20th Ride Another Success

Over 600 riders took part in the 20th Annual Lake to Sea Trail Bike ride on Saturday, and judging by the comments from those who had travelled from near and far for the experience, it was the best yet!

The school is very grateful to Griff and the PTA for pulling out all the stops and engaging the community and riders in the 140km long ride. The weather played its part in the lead up to the day, the track had just enough mud to satisfy the keenest riders.

Below is a selection of photos, more photos on page 4 and there are many more available on the Lake to Sea facebook page—check them out!

Maori Students Recognised

The Mana Pounamu Awards recognise outstanding achievement by Maori students in any of the following areas: Cultural, Sporting, Academic or Community involvement.

One senior and one junior awardee is selected from each school in Otago.

The Tokomairiro High School students who were acknowledged for their achievements were Saffron Healey and Tane Nichol.

News from the Board...

Included in this copy of the Genesis is our Community Consultation document. We invite you, as a member of our community, to fill this out and return it to the school office by Friday 10th November.

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora

We have reached that time again where our seniors are experiencing their final week of school for the year or, for some, they have come to the end of their schooling all together. Our year 13s are in their final week and for some, a mixture of sadness and apprehension as they get ready to move on to new adventures. We trust they will look back and think fondly of their time with us and also be grateful for the qualifications, experiences and skills they attained while they were with us.

Many are recovering from an exciting and exhausting time on Saturday at our annual trail bike ride. Incredible to think this has been running for 20 years. As a fund-raising activity for a school, it is very unique, and an estimation of the benefits for countless students is mind boggling. A huge thank you to all the volunteers to those involved on the day but also to Griff and his team along with the PTA who put in countless hours in preparation to ensure this is a success.

Once again, our students are excelling not only in school but in the wider community. The annual Nga Manu Pounamu awards were presented on Friday night and our successful applications were Saffron Healey in the junior category and Tane Nichol in the senior category. Well done to both of these future leaders in our community.

Our students had the opportunity to dress in "All Black" on Friday to show their support for a rather important rugby game on Sunday morning and also dress up in Halloween costume on Tuesday. It is said that our school days are the best of our lives, and we hope we are contributing to some fine memories of their time here.

The poster features the Tokomairiro High School crest at the top, with the motto "DISCIPLINA MODERATIO COMITAS". Below the crest, the text reads "ORIENTATION MORNING MONDAY 20TH NOVEMBER FOR ALL 2024 YEAR 7 ENTRANTS". The central part of the poster is divided into three panels: the first shows a paint palette with various colored dots, the second shows scientific icons like a microscope, a globe, and a DNA helix with the word "SCIENCE" written across them, and the third shows a globe on a stand next to a red book. At the bottom, it says "MEET AT TOKOMAIRO HIGH SCHOOL LIBRARY AT 9.00AM".

Lake Tekapo - AJ Nixon

Approaching the stone house on a cold snowy night, I step onto a mix of crunchy snow and gravel in front of a gate. The crunch, crunch, crunch of gravel and snow goes silent as you reach the smooth but slippery footpath of the stone house. Stepping on to the island-like area that the house stands on, everything becomes a bit clearer. It's empty. There's no one here. I ascend the steps to see the stone house in front of me. It's a little bland. I wonder "Is this it, just a stone house?" Looking up behind the house, I see an explosion of colours. The sky brightens up in front of me with blue, purple, white and a shade of red. The stars are scattered everywhere, some bright and some dull. The fine line of the long Milky Way is climbing over top of the icy mountains in the distance. The clear as day lake reflects the stars on my face. The water is flowing quietly. I'm starting to wonder "how is this real?" I'm so immersed in the sky, I can't believe that this place even exists.

When the sun starts to change the colour of the sky to orange, the stars are erased. The sun rises and half of it is shown, peeking over the icy mountains. As the night becomes more like day, the sun presents itself to the Lake of Tekapo. Snow on the ground melts. It melts in my hand. As the snow melts, all of the gravel is revealed. Slowly, the breeze dies as a wave of warmth crawls in from the sun. The lake is shining even brighter; it is a mirror. All of the lake turns a bit more blue. I leave the stone house and start to remember the night time. I remember the clear lake; I remember the icy mountains; I remember the stone house and I remember the beautiful sky. I saw the lake at night. Cold, colourful and alone. But then warm, bright and populated in the day. Lake Tekapo is big and beautiful, day and night, and is the place I can't get out of my head.

Lake to Sea Trail Bike Ride Photos

The Tokoit Trek

The students of Tokoit School, also known as the Trekkers, have been working on a fun and challenging project this term. They have been planning a bike trip around the South Island for their principal, Shannon, who loves to ride his bike very far and safely. They have called it the Tokoit Trek.

The idea for the project came from last term, when the students ran around the school field as many times as they could. Each time they completed one round, they got a stick from their teacher. The sticks were like kilometers for Shannon. They added up all the sticks and it was 1666 kilometers. That's a huge distance!

The students were inspired by some amazing bike riders they learned about, such as Chris and Stella who rode on the Iron Butt Rally and Mark who rode across the USA on dirt roads. They wanted to challenge Shannon to do something similar in New Zealand.

This term, they helped Shannon plan his bike trip. They used their computers to find some interesting places for him to see on his way. They also learned about the geography and history of the South Island. They chose some places that were important or beautiful or funny. For example, Jamez chose Jimmy's Pies because they are the best pies in the world. One Trekker chose Big Nuts NZ because their grandfather owns it and they make different kinds of nuts. Another student chose the Dunedin Ice Skating Rink because that was a special place for his whānau.

