Tokomairiro and East Otago High Sports Exchange

An outstanding performance Tokomairiro and East Otago! What an amazing experience to be a part of this sports exchange. To be able to meet together, have fun, and as always some intense competition. The day was flooded with smiles and support from everybody. It is great to see both schools so competitive yet cooperative, not only towards each other but to the staff and referees. This event was held last Tuesday at the Edgar Centre. Overall an awesome day and a well deserved win for East Otago 71 - 46.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

As mentioned last week our school mission is “To work together to inspire excellence in education, in character and in life” One aspect of our character is resilience which by definition is the ability to recover quickly from difficulties and this is certainly a year like no other and has been full of difficulties for us as individuals and as a school. However, things in life have always been difficult and it is by persevering that we develop our strength and character. The author Travis Bradberry states that:

“Humans are creatures of habit. If you quit when things get tough, it gets that much easier to quit the next time. On the other hand, if you force yourself to push through it, the grit begins to grow in you.”

So, when teachers are working with students it is imperative that students are working outside their comfort zone in order to challenge them to achieve but not too far outside that the task or piece of work is viewed as unattainable. There is often a delicate balance between what the student believes they are capable of and what the teacher knows they can do.

However, failure has a part to play in developing our resilience. Its only by getting things wrong that we can improve and get better next time. No sportsman ever got it right first time and will have practiced over and over to eliminate the minor flaws in their technique to arrive at the final finished product.

Encouraging this ability to give it another go or trying harder in our classes is frustrating for the student and teacher, but the reward is so great that it is worth the effort. Two of the most important words in the English language are NEXT TIME. You have an opportunity to try again and get it right or get better until you get it right. So we are encouraging our students to get into those positive “Can Do” attitudes where they develop the grit needed to improve and achieve “Excellence in Character”

These qualities are particularly important for our seniors as we approach the half way stage of the year.

New Dunedin Hospital Careers Expo

"Meet employers; make connections; explore your options" was the bi-line for the New Dunedin Hospital Careers Fair at Taieri A&P Showgrounds. The site was open for schools on Friday 27 May and everyone interested on Saturday. Four students from Tokomairiro attended on a cold and frosty Friday and were impressed by the variety of the options available. Employment included medical careers, but also everything from Stop/Go with Downers, trucking supplies with Dynes, to data processing, carpentry and floor laying. Installing an IV into a mannequin opened Kaydence's eyes to nursing, and Emily enjoyed success with CPR. Thanks to Mrs Ferguson for organising this careers trip.

Toko Rugby Report

On Saturday Toko Premiers took on Crescent for the much-heralded Eddie Scott Trophy in sunny conditions in front of a huge crowd support with large numbers travelling from Milton.

Toko started off well with an early penalty, before Crescent bounced back with a try. Toko responded well with a try to debut James Scanlan and ill-discipline of Crescent along with the trusty left boot of Brad Frost gave Toko a well-deserved 17-5 halftime lead.

Crescent came out storming in the second half to open with two tries early and hold a slender 22-20 lead with 7 mins left in the match. Both teams turned down easy kickable penalties which would prove costly to one team. Kaleb Hayes stormed over for a decisive try to give Toko a 27-22 lead with 5 mins to go. Toko defended stoutly and kept their line intact giving the team and supporters a well-deserved victory.

The game was built around determination and heart with all 23 players contributing hugely to the result.

Next up is a home game vs Clutha. Dont forget to join as a social member \$20 single, \$30 double and use your name as the reference to the following account 06 0936 0068061 00. You could win fantastic vouchers.

RSA News From the Trenches

A few nippy days recently causing a few hard frosts but still plenty of action going on at the RSA.

Membership draw is climbing rapidly, almost getting to \$300 pot to be won. It is a miracle it hasn't been struck as we have had massive crowds on our weekly Thursday night raffles. For the last couple of weeks we've had in excess of 50 members there having refreshments which is an excellent turnout considering the nights are getting colder.

Rapidly coming up is our Sports Comp prizegiving which will be held Thursday night 23rd June, this is the day before Public Holiday Matariki on Friday 24th June. This should be an absolute excellent night with fantastic banquet and a few other surprises as well. It will also be intriguing to see who comes out on top, I have a sneaky feeling there could be a female dark horse quietly coming to the fore. If you are entered, you won't want to miss out.

As Monday is a Public Holiday, we will be open earlier to toast Her Majesty with a quiet lemonade. There is also a rumour going around there could be a visitor from Australia gracing us with his presence on Thursday night.
