Students Celebrate Achievements

Friday the 3rd November saw a celebration after a year of some amazing work at Otago Polytechnic.

Three of our students attended this year. Analise Scanlan gained a Level 2 certificate in Beauty Therapy along with 16 other students. Two of our boys, Phoenix Dobson and Jamie Keoghan, attended the Level 3 construction course two days a week and gained some great experience building a two bedroomed home.

Jamie was also awarded the tutors award for the construction course. All of these students should be proud of their effort, commitment and achievement at Tertiary level.

Above: Phoenix Dobson receives his certificate from his tutors.

Health Coach and Community Support Worker

The Health Coach and Community Support Worker is a free service open to all Milton Medical Centre patients (18 years and over).

It provides support for our patients to understand healthy choices, long term health conditions, action planning and goal setting, or to increase their independence and connect you with other services.

Laura is happy to talk with you about your wellbeing and how you can feel more confident to look after your own health. If you would like support to make some changes in your life, build your health management skills or understand your health condition better, you can ask to see Laura when speaking to your GP or phone reception to book an appointment.

Laura is taking registrations for those interested in joining a walking group. This will be held every Friday at 11am for 30 minutes, and is suitable for all fitness levels. To sign up text Laura 027 268 7574 or register at the Milton Medical Centre.

Genesis Deliverers Wanted!

Are you looking for some extra pocket money, a bit of exercise and a way to give back to your community?

We are looking for deliverers to join our waiting list for 2024. You must be reliable and available on Wednesdays for deliveries, including during school holidays. Please email genesis@tokohigh.school.nz with your name and contact details and we will be in touch!

Time running out to get raffle tickets - we need your help!

Hello everyone, hopefully you have seen the Suzuki Swift around Milton or at events recently.

It is first prize in our raffle, a major fundraiser for part of the \$2m we need to contribute for our new pool. We have been busy selling tickets, both online and hard copy but there are still many to be sold and we need your support. Tickets must be sold by the 10th December and the raffle will be drawn on the 13th December, so time is running out to get a ticket. We need your assistance to both purchase tickets, but importantly share with family and friends around the country.

There are 3,000 tickets and four prizes so a 1 in 750 chance of winning something, amazing odds. First prize is the Suzuki Swift, second prize a NCM Moscow Plus E bike, third prize a Queenstown adventure package and fourth a night at Cascade Creek Retreat.

Thank you for your support,
Bruce Community Facilities Trust.

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

As we enter into the second half of term four I find it astounding to think that we are heading very quickly to the end of the school year. As we cast our minds forward and start to plan for 2024 it really doesn't feel like 10 months since we welcomed our Year 7 students into our kura.

I would like to thank everyone who took the time to complete the feedback forms. These have now been collected and will be analysed by the School Board and used to help determine the future direction of the school.

NCEA Exams We are now in the second week of NCEA exams. It is really pleasing to see a number of senior students coming into school to ask for extra help and using the time to prepare for the exams thoroughly. So far the feedback from the students and the staff has been that the exams have been fair and students have felt quite confident about their performance. You may also have seen in the press that there were some technical problems seen around the country with the NCEA English Level One digital exam last Friday; I am relieved to report that in the main our students were not affected by these difficulties.

Teacher Only Day On Monday our staff attended subject cluster days along with teachers from other schools in Dunedin. The feedback was very positive from many of the curriculum areas. Staff are on the whole feeling a lot more confident about the changes that are happening at NCEA Level One next Year. At this moment in time the changes to

NCEA Levels Two and Three will not be implemented until 2026 and 2027 respectively.

Subject Choices Year Eight and Nine students have been issued with a course booklet for 2024. Last week students heard from the teachers in charge of subject areas and were able to ask any questions about the modules. Students will need to make their subject choices on the portal and have been sent a video to show them how to do this. If there are any questions regarding the courses please do not hesitate to contact us.

Health Curriculum Survey On Friday we are sending out an email to caregivers with our proposed Health Curriculum for 2024/25. Please read over our draft plan and follow the link to complete a short survey. The more community voice we receive, the better so we can tailor our programme to suit our rangitahi.

