Year 9 Camp -Tautuku

On the last week of term the Year 9 and 10's set out for their Tautuku adventure camp. On a beautiful Catlins day the adventure began with a bush walk, abseiling at King Rock and a very muddy mud run! The students took all activities in their stride, kayaking and traversing their way through the local surrounds. A beach side bonfire toasting marshmallows, and an epic game of spotlight complete with walkie talkie armed adults 'hunting' the kids were among the highlights. The students and adults thoroughly enjoyed themselves and returned tired enough but smiling. Thank you to Mr Sinclair for all his planning and making it possible. (More photos on page 2)

Tokomairiro High School Ball

The school ball at the end of last term was a massive success. The food was delicious and the decorations looked fantastic. On behalf of the THS ball committee, I would like to thank all of you who helped with funding, setting up the night and all who participated on the night. A special thank you to the local companies who helped make the night a success. - Will Scurr, Chairperson

Bible Reading for the Week

"For the kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit." - Romans 14:17

Lego Prize Winners

A small but wonderful group of creators gave up their free time and got involved in a LEGO film competition run by the Brick Show, Dunedin. In the middle weekend of the holidays, they went to visit the show and pick up the third place award in the intermediate category for their film trailer *The Dragon Realm*. To watch the video, go to <https://drive.google.com/file/d/1oBzUGmF4ws5cntYzPpLBWPP93I95vxY5/view?usp=sharing>

It was lots of fun and thanks go to Tyrese, Hunter, Fletcher and Jayden for putting in the hard work.

RSA News From the Trenches

Plenty of action down at the RSA this week. The concrete pad has been laid with help from experts, which is looking good, and finished off on Saturday. Even assistance from Calder Stewart's first apprentice in regard to the height of the concrete boxing was a topic of discussion. There was slight disruption while concrete firmed up, but nobody over balanced causing an indentation, so another success. Speaking of success, our NPC Tipping Comp wraps up this week with from what I understand a tight contest with about up to a dozen candidates still in contention for the prizes. The date has been decided for the prize giving which is Saturday 12th November, which promises to be a huge night of celebration, so make sure you are there, to be crowned Supreme Tipping Champion.

Also upcoming on Sunday 6th November RSA will be receiving visitors from Tribal Nations Motor Cycle Club with possibly up to over 100 motorbikes turning up for a ride. These guys do a fantastic job raising funds and awareness of various charities around NZ.

Also don't forget to grab your spud for your entry in Spud Dig. Plenty of entries already, so make sure you grab the best seed spud to grow the biggest crop.

I've heard an incident concerning one of our members, sliding off a roof with a leaf blower, luckily no injury occurred, as the member was saved by his belt buckle on the spouting which was fortunate.

Finally below Paddy overheard this conversation between Icky Carruthers and Bert Pringle on Sunday. Icky told Bert he had bought a greyhound. Bert asked "was he racing it??" Icky said "No, it's faster than me!!!! For more jewels like that, you have to be at the RSA..."

Women's Institute Awareness Month

October is Awareness Month on the Women's Institute Calendar each year.

The Founder Miss Jerome Spencer began this movement in N.Z. and a statue in her honour is now standing in Napier. Each Federation received a Kowhai tree to plant and Naish Park in Balclutha now has one with a plaque. The values, friendship and teaching she shared over the years are still relevant today. Whether living in a city, town or rural area there are groups of this organisation for people to join.

South Otago Federation is made up of six Institutes. A recent Friendship Day was held at Romahapa with a Royal theme for the day with competitions, a quiz, and a heart-breaking recollection of a young lady's kick from a horse and recovery during Covid lockdown, market table and presentations. All these activities made for a terrific time of joining together in W.I. Friendship.

Lovells Flat W.I. Belongs in the South Otago Federation, Waiholo also have a group in the Mid Otago Federation. Each group meets monthly with varied activities. We support Alzheimer's, Life Education, knitting for the Cancer Society and new babies, Women's Refuge and the local Hub with donations of personal care items and gifts for children at Christmas.

Meetings are less formal nowadays, community being important, sharing ideas, speakers or demonstrations also. Lovells Flat members past and present celebrated 90 years recently with a meal at the Kink in the Road, with Waiholo member Dorothy Clark cutting the cake. She recalled joining Lovells Flat as a young bride and continues to support the organisation.

If you wish to know more or have a wish to join contact Bronwyn Alexander on 03 417 7107.

Tokomairiro Community Hub News

It's great to be rejoining the team @ the Hub! It seems we have all been busy navigating our way through the challenges of covid, winter and the general business that life brings.

Currently in the Hub we have our Community Chaplains in on Tuesday and Thursday mornings.

We're thrilled to have Lisa Foster who is the Community Connector at Anglican Family Care join the hub team! Lisa can help while you are isolating at home, support you with food parcels, support paying bills etc. Once you come out of isolation she can assist you in getting back to work or school, or to doctor's appointments. They are a non-judgemental navigation service and can help you get the support you need, even if you have tested positive for COVID-19 again. So, pop in and see Lisa on Thursdays from 9.30-11.30am.

We're still getting our weekly bread that usually comes on Tuesday afternoons so pop down and help yourself.

The Hub is open Mondays, Tuesdays and Thursdays so if you feel like a chat or need some assistance come and chat to us!

We are very grateful for articles received about any news that is happening in the community. Two \$1000 Hato Hone St John Scholarships for Prospective New Healthcare Workers in Milton

Hato Hone St John is offering two \$1000 scholarships to Milton residents and students who are looking to take up a career in healthcare.

Funded by donations from the local community, the two scholarships offered by the Milton Area Committee are to help residents and students who wish to study a healthcare-related course or degree at a time when communities struggle with the cost of living, and the country suffers a growing shortage of doctors, and nurses across multiple disciplines.

Hato Hone St John Milton Area Committee Chairperson, Marie Smith says it is important that local fundraising is used to give back to our local residents and students.

"Otago University and Otago Polytech are a stone's throw from Milton. A large portion of our local high school students typically study some form of health-related study there.

"After tremendous local fundraising, we wanted to give back to the local Milton-Bruce District, and to support the healthcare industry nationwide."

Applications can be submitted from Monday 10 October until Monday 31 October 2022. The minimum age for applicants is 16 years old.

Contact oli.blackbourn@stjohn.org.nz for an application form, or any questions.
