

## Harvesting and Preparing

Hone Renata harvesting the harakeke.

Last week our Level 1 Māori class harvested, prepared and wove a *kono* (four cornered basket) out of harakeke to achieve credits towards their NCEA Level 1.

First they started with a karakia before cutting the harakeke and then worked out the correct leaves to cut.

We returned to class to prepare and soften the harakeke before weaving it.

Jor'jah found it difficult but she persevered to finally finish her *kono*.

Kaylee-May Turora-Phillips preparing the harakeke.

Jor'jah de Seymour with her completed *kono*.

## Ayson Juniors Carve Pumpkins

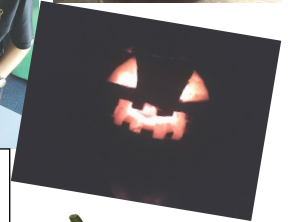

The Juniors in Ayson House used their House group time last week to learn the history of the Celtic harvest festival of 'Samhain' that developed through 'All Saints Day' and 'All Hallows Eve' to become the modern Halloween.

They also used the opportunity to develop kitchen hygiene and knife safety skills in preparing jack 'o lanterns. Some of the students took the finished products home where they hopefully became part of a nice roast meal or pumpkin soup after Halloween.

Elizabeth (top photo), James, Jackson and Ryan working on their pumpkins last week.

## How are you getting on without cheques?

Earlier this year there was quite an uproar from many people in our community when we found out that cheques would be discontinued. This of course, followed on from the closure of all of Milton's banks, with a similar trajectory following in Balclutha with only two part-time banks remaining.

The Clutha Budget Advisory Service were selected as the only South Island budgeting service, to receive funding for a "Banking Services Project". We were selected due to the large geographical area of the Clutha District, the number of banks that had closed, and the distance people have to travel to a main centre (Dunedin) for banks that have closed their branches in Balclutha.

Many of you will have seen Amy Senada's smiling face around town, on posters, and at community group talks. Amy is available to help you to work out a plan on how to manage your personal banking without cheques. It may be that you need help to learn to use online banking or a banking app, or to set up payments. Or it may be that technology is not your thing and you need to find other ways to pay your bills and keep up with your banking. Amy can help with any of these things. Before becoming a mum to three busy young boys, Amy worked in banking. She knows how banks work and what they can and can't do.

Amy is going to be in Milton based at the Hub on Monday 8 November from 9.30 – 12pm, and is also available by appointment. To contact Amy please phone 020 4099 9378 or 03 418 0463. Look out for Amy's flag next Monday.

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

## Tena koutou katoa Term Four, Week Three Year 9/10 Options 2022

All Year 8 and 9 students should have received the Ara Tokomairiro booklet last week and have had a chance to discuss with parents and teachers, possible programmes for 2022. It is great to see the excitement among the students. Selections need to be completed by the end of this week and placed in the box at the school office. Thanks to those who have already completed their selections.

### Junior Camps

We have Year 9 students away at Camp Columba this week – I am sure they will be having a great time. Year 8 camp is at Berwick Camp from 23rd 25th November. These are great events for our young people and often provide the great memories they have from school days.

### Teacher-Only Day – Friday 3 December

A combined NCEA training day, for Tokomairiro High School, South Otago High School and the Catlin's Area School, is planned for Friday 3 December. The school will not be open for instruction on that day.

### Year 6 Transition Programme

The transition programme is continuing with Kara Whaley visiting the young people in their current schools, running science lessons and getting to know the students and their teachers. A transition morning for all the Year 6 students is being held on the morning of Wednesday 3rd November. Kara will continue to meet with those parents and students who have not yet had an interview. If your child does not yet have their enrolment form completed please contact Kara at kara@tokohigh.school.nz or leave a message for her at the school office (03 417 8620).

### Extra Courses for Senior Students

This week, a taster course is being run for senior students at Tokomairiro Training. Not only will the students be able to earn up to thirteen Level 2 credits, they will also be able to learn about some of the opportunities available at Toko Training for next year – fulltime programmes or part-time programmes that

can be completed along with school programmes.

### Senior Prizegiving

The senior school prizegiving is planned for *Thursday 18th November*, when we will celebrate the achievements of Year 11 to 13 students and farewell our school leavers. At present, the Ministry of Education is recommending prizegivings, in their usual format, do not go ahead under Covid Level 2. We are currently making plans to hold the prizegiving in the afternoon and will live stream it to parents and the wider community.

