## ANZAC DAY 2024

## Milton Community, we need to have a talk...

The Clutha District Council Long Term Plan is open for submissions. This process will communicate the feelings of our district to our elected members about how we want the future of our town, and our district to look.

We are an amazing community. We have amazing people who are hardworking, loyal and fiercely patriotic to the area. We have illustrious industry and passionate business people. We have amazing health and social service providers doing critical work in difficult times. We have outstanding teachers and great schools. We have an agricultural sector to be very proud of, with skilled and dedicated producers. We have a body of committed volunteers that would put much larger towns to shame. What we don't have, is a visible environment or infrastructure that reflects our amazingness.

Every day in my job I talk to multiple people who want projects to go ahead. Who want a beautiful main street. Who want a state-of-the-art Library and swimming pool. Who want accommodation for the building wave of cycle tourists. Who want an attractive town centre for people to sit in and admire. A place that physically reflects the incredible resources that we have.

However, Council are hearing from the people who do not feel this way and that is the message they are taking to heart.

Yes, the rates rise. It's not just Clutha. It's everywhere. It's the country. The world is expensive. Building materials are expensive, expertise is expensive, fresh water and waste management are expensive. Food is expensive. Having a town that doesn't attract newcomers and visitors make it all the more expensive for those of us that are here! If we want a bigger ratepayer pool and tourist dollars, we need reasons for people to come here, to love it and to spend their money!

Not only do we want these things for visitors, we need them for

ourselves. We deserve a centre for improved wellbeing, to promote health, learning and belonging – for our children and our children's children!

I try to see the glass as half full. I know that the vocal resistance to projects is an indicator of people who are passionate about preserving the town they love and who are thinking of the cost. However, we need to look a little further into the future and ask: what is the real cost of having the world pass us by.

Please, please, PLEASE voice your support for a bustling attractive town and vibrant future by filling out the LTP document hard copy or online by visiting:

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

## Tena koutou katoa

It was great to welcome the students and the staff back from the term break yesterday and I was very impressed by how quickly all our students settled back into the routine of school and also adopted the new cell phone rules. It was also lovely to welcome some new students to our kura. I am very confident that this is going to be a successful term and I am looking forward to seeing all the achievements that occur during the next ten weeks.

## Upcoming in Term Two

This term is looking like it is going to be very busy with a lot of events already on the school calendar. We will be having our annual Cross Country in a few weeks time as well as our annual sports exchanges with Blue Mountain College and East Otago High School. In addition the prefects have announced that we will be having an inter house volleyball competition and also a baking competition amongst other exciting events.

## Deputy Principal

I am very pleased to announce that Mr Bill McClure has been appointed to the permanent position of Tumuaki Tuarua, Deputy Principal. Bill brings a wealth of experience to the position, including a term and half of acting in the position. I am very excited to see how Bill shapes the role into his own and to be working with him.

## Careers/Gateway Teacher

Also this term Mrs Leanne Burgess takes over the role of teacher of Careers and Gateway. Leanne has been involved with the school for over four years now in both the careers department and also as Sports Coordinator. I am very confident that Leanne will be a

great addition to our teaching staff.

## School Photographs

School photographs have taken place this week. These were both the individual photographs and also the house group photographs. Instructions on how to look at the proofs and order photographs will be emailed out.

## Parent Teachers Hui

On Wednesday 15th May we will be holding a Parent Teachers evening. This evening will be an opportunity to meet with subject teachers for all year groups. Appointments will start at 3.30pm and the evening will finish at 7pm.

Bookings can be made by following this link <https://www.schoolinterviews.co.nz/code/su8mf> or by scanning the QR code.

Once you have made your bookings you should receive a confirmation email, if this does not arrive please check your spam folder and if it is not there please contact us and we should be able to track it down.

## Paid Union Meeting

On Monday 13th May our teaching staff will be attending a Paid Union Meeting. To allow our teaching staff to attend the meeting we will need to shut for instruction at 11.30 am. There will be very limited supervision for any students who can not go home at this time so if you require your child to be supervised until the end of the school day then please contact us as soon as possible so this can be arranged.

