

Year 7 & 8 HiFos (Hi Form Ones)

Friday saw 87 year 7 and 8 students spend a busy day at Livingstonia Park in Taieri Mouth for our HiFos trip. This was a vital part of our transition into year 7 for our new students. It was great to have the year 8 students come along and continue to build positive relationships and awhi (support) the year 7's in their settling into high school. The students participated in a number of fun activities including a scavenger hunt, beach art competition, frisbee, co-operative group games and art. It was exciting to see the bright colours of the art work laid out at the end of the day. These will be displayed at school for years to come and as a way for our students to connect with our school during their time here. We were so grateful to have some fabulous parents come along and help to run the activities, it wouldn't have been possible without you.

SCHOOL MISSION: Working together to inspire excellence in education, in character and in life.

Tena koutou katoa

Our assembly this week was all about making the most of opportunities within our school and beyond the school gates. Being prepared to look for, and take on, opportunities that come your way is an important indicator of success in school and beyond. Many opportunities do come through the school. During assembly we celebrated the appointment of House Captains and of Peer Support Leaders – both of these are examples of students putting themselves forward to make the most of leadership opportunities. Opportunities are not only within the school gates. Many of our students are involved in community activities which, while helping them develop personally, also support a sense of commitment and pride in the Milton community.

House Captains

This week the members of each House met together to elect their house captains for the year. It was great to see the number of students who put their names forward. Congratulations to the following students who were elected:

House	Captains	Deputy Captains
Ayson	Meg Clark Ryan Maaka	Nic Clark Atiya Fraser
Malcolm	Robert Wilson Alena Johnston	Holly Griffin Mia Flannery
Reid	Patrick Norman Zayde Francis	Sariah Domb Annabelle Philps
Ross	Ben Hutton Regan Roxburgh	Heather West Millar McElrea

Breakfast Club

At Tokomairiro High School we are very lucky in receiving support from the KickStart Breakfast programme, sponsored by Sanitarium, Fonterra and the Ministry of Social Development. A group of our prefects are leading this with breakfast being available in the canteen every morning from 8am. The senior students will attend the breakfast after their morning training sessions at the Recreation Centre. We encourage any students who would like to come along and join them having breakfast – a great way to start the day and prepare for learning. As well as Weetbix and milk there will be toast and milo available.

Outward Bound

Year 13 students Robert Wilson and Zayde Francis both had the opportunity to attend the Outward Bound Mind, Body and Soul course over the summer break. This was a 21 day course with other young people from around the country. Robert and Zayde shared their stories in assembly and both described it as a life-changing experience. Congratulations to these two for being willing to take on this opportunity and thank you to the Rotary Club of Milton for supporting them financially.

HiFos

Last Friday, our year 7 & 8 students had a great day out at Taieri Mouth. It was a day focused on team building and welcoming the year 7 cohort. Thank you to Ms Moodie and the Homeroom team for their organisation.

Year 7 Parent Evening

This is scheduled for **Wednesday 19 February** starting with a BBQ at 5.30pm. Whanau members are welcome to attend and we will provide some activities and supervision for the young ones while the parents spend some time together. This is a great opportunity to get to know the parents of your young one's classmates and to make connections. You will also have the opportunity to meet the teachers of your year 7 student. We should be all wrapped up by 7.30pm.

Student Council

This is an important aspect of our school which provides leadership development for the students. Representatives of each house from year 7/8 through to year 13 are selected to sit on the Student Council. These elections will happen this week.

Clutha District Youth Council

Two of our students, Annabelle Philps and Morganne-Lee Greene represent Tokomairiro High school on this council and last week Annabelle was voted in as Chairperson for the coming term. This is a great honour for Annabel and we know she will be fabulous in the role. Congratulations Annabelle.

House Group Teachers

Your child's House Group Teacher will contact you in the next two weeks if they haven't already done so. Remember that the House Group Teachers and Deans should be your first port-of-call when contacting school. They are there to help your young people in whatever way they can on their learning journey.

Connections With Whanau

We are looking forward to a great year and encourage members of our wider school community to take every opportunity to engage with our school. Our doors are always open and we welcome you into our school.

Let's make this an awesome year. Let's look out for each other, support each other, make the most of opportunities and involve ourselves in the life of the school through whatever opportunities come our way.

Remember, our doors are always open.

