Lake to Sea Trail Bike Ride

The 18th Lake to Sea Trail Bike Ride was held on 31st October, a fundraiser for the Tokomairiro High School PTA. After thinking it may not go ahead with the return of Covid-19, the planning was put on hold through most of September. Once we got the all clear that we were heading back into Level 1 it was full steam ahead with organizing, and for Griff and his team, building an epic track. 870 riders of all ages and abilities from all over the South Island poured into the base car park, some new to the ride and some that have returned year after year. Thank you to all the riders who supported our event.

There were some changes to the trail this year and, as always, our expert course designer Brian Griffin had mapped out an exciting ride through the forest, farmland and along the coast. The Tokomairiro High School PTA is indebted to Griff for all the weekends he has given up to work on the course along with his helpers Owen Frew and Luke and Ben Griffin. This Trail Bike Ride would not happen without them.

Sadly, we are devastated by the death of a rider and our thoughts are with his family and community as they work their way through the hard times ahead. Our focus is supporting those affected by this tragedy.

The trail ride raises a lot of funds and we make sure it goes back into the students at Tokomairiro High School. The committee has a huge amount of thanks and gratitude to the following, who with their support and contributions makes our fundraiser such a successful event:

Mclver and Veitch - Our major sponsors and support us each year

Calder Stewart Industries - For the use of the forestry and land where the base is

City Forest and Wenita - For the use of the forestry

CRS Communications - for enabling all our marshals to have radios

Landowners - their cooperation and goodwill was outstanding again

Marshalls - for volunteering their time, coming back year after year and doing an important job on the day

Teachers - every teacher at our school was involved in some way

St John Ambulance - for your time and expertise in handling any accidents

Scrutineers and fuel carriers

Milton Lions Club - for car parking and traffic control and base BBQ

Alvin Stephen - for collecting all the dead bikes and returning them to base

Mike Moeahu - for the use of the tents at base

Course Leaders - for leading, helping riders, encouraging riders and sweeping the track

Nadine Lister and all of her helpers - a feature of our trail bike ride is the wonderful food, it is a huge task of providing lunch and tea for all the participants

Parents and the community - for donating food and your time at the event

And all the Businesses that supported the event - **Milton SuperValue, Tiny's Butchery, Tokomairiro Four Square, JD Souness, Trust Power, Lister Helicopters, Toko Trailers, Joe Herbert Contracting, Stihl Shop Milton, Clutha Licensing Trust, Fulton Hogan, Pro Event, Dakins Portaloo's & Waste Solutions, Forum Cafe, Mallon Building.**

Interhouse Mathematics Competition

Take three to four students and place them around a table. Have ten of these tables set up in a room. One person from each table is the 'runner' and travels around the outside of the room, all in the same direction, to a marker. The marker has the questions and as they bring one or two up they get more questions. Once the competition starts the team has 30 minutes to answer up to 30 questions, receiving 2 points per question correct.

Friday week ago and this past Monday saw the four Year 7 and 8 Maths classes compete against each other for points towards the house shield. Malcolm won the competition, with Ross 2nd, Ayson 3rd and Reid 4th. Reid won the team trophy with most points correctly answering 18. The members were Leith Kelcher, Alec Murray, Nic Healey and Archie Finch. Our thanks to the seniors who helped us as markers and to the students who were great.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Working together to inspire excellence in education, in character and in life.

Tena koutou katoa,

Week 5 of the final term for 2020

This is the last week of school for our senior students before they begin study leave and external examinations. We encourage all the students to focus on doing their very best as they show off what they know.

NCEA Progress

This has been a very difficult time for all our senior students as they strive towards reaching their qualification goals for the year. We are thrilled that all the students who have been with us through the year have already gained their qualification, or are on track to do so through their external assessments. We are very proud of the progress they have made.

Scholarships

We have a fabulous group of Year 13 students who are heading off to the University of Otago next year. This week we have been notified that all six of those students have gained an entrance scholarship for 2021. Each of these scholarships are worth \$6000 and can be used towards study and living costs next year. Congratulations to you all – we are very proud of you.

Year 6 Students Transition Programme

Interviews for Year 6 pupils and their parents have been happening this week, it has been lovely to meet the new students and their families. If you have not had an appointment yet, please make contact with the school office to book in a time. We will have a catch-up day appointment afternoon on **Wednesday 25 November**. A reminder – if you have not yet handed in your enrolment form, please do so asap.

Teacher Only Day

Tuesday 17th November has been set by the Ministry of

Education for all secondary schools in Otago and Southland. The focus of the day is the NCEA Review. Please note that Tokomairiro High School will not be open for instruction on that day.

