Bruce Stewart Leadership Programme Launched

Above: Stewart Family representatives, granddaughter Lauren Thornhill and son Alan Stewart launch the Bruce Stewart Leadership Programme last week.

Stewart Family representatives Alan Stewart and Lauren Thornhill launched the Bruce Stewart Leadership Programme on February 16th 2021.

In 1955 Bruce Stewart and his best mate Lance Calder had the chance to build a house not far out of Milton. When they started out, Bruce had little idea that 65 years on Calder Stewart would employ a team of over 400.

Leadership takes many forms and for Bruce Stewart it was focused on relationships, opportunities, and believing that "whatever you do, you have to do it properly." His granddaughter and programme manager Lauren Thornhill says that "it's with this in mind that the Bruce Stewart Leadership Programme supports the people from the Tokomairiro region in learning and leadership."

The Bruce Stewart Leadership Programme has two funding rounds each year and is open to current and former residents who seek to further their leadership skills.

Applications are now open via the website:
www.brucestewartleadership.org.

Snails Visit TELC

Our tamariki have always been very interested in bugs and insects, and to foster this, we converted our old fish tank into a snail house. This gave them the opportunity to observe the snails as they slithered about and made their way up the side of the glass towards the lid. The tamariki were fascinated by how the snails poked their heads out of their shell, then immediately retracted them as soon as they were touched. They also used the magnifying glass to view them up close and some even went as far as holding them in their hands. This experience was also used to enhance their oral language skills as they discussed the different body parts and talked about the silky trails the snails left behind, as they slowly glided across the plants. On Thursday this week our four year olds are heading off on our annual Beach and Bug trip to Kaka Point Beach and Earthlore, an insect park near Owaka, where they will have even more opportunities to experience the wonders of the natural world and check out some new insect varieties, as well as having a fun paddle in the sea.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Week Four, Term One

Tena koutou katoa,

Greetings to you all. Our assembly this week was focused on celebrating the success of our NCEA students in 2020 and welcoming our student leaders for 2021. Our House Captains received their badges at student assembly last Thursday and are all set to lead their houses for the first major house event this Thursday.

Athletics Day This event will go ahead on Thursday this week. Wednesday is expected to be wet, however, we are hoping for good weather on Thursday. Mufti is the order for the day with all house members dressing up in their house colours. It is always a fun day with lots of competition. Parents and whanau are invited to come along to support their children and houses.

Skool Loop App Be sure to download the Skool Loop App from Google Play or App Store. Through the Skool Loop app you can send notification of absences, read school notices, receive notifications, sign permission slips and book interviews. If you don't yet have this app, please go ahead and download it – a great way to keep in touch with school and no costs involved.

Family Learning Conferences Thank you to all parents and students who attended the Family Learning conferences last

Wednesday. It was a great opportunity for teachers and whanau to meet together with the young person, identifying goals for the year. If you missed the opportunity and would like to speak with the House Group teachers, please feel free to make contact through email or arrange a phone call.

Parent Teacher Association

We are desperately in need of more parents joining our PTA. The PTA is a very important part of our school and provides subsidy for numerous school activities for students of all levels. Being part of the PTA does not take a huge time commitment. Meetings are usually held twice per term and usually only last an hour to an

hour and a half. The vast majority of our funds are raised through the trail ride. Please consider making yourself available to be part of the PTA – the more members we have the easier it is all round. The first meeting of the year is scheduled for **Wednesday 3 March at 7.00pm** in the school staff room. The PTA are hosting an opportunity for parents to come along and see what happens at a PTA meeting. All parents welcome – come along and chat to some current members.

Toi Ora We are thrilled to announce that we have received funding from the Ministry of Education Urgent Response Fund to continue Toi Ora for the rest of the year. The programme will run every Wednesday after school (3.15 – 5.00pm at the Tokomairiro High School Whare). The programme is led by Clare Healey and Kara Whaley. All members of our community are encouraged to take part. Last week the young people all got to go for a swim at the Milton Pool. This Wednesday the tamariki will be learning to weave. If you have any questions, please contact Kara (kara@tokohigh.school.nz) or Clare (clare.healey@tokohigh.school.nz).

Opportunity for Fathers and Sons We have been sent information about a Pathways to Manhood course. Pathways to Manhood offers a 4 day programme for 13–15 year old boys accompanied by their father or mentor. Navigating the transition from boyhood to manhood can become a powerful one for your son when learning from his father or mentor and other good men in an intentional environment. At the event, manhood in its truest sense is explored and celebrated, and your whole family will benefit from this rite of passage experience. If you wish to attend and have financial obstacles, please contact Pathways to Manhood to see if you are eligible for a subsidy. Also, if you would like to help fund someone in your school community to attend, please contact us to donate, and we will tag the funds for a student from your school. For more information check out www.pathwaystomanhood.net

Healthy School Lunches We are currently looking into the options for suppliers for this programme. All students in Milton schools will be provided with a free lunch every school day. This will begin at the start of term two if not sooner. We will keep you informed.

