staff have first aid training.

Bible Reading for the Week

"Taste and see that the Lord is good; blessed is the one who takes refuge in him." - Psalm 34:8

PE Uniform

The PE Uniform is available from NZ Uniforms, I have been in this week and they have plenty of stock.

This year it is expected as part of being ready for class that PE Gear is worn. Those without a change of clothes will automatically drop to a 3 in their class efforts report. If you do not have PE Gear available then a note should be provided along with an alternative appropriate change of clothes.

It is not expected that you purchase the new uniform, the old PE uniform is still able to be used.

For those unable to purchase a PE Uniform tops are available by contacting either Kim McClure, Leanne Burgess or myself.

Wearing PE gear not only allows for a change of clothes after exercise, it also protects the school uniform from getting damaged and ripped.

Cricket Report

Children's opportunity this Saturday with Waihola and Milton Cricket Clubs.

An exciting local derby this Saturday as the Milton King Crabs take on the Waihola Swans at the Milton Cricket Ground at 1:00pm.

Prior to the game is an opportunity for any children from Year 4-8 to come along and get a taste of cricket. The clubs will be running a smash play session along with a game of cricket to finish. This is open to children of any ability, no previous experience required. Just turn up on the day at 11:30 ready to have fun.

In weekend results, a thrilling cricket match saw the Owaka Bandits clinch the South Otago Premier Cricket Challenge Cup and retain the Bungard Cleats and Bert Pringle trophy by defeating the Waihola Swans by 2 runs at Milton. The Bandits, batting first, scored 192/9 in 40 overs, with Gordon Edwards (72) leading their charge. Waihola, in response, started well with openers Dylan Bungard (31) and Shannon Young (51) contributing significantly. However, tight bowling by Jeremy Gray (4-29) helped Owaka secure the win. As Waihola 2 runs short at 190 all out.

Meanwhile, the Kaitangata Kings moved to the top of the table with an 87-run victory over the Milton King Crabs. The Kings posted 206/6, led by Orr Young's (53) half-century. Milton struggled in their chase, managing only 119, with Bradley's effort (40*) standing out. William Casey (4-51) starred with the ball for the Kings.

Get along to the grounds this Saturday for a belter of a game where it's mate against mate. Neighbourly rivalry at its finest! Get ready for an exhilarating matchup between neighbouring teams as friends become foes on the field as Milton take on Waihola. Don't miss this showdown where local pride is on the line from 1:00pm

RSA News from the Trenches...

This report comes directly from the RSA on a Sunday afternoon with plenty of assistance from sub editors.

Yesterday was the Karaka Millions race meeting and i can now announce Milton RSA will be purchasing a horse next year with a view of running in the 2026 Melbourne Cup. This is safe in the knowledge of Horse Whisperer Nick McKay selecting the right horse.

Don't forget our Super Rugby comp is still open for entries with plenty joining up this week. Make sure you have joined up before 23 February which includes Club Rugby and Super Rugby. Also upcoming on 9 March is our Fishing Comp with all proceeds going to the Otago Helicopter Rescue Trust which continues to provide life saving contribution to the community.

Finally it comes to my attention a couple of members have had parking issues. They were in Dunedin on New Year's Eve and parked in a park where they thought closed at 6pm. As they arrived at 5 45 they discovered they had misread it which the park closed at 5pm. After being rescued by a super hero, they proceeded to travel to Dunedin the next day to retrieve vehicle. Unfortunately they left the car keys on the kitchen table.....