News From the Trenches

On Saturday we held our annual Fishing competition in support of local Search & Rescue. While fishing conditions were below par with numbers of fish well down on previous years, it was still a successful day with the following winners:

Heaviest Trout:	Logan Rhodes
Heaviest Perch:	Ryan Cookson
Heaviest Salmon:	Ian Reeves
Biggest Eel:	Marie Smith
Heaviest Jock Stewart:	Tracey Hall
Heaviest Kowhai:	Ryan Cookson
Heaviest Blue Cod:	Gavin Potae - winner of Bruce McLean Trophy
Heaviest Trout:	Ian Goddard - winner Keith Bain Trophy for RSA Members
Dominic Dobson:	junior winner, won a rod donated by Paul Ashley

Moss Cookson winner also junior rod donated by Paul Ashley
Lucky Membership Draw \$500 sponsored by Andrew Haulage – Wendy A

Congratulations to all winners and the local Search & Rescue who have benefitted from close to \$1,900 being raised. Unfortunately, due to smaller offerings available to be auctioned, we had to resort to land-based options which made Paddy a tad nervous, but we also auctioned off 4 massive turkeys.

There was a very lucky incident with boat skippered by Gavin Good, and crewed by Colin Calteaux, Craig Irvine and Evan Jenkins. While going across the bar at Taieri Mouth, they were hit by a rogue monster wave which came crashing down on them, causing the windscreen to smash and the skipper suffering facial injuries, but thankfully with no other damage - could have had much more severe consequences. Also, allegedly another RSA member suffered the embarrassment of his boat becoming unhitched from his vehicle while leaving Milton - surely an ex naval man, would have made sure it was firmly attached.

Finally, congratulations to 2 new grandparents with both Sandra West and now known as Icky Pop welcoming new additions to their families.

Don't forget Handle Club members the blockbuster local derby of Highlanders vs Crusaders commencing at 7pm Friday - drink specials and prizes will commence at 6pm don't be late!!!

Death Café returns

In 2020, The Clutha Budget Advice / Family Works along with Project Bruce jointly hosted the District's first series of Death Cafes.

A Death Café is an informal opportunity to sit down and have a chat about death, dying and everything that goes along with this.

The 8 Death Café's held in Milton and Balclutha in 2019 were attended by over 50 people. Some came to every session and others came to those that interested them the most. Conversations were held about the legal side of dying, Wills, Power of Attorney, alternatives to traditional funerals, bucket lists, advance care planning and making a "When I Die" file. Group members shared stories, ideas and a few laughs.

This year we are kicking off with a conversation about the Complexities of Grief, and future Death Café's will be tailored to meet the group's needs.

If you are interested in exploring your own mortality amongst friends, join us for a cuppa, cake and a chat. The next Death Café is on Wednesday 26 February at 7pm at the Toko Hub.

Milton Senior Citizens

Our meeting was held last Friday and we had 20 members attend. There were several apologies received, as I think some people must still be in holiday mode, the general business was attended to which wasn't very much. The raffle was won by Moira Hastie. As the meeting was very short we had a musical afternoon which everyone really loved. Our next meeting we will have Phyllis Knight from Mosgiel, attending. Some people will remember Phyllis, as she was a Milton girl from Kiness, nee Phyllis Wilkins, she is going to show the embroidery she does on hand towels, face cloths, table cloths and much more. This meeting will be held at 1.30pm on Friday 28th February. Our next committee meeting will be the last of this current committee, on Wednesday 11th March at 10am. The following Friday 13th March is our AGM and prior to that meeting will be a finger food luncheon at 12.30pm Members please think about joining the committee because as they say, "A new Broom Sweeps clean". Afternoon tea was served at 3.15pm.

St John Youth Program

The St John Youth program is one of New Zealand's leading youth program's aimed at teaching kids aged 8-18 valuable life skills and of course first aid skills.

Cadets have the opportunity to earn up to 25+ proficiency badges which go towards their Grand Priors award, an award which is presented on behalf of HM the Queen.

Cadets also have the opportunity to do community service hours which is an amazing way to give back to the community. Among the badge work and community service, there are a range of camps which help cadets build on their leadership skills and earns a rank within the youth program.

The Milton Division meet every Monday night 6-7:30pm at the ambulance station on Eden St. Feel free to come along and join, we are always open to more cadets!!

We are also in need of a couple extra 18+ leaders, if you are interested in helping deliver the youth program and mentor the cadets, get in touch with me and I can answer any questions.

A great turnout this week, another mat was needed – yippee! Biddy Craig, Shona Preddy and Heather came through the evening with three wins and were the winners for the night. Hope they had a replica at the weekend when they went to Wellington. Runners up with 2 wins were Russell Copland, Eunice Benington and Rachel Fegan. In 3rd place with a win and a draw were Stephen Souness, Eunice Benington and Greta Jenkins. Next on a countback with one win were Alex Benington, Raymond Perry and Sharlene Renton with an aggregate score of 21 while Dave Findlay, Jeanne Davidson and Judy's score was 16. Allowing all those other teams to pip them off was Barbara Read, Melva Heads and Chantelle Fegan who had a draw. Great to see some new faces, we'd love to see some more. Don't forget to come along to the Country Club on a Wednesday night – see you there.
