Mind, Body and Soul Challenged at Outward Bound

Last month we attended the Outward Bound 21 day Mind, Body and Soul course. It was such an amazing experience! Every day was different and pushed us beyond our limits. It made us face our fears which is why this course was so great. There were a huge amount of activities and some of our favourites were kayaking and sailing. But coastering, where we climbed around rock faces, jumped off 10 metre high cliffs and got bashed around by the ocean, was our ultimate favourite. Outward bound teaches you a whole new way of living where you are pushed to your limits (mentality, physically, and emotionally) with non-stop challenges being thrown at you.

We can not recommend this course more highly and hope that others in our school community enjoy it as much as we did.
-Alena Johnston and Kyerah Smith (Year 13).

Left: Alena Johnston (centre front) and Right: Kyerah Smith (front left), with their groups at Outward Bound.

Be an Upstander

In a bullying situation, an Upstander is someone who recognises when something is wrong and does something to make it right. If an Upstander sees or hears about bullying, he or she will do something about it. This could mean stopping the bully, reporting the event, or otherwise helping the victim even after the fact.

On the other hand, a *bystander* is someone who sees bullying happening and does nothing to stop it. People who laugh at something mean a bully says, or don't say anything when they see bullying happening, are bystanders. By doing nothing, the bystander is negatively contributing to the bullying situation.

We understand that there are many reasons someone may not be an Upstander, they are often afraid of retaliation or that their own group of friends will exclude them. However, with our Upstander initiative we can help these people make a confidential report if they see something that isn't right in our school community. These reports are only seen by the Guidance Counsellor, and he will meet with you prior to taking any action, in most situations people will not know that you have spoken up if this is what you prefer.

While school wifi has been turned off for students' phones, the form is still accessible from home via their phones and on Google Drive at school with their Chromebooks. So, please encourage your young person to be an Upstander against bullying in our community and become part of the solution.

**SCHOOL MISSION: Inspiring Excellence
in Education, in Character and in Life.**

Tena koutou katoa

It has been lovely to see the sunshine this weekend but the weather last week was a timely reminder that winter is just around the corner. Hopefully we will have a mild winter but if it is necessary to close the school due to snow, we will communicate with you as quickly as possible. We will post on Facebook as well as send out a notification on the Skool-Loop app. Last Friday was Pink Shirt day and we wanted to do something a little more in depth than a one-off mufti day for this cause, so we are having 'Pink Week.' Unfortunately, it was impossible to fit this in last week, due to other events, so we made the decision to have 'Pink Week' this week instead. There will be competitions, for the students, running during the week and the week will culminate in a mufti day on Friday 28th. I can't wait to see how creative the students will be with their outfits on Friday.

Konukawata Putaiao - Science Fair 2021

The quality of entries this year was very high. I was very impressed to see the range of interesting topics that students had chosen to investigate, from 'The Effectiveness of Different Face Masks' to 'How Historic Buildings are Affected by Water'. In total 21 Year Seven and Eight students, and 18 Year Nine

and Ten students attained the top Platinum Award, which is a fabulous effort. It was also lovely to see parents and caregivers taking the opportunity to look at the entries during last week's Parent-Teacher meetings.

East Otago Sport Exchange

Last Thursday, 60 students represented the school at the East Otago Sports Exchange. The students had a great day and showed lots of sportsmanship; they had a number of wins but unfortunately, we came second overall on the day.

Parent - Teacher Meetings

It was lovely to see so many parents at the interview evening last week. It was a particularly wet and cold evening but the conversations that were had were warm and all of the teachers truly valued the meetings. Please remember that if you couldn't make the evening and want to discuss anything with your child's teachers, please contact us.

Junior Curriculum Review

On Wednesday 26th May there will be a hui in Te Whare at 6pm. The purpose is to hear from parents and caregivers about what they feel is important in the Year Nine and Ten

curriculum. We will be presenting some interesting curriculum ideas from other schools around the country and then discussing the ideas. It is very important to us that we consider the thoughts of caregivers when making any changes to the curriculum. If you can make the hui then please come along and share your ideas with us.

Open Evening

On Monday 21st June we will be holding an Open Evening. This is an opportunity for prospective students and parents to look around the school and ask questions. The evening will start in the school hall at 6pm.

PTA Annual General Meeting

At the PTA Annual Meeting last week Lynne Johnston was re-elected as President. In her report Lynne stated that the PTA had contributed over \$25,000 towards the students of Tokomairiro High School. The money has been used to subsidise all of the camps and trips that students enjoyed during the year as well as buying resources for the school. This is a huge amount of money and we are extremely grateful to the parents in our community who are part of the PTA. We could not afford to give our students all of the opportunities they have without their support. As always, the PTA is open to new members so please feel free to come along to the next meeting on Wednesday 30th June.

Year 11 Careers Expo

On June 9th all Year 11 students are invited to attend the annual Careers Expo in Dunedin. With over 40 exhibitors, this is a fabulous opportunity for students to explore a variety of possible career options and tertiary study providers. We hope that all of our Year 11 students take advantage of this opportunity. All students in year 11 have been given a green consent form; these need to be completed by parent/caregiver and returned to the School Office as soon as possible so we can book places this week. If you have any questions please feel free to contact Gill Ferguson.