End of Term Activities We are busy preparing for the final week of term. We will be running some activity days on Monday 4th, Tuesday 5th and Wednesday 6th of December. Details will be shared with students and caregivers soon on what these are. Thursday 7th December will be the final day of the year for all students.

Visiting Authors On Thursday we are very excited to be welcoming two visiting authors to our school. All Year 7 and 8 students as well as some Year 9 and 10 students will listen to the authors. This year we are welcoming Sonya Wilson and Michel Mulipola. Sonya is an award winning author who wrote 'Spark Hunter' which is an epic adventure story set in one of the last great wildernesses, Fiordland. Michel is a self taught Samoan comic book artist who lives in Auckland. Not only does Michel illustrate books but he is also a cultural consultant for Disney. I am sure that our students will find both of these authors inspirational and I am looking forward to hearing from them.

Orientation Morning On Monday 20th November we are looking forward to meeting all of our 2024 Year 7 students. They will be spending the morning with us to be able to have a taste of what high school will be like. During the morning all Year 6 students will have the opportunity to ask questions from either staff or our current students.

Overdue Library Books

A reminder to Parents and care givers that if your child has books that are overdue from the Tokomairiro High School Library, they need to be returned now. Lost and unreturned books cost the school a great deal of money to replace and reprocess these items. It also means that other students are denied access to these items for their reading and study.

Many students have been reminded repeatedly to return overdue items. The collection of these items also helps with end of year stock taking.

Please remind your child if they have items at home or stored in classrooms to return them as soon as possible. It is their responsibility to let the library know if books have been lost or damaged. The next step is to send out individual book lists and an assessment of replacement costs.

The Rebus Club of Milton

The guest speaker for the October meeting was Carlee McCaw who grew up in Milton. Her grandfather, John Hyndman, started beekeeping and has made a name for his honey. Her dad was a social worker but changed to beekeeping after marrying John's daughter Celia. The clover honey produced won many national awards.

Carlee went to university to study theatre and psychology but had a growing fascination for flying. She met her husband Tim (also a pilot) and together they spent four years working in Botswana and Namibia. After an accident causing a spinal injury, she was told she wouldn't fly again but 10 months later she was back at it! Back in NZ she worked as an Air Ambulance pilot which she continued during Covid. Tim however was on semi paid leave and had a taste of outdoor work which he enjoyed.

A move south to Milton and buying into the family honey business has given them new challenges and with Dad's help, the business is growing. In their first year entering the national competition they won the gold medal for the clover honey and just missed out on the supreme award. Their honey can be purchased at their Milburn apiary and at the stall by the hall in Waiholo. Carlee brought along samples of their different types of honey which members were keen to buy.

Carlee's power point presentation and live commentary was much enjoyed. She was thanked by Noel Aitken and presented with a gift of fruit.

The next meeting is on Tuesday 21 November at 10 am in the RSA hall. The speaker is Colin Brown who will speak about his development of TracMap and his involvement in other ventures. Committee please meet at 9.30 am.

Bible Reading for the Week

"For the grace of God has appeared that offers salvation to all people - Titus 2:11"

RSA News from the Trenches

A brief report this week as Private Pike has been struck down by the dreaded Covid and is feeling decidedly below average.

Girl Power lives on!!!! The winner of our World Famous NPC and World Cup Tipping Comp for 2023 is Andrea Brown who ignored everyone's helpful advice and reigned supreme. Second was Brendan Sheath and Lammy Moana was third. No more Kings, long live the Queen. A top night at prize giving was held on Saturday night and huge thanks to Big Dog Nick McKay who handled the high pressure adjudicator with ease.

No more stress for a couple of months until our Super Rugby comp kicks off in February. Looking at including local club rugby matches and ditching some other less popular games. Also on Saturday marked Armistice Day and there was a good turn out for this very important occasion.

