BOT Student Representative Elections Coming Up

Standing for election or voting for their student representative is often the first real experience young people have of participating in a democratic process.

Student representatives have equal standing, voice, accountabilities and voting rights on the board. There is real value in being able to share their knowledge around the board table and they bring different points of view and experiences, which influences better outcomes for the whole school community.

The idea of being a young person on a school board might seem daunting, but student representatives get plenty of help and support to learn about and fulfil their role. The New Zealand School Trustees Association (NZSTA) provides training and learning opportunities, guidance and resources. Many principals and board chairs also take an active interest in supporting students to succeed.

As well as having a voice on how their school is governed, being a student representative provides valuable, real-world knowledge and experience for students.

Kaydence Noye, our current Student Rep will be speaking about her role at the school assembly on Monday 21st August.

More information is available by going to the Student Board Member Video <https://vimeo.com/451727567> or go to www.trustee-election.co.nz

Emails will be sent to all students calling for nominations by Tuesday 29th August and Election Day is Thursday 14th September.

New Jacket Now Available

The new jacket option for the Tokomairiro High School uniform is available at NZ Uniforms. The retail price is **\$110**.

The jacket is a warm, lightweight and waterproof jacket, great for all seasons. This will become part of regulation uniform by winter 2024.

Fun in the Mud at Tournament

At the end of week two, Mr Brown and Year 13 student Lachie MacDonald took a group of Year 7 and 8 boys to the inaugural Southern Otago Zone Year 7 and 8 tournament in Lawrence hosted by Otago Rugby league.

Throughout the day there were four hard fought games but it was a great day with plenty of mud eaten! Unfortunately we didn't win any games but everyone is looking forward to having another go next year.

Thanks to Kylie Stevenson who helped transport, Mrs Winder and Leanne who put it all together and sorry to all the families for the washing!!

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora,

Thank you to those who made contact regarding my article last week. It was pleasing to hear your comments and provide the extra detail you requested.

I would also like to thank the staff, students and parents who attended our Open Evening on Thursday. It is always a pleasure to meet our prospective parents and reveal all the great things we do on a daily basis. Congratulations to the following who were lucky enough to win our \$50 uniform vouchers for next year—

Annalise, Ayson, Oliver and Tui

I had the pleasure of seeing our Year 9/10 Koura Netball team who took out the Lynette Willocks cup for the overall winners of the senior grade 3 competition for 2023. They also won the Browne cup for being the winners of the second round for senior grade 3. I watched a fine performance in the final at the Rec Centre in Balclutha on Friday night. They established a quick lead in the first minute and held on until the end of the game. I must admit to being a little nervous at 14 - 14 but all was well in the end.

One of our goals at the start of the year was to return to normal after the unfortunate effects of Covid 19. We have struggled with industrial action particularly this year but hopefully this will be resolved soon. It is therefore pleasing to report that we are excited to be holding our annual Cultural Competition this week. Staff and students have been working hard and expectations are therefore very high!

Finally, some of our senior students are away earning some NCEA credits while skiing at Coronet Peak this week. Who said school was boring?

Kindergarten Remembers Colin

Over the holidays, an integral part of Milton kindergarten Whānau sadly passed away.

Colin was an incredible man who spent many days in our kindergarten with our children teaching them his incredible woodwork skills with creating cars, aeroplanes and other amazing things. He also loved bringing his friends from Milton Elder Care for a visit where we could all read stories together and perform. He brought his incredible teddy bear collection on more than one occasion and dressed up for teddy bear picnics. He also played the role of Santa, filmed our nativity show and was just an all round amazing bloke.

You are going to be so sorely missed within the community. We are so grateful for all the wonderful memories we have of you and the time you spent in our kindergarten.

At our upcoming Whānau Manaaki AGM on Tuesday the 31st August at 7.00pm at the Cross Recreation Centre, 18 Glasgow Street Balclutha, we are going to be presenting Colin's whānau with a special chair with a plaque on it in memory of such a special part of our kindergarten community to acknowledge his significance to our kindergarten

Hockey Quiz Night A Success!

On Friday night the Toko Tane XI Hockey team hosted a very successful Quiz and Auction night at the Milton Country Club raising close to \$3000 for their tournament in Greymouth. This is thanks to our wonderful community. We were given great support from our local businesses within our district and our families.

There were 16 teams all together who all said they enjoyed the evening, there were 5 rounds of questions, thanks to our quiz master of the night Paul Black. We had raffles prizes and auction items for sale in between each round and our hockey coach Warwick Howie entertained everyone with his hockey questions and spot prizes along with his auction skills. Our families catered for a rolling supper where there was plenty of delicious food shared with everyone. We had some very competitive teams and it came down to a draw resulting in a playoff with the winning Waiholā team the 6 pack.

We also were able to draw our multi draw raffle on the night and big thank you to all that supported us. Tokomairiro - Milton Community you absolutely ROCK!

Multi Draw Raffle results

Daffodil Day 2023

Yes, yes, yes!! It's that time of the year again – the Cancer Society's annual appeal.