Last Day for Senior Students

Our Year 11 to 13 students finish classes on **Friday 13th November**, before they begin study leave for NCEA examinations. The exams are staggered over the following three and a half weeks. We encourage our students to work hard over these last two weeks as they complete internal assessments and prepare for any external examinations they have. We wish all our students the very best. An assembly will be held on the afternoon of Friday 13 November where we will farewell our school leavers.

Prizegiving

Mark the date in your diary – **Thursday 10 December 2020, 7pm**. Our speaker is past pupil, Paul Keast. Paul has been an economist with Shell and worked in countries all over the world, before settling in Alexandra where he has a boutique winery. We are looking forward to hearing about Paul's experiences.

Junior Swimming Programme

This is planned for all junior students starting next week. All year levels will have blocks of time in the mornings, starting with Year 7 on **Wednesday 18 November**. The full programme will be emailed home.

Remember, our doors are always open. Please come and talk to us if you have any concerns.

Regards
Glenis Sim,
Principal

OSTC Programme Ends for 2020

Recently, our polytech students who have taken part in the OSTC (Otago Secondary Tertiary College) programme this year enjoyed their end of year celebrations. Both Mereana and Joseph have enjoyed their year of learning and have gained some amazing skills; Mereana in hairdressing, and Joseph in building.

Left: Mereana with some of the other successful hairdressing students and one of her tutors.

Right: Jamie, a Big River tutor, who worked with Joseph this year as he and other students built a two bedroomed house in Balclutha.

Dates to Remember...

Friday 13th November - Seniors finish classes
Tuesday 17th November - Teacher Only day (NCEA Review)
Wednesday 18th November - Swimming Programme Starts
Mon 7th - Wed 9th December - Year 8 Camp
Thursday 10th December - Juniors Finish
Thursday 10th December - Prizegiving
Friday 11th December - Teacher Only Day.

Peer Support Training for Year 12 Students

Peer Support Training will be taking place on Tuesday 8th of December. This is an exciting opportunity to take on a leadership role in the school for next year. Could all interested Year 12 students please check their student emails and respond to Mr Mackinnon by **Friday, 13th November**.

Milton Primary School Pet Day

On the afternoon of Friday, 6th November we had our first pet day at Milton Primary. Many children brought along a variety of different pets with the most popular entry being in the dog section which had about thirty entries. Other pets on display included lambs, cats, rats and guinea pigs. Members of our local community were invited to undertake the difficult job of judging the entries. The children who didn't bring along a pet were encouraged to enter a "pet creation" and materials were made available for this purpose during lunchtimes in the library throughout the week.

While judging was taking place, the student leaders organised some fun games for those children who didn't enter a pet into the show. Each class walked around the animals on show and at the end of the day the winners were decided. Mr McLennan and Mrs McNamara were responsible for deciding who would be declared "Best in Show" which was awarded to Flynn Caldwell and his pony. It was a really fun afternoon and we all enjoyed the inaugural Milton Primary pet show!

Itinerant Music Workshop

Every year the Itinerant Music Teachers of Dunedin organise a music workshop for high school musicians in the Otago area. We rehearse all day at Kings and Queens High Schools, then combine to perform a short concert. There were about 300 participants, all playing orchestral instruments. The emphasis is on playing as an ensemble, following a conductor and being part of an active music community.

Far left: Hiroki Nagase (clarinet), Left: George Stark and Marcus Wills (saxophone), Top: Makayla Wills (cello), Above: Jack Leydon (percussion).

Genesis Appeal Thanks

We were very appreciative this year, to receive over \$3,500 in donations for our Genesis Appeal.

We realise that 2020 has not been so kind to many people, so for those who showed their appreciation by making a donation to keep our community paper up and running - *thankyou for your generosity!*

Please remember that the Genesis is all about sharing what is going on in our community, so if you have an article to contribute or an event that you want to tell everyone about, then make contact with us so we can put it in print!

Bible Reading for Today

Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you.

2 Thessalonians 3:16

Mana Pounamu Awards 2020

Congratulations to Patrick Norman and Stevie Gunion. During Monday's assembly our two Mana Pounamu recipients for 2020 were presented with their awards. Mana Pounamu are awarded to tamariki of Maori descent who show achievement in one or many of the following areas: cultural, leadership, academic, community and sporting.

Stevie was presented with the Teina Award (for Year 9 -11 students) and Patrick with the Tuakana Award (for Year 12-13 students). As part of his award, Patrick receives an Otago Maori Entrance Scholarship for the University of Otago which is valued at \$10,000. Stevie was granted one of four Hands-On Scholarships for the week-long summer programme at the University of Otago in January. This scholarship pays for all programme costs, accommodation and food for the week.

