## First Week a Success

Our new Year 7 students have settled in quickly to their new surroundings, and have experienced moving between classrooms for different subjects which they are finding very exciting! As well as the core subjects, this term students are learning French, Art, Māori, Technology, Drama and Food Technology.  
Here are a few more photos from their first day.

## School Magazines Available

Students are reminded that a FREE copy of the 2023 Tokomairiro High School Magazine is available from the school office.

Thankyou to the PTA for their support in producing this. Limited copies of the 2021 and 2022 magazines are also available.

**Genesis Deadline** 12 Noon Monday

## Milton Saturday Market Opportunities

The year has got off to a slow start and we're sad that two of our much-loved regular stalls will not be with us any more. Sheila Broderick, who made the beautiful range of "Clutha Delights" preserves from traditional country women's recipes, has passed away; and Mama's Donuts closed their Dunedin shop just before Christmas (the franchise is for sale if you know anyone who'd be interested).

This year to encourage more food producers to come on board the stall fees for them are only \$5 -which covers the donation to the parish for the use of the site. It recognises that they bear more financial risk because of the perishable nature of their products. If stall-holders don't make money they don't come back and without them there is no market.

The market is grateful for the loyal support of some Milton locals and we are ideally placed to attract passing motorists; especially if the weather is pleasant and now the roadworks have moved on. Every week we have someone new selling something different, and we have regular marketeers, like the sausage sizzle, holding the fort. We'd love to see you there!

Word about the market is getting out to the wider area and we regularly get people who've purposefully come from all directions, to check it out and some inquire about having a stall. The market has a website and uses Facebook weekly, to promote stalls.

Free sites are available to community groups for fundraising. The only restrictions are that you can't sell anything illegal or immoral, home-baked goodies are welcome.

Bookings or inquiries to miltonsaturdaymarket@gmail.com or phone 022 457 4616.

### Articles and Reports

The Genesis relies on articles and reports supplied by the community to fill our pages. Please email these to genesis@tokohigh.school.nz so we can share what is happening in our area.

### The Gumboot Hunt is ON!

The horticulture department is on the lookout for some gumboots.

If you have an old (preferably waterproof!) pair at home that you don't need any more, please drop them off to the school office. Larger sizes would be especially useful. Thankyou!

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

## Tena koutou katoa

As we enter our second week of school we have asked the students to start to think about what it is they would like to achieve this academic year. Each student will have different aspirations and we will be helping them to plan how they will achieve their goals. I encourage all our students to talk about their ambitions at home and to think carefully about what the challenges to attaining their goals might be so we can work together to help overcome these challenges when they arise.

Whāia te iti kahurangi, ki te tuohu koe, me he maunga teitei.  
*Seek the treasure that you value most dearly, if you bow your head, let it be to a lofty mountain.*

## Deans for 2024

I am very pleased to announce our Dean Team for 2024.

Erica Milligan - Year 7 and 8 Dean

Carol Bugard and Tim Samson - Year 9 and 10 Deans

Glenn Todd - Year 11, 12 and 13 Dean

We are very lucky to have a team who have a wealth of experience in pastoral care of students and I am certain that they will look after our rangatahi exceptionally well. Please feel free to contact any of our deans if you have any concerns about your child at school.

## Itinerant Music Lessons

On Thursday this week Year 7 to 10 students will have the opportunity to watch the performance from our Itinerant Music teacher. Following the concert students will be able to sign up for individual music lessons. Students will be told how to sign up for lessons during housegroup time.

## Uniform

Last week there were a couple of cooler mornings and we did notice a small number of students coming to school with hoodies. We do not have a hoodie as part of school uniform and therefore we do not expect to see students wearing them at school. If a student needs to wear an item that is not school uniform for a short period of time while an item is being replaced or repaired we do ask that a note is provided and then we can issue a uniform pass.

## Road Crossing Safety

Last week Constable Gordon came into school to conduct road patrol training with our students. This is a very important role in our school as they help to keep our school community safe when crossing State Highway 1. To help them to carry out their roles we ask that if you are driving past the school at the end of the school

day that you keep your speed down and be prepared to stop. We will also be asking that students use the crossing and don't run across the road to waiting cars.

