Lake to Sea Trail Bike Ride 2023

Preparations are underway for the Lake to Sea Trail Bike Ride. This is a fundraiser for Tokomairiro High School on Saturday 28th October, it is guaranteed to be a great day attracting hundreds of riders from as far as Canterbury right down to Southland with tracks for juniors right through to expert riders.

To make this possible we need volunteers such as friends and whanau of students and the wider school community especially for marshalling. If you have done this before and are happy to help again or are interested in doing it, please register your interest with Tracy on 021 359 544.

We will also need helpers for putting up tents the day before and on the day with registrations, lunch and tea spots and also cleaning up at the end of the day. Most of these jobs only require a couple of

hours of your time. If you are able to help with any of these, please contact the school office on 417 8620 or Tracy 021 359 544 - tracy@sumptermoore.co.nz

Entry forms are now available to download off the High School website with an option of being able to register online:
<https://www.tokohigh.school.nz/lake-to-sea-trail-bike-ride> You can also find it on the www.myrides.co.nz calendar and keep up to date with the Lake to Sea Trail Bike Ride Facebook page.

The Trail bike ride is a major fundraiser for our school and money raised is used by the PTA to part fund all school camps and field trips to fulfill NCEA credit requirements. It is also used to purchase new equipment for school and subsidise travel expenses for sport and cultural activities.

Let's hope for nice weather, a great turnout, and a successful event.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora

We have reached week six in the term which means we are already over halfway through this term. So much has happened and so much more still to go.

Coming up this week we have our parent teacher conferences which is a great opportunity for parents to catch up with what has been happening and how ready students are to be successful at the end of the year and transition into the higher levels of work for next year. For our seniors it is a time to prepare for university or the world of work.

We have tournament week coming up next week and we wish all our participants lots of luck and advise that they take plenty of catch-up work to do while they are away.

An important date for diaries is the 28th of October. This is our annual trail bike ride and fundraiser for the school. Funds raised on this date help support many vital areas in the school that benefit students directly. This includes subsidies for school camps or equipment for students to use both in class and during intervals and lunch times. There will be several reminders about this as we get closer so put it in your diaries now either to participate or offering to lend a hand on the day so that our students and your children can have a more fruitful time at school.

Senior Ski Camp

The Year 12 and 13 Outdoor Education classes participated in a 3 day ski trip on 6 to 8 August at Coronet Peak. All students participated in lessons each day and learnt and improved on their skiing abilities. It was good to see the resilience and determination of many of our students to push themselves to improve and try different runs. When they fell over they didn't let it put them off and they tried again. Friendships were strengthened through encouraging each other and having shared experiences. We did get some snow falling that presented challenges to everyone from not being able to see very far in front of you and by having snow ball fights. Getting up at 4am to drive to Queenstown was exciting and meant that everyone was exhausted by the evening and had a quiet nights sleep. This trip has been a highlight of the year for the 23 students that attended.

Reading Week Creative Writing Competition

The Reading Week Writing Competition was very successful with a number of entries at both levels. The standard of the stories was very high, making it very hard to choose winners. Thanks to all the students who submitted creative work and thank you to our judges.

Students Build New Tables

On the 11th of August 2023, five boys from the Year 11 technology class gifted the school a brand new picnic table using skills they had learnt under the guidance of Mr Samson.

Blake Michelle, Cy Martin-Smith, Brendon Greer, Vann Adams and Cambell Savage built and carefully assembled all the right pieces of wood to make a beautiful little picnic table that now sits outside the digi-tech room. The table is one of three to replace the broken ones out the front of "c" block.

Daffodil Day | Te Rā Daffodil

Keep an eye out for Cancer Society volunteers with fresh flowers on Friday, 25th August.

Donate now and help the Cancer Society support more people facing cancer. The stall will be open outside Supervalu from 8:45 this Friday - any donations of baking or produce/ plants would be most welcome.

Each year, the number of people diagnosed with cancer in Otago grows. Every day, an average of 71 Kiwis hear the news, "You have cancer."

Your donation this Daffodil Day helps provide:

- safe, free transport to and from cancer treatment
- accommodation for those travelling to Dunedin or Christchurch for treatment
- life-saving research at Otago University
- our local supportive care nurse Diana in Balclutha

News from the Trenches

Another huge week at the RSA with plenty going on to fill 3 columns, but will only produce the highlights and of course this column only deals in facts, everything has a truth element in there.

It would appear a couple of entrants have taken the bull by the horns method by playing their joker early in the Tipping Comp and bolting out to an early lead putting pressure on the rest of the chasing pack. Based on results this week, it could appear to be a genius move. Speaking of rugby, we will be having breakfast for the AB vs France World Cup opener on Saturday morning in a couple of weeks. If you are interested, let the RSA know so Doug can get the correct number of eggs scrambled in preparation. Don't forget the pick the AB's score has still not been struck, this week AB's vs South Africa in London Also upcoming soon will be seed potatoes waiting to be purchased for our World Famous Spud Dig Comp, so make sure you gardening wizards chose carefully as it could dictate whether its a boomer or a dud.

We also have a visit from the Patriots Motorcycle Club in the next couple of weeks. These riders do a lot of fantastic work raising funds and they also have a lot of stunning bikes to admire. Along with the Moss Cross fundraising ride in mid September, more news to follow in later weeks.

In conclusion, you might be missing the weekly update on what certain members have been doing around the community this week, however my legal team is still processing the court documents from the previous columns.

Museum and Information Centre Report

Visitor numbers have slowed over the last month so we took the opportunity to attend to some interior repairs to a section of ceiling plaster which has been successfully completed. Painting is planned for a future date. The replacement of the roof on the old Post Office bike shed has also been completed by Adam and Milne builders.

Three members attended the Clutha District Combined Museums A.G.M. recently in Balclutha and our Historical Society meets monthly here at our Museum, we welcome new members or visitors.

Research for family history enquiries continues which is very satisfying to assist people to trace their ancestor's movements over the years or involvement in the district.

Cataloguing of the Finch collection of pottery is progressing well and we look forward to displaying these items in the future. There are several pieces to view in the display cabinet already.

The Cottage Craft Group ladies are coming for a Craft at the Museum Day on 31st of the month from 11 a.m. and we look forward to hosting them, sharing our displays and seeing what everyone is working on, visitors are welcome.

Meet the Candidates

The Milton Rotary Club is hosting a "Meet the Candidates" meeting for the upcoming general election.

Rotary President Robin Taylor said "it would be a great opportunity to see and hear the candidates all together in Milton. The Taieri Electorate covers a large area and there is not always a chance to hear candidates so we have invited them to come to Coronation Hall in Milton on Wednesday the 13th of September" The evening will start at 7.00pm. The candidates will introduce themselves and then answer questions and the evening will conclude with supper.