Just be careful out there, Covid is ramping up at present and speaking from experience, it's worse feeling I've ever had. Energy levels are low so hopefully a better report next week

John Bertrand Collectables Are Buying in Waihola and Milton Next Week

Once again, the gold and collectables buyers from Wellington company John Bertrand Limited are visiting Waihola and Milton next week. Mr Tony Grant from the company says, "If you are downsizing or wanting to dispose of things because they no longer serve any purpose to you or your family bring them in." "Next week will be a great opportunity to have any items you want to sell assessed by our buyers" said Mr Grant. Particularly wanted are Gold and Silver (in any of its forms) and Collectables such as Coins, Banknotes, War Medals, Old Wind-up Watches and other interesting Small Collectables.

"We are keen buyers, especially of the items in the list below" said Mr Grant. "Nothing is too small for our consideration. We are just as happy buying 1 item as we are buying 1,000 items" he said. The buyers will be in convenient locations in Waihola and Milton next week. (see details below). As Tony Grant points out "If you are in doubt about any items you may wish to sell, bring them along for an instant appraisal."

Mr Anthony (Tony) W. Grant

Fellow of the Royal Numismatic Society of New Zealand Incorporated
Director and Buyer
John Bertrand Collectables Ltd
Author of the John Bertrand NZ Coin & Banknote Catalogue

Gold & Silver At Near Record Prices

During these uncertain times we have seen a sharp increase in the price of precious metals. The gold price in New Zealand is at near record levels so gather up all your unwanted items and take them along to the buyers. Tony Grant says "We can buy old gold items in all forms, including Jewellery (Rings, Chains, Brooches etc), Coins (Sovereigns and the like), Alluvial (River Gold), virtually anything, even Gold Teeth! We also need all Sterling Silver including Cups, Tea Services, Cutlery and Old Coins" he said.

Some Big Dollars in Early Banknotes

Early New Zealand Banknotes dated before 1932 are currently fetching big money! This is according to Mr Tony Grant, author of the *John Bertrand New Zealand Coin & Banknote Catalogue*. Mr Grant is in Waihola and Milton next week on a buying trip for John Bertrand Collectables Ltd and would be very keen to see any of these issues. "We will pay at least \$300 for any undamaged Ten

Interesting Small Collectables Wanted

The buyers from John Bertrand Collectables Ltd, visiting Waihola and Milton next week, are happy to look at any interesting items, for example vintage pocket and wristwatches such as Rolex, Men's Omega, Breitling and Gold Watches etc. Also wanted, pre 1950's picture postcards, Maori and Pacific artefacts, old fountain pens and other small antique or historical items.

"If you have something unusual which you would like to sell, please bring it into one of our venues, we would like the chance to at least have a look at it" said Tony Grant, buyer for the Company. "We will consider anything which may be of interest to a collector" he said.

Collectors Need War Medals

Currently, throughout NZ and the world there is a big demand by collectors for war medals. These cover all wars right through from the New Zealand Land Wars and the Boer War, to the First and Second World Wars and the later Korea and Vietnam conflicts. New Zealand Servicemen and Women first served overseas in the Boer War in South Africa around 1900 and the war medals awarded for this service are needed by the buyers, as are any other Medals from early New Zealand and the New Zealand Wars.

General service medals from both the First and Second World Wars will also be purchased, but as can be imagined these were awarded in fairly large numbers. "If a group of medals has any special award for bravery such as the Military Medal, Military or Flying Cross or other medals for Distinguished Conduct or Meritorious Service, these can add great value to a group" stated Mr Tony Grant, buyer for John Bertrand Collectables Ltd. "Many families have old medals, some dating back to early Imperial days, that they are not sure what to do with. These are better off in the hands of collectors who will look after them. We will be happy to look at any war medals whatsoever, just bring them in to venues" he said.

Old Coins Can Toss Up a Rarity

Do you have a bunch of old coins sitting around in your drawers and cupboards? You just never know what rarities may be lurking there. The advice from Tony Grant from John Bertrand Collectables Limited is to "bring them in and let us have a look". "No need to sort anything out just bring them in 'as is' and please don't clean them! We can go through coin accumulations and collections fairly quickly" he said. The buyers are particularly keen to buy pre 1946 New Zealand Silver Coins for at least 10 times their face value (more for quantity). "In any event we will buy All Coins," said Mr Grant.