Our focus this year is on Community – building a strong community within our school and strengthening our connections to our wider community. We are looking forward to a great year.

Nga mihi

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

Challenge Wanaka - Intermediate Challenge

Tokomairiro High School Year 8 students, Lucy Clark (swimming), Pippa Greene (running) & Caitlyn Scott (biking) did really well at the Intermediate Schools Wanaka Triathlon late last week, recording a time of 39 minutes and 31 seconds. They had a fantastic time and are already talking about training for next year's secondary schools triathlon in Wanaka. Well done for giving it a go!

Lucy Clark shares her experience on the road to competing:
 'Two weeks before the 18th February I was told that there was a triathlon in Wanaka. My reaction was pretty average. "Yeah cool I'll think about it" were the words I actually said but I was really excited on the inside. The day before the triathlon we were in Level 2 so I was a bit anxious about what Jacinda Adern would say, (Level 1, Level 2 and so on!). Mum said "Let's go to Roxburgh, listen to the announcement and come home if we are still at a level higher than Level 1. Jacinda said we were back in Level 1!! Mum, Pippa, Caitlyn and I screamed with joy, cranked the music up and headed for Wanaka". - Lucy Clark (Yr 8 Swimmer)

Touch Championships

On Thursday the 11th February, Jaxson Wood and I flew to Auckland with our Otago U16 Mixed touch team to play in the 2021 Bunnings National Championships. We played a series of seven games over the three days of the tournament and although we didn't get the outcome we wanted in most of the games it was awesome to get out there and play a sport that we both enjoy!! It was a really fun experience and we were both very lucky to be apart of it for 2021.
 -Jenna Griffin

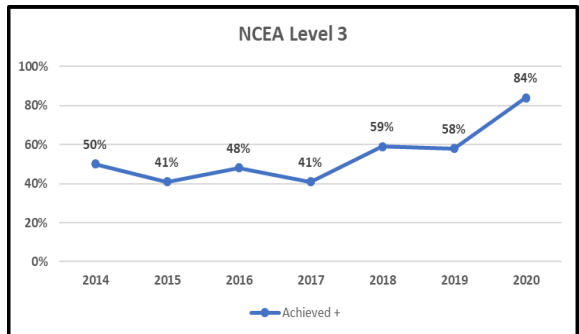

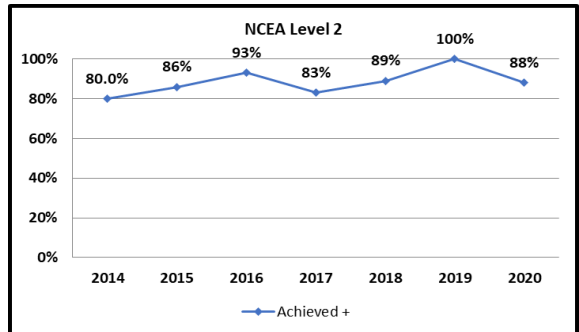

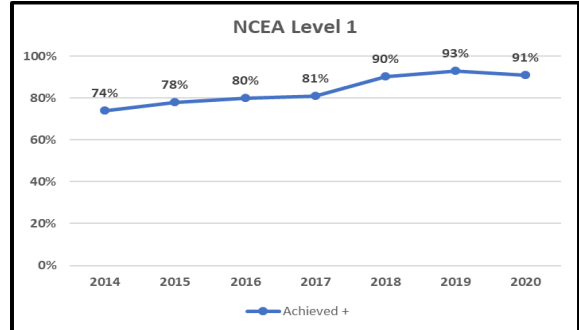

Above: Jenna in action on the field. Above Right: A sprained ankle didn't slow Jaxson down for too long!

Bible Reading for Today

Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. Isaiah 40:30-31

NCEA Results for 2020

Tokomairiro High school students continue to achieve well, despite the difficult year we had last year.

The careful monitoring and supporting of our students has really paid off. Well done to all our young people and a special thank you to the teachers who have supported them.

A Place to Rest in Milton

Stan and Bronwyn Leishman purchased Doug Nesbit Funerals in August 2020. They kept on the full team of staff and have continued to provide high level of service to the South Otago Community. At the time of purchase, Doug Nesbit closed the Milton Lounge (beside the Forum Café). The lounge had been occasionally used for resting Milton people and provided a place to rest the deceased and for Milton families to view.

Since then Stan and Bronwyn have received feedback from the locals about the need for a place that families can go and view their loved ones and spend time with them.

Stan and Bronwyn brought the Anglican Vicarage off St John's Anglican Church and have been restoring it to something of its former glory. Stan has a good relationship with the Anglican Church ladies and has kept an eye on the church and helped with maintenance. In November 2020 Stan approached the St John's Anglican Church and asked them if they would consider allowing their church to be used as a place to rest the deceased and families can come to view and grieve. They were delighted with the concept. This was put to the Anglican Diocese in Dunedin. They signed off on the arrangement.

Since then, four Milton locals have been rested at the church and families have come to view. It has proven to be great success. Stan would like to personally thank Pauline Bacon for her support and enthusiasm of the concept and making it happen.