Every day 71 New Zealanders are diagnosed with cancer.

The Cancer Society is the largest private funder of cancer research in NZ. They provide support and care services including counselling, transport, accommodation and a helpline to individuals and their families during treatment.

Milton has a great record of helping supply funds for the cause so 25th August is our chance to give to the Cancer Society.

Along with selling daffodils and pens we will once again have a produce stall outside Supervalu. This year we will also have plants for sale.

Can you bake and donate cakes, biscuits, preserves or fresh produce? Do you have spare plants you could donate?

Have you got time to help on Friday August 25th?

New volunteers are always welcome and a meeting of anyone interested in helping out will be held at **2pm on Friday 11th August** at the Milton Elder Care Rooms.

Milton Elder Care Report

After some time I apologise for the delay in doing this report. This year we have had a few changes, but the clients have not lost out too much and are happy (at least no one has complained to me!)

We had a change of co-ordinator during the beginning of the year. Ruth retired and Donna stepped in, before going to work at the Clutha District Council. Colleen said she would be happy to have a go, and was doing a great job until she fell off her bike and broke some bones in her ankle -I think she should have just said she wanted a holiday! Thank you to Suzie for stepping up for the time being and doing a great job.

Earlier in the year we were very lucky to have Pippity Pop, balloonologist come and show us how to make balloons—we were not as good as she was but it was a lot of fun and we enjoyed the afternoon.

We hosted both Clutha Views and Jenny's group. Entertainment has continued with outings also being made once a month. A trip to Ettirck was the last summer outing, and clients were able to get some fruit and vegies from the stalls there. It was a lovely day and all enjoyed it.

Colleen Hosking has been in to sing and is due again soon. A movie afternoon was enjoyed at Donna's home and again at the rooms with chips and drinks. The usual entertainment and games have continued over the winter months, with Housie always very popular.

A very sad loss to us has been the death of Colin Mitchell. He was always there when needed—a great entertainer, caretaker of our building, van driver as well as keeping on top of the van rego and maintenance. Rest now Colin, we all loved you.

This month is our 29th birthday and we are having a High Afternoon Tea on 17th August for clients, volunteers and trust members.

If anyone in Milton is finding the afternoons long, come and give us a try—you will be made most welcome.

The Rebus Club of Milton

Kelly's Kitchen was the venue for the July meeting where members enjoyed great hospitality and morning tea. Thank you Kelly and crew!

The speaker Selwyn Cardno has spent 50 years with St John. He started in Milton when he was keen to do community work and enjoyed it. Back then farm accidents were common. Selwyn didn't have to be knowledgeable as he was under doctors' orders. They were available 24/7. He moved to Dunedin in 1970 where most of the work involved road accidents and medical events. The outcomes were not nearly as good as they are today! The introduction of seat belts and airbags in cars have resulted in much better statistics.

Today, paramedics make the decision whether the patient needs hospital admission. His advice for chest pain was to get help immediately and know how to administer CPR. Keep going until help arrives.

Now all metropolitan areas have employed personnel while smaller towns and rural areas still rely on volunteers. Helicopters have been a boon where access by ambulance is difficult or time is crucial. In the past ambos often had significant back problems but power lifted stretchers are now used. The Fire Service is also on callout so it is a team effort. After answering questions, Selwyn was thanked by Lex Adam and given a gift of fruit.

The next meeting is on Tuesday 15 August at 10am in the RSA hall. Committee members please meet at 9.30am. The speaker this month is Branko Sijnja who will tell us what we need to know about our health. NB This meeting is open to the public. All welcome.

Articles and Reports

The Genesis relies on articles and reports supplied by the community to fill our pages. Please email these to genesis@tokohigh.school.nz so we can share what is happening in our area.

RSA News from the Trenches

Another big weekend was held with a huge crowd watching the All Blacks squeak past Eddie's boys. Highlight of the event was saveloys provided by Marty which was appreciated. Speaking of Marty and I'm not really meant too, but he is running a battery recycle drive on 12th August so if you have any old batteries lying around, give Marty Glassford a ring on 027 2748 232 and he will arrange pick up.

This weekend launched our NPC World Cup Tipping comp with 41 entrants ripping in. Already there is one competitor putting his hand up as he wants to dominate early on. TAB odds have fallen from \$85 to \$2.80 for Kacie Irvine so hope he maintains the early pace. Unfortunately there was a major technical blunder which hindered the 1st round picks. Paddy has paid the price for his ineptness and has now been eaten. He is now replaced by Gilbert the Ram, so he will provide all the gossip for my report.

The Joker Draw is being held on Friday with plenty of tickets waiting to be sold. You may have noticed some parking lines in our carpark this week. This was to solve an issue where some complaints were raised about members ability to park a car.

Finally we have had quite a few queries about the RSA Music Club, it's looking possible but need a couple more members, especially if you can play a tuba or the bongos. Those members mentioned last week commented how pleased they were to take queries. Practice may be Saturday morning 10.45. We're trying to come up with a name of the band which could be FIILK or One Direction, but we may have copyright issues so may have to slightly tweak that one to avoid being sued.