## Attendance

This year we will be having a major focus on attendance. We have been set some high targets by the Ministry of Education. So it is timely that we remind caregivers of the Ministry of Education's guidelines which are:-

## Parents and caregiver expectations:

Ākonga/ students are legally required to attend school every day. Support is available for students of families who are struggling to attend.

- Parents play a big role in helping their child to do well in school. You can do this by making sure your child goes to school every day and letting the school know if they're sick.
- Parents must make sure children are enrolled and attend school every day.
- Family holidays or taking time off for extracurricular activities are not acceptable reasons for being absent.

## What are my legal responsibilities as a parent or caregiver?

Regularly attending school helps students get the most out of their education.

Children must be enrolled in a school. If they leave a school, you need to make sure you enrol them in a new school right away.

You must let the school or kura know if your child is going to be absent for a day, or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure.

You are responsible for letting the school know if your child is moving schools.

Source: [www.parents.education.govt.nz](http://www.parents.education.govt.nz)

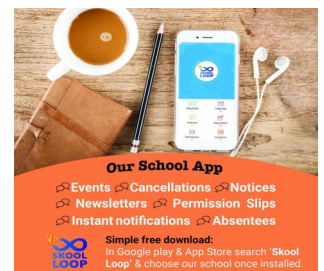

## Cellphones in School

As I am sure many of you will be aware that the government announced that as of term two student cellphones will be banned in schools. The School Board is currently working through how this will look at our school and we will keep you informed. In the meantime, however, students must not have their cellphones out during class time which was the previous expectation.

## Bible Reading for the Week

“Come to me, all you who are weary and burdened, and I will give you rest.” - **Matthew 11:28**

## RSA News from the Trenches...

Another week has flown by as I write this at the RSA on Sunday with assistance from those here.

Plenty to update from last week's column. First up is the RSA is planning on purchasing a horse worth \$80k along with trainers fees of \$30k per annum, we are looking to enter the 2026 Melbourne Cup which may necessitate slight raising of Membership Fees. This will be resolved on 1st April!!!

Also don't forget that our World Famous Sports Tipping Comp kicks off in three weeks so make sure you have entered to claim the crown of The Champ. Straight after that we have our Fishing Comp on 9th March to support Otago Rescue Helicopter. So plenty going on.

Do you remember last week about couple who had parking issues? Their bad luck continued when Mum took someone to Moana Pool and asked Partner 'Have I got enough petrol to get home?' "Of course!" Tony claimed.

Well ,unfortunately she ran out in the Octagon, miles away from any petrol station.

Also we had a member who was given a Horse Tip from Snow who said Horse 14, which he did. Went to RSA hour later and skited loudly as horse flew on as a winner. Unfortunately it was No 13 that won.

I've had feedback from a reader who would prefer I didn't write gossip about members. As you can tell I've ignored this. See you all at the RSA

## Cricket Report

In the Battle of Milburn, the Waihola Swans triumphed over the Milton King Crabs by a 94-runs in their recent clash held at the Crab Grounds in Milton. Opting to bat first, Waihola posted a total of 197 runs for the loss of six wickets within their allotted 40 overs. Rowan Craw, led the charge with a splendid knock of 68 runs, showcasing his excellent form. Brad Williams provided valuable support with an unbeaten 39 runs, despite briefly leaving the field due to a heavy blow on the elbow while at the non-striker's end. Contributions from young talents Ryan Clark (19) and Lachie MacDonald (17) also bolstered Waihola's innings. Jamie McSkimming stood out among the Milton bowlers, claiming three wickets for 30 runs in his eight overs.

In response, Milton struggled to get their innings going and found themselves in early trouble at 13 for four wickets. However, the team showed resilience, forging key partnerships in the middle order to salvage their innings. Despite their efforts, Milton was ultimately bowled out for 103 runs. Phil Scott (25) and Corey Bradley (20) were the top scorers for Milton. Waihola's bowling attack, led by Jared Hayes and Ryan Clark, delivered an exceptional performance, with Clark finishing with figures of four wickets for 12 runs.

This Saturday Milton travel to Clutha Valley and will be looking to beat Valley twice in a row and keep their semifinal, chances alive.

It's a big weekend for Waihola with their Speed Shears fundraiser on Friday night and playing Kaitangata at Milton on Saturday. A key battle in terms of how the top four will look with three games remaining. It's also a milestone game for Dylan Bungard playing his 100th game, be great to see another good crowd.
