Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora

I hope you had a relaxing and pleasant Labour Weekend. Work continues here to ensure that senior students are ready for their end of year. Exams begin on 6th November which is only two weeks away. Our seniors are preparing for their final assembly which takes place on 3rd November. This is often an emotional event for them as they prepare to leave their secondary education and go on to pastures new. They have invested the last 13 years in schools and are facing that next big step. We trust they will be successful and valuable members of our society.

Some students have already been offered study leave and there is a process for this which involves a meeting with the school to discuss options moving forward. If the meeting has not happened, then the student is required at school.

Upcoming events include a Sport Clutha Y7/8 cricket festival taking place on Wednesday 26th at the Milton Showgrounds. Feel free to come along and give us your support.

The annual trail bike ride also takes place this week on Saturday 28th and we appreciate the support we have received so far. There is always room for a little extra help so if you are available, please get in touch. The funds raised by this event are invested in the students. If you have received a subsidised school camp etc it will be as a result of this event. Therefore we would appreciate your help even for a short time.

What's in your bag?

To add another fun element to the Cross Country/ Fun Run last week, students were encouraged to think outside the square and bring their school gear in something other than a school bag.

These students used a variety of items including a wheel barrow, tool box and chilly bin, and Sports Co-ordinator Leanne Burgess was seen with a cat cage!

Thirty Years of Service

Clutha Budget Advisory Service has been providing budget advice / financial mentoring in the Clutha District, including Milton, since 1993. That's right – it is 30 years since we became an official Charitable Trust.

There have been many changes in the world of personal finances over the years, but as an organisation we have been very fortunate to have had relatively few staffing changes. We have only had two, both very dedicated, Coordinators. For the first 16 years Liz Taylor was the Coordinator as well as a Budget Advisor. Liz led and trained a team of volunteer Budget Advisers and remained on the Board and as a Trustee until she moved to Christchurch in 2018.

Lee-Anne Michelle joined the organisation as a volunteer in 2005, was trained and mentored by Liz, and took over as Coordinator in 2009. For the past 14 years Lee-Anne has worked as a Budget Adviser / Financial Mentor and completed training and professional development in a range of areas. As the role of budget advising became more specialised volunteer budget advisers were replaced by professionally trained Financial Mentors, and Lee-Anne was joined in 2021 by Amy Senada who now also provides Financial Mentoring based in Balclutha and has a special interest in supporting older people with banking and technology solutions in this digital age.

Lee-Anne has recently taken on another role as Practice Manager of Milton Medical Centre three days a week, while continuing with her Clutha Budget Advisory Service role the other two days.

Amy is available on a Monday, Wednesday and Friday. As well as face-to-face appointments some people now like to work with a Financial Mentor solely via email, and this is an option we are happy to accommodate, along with online meetings.

Lee-Anne is available to see clients in Milton by appointment. If you or someone you know is struggling with their personal finances please call or text 0277811041, or email budgetingclutha@gmail.com to make an appointment.

Changing of the Guard at the Hub

Jolz Ratana (left) and Stephanie Daniel (right) ready for their new roles.

Last week saw the dawn of a new age as Arna Smith hung up her boots as Hub Coordinator and moved to a new role with the Clutha District Council.

Arna has been at the Hub for the best part of six years, so it's fair to say there were one or two tears from all of us when she said good-bye. But happily for us, Joeline Ratana was appointed our new Coordinator! Jolz has a wealth of experience, a lifetime of local knowledge and connections and a beautiful warm, calm energy which is the perfect fit for the role. Jolz had been providing maternity cover for Project Bruce, so in a domino effect, Stephanie Daniel has stepped up as Community Development Worker to complete the remainder of the cover.

Stephanie comes from a rich background in administration and is also a wonderful local, so has slipped into the position as CDW with barely a ripple. We are extremely lucky to have such a great team at the Hub and it is as welcoming and helpful as ever. Pop down at any time to have a chat, grab some free-market goodies, enquire about the many services available or to see the Project Bruce Community Development team

News from the Trenches

And that's the last public holiday gone until Christmas, but still there are plenty of things happening at the greatest social venue in Otago bar none.

As a result we are being approached by various group that are raising money for charities. This weekend is no exception with Motorcycle Club RATS (Riders Against Teen Suicide) calling into the RSA this Saturday just after lunchtime to raise awareness for Teen Suicide.

This weekend concludes our very popular World Cup and NPC Tipping Comp with the match for bronze between Argentina and the world's most exciting rugby team England being played on Saturday. Then the Big Dance on Sunday with the World Cup Final between All Blacks and South Africa which kicks off 8am Sunday. We had close to 50 attend the semi final so would plan on at least double that crowd to enjoy a delicious cooked breakfast, so secure your spot. This week also concludes the Pick the Score comp, and if not correctly struck, it's closest takes the jackpot.

This also concludes our tipping comp with finally no more stress during the week with winners announced at a Prize Giving on 11 November.

Antoinette has finally delivered news!!! Colin Calteaux went to the West Coast on a whitebaiting mission, he was successful with 20, (not pounds!), 20 individual whitebait!!! His blushes were spared when he acquired some local whitebait packs at the RSA.

Can Antoinette please reveal their identity as Julie is really struggling to work out who she is. See you at the final on Sunday for Sir Ian Foster!!!!-Private Pike

Christmas-Themed Colouring Competition

If you're based in the Milton area and aged between 12 and 18, we invite you to create a Christmas-themed drawing for this year's kids Christmas colouring competition. You create the outline for others to colour in! The winning drawing from each age group will be copied and used for the kids Christmas colouring competition AND you will win a \$40 gift voucher to one of our fantastic local cafes. The three age groups are: 12-13, 14-15, and 16-18.

Get involved and create something the younger ones can enjoy! Drawings need to be A4 size and black outlines only which are suitable for photocopying. Please attach your age, name and number on a separate sheet of paper (to maintain your privacy) as whatever goes on the A4 sheet will be photocopied if you're our winner. Entries can be dropped into the Tokomairiro Hub before 3.30pm Tuesday the 14th of November 2023. If the Hub is closed, just pop them through the mail slot. It's a small town, odds of getting that gift voucher are pretty good! A massive thank you to PD's Auto Electrical for sponsoring the prizes!