Year 13 Art Portfolio

As part of their Year 13 Art Portfolios, students were asked to copy the work of an artist. Zial de Montgomery chose to paint in the style of Vanitas, whose work symbolizes the inevitability and certainty of death.

Sports has started!

This week has seen the beginning of sport at Tokomairiro High School, with touch games starting today for both the Junior and Senior teams, and Thursday for the Year 7/8 team. There is a Touch Tournament coming up in March in Christchurch.

Athletics Day is this Thursday. Sign ups were held today, so fingers are crossed for some good weather and great competition! Those that qualify at our Athletics can compete at the Otago Secondary School Sports Association Athletics being held on 12th and 13th March.

Mosgiel AFC Junior Football are taking Registrations for 2021. You can see more information and register online at <http://www.sporty.co.nz/mosgielafcjuniors>

Milton Elder CARE Report

This month has seen a few changes to the programme, but has always ended up with interesting activities.

We have had a couple of members passing on, and we pass on our condolences to the families concerned.

During the month, we had the men go on an outing while the ladies stayed at the rooms having a social afternoon. Our entertainer was unable to come this month, so a survey was taken on what the clients would like to see happening. I hope that everyone knows that not all choices are going to happen!

The trip to the punt was cancelled again due to low river flow. A trip to Balclutha for lunch was interesting and enjoyed by all present. Stan Leishman came and spoke to us and was very informative. The month is closing with a Ladies outing which should be interesting!

Once again, we would welcome anyone who feels lonely at home, and would enjoy the company of others for a few hours a week. Come in and talk to our co-ordinator Ruth, at the rooms Mondays and Wednesdays.

News From the Trenches

This coming Saturday we are looking forward to one of our biggest days of the year with our annual fishing competition. Hopefully we can get fine weather to assist with maximum catches. Don't forget to purchase your tickets as there are some good prizes to be won. Just a reminder, to be eligible for the weigh-in, this closes at 4pm sharp, so don't be late. If you are not entering, come along for a great occasion, as fish will be auctioned off with all funds going to local Search & Rescue - absolutely the best place to grab the freshest fish, ready to be eaten. Lets all get there and try and raise vast funds of money for a very worthwhile cause - they do a fantastic job locally.

Also commencing this Friday, is the Sporting Tipping Competition. Coming up in March are two important dates so circle these on your calendar. The Spud Dig is taking place on 20th March, while the Land Raffle will follow the next weekend on the 27th March - so over the next couple of months, there are lots of highlights coming up.

Just another reminder to make sure you have paid your subs which assist the club moving forward - we've had an excellent response to the on-line payment scheme and we seem to be continually attracting new members.

Waihola/Clarendon Women's Institute Report

Waihola/ Clarendon Women's Institute held its first monthly meeting for the year under COVID 2 restraints on 15th February in the Waihola Bowling Club rooms. Following the Aspirations, President Jeanne Barclay welcomed a new member. Preparations for the Mid Otago AGM in March were made.

Roll Call " My New Years resolution" did not produce any new ideas mainly because they so often get broken.

Because of thick drizzle the "Picnic at the Lake " celebrating Waihola/Clarendon's 69th birthday did not eventuate. Lunch and conversation were held in the club house instead.

Motto: Success is getting what you want, Happiness is liking what you get.

Milton Garden Club Report

"If I'd known how much trouble it was to organise this trip I would never have suggested it," said Jennie. She had urged us to go to see her daughter's friend Marianne Sutton's garden on the Oreti Plains near Winton. It turned out that the second Monday of the month (8th February) was the Waitangi day holiday so maybe the shops would be closed, the bus would cost more and so would the driver or he would not be available. But the Committee sorted it all out and we set off in the Ritchies 16 seater mini-bus with Martin Fletcher as our driver and the overflow riding in the Gillies' Nissan car.

First stop was Clinton to buy lunch and coffees. Next stop was Marianne's gorgeous garden. It is hard to believe that 21 years ago it was a bare paddock. I've seen the photos myself so it is true. Today it is a beautifully set out garden with quirky little touches in every nook and cranny. Some of my favourites were the colourful kiddies gumboots nailed to a board, the figure of a little girl on ancient scales as well as a broken plant pot planted out in a cascade of succulents with a little stone cottage and a fairy nestled amongst the plants. It was inspiring and delightful in equal measure. We all had our lunch outside on the lawn or the deck. Marianne made a selection of muffins, pikelets and cupcakes in case we needed a top-up. Thank you Marianne for a fabulous visit to your wonderful garden.

Novina Yates won the first raffle and Pat Clark won the second prize. Thank you to Alexia Black for choosing the prizes.

On the way home we stopped in Gore to look at the Public Gardens and called into Campbell's Garden Centre where some beautiful green hydrangeas were purchased. All in all a great day and well worth the trouble of organising it. Thank you Jennie McIntosh for suggesting it.

Our next trip will be on Monday 8th March to the Olveston and Glenfalloch Gardens with lunch at the Tuppence Cafe in Waverley. For further information please contact Annette Gillies 021 078 6366 or 4174173.