Friday 9th July	End of Term two.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered free to your letterbox from Tuesday 4pm to Thursday 6pm.

Project Bruce Potatoes!

Project Bruce has been extremely lucky to be able to establish a garden for the benefit of the community at the back of the showgrounds. The garden space has very generously been supplied to us by the South Otago Heritage Society, who lease the land. Originally, local man John Goldsworthy worked the patch to provide potatoes and veges to the community, so when he passed away in 2019 the Heritage Society asked if we would like to continue

the garden that he had begun.

We now have a number of raised beds (which our fantastic volunteer Dylan manages!), an orchard and about an acre of beautiful potatoes grown from seed donated by Kowhai Bush. We have picked up some of the potatoes, but still have three or four harvesting sessions to go. These potatoes are available from the Hub and through community groups, but we would LOVE people to head down to the paddock when we are digging them up to fill a bag to take home on the day! This saves double handling and is heaps of fun! As we are at the mercy of the weather, we advertise the time of the dig the best we can and it's always on our Facebook page. Hope to see you there next time!

TELC on Spenser News

It's been a busy few months here at Spenser Street and our tamariki have been making the most of the opportunity to get outside and explore their environment. We have been very fortunate to receive a \$1900 grant from the Mazda Foundation, which has allowed us to purchase an outdoor jumping mat to develop risk taking and physical skills in our tamariki. We also used these funds to purchase construction type resources and child sized carpentry tools, which assist in the development of their fine motor skills.

Above: Leo and Henry using the new carpentry tools.

The outdoor environment will be upgraded in the coming months, following the receipt of a \$2000 grant from the Lions Club of Milton. These funds will be put towards the cost of building a small retaining wall, installing a water feature and planting native shrubs to enhance the visual appeal of the area. Last week we also received notification that we have been granted \$1500 from the Otago Masonic Charitable Trust to purchase new play equipment for our tamariki including construction sets and items for the family play area. We are extremely grateful to all three organisations for their generosity and allowing us continue to make improvements to our outdoor area and purchase new resources to enhance the types of experiences we can offer our tamariki.

Last week we participated in Pink Shirt Day, with the teachers and our tamariki dressing up in pink to raise awareness of preventing bullying and celebrating diversity through promoting kindness and inclusiveness. This is an area that we actively promote to our children and it is reflected in our centre philosophy and values.

We have recently had Rebecca Walker join us and the kaiako, tamariki and their whanau are very pleased to have her become part of our centre community. We have also had Tylah Whakatihi and Sadie Hall graduate this month and head off to school. We wish them both all the best for the next exciting stage of their learning journey.

Graduates Tylah (above left), and Sadie (above right).

East Otago Sports Exchange

On Thursday 20th May our annual sports exchange with East Otago High School took place at the Edgar Centre, Dunedin.

The sports played were touch rugby, basketball, netball and futsal. It was great to see our students demonstrate our school values of Excellence, Responsibility and Respect both on and off of the court.

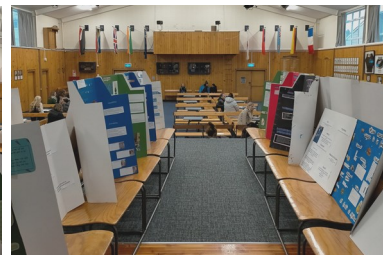

I would like to make a special mention to our Year 7 and Year 11 teams who won the majority of their games. Despite our best efforts the trophy remains at East Otago for another year.

A big thank you to all the parents that came along to support our students from the sidelines as well as Miss Flockton, Mr Tupa'i, Mr Reddington and Miss Cowie for umpiring and, of course, to Leanne for making the whole day run smoothly.

Science Fair Display

This year's Science Fair entries were on display in the hall during last week's Parent-Teacher Interviews, giving parents and whanau the opportunity to have a look at the range of topics and the amount of work that had gone into them.

RSA News From the Trenches

Sergeant Smith reporting for duty after the retirement of Private Pike and his trusty courier pigeon, Paddy. The Milton Bruce RSA would like to thank them both for their years of loyal service, their wit and dedication will be missed - all the best for a retirement filled with quiet contemplation and many cold beverages. Thursday nights at the RSA continue to be a great social evening with lots of laughter and good conversation had by all. Members, come on down for a Thursday debrief and lucky membership draw at 6pm. You can discuss this week's mission and plan next weeks. The Joker draw is growing nicely with one member having his fifth attempt at trying to turn the right card to win the cash prize - lucky for the rest of us he was unsuccessful. It could be your chance this week so members come along and try your luck. A Whiskey & Wine tasting event is coming up with a date yet to be confirmed, I'll listen a bit closer to my wireless and see if I get a date for you soon. The next Clay Bird Shoot is being held on 30th May, sorry I can't make this however I'm sure those attending will shoot straight and enjoy themselves. The Handle & Wine Glass Club is still occurring every Friday night from 6pm to 8pm, a few games of darts are played by some while others debate what's happening both in our big city of Milton and around the world. I have heard a few rumours regarding what's going to be served up at the Wild Food Night on 12th June so if you would like to share your favourite recipe or just sample others come along with your knife and fork. The RSA welcomes new members. We are open every day with friendly bar staff and smiling members always there to make you feel at home. Have a good week everyone and make sensible decisions.
- Sergeant Smith.