### Covid Vaccination Record

The COVID-19 Public Health Response Order for Mandatory Vaccinations for Education came into effect at 11.59pm on Monday 25 October. From 1 January 2022, schools, early learning services and providers will need to maintain a register, and ensure only vaccinated staff and support people have contact with children and students. They need to have their first dose by 15 November. Secondary schools and kura will also be required to keep a COVID-19 vaccination register for students. Students who do not produce evidence of vaccination will be considered unvaccinated. We are currently working on a format to collect that information from all our students and adults.

### School Buses

All students *aged 12 and over are required to wear masks* on school buses. We encourage all our students to follow this Ministry of Health guideline and ask for parental support.

Remember our doors are always open. Please come and talk to us if you have any concerns.

## Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

**Genesis Deadlines:** Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

## Social Sciences: 10Ha Social Studies

In our class this term we are focusing on important issues and New Zealand knowledge. We began this study by looking at how teenagers today differ from those of our grandparents. We looked at a documentary explaining about hyper-parenting (characterized by excessive attention to children) and what this is doing to today's teenagers. We followed the viewing with a brief discussion and then we had to write a paragraph about what sort of parent we would like to be in the future and why.

For example, 'Anonymous' wrote:

*"I want to be a good mother and how I would be a good mother is by loving my child and protecting him or her but I will not be a hyper-parent.*

*I want my child to be an independent person because one day I will die and he or she must learn to cope in the real world. Personally, I think that being a hyper-parent is not good for the child because that child will get used to getting help and will possibly get stressed. I want my child to follow his or her dreams but still be able to survive in the world".*

### Genesis Appeal

There have been a few enquiries from people still wanting to donate to the Genesis Appeal. Payments can be made online.

Account details are:

Tokomairiro High School  
03 1736 0009803 000 using

and Wednesday 10th at 6pm.

## Learning with Harold

Pip & Harold are really excited to be visiting your school next week with our specially designed & built mobile classroom. Over the next few days the Students and Teachers will participate in specifically designed health based programmes (selected by the Teachers & created by Pip) to meet the needs of the school & local community.

If you would like to learn more about our programme please visit our website

<https://www.lifeeducation.org.nz/what-we-teach>

We even have a special page just for kids (how cool is that!)

<https://healthyharold.org.nz/kids>

Please ask your kids what they have been learning about during their visits, I'm sure they will have lots to share with you. They will also have received a 'Take Home Pack' filled with activities you can do together at home.

If you would like to check out the classroom for yourself (or even reminisce your own Harold memories) please contact either the school or email Pip at [heartland@lifeed.org.nz](mailto:heartland@lifeed.org.nz) and we can organise a time to pop in either before or after school.

## My Outward Bound Experience

Nic Clark spent three weeks at Anikiwa in October. He shares his experience:

Outward Bound is a once in a lifetime course that not many people get to experience. I can not thank the Bruce Stewart Foundation enough for giving me this opportunity.

My overall experience was very enjoyable because of the range of activities there were to do. There wasn't a moment where I didn't have something I could be doing.

The day would start by waking up at 5:50am to get ready for the morning PT at 6:20am. We would run 3.2km and jump into the freezing cold ocean - not a wake up I am used to. We were never told what the day had in store for us and each time we tried to ask questions, they gave the same response: 'ma te wa' (time will tell).

The activities I found the most memorable were sailing in gale-force winds, looking over the Nelson area at over 1200m and whitewater kayaking. These are things I would have never got to experience if I didn't take this opportunity.

I thoroughly recommend to others who not only want a physical challenge, but also a mental one to go on Outward Bound. It will push you out of your comfort zone multiple times. You also meet a great bunch of people from all over New Zealand.

## First Aid Kit Fundraiser

The St John Milton Area Committee are running a First Aid Kit fundraiser from the 1st - 17th November. These are ideal to refresh or renew your kit, or a perfect Christmas gift for friends and family.

A comprehensive First Aid Kit is an essential in any home, business or vehicle and they are very helpful in providing basic treatment when required or providing support to a patient until help arrives. All proceeds are used to support our community programs such as Caring Caller, Therapy Pets, Youth Cadets and many more.

If you are interested in purchasing a First Aid kit, then look at the flyer in this week's Genesis or contact [oli.blackbourn@stjohn.org.nz](mailto:oli.blackbourn@stjohn.org.nz) for more information.

## Year 9 and 10 Horticulture

The Year 9 and 10 Horticulture class have been making the most of the great weather recently to get out into the garden and put some of their theory into practice. They have been preparing plots for planting and caring for the seedlings that they have already started to grow.