Congratulations to these wonderful young people.

News From the Trenches

Greetings from the RSA, where another week has flown by faster than Paddy with a southerly behind him. Last Tuesday we had a huge day with Melbourne Cup with plenty of fine entries for the *Fashion in the Field* comp, with Bruce and Jenny Good looking elegant in their ensembles. This day will be locked in for next year, with a lot of fun time was had by all who attended. A few weeks ago, I reported on Bert Pringle falling asleep while fishing. Paddy has told me that Bert landed the big one this week with two magnificent Brown Trout. Apparently they put up a huge fight, but Bert reeled them in. He was that excited, he was stopping traffic up Union Street to show people, and was last seen tooting loudly outside a petrol station, as he couldn't contain his excitement. Nice tight lines Bert. The picture of the fish were that large, Genesis couldn't fit them on one page. Don't forget our NPC Tipping Competition prize giving on 28th November, and our Xmas Party on 5th December - plenty of social events coming up. Also on sale are our Xmas Hams which are bound to be sold out very quickly. Not too many weeks left to book in your Staff Xmas function. Also the Whiskey/Wine tasting evenings are filling up rapidly. Paddy is highly excited this Thursday, as he has heard a whisper that Noel Webster may be blowing out another round of candles. Looking forward to the shout on Raffle Night.
Private Pike

The Rebus Club of Milton

President Alan Strain welcomed members to the meeting on October 20th. After the meeting, he welcomed speakers Stu Michelle and Donald Gordon and thanked them for stepping in when the planned trip was cancelled. Stu and Donald were part of a group of six who biked the *Alps to Ocean* cycle trail starting at Tekapo in very windy conditions, travelling 50 kms to Twizel. Day Two was again windy. (One biker was blown off the track, down the bank and fortunately came to a stop before hitting the Ohau canal.) The destination was Ohau village with a lovely meal at the Lake Ohau Lodge. At about 4.30am the power went off, followed sometime later by a knock on the door and instruction to be out in 20 minutes. The village was being evacuated due to approaching fires. Their group was driven out in the Lodge's courtesy coach, minus their bikes. Replacement ones were provided for the rest of the trip with stops at Kurow and Tokaraki before the destination in Oamaru. Photos of the fire, monsoon buckets being filled in Lake Ohau and various other pictures were shown. Both agreed it had been an enjoyable trip with good company and accommodation, despite setbacks and drama along the way. They plan to return and complete the missed section. Stu and Donald were thanked by Alan Strain. The next meeting is on Tuesday November 17th at 10 am in the RSA hall. Committee please meet at 9.30 am. There will be a speaker from the Clutha District Council to talk about the drug issue in the district.

Milton Senior Citizens Club

Our meeting began with business, then the raffle was drawn and our newest member raised her arm excitedly as her number was drawn, didn't you Avis? Lovely fruit!

Waiting patiently was Colin Heads, our quiz master. Out came a folder with his quizzes and jokes, and the pencils and paper were handed out and he began....

"What is a baby possum called?" Do you know?

Dispersed with jokes it was a very entertaining afternoon. Just an example.....

Two ladies were sitting in Church. As they stood up to leave, one said to the other, 'Oh! My backside has gone to sleep!' The other lady said, 'Yes, I heard it snoring at least 3 times!'

Anyway, after all the giggles we enjoyed a cuppa and bickies. Colin was appreciated and received a gift in appreciation. Thankyou Colin for your humour. Laughter is good, like a medicine!

Next meeting will be hosted by Pam Wells. She has an amazing supply of Christmas decorations she is sharing with us. A chance to be arty and make cards or something decorative for the Christmas season. Does this interest you? That date is 20th November, (my birthday and wedding anniversary). Am I really that age? Where have the years gone? Same place as usual! In the Memory Bank, never to be withdrawn again. Now, what did I do yesterday.....?

But, everyday is a gift. That's why we call it the *present*.

Health Services...

MILTON MEDICAL CENTRE

Medical Centre

Hours
Monday-Friday
9.00am- 5.00pm.

After Hours Service

To access our After Hours Service please phone the medical centre on (03) 417 8226. Your call will be diverted to our after-hours triage service "Homecare Medical" where a registered nurse will provide you with advice and assistance.

Genesis Office Hours

Monday 8:30am - 3:30pm
Tuesday 8:30am - 3:30pm
Wednesday, Thursday,
Friday - Closed.

If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door.

If you want to leave a phone message for the Genesis outside our office hours, please phone the Tokomairiro High School office (417 8620) and it will be passed on.

Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.