Blazing News

The Watchroom welcomes our newest recruit, James (Jimmy) Agnew into the crew at Milton as a Fire Fighter. Joining on the 24/10/19, he undertook training with the Milton team while waiting for some normality to resume after Covid19, before flying up to Rolleston to complete a seven day recruits course. This is a challenge of not only recruits skills, but also their psychical and mental ability to cope under pressure. After expanding some of the obstacles with his shoulders to get through, Jimmy passed with flying colours and some high praise from his instructors.

"The obstacles were not designed for a beast like Jimmy", was one report.

James works for Gamble Forest Harvesting, is a keen rugby player and enjoys the odd round of golf. We look forward to seeing his competitive side as he has joined our Waterway and Road Crash Rescue competition teams.

Congratulations James on becoming a valued member of our team and giving up your time to protect and support your community

Until next time, stay safe and be Fire Wise.

- Watchroom

James Agnew receiving his Fire Fighting Helmet from CFO Robbie Philip.

Toko Rugby Report

Toko rocked up at Owaka Club in fine conditions with the hope of denting local celebrations and building on good previous performances. Recent history dictated that this would be a close game and it certainly didn't disappoint. The first half was a tight bruising affair with little to separate both teams as they looked to play entertaining rugby underneath glorious conditions and a try each early on. Owaka scored a second try but at the end of the half Bradley Frost kicked a penalty, to close the gap to 12-10 Owaka narrow halftime lead. This half didn't give any indication to the drama that was to unfold in the second half – those with a nervous disposition, had better stop reading here.

Owaka looked to increase their dominance at the start of the second half but a four tries to Toko looked to give Toko an advantage to score their second win of the season. Ill discipline and a rash of penalties gave Owaka a chance to grab a victory and when they scored in the 78th minute a converted try, looked to have the winning of the game as they snuck ahead 33-32 with time virtually up. Toko lifted up another gear and looked to gain possession and territory with the clock ticking loudly and the local crowd feverishly wishing for the full time whistle. In their haste to gain the ball and kick it out, Owaka conceded a penalty 35m out and up stepped Bradley Frost. A deathly hush fell over the ground as both supporters prayed for two different scenarios. Bradley lined up, the ball left his foot and sailed.....BETWEEN THE POSTS!!! An exciting 35-33 victory! Pandamonium ensued with Toko players and supporters going crazy in celebration. What a match!

Milton Senior Citizens Club

On 21st May, our Senior Citizen's members enjoyed many varieties of homemade soups, bread and buns followed by delicious apple shortcake, rice pudding, fruit salad and trimmings for lunch.

Our President, Olive, opened the meeting and welcomed our visitor. The secretary read the minutes of the previous meeting which was followed by the treasurers report. The raffle number was read out and lucky number 10 (Ngairi) won a beautiful try of fruit.

In general business, Maureen thanked Senior Citizen's for a get well card she had received. The meeting closed at 2:10pm and was followed by a game of Housie then afternoon tea.

Acknowledgement

Acknowledgement

AGNEW, Susan Margaret (Suzie)

Tiny, Wendy and extended family would like to extend their sincere gratitude to all our wonderful family, friends and staff for the love and kindness given to us on the sudden loss of our dearly loved Suzie.

To the wonderful people and the local businesses for the lovely visits, flowers, food and cards these were so much appreciated. The lovely golfing ladies past and present for all the food to keep us going and brought so much comfort during our loss of Suzie, and the fantastic afternoon tea you provided after the service. It just shows how much everyone cared for Suzie.

To Stan and Raewyn from Leishman Funeral Services for the love and respect shown to us and the care you gave Suzie, fantastic.

Pinky - our wonderful cousin who flew from Wellington to officiate at Susan's service - words are just not enough. Big love and hugs.

To Janice and Anne for being with us on one of the hardest days of our life. Truly, thank you and big hugs to you both.

To everyone who have supported us through this sad time please accept this as a personal acknowledgement as there are so many of you to thank.

Thank you and love to everybody.

Clutha District Community Service Award

Clutha District Council **Nominations Are Open**

Do you know of a group, individual or young person working hard in your community?

Nominations are open for the Clutha District Council 2021 Community Service Awards.

The awards will be in three categories:

- **Individual Awards** – in which people can nominate an unsung hero in the Clutha Community.
- **Youth Spirit Award** – for a Year 13 student who has greatly contributed to their school and community during their time as a student.
- **Community Group Awards** – for groups which have carried out projects in the past 12 months.
(Youth Spirit and Community Groups can self-nominate.)

For details of prizes and categories and a nomination/application form, please go to

<https://www.cluthadc.govt.nz/community/community-service-awards> or contact Karen Piercy, Clutha District Council 03 419 0200. Forms are also available at your local service centre.

Applications/Nominations close Monday 31 May 2021.