They made a map for Shannon to follow and marked all the places they chose. They also made some pictures for Shannon to take with him on his bike. Shannon is going on his bike trip on Tuesday 31st and the students are very excited to see his photos. He said he would take a photo at each place he visits and show them he was there. He is doing it by himself, but he has a phone and a GPS to keep him safe. He has to finish in one day.

The students are very proud of him and they hope he has a great time. They think he is a brave, adventurous and annoying principal who likes to try new things. They are looking forward to seeing his photos and hearing his stories when he comes back.

Opening Clutha Vets South Otago Cricket T20 Sees Waihola Swans Triumph Over Milton King Crabs

The Waihola Swans have taken bragging rights in their opening Clutha Vets South Otago Cricket T20 encounter over the Milton King Crabs, played on a fine Sunday in Milton. Milton batted first and lost opener Dylan Greer on the first ball of the innings off the bowling of Jared Hayes. Things didn't improve much in the early stages for the King Crabs as they soon lost two more wickets to be struggling at 22 for the loss of three. The Powerful Jacob Jenkins managed to accumulate some runs for his side before being dismissed by Ryan Clark for 15 runs. This was Clark's third wicket inside three overs. The Milton middle order added some substance largely thanks to skipper Ben Cameron (25) and Corey Bradley (10). Some extremely tight bowling towards the end of the innings by Swans bowlers Shelford Meads and Jared Cunningham restricted the late flow of runs and Milton limped to 72 for the loss of nine wickets from their 20 overs. Cameron was the pick of the batters, opting to run quick singles early before unleashing with a couple of sixes towards the end of his innings. Jenkins and Bradley both looked in good touch at times too. Ryan Clark was the pick of the Waihola bowlers with tasty figures of three for nine off three overs. In reply Waihola didn't have it all their own way, losing opener Toby Greene in the first over and first drop Levin Coulter-Butler at the start of the second. This gave Milton confidence, and they bowled in some decent areas at the start of the innings. Waihola opener Ryan Clark built on his fantastic first innings by carrying his bat through the innings for an unbeaten 38. Clark was ably assisted by Rowan Craw who looked as composed as ever on his way to an unbeaten 22 as Waihola chased the total down with seven overs to spare. Milton opener Corey Bradley was dangerous with the cherry and took away steady figures of one for nine off three overs. Daniel Samson was the other Milton bowler to take a pole in the match as Waihola gain hold of the Burt Pringle Trophy and the Bungard Cleats for the inaugural time. Waihola Swans 73/2 (Ryan Clark 38*, Rowan Craw 22*; Corey Bradley 1-9) beat Milton King Crabs 72/9 (Ben Cameron 25, Jacob Jenkins 15; Ryan Clark 3-9)

News from the Trenches

And the winner is???? the winner of our fantastic World Cup & NPC Tipping Competition is..... to be announced on Saturday 11th November at 6pm with the winners being announced at our prize giving, commencing from 4pm. Based on the results over the next couple of weeks, the winner will be a very tight scenario with plenty of candidates making a late charge. I have a big feeling we have a new winner along with some new candidates looking at making a new splash. Congratulations to Mary-Ann Good who scooped the pool with our Pick the Scores jackpot, which her score of 12-10 South Africa clearly shows she knows what the right score would be.

This coming Saturday we will be laying our crosses out for Armistice Day on 11th November so would be good to have plenty of volunteers to help out as this is a very important day in our history.

Don't forget the Melbourne Cup which is coming along on the first Tuesday in November which promises another big afternoon - so come along to make your fortune.

Last Saturday we had an excellent day with RATS (Riders Against Teen Suicide) just shows the importance of supporting this cause.

Don't forget we have our Thursday meat raffles along with our weekly membership draw along with the joker draw which is getting up.

Lets not talk about TMO and officiating and come down to the RSA for a good time.

Women's Institute Awareness

Last Sunday saw a gathering for Women's Institute, held at the Lovell's Flat Hall.

But what is Women's Institute about?

It began in 1921, and is a voluntary organisation where women can come together and take some 'me' time—no one is expected to do more than they feel they can achieve.

The women's Institute is one of the largest women's organisations in New Zealand and encourages women to reach their potential by sharing talents, having fun and learning a variety of skills amongst like-minded, diverse women on a regular basis.

The Institute serves in the community, supports local organisations and helps with fundraising for worthy causes.

Women's Institute gives Women a chance to try new ideas, be involved in their community and make great friends.

For more information about our local Women's Institutes, please phone Gay Bloxham on 027 774 9910 (Lovell's Flat), or Izzy Michelle (Waihola Clarendon).

Friendship Group Update

On Friday 27th October, Ashlea Grove Rest Home invited the Friendship Group for an afternoon of entertainment with Colleen Hosken. Colleen sang many songs with her guitar and we all sang along and did actions with gusto to old favourites like The Hokey Tokey.

Afternoon tea was served and enjoyed by all with lots of chatter and laughter.

Thank you to Ashlea Grove and Kimberley for inviting us.

Year 11 Golfers

Recently the Year 11 PE class travelled to Wals Driving Range in Mosgiel to practice their Golf drives. Each student got a bucket of 35 golf balls and took shots in their own zone. The highlight was being able to have a collection of balls that didn't go too far when everyone put their clubs down. It was a fun and enjoyable experience to end the year with.
