

MISSION STATEMENT

Working together to inspire excellence in education, in character and in life

I chose Tokomairiro as I wanted my daughter at a school where there was no large group of fellow Chinese students, as I wanted Jasmine to speak English at school with other students.

Crystal Chen, mother of Jasmine, Taiwan

Noah came to Tokomairiro not very interested in school, but is now keen to go to school each day and also will do another six months in New Zealand.

Carolin Müller, mother of Noah, Germany

APPLICATION DETAILS

Application forms and prospectus are available on request.

INTERNATIONAL
STUDENTS
BROCHURE

INDIVIDUAL ATTENTION

Building positive relationships between teacher and student is an integral part of school life. We have small class sizes so teachers know all the students and follow their progress individually.

ACCOMMODATION

Our homestay families are carefully selected and provide a high standard of care, while our International Student Co-ordinator will maintain regular contact with students to ensure they are being well looked after.

MODERN FACILITIES

We have high quality, modern facilities, especially in technology, computing and science, plus excellent sporting facilities with extensive playing fields, a gymnasium, and close access to a heated swimming pool.

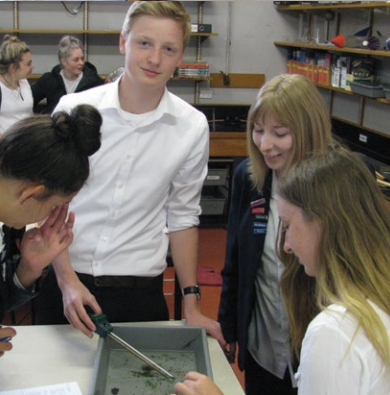

OUTDOOR EDUCATION

Our outdoor education is part of the PE programme. Students may have the opportunity to experience hiking, mountain biking and camping, along with a variety of other activities throughout the year.

SPORTING AND CULTURAL ACTIVITIES

Our school community offers a range of sports, as well as a lunch time sports programme. Specialised tuition is available in a range of musical instruments.

LOCATION

Located in Milton, a friendly small community nestled among farmland and forest, only a 40-minute drive from the city of Dunedin and three hours from the scenic beauty of Central Otago, including the resort of Queenstown.

ENGLISH LANGUAGE SUPPORT

We offer high quality ESOL tuition. Students have access to IELTS tuition and are encouraged to sit IELTS exams. A student's English also improves through participating with other students in class.