# RSA News From the Trenches

Only a few more days till the Milton Bruce RSA's Clay Bird Shoot is finally being held again. It's been awhile so I'm definitely looking forward to it. This Sunday morning those troops keen to pull the trigger will be lining up to show off their skills - enjoy yourselves, aim true and remember you can't take a Clay Bird home to cook afterwards.

Tuesday was Melbourne Cup day with headquarters opening early for racing and comradeship. A fun filled session was had by all with men and women dressing up for the occasion, thanks for the laughs and witty banter troops, much appreciated.

Thirsty Thursday at the RSA is a great evening starting with meat raffles followed by the Members Only Draw and the Poker Draw both of which jackpotted again last week - you must be on the premises to claim either so troops get on down to headquarters for your chance at winning either or both of these illustrious prizes. The Rugby Pics competition is going well with fierce rivalry between a couple of punters in particular, not too many weeks to go so I'll listen out on my wireless for a potential Rugby Pics function date and hopefully inform you in the next week or two. The RSA is open seven days a week with Handle Club night being held on Friday evenings and membership to this exclusive group is still open - just enquire at the bar. So if discussing tactical maneuvers over a thirst quenching cold brew interests you come on down and join in the organised mayhem. Darts are also played for fun by some and a bit more seriously by others however all in all its another good evening for troops to gather at headquarters.

Potatoes for next year's Spud Dig Day are selling well and I've heard various strategies for growing the most abundant crop however all that really matters is participating. If you haven't already purchased your \$5 spud best hurry up so you can show off your gardening skills and impress us all at Spud Dig Day 2022 on 19th March. To ensure we can all enjoy our freedom troops I encourage you all to do your bit by getting your Covid vaccinations so we can all have a quality summer and be able to continue to enjoy sessions at the RSA, thank you. See you at the RSA, have a good week, stay safe and make sensible decisions troops.

- Sergeant Smith

## CDC Promoting Rural Life

With a growing shortage of workers, CDC is taking a fresh approach to powering up their district. They're targeting young people in cities with a brand-new campaign that will sell the benefits of living in the country.

*Think Rural* is launching nationwide, with 18 rural districts signed up to the campaign. Their goal is to contribute towards filling 1,150 jobs in rural areas with young people wanting to experience a new way of life. The campaign is driven by LGNZ's Mayors Taskforce for Jobs (MTFJ), with support from the Ministry of Social Development (MSD). Clutha District Council Mayor, Bryan Cadogan, says he hopes that encouraging young people to *Think Rural* will attract a legion of keen and hardworking new recruits to the area.

"Clutha District is a place that is on the up economically and socially. We perpetually have vacancies in huge numbers - good jobs that we need people for but it's more than that, we're totally committed to making this work."

Clutha District has hundreds of jobs on offer, from trades to hospitality and rents sit at around \$400.

## Milton Sub Assn Indoor Bowls

Summer indoor bowls started at the Country Club last Wednesday night. Although attendance was very small those that made the effort to attend had a great night.

Patrick Moody and Eunice Benington come out the winners on a count back, they had one win and a score of 14 while Alex Benington and Raymond Perry were runners up with an aggregate score of 12.

Just remember every Wednesday night during the summer months at the Country Club, it doesn't matter if you've never played before you'll be made most welcome.

Hopefully the South Otago Assn will have their End of Year and prize giving on Friday 12th November at 7.30pm in the Balclutha Lawn Bowls club house. Come along and support all of those that had a great season.

## Situations Vacant

### Tokomairiro Community Hub Coordinator

Approximately 20 hours per week usually over three set days per week. Occasional evening work may be required.

Six-month fixed term maternity leave position.

Our ideal applicant will have:

- Excellent people, time management and organisational skills.
- Skills in multicultural environments.
- Good written and oral communication - be comfortable with completing administration tasks, maintaining records in a computerized system, including agenda's and minutes.
- Show an awareness of local needs and have an interest in the development of services and activities within Milton and our surrounding communities.
- An understanding of the needs of vulnerable individuals/families.
- Experience in coordination of services/organisations within a community setting would be an advantage.
- Be able to pass a Police Vetting check
- Have a full Covid vaccination certificate as this is a public facing role.

Current drivers' license and reliable car essential.

In addition to this role there may also be an opportunity to provide Casual Clerical Assistance to Milton Community Health Trust. Both roles commencement date early January with some training given during December. For further information and to obtain a Job Description please contact Leeanne Turora on (03) 417 4399 or email: [milcomhealth@xtra.co.nz](mailto:milcomhealth@xtra.co.nz)

Closing date: Friday 16th November 2021.