## NCEA Common Assessment Activities (CAA)

The end of May is the first of the NCEA CAA windows for 2024. Students will know if they have been entered for the CAA and the specific date of their assessment. The CAA is two online assessments one in literacy and the other in numeracy.

Students will sit these at school under exam conditions. When a student passes the CAA they will be awarded with the 10 necessary credits for the literacy and numeracy corequisites.

Students do not need to attain both corequisites at the same time. In the lead up to the assessments teachers will be spending time preparing students, but the more time a student spends preparing outside of the classroom the better prepared they will be and the greater their chance of success.

## School Reunion Labour Weekend 2024

A school reunion is planned for Labour Weekend 2024, for pupils of Tokomairiro High School who attended in 1982-83. If you were at school at that time then this is for you. There are already some ex teaching staff coming for this event and the invitation also goes out to other ex teachers. Check us out on Facebook *THS Reunion 82-83* for registration details and feel free to put any photos you may have or make contact with someone you lost touch with. There are some events currently being planned culminating in a dinner on Saturday night. If you have any questions, please email me at [rodgerweatherall1@gmail.com](mailto:rodgerweatherall1@gmail.com). I look forward to hearing from you.

## RSA News from the Trenches...

Last Thursday we had Anzac Day and the large crowd was testament to how important this day continues to be.. Really encouraging to see how many younger people took the time to attend. It takes a lot of time and hard work from a lot of volunteers to bring this day to fruition so thank you for that. The RSA was packed with attendees enjoying refreshments. It also needs to be acknowledged that the Milton Fire Brigade is stacked with athletes of the highest calibre as they had to sprint to a call out during Anzac Day. Lucky to have them and they do a great job.

Moving forward, don't forget the nominations are still open for those keen to stand for Committee and other positions before our AGM on Tuesday 7th May at 7pm so make sure you are there to have your say. Don't leave all the hard work to a few.

Our Rugby Tipping Comp is storming ahead with a large pack closing upon Jason Ryan who has been the leader from Round 1. Still plenty of time to go but scoreboard will be covered up soon and then the cunning plans normally are launched under cover.

This coming weekend is when a lot of people get very excited with Duck Shooting. We will be having our annual Duck Weighing Comp so make sure you are there by 4pm on Sunday. This is always a good competition so make sure you always shoot carefully with your loads.

## Milton Sub Association Indoor Bowls

Another good turnout with another five new boys to the area making a show.

**Round 1:** R Copland, M Hill, J Hand 7, A Allison, A Read/ F Booker, D Richards 5: G Hill, E Read, B Read/T Willis-Croft 6, R Low, B Woodhead, D Sutherland 5: P Grant, M Williams, P Scott, 5, A Philip, M Little, R Perry 1.

**Round 2:** P Grant 7, R Copland 3. R Low 8, A Allison 4. A Philip 5, G Hill 2.

**Round 3:** R Copland 5, G Hill 4. P Grant 6, R Low 4. A Philip 5, A Allison 4.

The winners for the night were Peter, Marty and Phil with 3 wins, while runners up were Russell, Maree and Judith with 2 wins and 30 points. On a count back in third place were Allan, Maureen and Raymond with 2 wins and 27.5 points. A meeting was held later in the week and it was decided that Interclub would start on May 7th. Programmes will be handed out to all at the snowball this Tuesday. As all games will be played at the church gymnasium there will be spare mats for anyone to have a roll up. Why not come along and join this happy bunch, you'll be more than welcome.

## Toko Rugby Report

In coolish conditions Toko took on Valley in the home of winning three matches straight. Unfortunately Valley came out of the blocks powerfully and dominated all facets of the match to score three tries in quick fire succession. Toko took a while to recover and had a patch where they couldn't quite put any points in the board. Valley scored two more tries to make halftime 31-0. The second half was a continuation of the first half with Valley running away with a dominant victory 52-5 with a late consolidation try to Kieran Calteaux. Toko didn't play particularly well with plenty of missed tackles leading to a deluge of Valley points. Toko has two weeks to lick their wounds as no game next
